**Before the Larkspur Blooms After spending eight years in prison for a crime he didn't commit, Thomas Donovan returns home to the windswept prairies of Wyoming hoping to find a second chance at life and only to discover a second chance at love. A Searching Heart (Prairie Legacy Book #2) [Baker Books](#) In this bestselling novel, Virginia must learn the priorities that God has in mind for her as she makes plans for college. Where the Wind Blows Cowboy Chase Logan has been in plenty of touchy situations, but pretending to be the husband of a recent widow and father to her adopted children is the most difficult job he's had yet. Original. A Rose Blooms Twice [Growing Up in God](#) Rose Brownlee has lost more than most can endure. Now she must find a way to move on with her life. Will she bow to conventional wisdom or will she, like Abraham of old, choose to follow where God leads her ... even to a wild and strange land she does not know? Set in the American prairie of the late 1800s, this story of loss, disillusionment, rebirth, and love will inspire, challenge, and encourage you. A Time to Bloom (Leah's Garden Book #2) [Baker Books](#) Will their dreams fall apart when confronted with all that is stacked against them? Delphinium Nielsen and her sisters have accomplished much in the past year, traveling west and settling in Nebraska. They are on their way to building a garden in dedication to their mother and working against the forces of nature to make their farm thrive. However, none of that can mask their concern that they are quickly running out of money. Del's work teaching in their booming town offers hope, not only to**

support her sisters financially, but also to better her students' lives. Not all of the town sees it that way, though, with the rebuilding of the schoolhouse continually neglected and her brightest student's father demanding he work the farm instead of attend class. When their brother Anders arrives with his war-wounded and heartbroken friend RJ, Anders sees the strength of the sisters' idea to start a boardinghouse and decides to invest in it. Del finds RJ barely polite and wants nothing to do with him. But despite Del and her sisters' best-laid plans, the future--and RJ--might surprise them all. **Where Wildflowers Bloom A Novel [Revell](#)** After losing her father and brother in the Civil War, Faith Lindberg decides to travel west to start a new life, but when Royal Baxter, the man she planned to marry, but believed to be dead, returns, she finds her future in doubt. **Tory Victoria Washington-sophisticated and elegant, owner of Victoria's House of Fashion, designer of haute couture gowns for the wealthy and elite of Denver, a brilliant and successful business woman in her own right. Tory, as she is known to her friends, is also a supporter of Palmer House--a most extraordinary refuge for young women rescued from prostitution. Deceived, kidnapped, and beaten into submission, the girls of Palmer House had been held captive in Corinth, the little mountain village above Denver, forced into an occupation not of their own choosing, until freed by the combined efforts of U.S. Marshals and Pinkerton detectives. Through no fault of her own, Tory was one of those girls--also rescued from a life of shame and degradation. And Tory's past hides more than one dark secret: She was born in the deep South to Adeline Washington--a negress, the daughter and granddaughter of slaves, and the "kept" woman of a wealthy, married white man. Tory's mixed blood, her illegitimate birth, and the shame of her exploitation follow her down the mountain and haunt her, even to the cusp of her success. What will happen when those who hate Tory expose her secrets? Will her business and reputation survive the scandals? Or are the rumors a cover for a more sinister plot? Is Tory's life also in danger? And, if so, why?** **Girls from the Mountain Book 1: Tabitha Book 2: Tory Book 3: Sarah Redeemed A Prairie Heritage: Book 1: A Rose Blooms Twice Book 2: Wild Heart on the Prairie Book 3: Joy on This Mountain Book 4: The Captive Within Book 5: Stolen Book 6: Lost Are Found Book 7: All God's Promises Book 8: The Heart of Joy: A Short Story (eBook Only)** "Vikki writes the kind of faith-filled fiction that hooks you within the first few pages, will not let you go until you have finished, and leaves you wishing for more." -Janis Braun, Seattle, Washington "Her books are not just for 'chicks'! It’s a place of grassy mounds with lots of rocks underfoot and clusters of crooked little oaks providing shade. It started young, his long-lasting love affair with a landscape that unnerves the uninitiated a little, mostly because it just seems so empty, and it has persisted through his entire life. As proud grasslanders know, the prairie is biologically fulfilling, unique, and increasingly rare: biologists from the National Park Service and the Nature Conservancy agree that a healthy prairie remains one of the most ecologically diverse and dynamic ecosystems on this planet—as well as one of the rarest left on earth. This landscape that once inspired rapturous exclamations from travelers headed west on horseback now mostly exists in fragments exiled from each other by cropland, cities, and interstate highways. Historically, tallgrass prairie stretched from Canada to Texas, from central Kansas to Indiana. Now the last major expanse of tallgrass occurs in the Flint Hills, a verdant landscape extending in a north-south strip across eastern Kansas and into northern Oklahoma’s Osage County.

In these essays, Gary Lantz brings the beautiful diversity of the prairie home to all of us. **Prairie Farmer A Quiet Strength (Prairie Legacy Book #3)** [Bethany House](#) Virginia must learn the heavenly source of strength through trials in this best-selling novel. **West Winds of Wyoming** [Montlake Romance](#) In Book Three of the Prairie Hearts series by USA Today bestselling author Caroline Fyffe, two broken hearts just might find a second chance at love. It may well be her final visit. Edmund O'Dell, Rose's son-in-law, has accepted the job as head of the Chicago Pinkerton office. As he prepares to move his family from Denver to Chicago, Rose faces a difficult decision: Will she continue at Palmer House where she has led many fallen women to Christ and mentored them in their faith, or will she give up this ministry and follow her daughter and grandchildren to their new home? I am seventy-four years old, Lord, and I believe that the work you entrusted to me when we founded Palmer House should now pass to Sarah and Olive. By your grace, Lord God, they are ready to assume this great and wonderful responsibility. I pray you make them fruitful branches in your kingdom, always abiding in the vine, Christ Jesus. As for me? I will go with my daughter Joy and her family to Chicago and pour what

love, strength, and time I have left into Joy, Edmund, and their children. Rose asks only one thing of her son-in-law. "Edmund, when we take the train east, I would like to stop in RiverBend and spend several days there. I have not seen my friends and Jan's family in many years." Not since Jan left us and entered heaven. O'Dell readily agrees to Rose's request.
