## A Marketplace Fan Anthology

Circlet Press Ten stories of BDSM, submission, and service set in the secret world of Laura Antoniou's Marketplace. The Marketplace has fans all over the world, and Antoniou invited them to come play in her fictional sandbox/dungeon. Numbered among those fans happen to be some of the top erotica and alternative sexuality writers in the world, including D.L. King, Sassafras Lowrey, and Elizabeth Schechter. The full slate of writers contributing to NO SAFEWORDS runs the gamut of award-winning authors to bright-eyed new voices, as creator Laura Antoniou explains in her introduction: "As the saying goes, 'blessed are those who embellish the tale.' So here is the Marketplace, as seen through other eyes. There are some stories that show the world exactly as I created it, and some that push my boundaries a tad. There is romance and strife, glee and despair. There is hot sex, of course, but there's also humor and melodrama. Just the way I like it. "There were some surprises for me! I was delighted to find several female dominant/male submissive stories, especially since my examples of those relationships tend to be supporting, rather than main characters. I was also pleased by the writers who weren't afraid to go a little dark; a collection of stories all about slaves misbehaving in mildly inconvenient ways and getting fantastically, erotically punished would have been tiresome. "So whether you want a rollicking Victorian flavored tale of adventure and romance or a modern, sexy welcome to a new home for a familiar character, you will find flavors here to tempt or satisfy your tastes. Return for more time travel to a world where the language we so casually use to describe our tastes doesn't even exist, but where longing for a ritualized order and discipline and a sense of belonging transcends words, and gets expressed in the rich metaphor-and reality-of a garden. "Then swerve away from romance to feel the terror of a slave newly sold to an owner who represents their worst nightmare, whether because of demographics or the enormous challenge of a language barrier. "Here, you can get into the reflection of a trainer's long career or the grief and anguish of a new owner confronted with an inherited house full of property she didn't choose. Or, watch how even the jaded, experienced ways of the Marketplace aware people become awkward in that most awkward of adult challenges-a marriage proposal. Get a glimpse into the rarefied and formal household of an owner/spotter, and then take a detour to the desolate history of a young genderqueer punk fresh from the streets, confronted with the most iconic of Marketplace characters. All of this-a synthesis of my imagination and theirs, fed by culture, fantasy, fairy tales and fears. All fiction is, in a way, fan fiction. I am sorry it took so long for me to see this and to open myself to the interesting sensations-you might call it edge-play-in giving people access to my favorite victims. But better late than never!" ## The Killer Wore Leather

### A Mystery

Simon and Schuster Mr. Global Leather has been murdered! In the Grand Sterling Hotel of Midtown Manhattan, home of the huge annual leather/BDSM/fetish ball and contest, Mr. & Ms. Global Leather, last year's male winner lies dead on the floor of his suite, wearing only very frilly, bright yellow panties. Cormac "Mack" Steel made a lot of enemies in his year wearing the studded leather sash, not the least being his co-winner Mistress Ravenfyre. But she is not alone - there are over three thousand attendees at this year's fetish-festooned event from all over the world, some of whom might have had some very personal issues with the corpse. Enter Detective Rebecca Feldblum of the Midtown East Precinct. Assigned to this doozy of a case because, as one of NYC's only out lesbian detectives, her Lieutenant seems to believe these are "her people." Shocked, amazed and alternately puzzled and amused, Detective Feldblum must navigate a world of doms and subs, masters and mistresses, pups and trainers, leather, latex and lingerie, and discover who murdered the late Mack Steel - and hopefully do it before the weekend is over and everyone goes home. In the process, she will discover more about the sexual underworld than she ever really wanted to know, and more about her own past than she could have ever imagined. Written in the classic spirit of Sharyn McCrumb's Bimbos of the Death Sun, The Killer Wore Leather is both an engaging mystery and a humorous glimpse into the world of modern, pansexual international leather/BDSM contests and conferences. Only Laura Antoniou could write The Killer Wore Leather. In addition to being the author of the best-selling Marketplace series of erotic novels, she has over 20 years of experience teaching, speaking to and occasionally skewering the alt-sex communities around the world. With a wicked sense of humor, insider information and a twisted imagination, she crafts a spicy mélange of mystery and mayhem! The Killer Wore Leather is a deliciously tongue-in-cheek murder mystery set at a leather convention, allowing readers into this private world of personalities and peccadilloes. The kinkiest game of clue ever with a sex toy as the murder weapon and every leather man and woman lacks an alibi. Cleverly crafted and highly humorous, Antoniou is at her wicked best in this pageturning fetish fest. Laura is the best-selling author of the classic BDSM series, THE MARKETPLACE, which has sold more than 400,000 copies and been translated into 5 languages.

## The Inheritor

## Book Six of the Marketplace Series

**Circlet Press** The long-awaited sixth installment of Laura Antoniou's *Marketplace* series! A surprise hit when first published in the 1990s by *Masquerade Books*, *THE MARKETPLACE* launched a series that eventually grew to five books. The author, Laura Antoniou, wrote them slowly, while working a day job, and after *Masquerade* went under, moved to a small press. After that press's demise, the series faltered, but in 2010 *Circlet Press* began to re-issue the series in new ebook editions. The revitalization of the entire franchise in the face of "50 Shades" mania has been nothing short of incredible. Antoniou's work has been featured in *Cosmopolitan*, *Life Story*, and elsewhere as a safe, sane, and consensual alternative to "50" and now, at last, after a massively successful Kickstarter campaign, a brand new, never before published sixth installment is ready to foray into bookstores! When last we saw Chris Parker, he had been bought by master trainer Tetsuo Sakai and was blissfully ensconced in Japan under Tetsuo's wonderfully sadistic boot. And here we join Robin Cassidy, now contentedly serving a slave contract for a rich Chicago businessman. But the *Marketplace* is shaken when a new Trainer of Trainers must be anointed and the resulting machinations and clashing loyalties threaten to tear their world apart. Everyone has a stake in the outcome and Chris Parker is about to find out who is with him and who is against him. Richly told, interconnecting threads of Parker's previously unseen past with his complicated present, *The Inheritor* also weaves in the narratives of many favorite *Marketplace* characters, including Robin, Ken Mandarin, Ron Avidon, and features appearances by many more, including Jiro, Rachel, Michael, and Grendel. Laura Antoniou is the award-winning author of *The Killer Wore Leather* and the long-running series that began in 1993 with *The Marketplace*.

## The Reunion

**Luster Editions** Book 5 of *The Marketplace Series* by Laura Antoniou. In previous books in the *Marketplace* series, readers have gone behind the scenes at a slave auction, an owner's home, a trainer's house, and even the ephemeral world of the annual trainers' Academy. In *-The Reunion-* we visit a vacation resort for a *Marketplace* -family- gathering, where slaves, former slaves, trainers, and their spouses, significant others and family members can relax, let their hair down, and connect with each other. But the *-reunion-* that matters most is that of Robin Cassidy (the slave from *-The Slave-*) and her first trainer, Chris Parker (the trainer from *-The Trainer-*). Of course the vacation resort isn't just any resort, it's *Kaleigh Castle*, a centuries-old Irish castle that is now a luxury hotel and happens to be where Chris learned many of the skills and practices that have made him so sought-after in

the Marketplace. And while everyone enjoys their two most favorite indoor sports--gossip and sex--trouble is afoot. A nosy tabloid reporter thinks he's onto something: a real-life international slave trading ring. Can Chris keep the world from learning the truth about The Marketplace, but accept the truth about his feelings regarding Robin, Anderson, and Jiro at the same time? About the author: Laura Antoniou is the award-winning author of The Marketplace Series, The Killer Wore Leather, The Catalyst, and other works of BDSM and alternative sexuality, as well as the editor of Leatherwomen and No Safewords: Tales from the Marketplace. In 2001 she was awarded the John Preston Short Story award, given annually by the National Leather Association for the best BDSM fiction.

## Take Me There

## Trans and Genderqueer Erotica

Simon and Schuster *Take Me There* is a passion project for Tristan Taormino, who presents erotica by, for, and about transfolk, FTMs, MTFs, genderqueers, gender outlaws, as well as two-spirit, intersex, and gender-variant people in her newest anthology. Among the diverse array of voices in *Take Me There*, one important theme running throughout the stories is the power of seeing and being seen. It's not simply about passing, but about being acknowledged and desired in a sexual context. Affirmation and want collide in Andrea Zanin's story of a baby butch dyke and the transwoman she picks up in a small-town café. Likewise, the main character in Helen Boyd's "All Girl Action" longs to be touched as a woman by other queer women. The characters of these stories are ready and willing to go there — and they do, over and over again.

## The Money Cult

### Capitalism, Christianity, and the Unmaking of the American Dream

Melville House *A grand and startling work of American history* America was founded, we're taught in school, by the Pilgrims and other Puritans escaping religious persecution in Europe—an austere and pious lot who established a culture that remained pure and uncorrupted until the Industrial Revolution got in the way. In *The Money Cult*, Chris Lehmann reveals that we have it backward: American capitalism has always been entangled with religion, and so today's megapastors, for example, aren't an aberration—they're as American as Benjamin Franklin. Tracing American Christianity from John Winthrop to the rise of the Mormon Church and on to the triumph of Joel Osteen, *The Money Cult* is an ambitious work of history from a widely admired journalist. Examining nearly four hundred years of American history, Lehmann reveals how America's religious leaders became less worried about sin and the afterlife and more concerned with the material world, until the social gospel was overtaken by the gospel of wealth. Showing how American Christianity came to accommodate—and eventually embrace—the pursuit of profit, as well as the inescapability of economic inequality, *The Money Cult* is a wide-ranging and revelatory book that will make you rethink what you know about the form of American capitalism so dominant in the world today, as well as the core tenets of America itself.

## Requiem of the Soul

### a Sovereign Sons Novel

Natasha Knight *I was born with noble blood in my veins. Heir to a powerful dynasty. Wealth. Power. Aristocracy. Temptations too dangerous to resist. Until someone tried to steal it all. Scarred and broken, I emerged from the flames. Now I've returned to take what's mine. Revenge. The first item on my agenda? Make Ivy Moreno my wife. Second? Bend her until she breaks.*

## The Diary of a Submissive

Michael Joseph *Sophie Morgan is an independent woman in her thirties with a successful journalism career. Intelligent, witty and sarcastic, she could be the girl next door. Except that Sophie is a submissive; in the bedroom she likes to relinquish her power and personal freedom to a dominant man for their mutual pleasure. In the wake of Fifty Shades of Grey, here is a memoir that offers the real story of what it means to be a submissive, following Sophie's story as she progresses from her early erotic experiences through to experimenting with her newfound, awakened sexuality. From the endorphin rush of her first spanking right through to punishments the likes of which she couldn't begin to imagine, she explains in frank and explicit fashion the road she travels. But it isn't until she meets James that her boundaries are really pushed. As her relationship with him travels into darker and darker places the question becomes- where will it end? Can she reconcile her sexuality with the rest of her life and is it possible for the perfect man to also be perfectly cruel? Racy, controversial, but always warm, fun and astoundingly honest this is a fascinating and thought provoking look at a seemingly paradoxical side to human nature and sexuality that no man or woman will be able to put down.*

## Emotionomics

## Leveraging Emotions for Business Success

**Kogan Page Publishers 'I believe that 'emotion' is where it's at' Tom Peters** For far too long, emotions have been ignored in favour of rationality and efficiency, but breakthroughs in brain science have revealed that people are primarily emotional decision-makers. Many companies have not yet accepted that fact, much less acted on it. In this fully revised edition, **Emotionomics** will help you to understand emotions in terms of business opportunities - both in the marketplace and in the workplace. In today's highly competitive marketplace where many products look alike, it is the emotional benefit that can make the difference. At the same time, companies with engaged, productive work forces will undoubtedly achieve competitive advantage. Dan Hill's book draws on insights gathered through facial coding, the single best viable means of measuring and managing the emotional response of customers and employees, to help you to leverage emotions for business success in terms of branding, product design, advertising, sales, customer satisfaction, leadership and employee management. Emotions matter and **Emotionomics** will help you to step closer to customers and employees, but step ahead of your competitors.
