Our main focus continues to be 'Student Success in Accounting' and the new seventh edition package further enables both instructors and students to achieve successful learning outcomes. With this edition, we have added two new authors, Valerie Warren and Lori Novak. They bring fresh new ideas, updates, and continue to implement challenging accounting concepts through examples that are familiar to the student with a stepped-out pedagogy that breaks down complex topics making the material more manageable. This connection to their everyday lives helps build student motivation, a key driver of student time spent on assignments and ultimately their mastery of the concepts. Accounting Principles, Seventh Canadian Edition enables students to become independent and successful learners by including a variety of additional resources, more opportunities to use new technology, and new features that empower students to apply what they have learned in the classroom to the world outside the classroom. The seamlessly integrated digital and print resources to accompany Accounting Principles, Seventh Canadian Edition offer additional tools for both instructors and students in order to help students succeed.* **Canadian Books in Print.
