## American English File 3E Level 5 Student Book

**Oxford University Press** *American English File Second Edition* retains the popular methodology developed by world-renowned authors Christina Latham-Koenig and Clive Oxenden: language + motivation = opportunity. With grammar, vocabulary, and pronunciation practice in every lesson, students are equipped with a solid foundation for successful speaking. Plus - an array of digital resources provides even more choice and flexibility. Students can learn in the classroom or on the move with Online Practice. language assessment. The first goal is to explore the difference between fairness and justice in language assessment. The authors distinguish internal and external dimensions of the equitable and just treatment of individuals taking language tests which are used as gatekeeping devices to determine access to education and employment, immigrant status, citizenship, and other rights. The second goal is to show how the extent of test fairness can be demonstrated and improved using the tools of psychometrics, in particular the models collectively known as Rasch measurement. "This book will have an enormous impact on the field of language assessment. Using Rasch analysis models to explore and identify sources of unfairness, the authors make a compelling case for fairness in the design and implementation of language assessment instruments and for justice in the interpretation and use of test results. A real strength of the book is that it guides readers through analytical techniques in an accessible way." Dan Douglas, Professor Emeritus,

*Applied Linguistics Program, Iowa State University.*

## Kid's Box American English Level 4 Teacher's Edition

**Cambridge University Press** *Kid's Box is a six-level course for young learners. idea sections for fast finishers. The test material is contained on the Testbuilder CD-ROM, together with the audio for the tests.

## AMERICAN ENGLISH FILE

### Workbook 2

## Compact First Student's Book with Answers with CD-ROM

**Cambridge University Press** "*Compact first second edition is a concise course which thoroughly prepares B2- level students for all four papers of the revised Cambridge English : First, also known as First Certificate in English (FCE). 10 units provide 50-60 hours of core material to maximise students' performance*"-- Back cover.

## American Book Publishing Record Cumulative 1998

## American English File

**OXFORD** "*Texts must be interesting enough for students to want to read them in their own language. Otherwise, how can we expect students to want to read them in English?*" This is the authors' golden rule when they choose texts and topics for every level of American English File. It ensures you get material that learners will enjoy reading and will want to talk about. Texts such as "Could you live without money?" really help to generate opinion and discussion. They create a desire to communicate. Having created the desire, American English File then helps you to develop learners' communication skills. One way it does this is with a strong focus on pronunciation. Research shows that poor pronunciation is a major contributor to breakdowns in communication (Jennifer Jenkins: *The Phonology of English as an International Language*). American English File integrates pronunciation into every lesson - the "little and often" approach. But that's not all. The unique English File Sounds Chart puts a picture to each sound in the phonetic alphabet, so learners find it easier to remember the sounds and, ultimately, improve their pronunciation.

# American More! Six-Level Edition Level 4 Teacher's Resource Book with Testbuilder CD-ROM/Audio CD
