## HOLDING BACK THE TEARS

---

Rose Garden Press This is true story about real people is set in Edinburgh City and Dundee, where a petite Scottish Lassie called Rosie Gilmour, mother to Finlay Sinclair, receives news of the death of her son - who tragically has taken his own life by hanging. Rosie pretends her son is still alive by talking to him, for that takes away the unbearable pain of her loss. But once she begins to face up to the fact that Finlay is not coming back, her conversations become more of a challenge than she can handle. When memories of her past are triggered by everyday life events, they take her mind back and forth in time - back to her own childhood days in 1960, when she flirted with the fairground boys, and to the day she gave birth to Finlay - "ME LADDIE". Rosie's Scottish accent becomes more apparent whenever her emotions are heightened and she begins to recite poetry. She goes on to reveal doubts about her own self-worth and how she re-unites her role as mother - a role she had denied herself for seven years prior to Finlay's death. Rosie learns how to forgive herself and how to accept her loss with using practical coping strategies that sometimes but not always work for her. Many voices of different natures and walks of life appear in Rosie's, story with each one offering a part of their own belief to try and console her in her misery - except that she turns her back on any advice or support offered. Rosie is convinced that she can cope with her loss on her own and "needs no help from anyone, thank you"; - until a sweet, gentle, soft-spoken voice begins to travel with her throughout her ordeal, leaving her no other choice but to listen. Eventually moving to the countryside in Angus, Rosie finds the isolation gives her life a new meaning offering her the opportunity to re-value her belief's about her own self values and decides the time has come to give her son a memorial service and invite a chosen few dance companions whom she met on a regular basis in Edinburgh to honour this day. Rosie begins to accept she will never be the same person she once had been and shall never be again, believing now her journey through grief taught her many lessons making her a stronger and better person than she imagined she could ever be.

## A SPECIAL CELEBRATION OF MY ADOPTION

---

Whispering Pine Press International, Inc. This scrapbook is especially designed for adopted children to help them to remember their unique and sometimes complicated journeys through life. Scrapbooking provides an outlet of expression that may not be available in any other form. Families get involved and show their adopted children how much they love them by helping them fill in the pages of this book. Author Karen Jean Matsko Hood has written My Adoption Celebration Scrapbook to keep those special memories, reflections, and thoughts in a safe place for your adopted child. Help them fill it with photographs, memoirs, stickers, and awards to complete the book of memories that will be treasured for life. You can even add any information to this scrapbook that you may obtain prior to your child's adoption so that they know more of the special people who cared for them until their adoption took place. As they grow and add more to their scrapbook, you, along with the rest of the family, will spend hours browsing through the scrapbook and remembering all of those special times together.

## PETTING FARM FUN

---

Whispering Pine Press International, Inc. Petting Farm Fun is the third release in the popular Hood Picture Book Series. It is a delightful bedtime story to entertain and then relax young children before they fall asleep. The tradition of the bedtime story has been around since before the written word. For generations, and in every culture, parents have prepared their children for bed by telling them stories. Karen Jean Matsko Hood is a prolific author and poet that loves children and animals. It is only fitting that she would write and direct the art of this delightful petting farm story. Her family has raised Nubian goats, fainting goats, Baby doll Southdown sheep, Icelandic sheep, Icelandic horses, and other petting animals as she knows this is a valuable experience for children. The author and her family also have first hand experience raising chickens, turkeys, ducks, and geese for organic eggs. Her children have actively worked on the goat dairy farm to milk goats for organic milk. All this inspired her to write this book.
