Multimodality

A Social Semiotic Approach to Contemporary Communication

Taylor & Francis The 21st century is awash with ever more mixed and remixed images, writing, layout, sound, gesture, speech, and 3D objects. Multimodality looks beyond language and examines these multiple modes of communication and meaning making. Multimodality: A Social Semiotic Approach to Contemporary Communication represents a long-awaited and much anticipated addition to the study of multimodality from the scholar who pioneered and continues to play a decisive role in shaping the field. Written in an accessible manner and illustrated with a wealth of photos and illustrations to clearly demonstrate the points made, Multimodality: A Social Semiotic Approach to Contemporary Communication deliberately sets out to locate communication in the everyday, covering topics and issues not usually discussed in books of this kind, from traffic signs to mobile phones. In this book, Gunther Kress presents a contemporary, distinctive and widely applicable approach to communication. He provides the framework necessary for understanding the attempt to bring all modes of meaning-making together under one unified theoretical roof. This exploration of an increasingly vital area of language and communication studies will be of interest to advanced undergraduate and postgraduate students in the fields of English language and applied linguistics, media and communication studies and education.

The Professional Stranger

An Informal Introduction to Ethnography

Academic Press Incorporated This new edition of a classic introductory text opens with an extensive chapter that brings ethnography up to date and aims it toward the next century. Agar shows how the fundamentals endure even as they adapt to a world unimagined when the research perspective developed more than 100 years ago.

Mexican Whiteboy

Ember Sixteen-year-old Danny searches for his identity amidst the confusion of being half-Mexican and half-white while spending a summer with his cousin and new friends on the baseball fields and back alleys of San Diego County, California.

New Literacies in Action

Teaching and Learning in Multiple Media

Teachers College Press This book examines the work of pioneers: teachers who have transformed their classrooms in an effort to broaden the literacy of their students, describing some of the most innovative examples of teaching and learning.

The Dark Elf Trilogy

Homeland, Exile, Sojourn

Dave the Villager 30

An Unofficial Minecraft Novel

The epic conclusion to Season 3! Can anyone defeat Enderbrine, or will this be the end for Dave and his friends? Disclaimer: This book is a work of fanfiction; it is not an official Minecraft book.
