*Oxford University Press, USA* **Psychobiography is often attacked by critics who feel that it trivializes complex adult personalities. The author of this study argues that, in the hands of a skilled practitioner, psychobiography can rival the very best biographies by revealing astonishin**

## The 48 Laws Of Power

*Profile Books* **THE MILLION COPY INTERNATIONAL BESTSELLER** Drawn from 3,000 years of the history of power, this is the definitive guide to help readers achieve for themselves what Queen Elizabeth I, Henry Kissinger, Louis XIV and Machiavelli learnt the hard way. Law 1: Never outshine the

master Law 2: Never put too much trust in friends; learn how to use enemies Law 3: Conceal your intentions Law 4: Always say less than necessary. The text is bold and elegant, laid out in black and red throughout and replete with fables and unique word sculptures. The 48 laws are illustrated through the tactics, triumphs and failures of great figures from the past who have wielded - or been victimised by - power.

\_\_\_\_\_ (From the Playboy interview with Jay-Z, April 2003) PLAYBOY: Rap careers are usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven't? JAY-Z: I would say that it's from still being able to relate to people. It's natural to lose yourself when you have success, to start surrounding yourself with fake people. In *The 48 Laws of Power*, it says the worst thing you can do is build a fortress around yourself. I still got the people who grew up with me, my cousin and my childhood friends. This guy right here (gestures to the studio manager), he's my friend, and he told me that one of my records, *Volume Three*, was wack. People set higher standards for me, and I love it.

## The Crush Saga Box Set (Books 1 - 4)

*Dark Shadows Publishing* Jump into this spellbinding, adrenaline-packed, supernatural bundle from USA TODAY bestselling author Chrissy Peebles. I was born to die... But to defy fate is to control your own destiny. Little did I know that I was entering a world of ritual and magic and that my blood needed to be spilled so the witches' legacy could be complete. The Crush Saga Book Trailer: <https://youtu.be/LbflsKTsPhw> What happens when a normal girl learns monsters actually do exist? Vampires. Witches. Werewolves. Supernatural Creatures. Dramatic Revelations. A Ritual Sacrifice. Ancient Artifacts. A Cold-hearted Serial Killer. Spilled Blood. Secrets. A Hidden Heritage. A Love So Deep. Supernatural Bloodlust. A Dangerous Curse. An Uneasy Alliance With A Dangerous Vampire. Legends of vampires and shape-shifters have been around for centuries, so Taylor Sparks isn't too worried when the rumors start to fly. When Taylor learns secrets that are beyond terrifying, they threaten to destroy her entire world. She is born to die... But to defy fate is to control your own destiny. She warns her crush to leave. But how do you forget someone who is aligned with your soul? They fight against the witches, the vampires, and the werewolves. They know the consequences. They know the risk. But they don't care. Nothing will get in the way of these two star-crossed lovers. Taylor finds out she's a KEY player in a dangerous game created 1,000 years ago that will give the witches and werewolves the upper hand against the vampires. Blood will be spilled and secrets will be revealed in this action-packed thrill ride and paranormal romance. Will Taylor dive into a paranormal world she knows nothing about to be with the one her heart

can't live without? Or will her life spiral out of control when she learns her blood is needed, just the serum necessary to lift an ancient curse from a group of supernatural beings and give the witches back their magic? Werewolves will serve as her guardians and protect her until the first full moon of the new year, the night of her sacrifice... Will she accept her destiny? Or will she refuse to let evil swallow her up? Books included in this box set: Crush - Book 1 Crash - Book 2 Chosen - Book 3 Chaos - Book 4 Plus 7 Bonus Books At The End! ### Deal with the Devil

# A Mercenary Librarians Novel

*Tor Books* **Deal with the Devil** is Orphan Black meets the post-apocalyptic Avengers by USA Today and New York Times bestselling author duo Kit Rocha. Nina is an information broker with a mission—she and her team of mercenary librarians use their knowledge to save the hopeless in a crumbling America. Knox is the bitter, battle-weary captain of the Silver Devils. His squad of supersoldiers went AWOL to avoid slaughtering innocents, and now he's fighting to survive. They're on a deadly collision course, and the passion that flares between them only makes it more dangerous. They could burn down the world, destroying each other in the process... Or they could do the impossible: team up. This is the first book in a near-future science fiction series with elements of romance. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

## The Devils' Alliance

## Hitler's Pact with Stalin, 1939-1941

*Random House* For nearly two years the two most infamous dictators in history actively collaborated with one another. The Nazi-Soviet Pact stunned the world when it was announced, the Second World War was launched under its auspices with the invasion and division of Poland, and its eventual collapse led to the war's defining and deciding clash. It is a chapter too often skimmed over by popular histories of the Second World War, and in *The Devils' Alliance* Roger Moorhouse tells the full story of the pact between Hitler and Stalin for the first time, from the motivation for its inception to its dramatic and abrupt end in 1941 as Germany declared war against its former partner. Using first-hand and eye-witness testimony, this is not just an account of the turbulent, febrile politics underlying the unlikely collaboration between these two totalitarian regimes, but of the human costs of the pact, as millions of eastern Europeans fell victim to the nefarious ambitions of Hitler and Stalin.

## Insight Turkey 2018 - Spring 2018 (Vol. 20, No.2)

## The Gulf on The Verge

*SET Vakfı İktisadi İşletmesi* **The Gulf** is a sub-region consisting of Saudi Arabia and five small states, namely Kuwait, Qatar, Oman, the United Arab

Emirates and Bahrain. This sub-region emerged after the British recognized the independence of the above-mentioned small entities between 1961 and 1971. Having an abundant amount of natural resources, i.e. oil and natural gas, the Gulf States are among the richest countries in the world; therefore, they do not share the poverty and political instability widely found in the Middle East. The Gulf is a sub-region consisting of Saudi Arabia and five small states, namely Kuwait, Qatar, Oman, the United Arab Emirates and Bahrain. This sub-region emerged after the British recognized the independence of the above-mentioned small entities between 1961 and 1971. Having an abundant amount of natural resources, i.e. oil and natural gas, the Gulf States are among the richest countries in the world; therefore, they do not share the poverty and political instability widely found in the Middle East. The sub-region was institutionalized with the establishment of the Gulf Cooperation Council (GCC) in 1981 as a result of three important regional developments -the Iranian Islamic Revolution in 1979, the Soviet invasion of Afghanistan in 1979, and the outbreak of the Iran-Iraq war in 1980. The GCC was mainly designed as a security institution to counter regional threats emanating from the other side of the Persian Gulf, namely Iran. However, after the invasion of Kuwait, by Saddam's Iraq, the Gulf States became alarmed and asked the United States to protect their political independence against all regional threats. After the collapse of the Cold War, the Gulf States initiated a process of regional integration and significant steps were taken to achieve a monetary and economic union. At the end of the first decade of the 21st century, the Gulf States decided to introduce "al-khaleeji" as the common currency. However, this promising process was halted with the eruption of the Arab uprisings and revolutions. The Arab uprisings have imposed the greatest threat to the unity of the Gulf. For the first time in their history, the Gulf States began to be challenged politically from not only external threats but also internal dynamics. The process of sweeping changes throughout the Middle East instigated great concern in the Gulf, the most pro-status quo states in the region. During the first two years, 2011-2013, the Gulf States tried to follow a defensive policy against the powers of change. They strived to keep the wave of uprisings away from the Gulf. After they had overcome their shock and confusion, they began to take initiatives to intervene into the regional crises. Some of the Gulf countries, especially Saudi Arabia and the UAE, organized a military coup against the region's first and only democratically elected government of Muhammad Morsi, placing Egypt in an economically and politically vulnerable position. Furthermore, these two countries interfered into the domestic affairs of other regional states in crisis such as Libya, Yemen and Lebanon. They succeeded in turning the "Arab Spring" into an "Arab Winter" by eliminating, de-legitimizing and weakening the carriers of reform, the Muslim Brotherhood and its affiliates, throughout the Arab world. Thus, indirectly they suppressed the moderate non-state actors in favor of radical actors and terrorist groups such as ISIS and al-Qaeda. Saudi Arabia

and the UAE went further and tried to redesign the region through their ambitious regional policies. Encouraged by the United States and Israel, they gained the support from countries that are dependent on their petro-dollars such as Bahrain, Egypt and Jordan. These two states attempted to lead both the Arab and Muslim worlds; and therefore, mobilized their only asset, billions of petro-dollars, to buy influence in the region. In order to be able to lead the Arab world, Saudi Arabia and the UAE had to delegitimize the Muslim Brotherhood and affiliated groups and political parties -the main carriers of popular demonstrations throughout the Arab world. Therefore, they declared all these political groups and social movements as "terrorist organizations." They even attempted to ostracize those regional countries, i.e. Turkey and Qatar that support these popular movements, while at the same time forcing other countries to support their regional policies. The first target was Qatar; the Arab state most open to liberal values and diversity. In 2014, Saudi Arabia and the UAE forced Qatar to cut its relations with regional non-state actors such as the Brotherhood and Hamas, but the Obama Administration did not allow Riyadh and Abu Dhabi to instigate a crisis. However, after Trump came to power, these two states reintroduced the crisis and imposed their blockade against Qatar. Nevertheless, with the strong support of Turkey and Iran, two significant regional powers, the policy of Saudi Arabia and the UAE has failed. As a result, Riyadh and Abu Dhabi have shattered the unity of not only the Arabs but also that of the Gulf. While Oman maintained its neutral position, by following an active neutrality policy and playing a mediating role, Kuwait tried to prevent the breakup of the Gulf region. Although it has not declared so publicly, Kuwait rejects the regional design attempts by the Saudi and Emirati governments. To lead the Muslim world, Saudi Arabia led the foundation of the so-called "Islamic Military Alliance" comprising of more than 50 nations. However, it became clear in a short time period that this attempt was not a real Islamic alliance to bring stability to the region, but a measure to fortify a Sunni bloc against Iranian regional expansionism. That is, Saudi Arabia tried to utilize the Sunni Islamic understanding for its regional policies. It is not difficult to claim that Saudi Arabia and the UAE will not be able to realize this project. The possibility of ending up with the disillusionment of the Arab and Muslim streets and alienation of some Sunni countries is quite high. Overall the project, which has been executed with the support of the U.S. and Israel, is an attempt to deepen the sectarian strife between Shias and Sunnis and it will not bring political stability or peace to the region. In conclusion, in order to protect themselves against regional threats and to establish a balance of power against other regional powers, the small Gulf States must form military alliances and political institutions with other regional countries. First, they need to maintain the unity of the Gulf. Second, Riyadh and Abu Dhabi should encourage other regional actors to contribute to the regional stability. Saudi Arabia and the UAE have to end the Qatari crisis, a lose-lose crisis manufactured by these two states, since it is undermining the

sub-region's security and economic outlook. Third, the Gulf States must keep the sub-region as the island of political and economic stability in the chaotic Middle East and contribute to the gradual and peaceful reconstruction of the region. To achieve this objective, the Gulf States must stop using conflicting political discourses. Considering all these important developments, the Gulf region has attracted a lot of attention among the scholars and *Insight Turkey*, through this special issue, aims to cover some of the main topics such as the Qatari crisis, the rise of sectarianism, the foreign policies of the pro-status quo countries and the relations of these states with Turkey. The situation in the Gulf region gets more complicated as time passes and the division between blocks has started to become deeper. Ufuk Ulutaş and Burhanettin Duran provide a comprehensive analysis of all of the actors, including here global and regional ones, which are currently included in the Gulf affairs. Without any doubt, the Qatari crisis has played a decisive role in manifesting the existing regional rifts. In the light of this, Kristian Coates Ulrichsen and Marwan Kabalan focus on this crisis, which started with the blockade of Qatar by the so-called Quartet, i.e. Saudi Arabia, the UAE, Bahrain and Egypt. With a special focus on the Gulf and U.S. policies respectively, both of the authors provide valuable insights regarding the crisis and the future of the Gulf. The main division in the region comes as a result of the rise of sectarianism, which has transformed into local sectarian and regional geopolitical confrontations among some Gulf States -mainly Saudi Arabia and the UAE- and Iran. Emad Kaddorah, in his commentary, argues that the regional conflict over the Gulf region is geo-sectarian, meaning that it is a geopolitical contest, which has recently been engulfed by a sectarian dimension. Saudi Arabia remains one of the main actors in the region and it deserves special attention. The articles of Simon Mabon and May Darwich help to better understand the domestic and foreign policies of Saudi Arabia. Mabon looks at the actions of the new crown prince to explore the impact of Bin Salman's influence on both the Kingdom and the Middle East more broadly. On the other hand, Darwich analyzes the Saudi intervention in Yemen, a war that many have started to consider as "Saudi Vietnam war." More specifically, May Darwich offers an alternative explanation for the abrupt Saudi aggressiveness toward Yemen and argues that this intervention is driven by the Saudi leadership aims to assert the Kingdom's status as a regional power in the Middle East. Despite Saudi Arabia, the UAE is another important actor in the region, whose impact is underestimated. By focusing on the military bases built by the UAE in the Horn of Africa, İsmail Numan Telci and Tuba Öztürk Horoz provide an explanation on the real motivations behind the Emirati foreign policies which have started to focus more on hard power, a deviation from the perpetual foreign policies of the other Gulf States. Amidst the shattering order of the Gulf, Turkey has pursued a careful and balancing policy, finding itself sided neither with the Saudi-led block, nor with the Iranian-led block. At this point it is important to understand the background of the

Turkey-GCC states relations and Özden Zeynep Oktav in her article brings a detailed analysis of the root causes that led to the policy divergences between Turkey, and some GCC states, i.e. Saudi Arabia and the UAE. This special issue of Insight Turkey includes five off-topic pieces, which indeed are closely related with the Gulf affairs. In his commentary, M. Akif Kireççi, focuses on the initiatives undertaken by Turkey after Trump declared Jerusalem as the capital of Israel and how the divided Gulf States left aside their disparities to protect the rights of Palestinians against this fallacious decision. The article of Osama Anter Hamdi complements Kireççi's commentary, as the author provides a comprehensive analysis of the American foreign policy toward the Arab-Israeli conflict since the establishment of the Israeli state. Iran, of course, deserves special attention as the foreign policies of the Gulf States are mostly designed to balance the Iranian influence in the region. The three remaining articles of the issue deal with U.S. Iranian relations, the nuclear deal and how Iran and Turkey serve as a model of emulation for other states in the region. Written by İmran Demir, Farhad Rezaei, and Ibrahim Khatib and As'ad Ghanem, respectively, these three articles are worth reading in order to better understand the Iranian policies. "The Gulf on the Verge: Ambitions, Crises and Shattering Order," provides timely analyses for a region that once again has become the linchpin of global affairs. We are confident that this issue of Insight Turkey will be a great contribution to the Gulf studies.

## The Devil's Advocate

### Rather Be the Devil

## From the Iconic #1 Bestselling Writer of Channel 4's MURDER ISLAND

*Hachette UK* 'Britain's No.1 crime writer' *Mirror* \* \* \* \* \* **A CASE THAT WON'T DIE** John Rebus can't close the door on the death of glamorous socialite Maria Turquand. Brutally murdered in her hotel room forty years ago, her killer has never been found. Meanwhile, Edinburgh's dark heart is up for grabs. Young pretender Darryl Christie may have staked his claim on the city's underworld - but has criminal mastermind and Rebus' long-time adversary, Big Ger Cafferty, really settled down to a quiet retirement? Or is he hiding in the shadows until Edinburgh is once more ripe for the picking? **Old Enemies. New Crimes.** Rebus may be off the force, but he certainly isn't off the case. \* \* \* \* \* 'Superbly told, impossible to put down ... underlines the treasure that Rebus has become' *Daily Mail* 'This elegantly crafted and

witty thriller proves this old devil still has all the best tunes' *Sunday Mirror*  
'Effortless plotting and a cracking narrative that keeps the reader gripped throughout' *Daily Express*

## The Modern British Drama: Operas and farces

## Urban Transformations

## Power, People and Urban Design

*Routledge* Cities affect every person's life, yet across the traditional divides of class, age, gender and political affiliation, armies of people are united in their dislike of the transformations that cities have undergone in recent times. The physical form of the urban environment is not a designer add-on to 'real' social issues; it is a central aspect of the social world. Yet in many people's experience, the cumulative impacts of recent urban development have created widely un-loved urban places. To work towards better-loved urban environments, we need to understand how current problems have arisen and identify practical action to address them. *Urban Transformations* examines the crucial issues relating to how cities are formed, how people use these urban environments and how cities can be transformed into better places. Exploring the links between the concrete physicality of the built environment and the complex social, economic, political and cultural processes through which the physical urban form is produced and consumed, Ian Bentley proposes a framework of ideas to provoke and develop current debate and new forms of practice.

## The Stacked Deck

*Wheeler Publishing, Incorporated* "Life for former gunfighter Johnny Fierro has never been straightforward or easy. Although Fierro has returned to the Sinclair ranch, he still feels like an outsider. Two lawmen arrive at the ranch with a warrant for his arrest, and take him to Utah to stand trial. For murder"--

## Cohesion

*Pocket Books/Star Trek* While continuing their odyssey through the Delta Quadrant, Captain Kathryn Janeway and the crew of the *Voyager* encounter a strange alien race that according to known physical laws should not exist, but an expedition to the Monorhan homeworld hurtles the starship into a region beyond the fabric of space-time and forces Seven of Nine and

B'Elanna Torres into an uneasy alliance if they are to survive. Original.

## The Demise of Virtue in Virtual America

## The Moral Origins of the Great Recession

*Wipf and Stock Publishers* **Although the financial disaster of 2008 proved devastatingly quick, the evolution of the bad faith that drove the collapse is a more gradual story, and one that David Bosworth powerfully narrates in *The Demise of Virtue in Virtual America: The Moral Origins of the Great Recession*, his sweeping history of the forces driving ethical, political, and economic change over the last sixty years. Here, Bosworth traces how the commercialization of public spaces and electronic information has created a new and enclosed American place. Chapter by chapter, he then shows how the materialist values of this Virtual America have suffused our everyday lives, co-opting the themes of our narratives, the planks of our parties, the practices of our professions, and the most intimate aspects of our personal lives, including our beliefs about God, marriage, and childcare. From Ronald Reagan and Disneyland to modern pharmacology and "prosperity theology," from the phony conservatism of Wall Street to the faux rebellion of "transgressive" art, Bosworth's alternative story of American life since 1950 relentlessly challenges today's dominant narratives--narratives that, as he reveals, made both the calamitous invasion of Iraq and the economic collapse of 2008 all too likely.**

## Braille Book Review

## Sorcery of Thorns

## Heart-racing fantasy from the New York Times bestselling author of *An Enchantment of Ravens*

*Simon and Schuster* **From the internationally bestselling author of *An Enchantment of Ravens* comes a breathtaking fantasy story of magic, power and slow-burning love. This is the perfect read for fans of *Cassandra***

Clare, Sarah J. Maas's *A COURT OF THORNS AND ROSES* series, and Holly Black! 'A bewitching gem . . . I absolutely loved every moment of this story'- Stephanie Garber, #1 New York Times bestselling author of the *Caraval* series *ALL SORCERERS ARE EVIL* . . . Elisabeth has known that for as long as she can remember. Raised in one of Austermeer's Great Libraries, Elisabeth has grown up among magical grimoires that, if provoked, transform into grotesque monsters of ink and leather. When the library's most dangerous grimoire is released, Elisabeth is blamed. With no one to turn to but her sworn enemy, the sorcerer Nathaniel Thorn, she finds herself entangled in a centuries-old conspiracy. As her alliance with Nathaniel grows stronger, Elisabeth starts to question everything she's been taught. For Elisabeth has a power she could never have imagined . . . 'If you loved the Hogwarts Library . . . you'll be right at home at Summershall' - Katherine Arden, New York Times bestselling author of *The Bear and the Nightingale* 'An enthralling adventure replete with spellbinding characters, a slow-burning love story, and a world worth staying lost in' - Kirkus Reviews, starred review

## American Comic Book Chronicles: 1940-1944

*TwoMorrows Publishing* The American Comic Book Chronicles continues its ambitious series of FULL-COLOR HARDCOVERS, where TwoMorrows' top authors document every decade of comic book history from the 1940s to today! Kurt Mitchell and editor Roy Thomas composed this volume about the "Golden Age" of the comic book industry, a period that presented the earliest adventures of such iconic super-heroes as Batman, Captain Marvel, Superman, and Wonder Woman. It was a time when America's entry into World War II was presaged by the arrival of such patriotic do-gooders as Will Eisner's Uncle Sam, Harry Shorten and Irv Novick's *The Shield*, and Joe Simon and Jack Kirby's *Captain America*. It was when teenage culture found expression in a fumbling red-haired high school student named Archie Andrews. But most of all, the first five years of the 1940s was the age of the "packagers" when studios headed by men like Harry A Chesler, Will Eisner, and Jerry Iger churned out material for a plethora of new comic book companies that published the entire gamut of genres, from funny animal stories to crime tales to jungle sagas to science-fiction adventures. These are just a few of the events chronicled in this exhaustive, full-color hardcover. Taken together, *American Comic Book Chronicles* forms a cohesive, linear overview of the entire landscape of comics history, sure to be an invaluable resource for ANY comic book enthusiast!

## Elizabethan Demonology

### The Devil World

□□□ This Essay is an expansion, in accordance with a preconceived scheme, of two papers, one on "The Witches in Macbeth," and the other on "The Demonology of Shakspeare," which were read before the New Shakspeare Society in the years 1877 and 1878. The Shakspeare references in the text are made to the Globe Edition. The writer's best thanks are due to his friends Mr. F.J. Furnivall and Mr. Lauriston E. Shaw, for their kindness in reading the proof sheets, and suggesting emendations.

## Uneasy Sensations

### Smollett and the Body

*University of Chicago Press* Looking at such works as *The Adventures of Roderick Random*, *The Expedition of Humphry Clinker* and *The Adventures of Peregrine Pickle*, Douglas explores the ways Smollett uses representations of sentience especially torment and pain - in his critique of the social and political order.

*Farrar, Straus and Giroux (BYR)* **The Devil's Storybook** is a 1974 New York Times Book Review Notable Children's Book of the Year and a 1975 National Book Award Finalist for Children's Books. An ALA Notable Book Chosen by School Library Journal as one of the Best of the Best Books

Southern Sun, Northern Star

*Tor Teen* **Battles, revolution, and romance collide in Southern Sun, Northern Star, the conclusion to Joanna Hathaway's stunning, World Wars-inspired fantasy series. Reeling from the tragedy that beset her family, Princess Aurelia has joined the resistance in Havenspur, spying on the Northern leaders who were once her allies and determined to stop her uncle's machinations for war. Meanwhile, her beloved pilot Athan leads his squadron into battle as the Safire wage a losing war abroad and combat growing unrest back home. When Athan is sent on leave to Havenspur following the death of a comrade, the pair reunite and rekindle their romance until Aurelia uncovers one of Athan's secrets, a secret that could save countless lives. But exposing it to the right people will cost her Athan's trust, and this time, their shared memories of love might not be enough to stop the fateful path of destruction that threatens all they've fought to defend. As history unfolds around them, every move they make drives them one step closer to either recreating their parents' shadowed past or redeeming the alliance that could bring peace. The breathtaking finale to a legendary series. Part war drama, part romance, Southern Sun, Northern Star is the epic conclusion to the Glass Alliance series. All the Devils

*Thomas & Mercer* A search for a pair of serial rapists leads Livia Lone down the darkest and most dangerous trail of her life in a pulse-pounding thriller by New York Times bestselling author Barry Eisler. Ten years ago, the daughter of Homeland Security Investigations agent B. D. Little vanished into thin air. So did seven other girls--the crimes all bearing the same signature characteristics. Now the disappearances have begun again. And Agent Little's efforts to investigate are being blocked by forces far above his pay grade. Desperate, he turns to Seattle sex-crimes detective Livia Lone, the most obsessive hunter of predators Little knows. Livia will need that obsessiveness, and a lot more. Because the two men Little is pursuing are fearsome. Both Special Forces veterans with a dozen tours in Iraq between them. Both sadists and serial rapists. And one, the congressman scion of the vice president of the United States--a man who will use all his power to protect his son's secrets and further his own ambitions. The conspirators have all the assets and all the angles. And every reason to believe they'll evade justice, as they always have before. They don't understand that for Livia Lone, justice is only a guideline. Revenge is the rule.

The Origin of Consciousness in the Breakdown of the Bicameral Mind

*Houghton Mifflin Harcourt* National Book Award Finalist: "This man's ideas may be the most influential, not to say controversial, of the second half of the twentieth century."—Columbus Dispatch At the heart of this classic, seminal book is Julian Jaynes's still-controversial thesis that human consciousness did not begin far back in animal evolution but instead is a learned process that came about only three thousand years ago and is still developing. The implications of this revolutionary scientific paradigm

extend into virtually every aspect of our psychology, our history and culture, our religion—and indeed our future. “Don’t be put off by the academic title of Julian Jaynes’s *The Origin of Consciousness in the Breakdown of the Bicameral Mind*. Its prose is always lucid and often lyrical...he unfolds his case with the utmost intellectual rigor.”—*The New York Times* “When Julian Jaynes . . . speculates that until late in the twentieth millennium BC men had no consciousness but were automatically obeying the voices of the gods, we are astounded but compelled to follow this remarkable thesis.”—John Updike, *The New Yorker* “He is as startling as Freud was in *The Interpretation of Dreams*, and Jaynes is equally as adept at forcing a new view of known human behavior.”—*American Journal of Psychiatry*

Emilia and her twin sister Vittoria are streghe - witches who live secretly among humans, avoiding notice and persecution. One night, Vittoria misses dinner service at the family's renowned Sicilian restaurant. Emilia soon finds the body of her beloved twin . . . desecrated beyond belief. Devastated, Emilia sets out to find her sister's killer and to seek vengeance at any cost-even if it means using dark magic that's been long forbidden. Then Emilia meets Wrath, one of the Wicked-princes of Hell she has been warned against in tales since she was a child. Wrath claims to be on Emilia's side, tasked by his master with solving the series of women's murders on the island. But when it comes to the Wicked, nothing is as it seems . . .**

## A No Ordinary Hero Novel

*St. Martin's Paperbacks* **The dawning of desire 1806, Scotland. Wild, reckless Callum MacCreath is in no hurry to become someone's husband. But when his responsible, steady older brother Ian announces his engagement to their childhood friend Rebecca, Callum makes a startling discovery: he wants the lovely young lass for himself. But it's too late, and when Ian banishes him for his duplicity, Callum is only too happy to leave Scotland forever. ...is delicious and dangerous 1816: Marrying Ian was the practical, logical thing for Becca to do. But once Callum sailed away to America, she missed his rakish charm and lust for life. Now Becca is a widow when a much-changed Callum returns to his Scottish homeland. Will he remember their spirited, fiery connection or does he blame her for his brother's unexpected death? This time neither of them can deny their scorching attraction. But will their hearts be burned in the blazing heat of scandal? "It's time to fall in love with Suzanne Enoch." —Lisa Kleypas "Steamy and**

bubbling with humor, a scrumptious tale to begin her No Ordinary Hero series.” —Booklist (starred review) on Hero in the Highlands

## The Leopard King

*Ann Aguirre* Proud. Imperious. Impassioned. Until three years ago, those words applied to Dominic Asher, the leader of Ash Valley. His family has ruled the feline branch of the Animari for hundreds of years, guiding the pride through perilous times. Unspeakable loss drove him into seclusion, a feral beast nobody can tame. Now he's wrecked, a leopard king in exile, and he wants nothing more than to die. Fierce. Loyal. Determined. Fortunately for Dom, those words still apply to Pru Bristow, his dead mate's best friend. She's had her heart broken too, but she never quits. With the conclave approaching, alliances with the Pine Ridge pack and Burnt Amber clans on the verge of collapse, she's prepared to do whatever it takes to drag their leader back, before his second can start a war. At best theirs seems like a desperate alliance, but when their mate bond turns hot and fierce, there's no end to the questions and the doubts. Neither of them expects to fall in love. But sometimes people don't know what they're looking for until they find it.
