### **TRIVIA QUESTIONS THAT ARE FUN AND CHALLENGING**

---

*Xlibris Corporation As the name suggests, that's what this book is all about. The 1000 Trivia Questions is a book designed to test and challenge your thinking skills on a wide range of trivia questions. The questions are the same (if not easier) that you would get at any quiz or trivia night. They have been designed to be challenging, but not impossible, to answer. The wide variety of topics—including history, geography, sport, entertainment, science, current events, famous (and infamous) people, math, and food and dining—means all people will be able to answer the questions. The 1000 Trivia Questions book can be used to plan quiz and trivia nights—just pick the questions you want to use. Or it can be used by people to see who has a wealth of trivial information stored in their brains. This book can also be used in classrooms of senior primary students to middle secondary and beyond. 1000 Trivia Questions is designed to be used when people want to challenge themselves and others on things in our world. As well as the questions, all the answers are provided at the back of the book. It has been designed this way to stop prying eyes having a quick peek before answering the question—not that the majority would do that anyway. Enjoy the fun and challenge of 1000 Trivia Questions.*

### COMING UP FOR AIR

---

*HMH* An insurance salesman desperately tries to recapture his youth in this "charming" comic novel by the iconic British author (*The New York Times*). George Bowling is having a crisis. Not a loud, unsightly one, but a small, desperate one. His days are occupied by an unfulfilling insurance job; his nights spent worrying about his mortgage, marriage, expanding waistline, and what seems to be a certain prospect of World War II looming on the horizon. So when George unexpectedly hits it big on a lucky horse, he spends the windfall on the only thing he ever knew to make him happy: his childhood. George travels back to his boyhood home of Lower Binfield, swimming in vivid memories of worry-free bliss, sights, sounds, smells, and emotions of a pre-war world. But while the idyllic village in George's head may not have seen battle, the reality may be more sobering than he is prepared to deal with. Penned with Orwell's trademark insight and passion, *Coming Up for Air* is an elegiac look at memory and desire at a desperate moment in England's history.
