Sunday A History of the First Day from Babylonia to the Super Bowl [Yale University Press](#) *The mere mention of "Sunday" will immediately conjure up a rich mix of memories, associations, and ideas for most anyone of any age. Whatever we think of-be it attending church, reading a bulky newspaper, eating brunch, or watching football-Sunday occupies a unique place in Western civilization. But how did we come to have a day with such a singular set of traditions? Here, historian Craig Harline examines Sunday from its ancient beginnings to contemporary America in a fascinating blend of stories and analysis. For the earliest Christians, the first day of the week was a time to celebrate the liturgy, observe the Resurrection, and work. But over time, Sunday in the Western world took on still other meanings and rituals, especially in the addition of both rest and recreation to the day's activities. Harline illuminates these changes in enlightening profiles of Sunday in medieval Catholic England, Sunday in the Reformation, and Sunday in nineteenth-century France-home of the most envied and sometimes despised Sunday of the modern world. He continues with moving portraits of soldiers and civilians trying to observe Sunday during World War I, examines the quiet Sunday of England in the 1930s, and concludes with the convergence of various European traditions in the American Sunday, which also adds some distinctly original habits of its own, such as in the realms of commerce and professional sports. With engaging prose and scholarly integrity, "Sunday" is an entertaining and long-overdue look at a significant hallmark of Western culture.* **Football An Encyclopedia of Popular Culture** [U of Nebraska Press](#) *"...provides a detailed look at America's pastime through the lens of pop culture, [an] A-to-Z inventory of how certain aspects of the game affect and reflect broader society."*--from publisher description. **Subversive Sabbath The Surprising Power of Rest in a Nonstop World** [Baker Books](#) *We live in a 24/7 culture of endless productivity, workaholism, distraction, burnout, and anxiety--a*

way of life to which we've sadly grown accustomed. This tired system of "life" ultimately destroys our souls, our bodies, our relationships, our society, and the rest of God's creation. The whole world grows exhausted because humanity has forgotten to enter into God's rest. This book pioneers a creative path to an alternative way of existing. Combining creative storytelling, pastoral sensitivity, practical insight, and relevant academic research, *Subversive Sabbath* offers a unique invitation to personal Sabbath-keeping that leads to fuller and more joyful lives. A. J. Swoboda demonstrates that Sabbath is both a spiritual discipline and a form of social justice, connects Sabbath-keeping to local communities, and explains how God may actually do more when we do less. He shows that the biblical practice of Sabbath-keeping is God's plan for the restoration and healing of all creation. The book includes a foreword by Matthew Sleeth. **An Altar in the World Finding the sacred beneath our feet** Canterbury Press In this highly acclaimed and lyrical modern classic, bestselling author Barbara Brown Taylor reveals the countless ways we can discover divine depths in the small things we do and see every day. While people will often go to extraordinary lengths in search of a 'spiritual experience', she shows that the stuff of our everyday lives is a holy ground where we can encounter God at every turn. For her, as for Jacob in the Genesis story, even barren, empty deserts can become "the house of God and the gate of heaven", places where a ladder of angels connects heaven to earth and earth to heaven. *An Altar in the World* reveals concrete ways to discover the sacred in such ordinary occurrences as hanging out the washing, doing the supermarket shop, feeding an animal, or losing our way. It will transform our understanding of ourselves and the world we live in, and renew our sense of wonder at the extraordinary gift of life. **NLT Super Giant Print Bible, Filament Enabled Edition** Tyndale House Publishers New Unique Design By DaySpring The DaySpring Signature Collection includes five new Bible editions that feature unique head-turning designs and the clear and trusted New Living Translation. All editions of the collection are equipped with the patented Filament Bible app, enabling readers to access curated content that illuminates the very page of the Bible they are reading. This app enables you to use your mobile phone or tablet to connect every page to a vast array of curated content, including: 25,000 study notes 350+ videos 40+ maps and infographics 400+ profiles and articles 150+ devotionals Library of worship music The Filament Bible app turns this Bible into a powerful study and devotional experience, offering more to expand your mind and touch your heart than you can possibly hold in your hand. And there is no additional cost for the Filament Bible app. No additional purchase. No additional size or weight. Of course, you can use this

Bible without the app, but when you want to dig deeper, grab your phone or tablet and open the Filament Bible app. It's so easy to use. **The Image of God in an Image Driven Age Explorations in Theological Anthropology** [InterVarsity Press](#) In this volume, edited by Beth Felker Jones and Jeffrey Barbeau, a dozen evangelical scholars and pastors discuss the nature of the human person in the context of contemporary culture. **The Sabbath Complete And the Ascendency of First-Day Worship** [Wipf and Stock Publishers](#) The Sabbath-Lord's Day controversy exists because of a lack of faithful hermeneutics and attempts to validate denominational traditions with Scripture. Terrence O'Hare has studied this topic for a decade and presents his findings with the hope of attaining a consensus among professing Christians. The Sabbath Complete is thoroughly researched and comprehensive in its scope. In a readable and instructional manner O'Hare analyzes the full range of biblical texts on this topic, two millennia of church history, and literature from Jewish, Catholic, and many Protestant varieties, thus providing a comprehensive and unique answer that should appeal to a wide range of interested readers. **THE PECULIAR LIFE OF SUNDAYS** [Harvard University Press](#) From Augustine to Caesarius, through the Reformation and the Puritan flight from England, down through the ages to contemporary debates about Sunday worship, Miller explores the fascinating history of the Sabbath. **Diverging Loyalties Baptists in Middle Georgia During the Civil War** [Mercer University Press](#) Baptists in the South, rapidly rising to challenge Methodists numerically, helped align southern religion with the South's black slave culture. The birth of the Southern Baptist Convention in 1845, formed in order to preserve God's will for the African race, signaled the inevitability of war. Middle Georgia remained outside the front lines of the war, the region's relative intactness allowing for the continuation of church life during the war years. While many white Baptists from middle Georgia marched off to war – whether to fight or to serve as chaplains or army missionaries – others stayed behind and voiced their thoughts from pulpits, in associational meetings, and in the pages of newspapers and journals. While historians have often portrayed white southern Baptists, with few exceptions, as firmly supportive of the Confederacy, the experience of middle Georgia Baptists is much more dynamic. Far from being monolithic, Baptists at the local church and associational level responded in a myriad of ways to the Confederacy. Patterns locally and associationally emerged and evolved as the war progressed, while differences between Southern and Primitive Baptists stood out. On a personal level, white Baptists' views of slavery and the Confederacy proved to be varied, numerous, nuanced, and dynamic – to such an extent that some individuals were unable to construct a consistent narrative as the war progressed. For their part, black Baptists struggled to shape their own destinies within a white man's world, strivings that grew more intense as the war progressed and freedom seemed ever closer within reach. The end of the war signaled new realities for both white and black Baptists of the South. For whites, old loyalties had been rearranged and the immediate future was bleak. At the same time, black Baptists emerged empowered as never before and set forth on the path of self-determination. **Flunking Sainthood A Year of Breaking the Sabbath, Forgetting to Pray, and Still Loving My Neighbor** [Paraclete Press](#) This wry memoir tackles twelve different spiritual practices in a quest to become more saintly, including fasting, fixed-hour prayer, the Jesus Prayer,

gratitude, Sabbath-keeping, and generosity. Although Reiss begins with great plans for success ("Really, how hard could that be?" she asks blithely at the start of her saint-making year), she finds to her growing humiliation that she is failing - not just at some of the practices, but at every single one. What emerges is a funny yet vulnerable story of the quest for spiritual perfection and the reality of spiritual failure, which turns out to be a valuable practice in and of itself. **Food Lit A**

Reader's Guide to Epicurean Nonfiction [ABC-CLIO](#) An essential tool for assisting leisure readers interested in topics surrounding food, this unique book contains annotations and read-alikes for hundreds of nonfiction titles about the joys of comestibles and cooking. **What Is a Person? Rethinking Humanity, Social Life, and the Moral Good from the Person Up** [University of Chicago Press](#) What is a person? This fundamental question is a perennial concern of philosophers and theologians. But, Christian Smith here argues, it also lies at the center of the social scientist's quest to interpret and explain social life. In this ambitious book, Smith presents a new model for social theory that does justice to the best of our humanistic visions of people, life, and society. Finding much current thinking on personhood to be confusing or misleading, Smith finds inspiration in critical realism and personalism. Drawing on these ideas, he constructs a theory of personhood that forges a middle path between the extremes of positivist science and relativism. Smith then builds on the work of Pierre Bourdieu, Anthony Giddens, and William Sewell to demonstrate the importance of personhood to our understanding of social structures. From there he broadens his scope to consider how we can know what is good in personal and social life and what sociology can tell us about human rights and dignity. Innovative, critical, and constructive, *What Is a Person?* offers an inspiring vision of a social science committed to pursuing causal explanations, interpretive understanding, and general knowledge in the service of truth and the moral good. **International Journal of Mormon Studies Volume 6 (2013)**

[Lulu.com](#) **What is Mormonism? A Student's Introduction** [Taylor & Francis](#) What is Mormonism? *A Student's Introduction* is an easy-to-read and informative overview of the religion founded by Joseph Smith in 1830. This short and lively book covers Mormonism's history, core beliefs, rituals, and devotional practices, as well as the impact on the daily lives of its followers. The book focuses on the Church of Jesus Christ of Latter-day Saints, the Salt Lake City-based church that is the largest and best-known expression of Mormonism, whilst also exploring lesser known churches that claim descent from Smith's original revelations. Designed for undergraduate religious studies and history students, *What is Mormonism?* provides a reliable and easily digestible introduction to a steadily growing religion that continues to befuddle even learned observers of American religion and culture. **Miracles at the Jesus Oak Histories of the Supernatural in Reformation Europe** [Yale University Press](#) In the tradition of *The Return of Martin Guerre* and *The Great Cat Massacre*, *Miracles at the Jesus Oak* is a rich, evocative journey into the past and the extraordinary events that transformed the lives of ordinary people. In the musty archive of a Belgian abbey, historian Craig Harline happened upon a vast collection of documents written in the seventeenth century by people who claimed to have experienced miracles and wonders. In *Miracles at the Jesus Oak*, Harline recasts these testimonies into engaging vignettes that open a window onto the believers, unbelievers, and

religious movements of Catholic Europe in the Age of Reformation. Written with grace and charm, *Miracles at the Jesus Oak* is popular history at its most informative and enlightening. **If One Uses It Lawfully The Law of Moses and the Christian Life** [Wipf and Stock Publishers](#) Are the Ten Commandments the standard for Christian living? There are many viewpoints on the place of the Mosaic Law today. Some affirm that while we are not saved through keeping the law, it remains our standard for living, a pattern to be followed. Others say we are free from the law. This brief examination of the law affirms all of God's revelation as Christian Scripture, but acknowledges covenantal differences in God's dealings with believers. The progress of salvation history, and our identification with Christ, has altered our relationship to the Mosaic Law. Using the Law "lawfully" requires us to recognize the way in which the New Testament, and chiefly the Apostle Paul, treats the law. Paul presents the believer as having died to the law, and serving now in the new way of the Spirit, a way that does not depend on the Mosaic law. The pattern for the New Testament believer remains Jesus himself. While keeping all of God's law, he went beyond its requirement to demonstrate a love for sinners that the law did not know.

Joseph Smith's Translation The Words and Worlds of Early Mormonism [Oxford University Press, USA](#) "Among many remarkable claims, Mormon founder Joseph Smith reported that he had translated ancient scriptures. He dictated the *Book of Mormon*, an American Bible from metal plates associated with Native antiquity; directly rewrote the King James Bible; and produced a scripture, derived from Egyptian funerary papyri, which he called the *Book of Abraham*. Smith and his followers used the term translation to describe the genesis of these English texts, which remain canonical for the Church of Jesus Christ of Latter-day Saints. Most commenters see these scriptures as merely linguistic objects; the central and controversial question has been whether Smith's English texts are literal translations of extant source documents. On closer inspection, though, his translations are far more metaphysical than linguistic. These translations express a non-ordinary power of language to connect people across barriers of space and time. Within these metaphysical scriptures, Smith expounded a theology of human deification that he also termed "translation." This one word thus referred to a scripture capable of mediating between the living and the dead and to the transformation of humans into divine beings. Joseph Smith's projects of metaphysical translation place Mormonism at a productive edge of tense transitions later associated with secular modernity, a modernity challenged by the very existence of the Latter-day Saints. Smith's translations and the theology that supported them illuminate the power and vulnerability of his critique of American culture in transition as they set the stage for two more centuries of cultural change"-- **Genreflecting A Guide to Popular Reading Interests** [ABC-CLIO](#) The gold standard for readers' advisory, this book represents an essential resource for LIS students and practicing librarians who want to better understand readers, reading interests, and fiction and nonfiction genres.

Wrestling Babylon Piledriving Tales of Drugs, Sex, Death, and Scandal [ECW Press](#) *Irvin Muchnick* ' a widely published writer and nephew of the late, legendary St. Louis wrestling promoter Sam Muchnick ' has produced a book unlike any other on the astonishing growth of professional wrestling and its profound impact on mainstream sports and society. In *Wrestling Babylon*, he traces the demise of

wrestling's old Mafia-like territories and the rise of a national marketing base thanks to cable television, deregulation and a culture-wide nervous breakdown. Naturally, the figure of WWE's Vince McMahon lurks throughout, but equally evident is the public's late-empire lust for bread, circuses, and blood. As this book demonstrates, the more cartoonishly unreal wrestling got, the more chillingly real it became. What truly distinguishes *Wrestling Babylon*, however, is Muchnick's ability to show how professional wrestling has become the ur-carnival for a culture that feeds on escapist displays of humiliation, revenge, fantasy characters, and sex. His *People* magazine article on Hulk Hogan blew the lid off the drug abuse of the sport's signature superstar. His award-winning *Penthouse* profile of the ill-starred Von Erich clan was the first to connect the dots between wrestling, televangelism, and MTV-style production values. His never-before-published investigation of the death of Jimmy "Superfly" Snuka's girlfriend suggests the cover-up of a murder. The book's appendix 'a comprehensive listing of the dozens of wrestlers who died prematurely over the last generation, with little or no attention' is both a valuable resource for wrestling historians and a shocking document of the ruthless way sports entertainment eats its own.

The Babylon Blog One Man's Journey to the War and Back [Tate Publishing](#) Book Sketch What's it like for a former elementary school principal and seminary student to suddenly end up on the mean streets of Haditha? Volunteering for reserve duty in Iraq, Glen Morris assured his wife that, as a colonel, he would be safe behind the walls of a large base and concerned only about the number of emails in his in-box. But soon he found himself outside the wire and getting a firsthand look at the insurgency in volatile al Anbar province. *The Babylon Blog* is the published form of the internet journal he wrote for his friends and family. Whether patrolling through back alleys with the Grunts, wandering the halls of Saddam's palace, or commenting on the chow at Camp Fallujah, he offers an intimate, thoughtful and often humorous look at what it's like for an Average Joe to go off to war. Read *The Babylon Blog* and get a glimpse of life in Iraq for those who serve there. No Endorsements

Bio Sketch Glen Morris is more than just a colonel in the Marine Corps Reserve. While serving as a principal in an inner-city elementary school in San Francisco, he followed the call to a seminary education in preparation for mission work in Asia. Days after graduating, that plan was sidetracked with back-to-back military deployments to Africa and Iraq. An avid traveler, runner and budding surfer, he loves to take photos of the world around him. Glen, his wife Irene, and two young children are now enjoying the suburbs of San Diego while eagerly awaiting God's next adventure for their lives.

Babylon 20/20 [Lulu Press, Inc](#) Light switches are simple in design. Flip a switch on and current flows through it to the load, such as a ceiling light. Flip the switch off and it breaks the circuit and interrupts the flow of electricity. Computers also employ switch technology. Switch controllers connect multiple devices, such as computers, wireless access points, printers, and servers on the same network within a building or campus. A switch enables connected devices to share information and talk to each other. One flip of the switch can make the lights and screens go dark. No drill or emergency simulation could prepare Blake County and the surrounding area for the scope of the darkness that would soon overshadow them. Oblivious of the coming biblical-plague event, they went about eating and drinking, singing, dancing and otherwise reveling in the birth of their nation. A key

event will test the community's cohesiveness as well as the character of its inhabitants. Trials will separate the snowflakes from those who prove to be tough as nails. This post-zombie apocalypse thriller provides a patriotic look into not only the resources that Americans have but also how quickly they could lose everything.

Messages from Babylon Michael Whitehead Messages from Babylon is a diary of life in a combat zone, and provides an insider's story of Colonel Whitehead's experiences with the Marines and the twenty eight nation Multinational Division that replaced the Marines at Camp Babylon. **Rest Living in Sabbath Simplicity**

Zondervan Rest: Living in Sabbath Simplicity explores what it means to live in "Sabbath simplicity" by focusing on six aspects of Sabbath as spiritual practice: resting, reconnecting, revising, pausing, playing, and praying. Readers learn to slow down and find joy and meaning in the midst of their hectic lives. **Beliefs As the**

Secret of Success Change Your Old Beliefs and Succeed Strategic Book

Publishing There was once a poor man who came from a good Christian family.

Because he had many questions, he left home to discover why just a few become rich. His quest led him to a rich man who was not only pious, but kind, loving, and humble. This made the poor man think differently about rich people. The rich man welcomed him to his home, and the poor man wondered why this man was so kind to a poor stranger. For months, the poor man studied the rich one. All my life, he thought, I have been raised to believe that the rich are mean and do not have respect for others, let alone take time to pray to God. But now, I know that the rich also pray. I must ask this man to teach me. So his lessons began, and the rich man taught the poor one everything he needed to know to begin living a fulfilled life. He taught him that it is the blessing of the Lord that makes one rich. He taught him how to cultivate new beliefs. He taught him that he had to change his mental attitude toward people and money. But above all, he taught him that money is but a servant, meant to serve a purpose. The poor man was transformed and became rich himself. He also became an evangelist, spreading the good news to others. About the Author Upon completing a degree in law at the University of Kent in Canterbury, England, Kingsley C. Njoku, a Nigerian, found himself far from home and facing a crossroads. He stumbled upon a centuries-old secret that brought him courage. He discovered the power of positive thinking and faith. Publisher's website: <http://sbpra.com/kingsleycnjoku>

Encyclopedia of Religion in America CQ Press A multidisciplinary examination of religion in American life Encyclopedia of Religion in America examines how religious history and practices are woven into the political, social, cultural, and historical landscape of North America. This authoritative four-volume reference work explains the origins, development, adaptation, influence, and interrelations of the many faiths practiced, including major world religions, new religious sects, cults, and religious movements that originated or had an influence in the United States. Edited by well-known experts in the field, the Encyclopedia covers all the significant religious denominations and movements that have originated or flourished in North America, from the beginning of European settlement to the present day. The broad multidisciplinary coverage includes the religious life of indigenous peoples, specific aspects of religious life, and the relationship of political, social, economic, and cultural spheres. Topics include: Religion as an influential force in the U.S. Methods of worship Religion and politics Homosexuality and religion

African American religion Arts and architecture Church-state issues Education Environment and ecology Ethnicity Evangelicals Faiths Gay and lesbian issues Historical overviews Immigration Media (new and old) Megachurches Movements and denominations New religious movements Popular religion and culture Race and racism Religious thought Religious Right Rites Role of women Terrorism and war Encyclopedia of Religion in America is an essential resource for students and scholars researching issues in a wide variety of social science disciplines, from American history to cultural studies, political science, gender studies, psychology of religion, and more. It reflects new scholarly research and interpretation that have emerged over the last two decades, as well as significant new areas of study, such as post-9/11 America, the role of gays and lesbians in church, gender, and the role of the evangelicals in American political life. **Basic Bible Prophecy Essential Facts Every Christian Should Know** Harvest House Publishers *Get the Who, What, When, Where, and Why of Bible Prophecy To the uninitiated, Bible prophecy can seem strange, puzzling, and even frightening—yet at the heart of this subject is an awesome revelation of God’s wonder and might. With seasoned prophecy author Ron Rhodes as your guide, you’ll get a big-picture overview of the essentials of Bible prophecy, complete with helpful charts and infographics. You’ll understand the primary players, places, and events relevant to Christ’s second coming timeline the Bible gives for when each event will take place sovereignty and trustworthiness of God, who has a perfect plan for your future Basic Bible Prophecy will help you view history past and still-to-come as a reason to live expectantly, righteously, and with a Christlike perspective. Most of all, you’ll discover how prophecy can fill you with confidence, peace, and a heart of praise, grateful that all of eternity rests under God’s control.* **Fire in Babylon How the West Indies Cricket Team Brought a People to Its Feet** Random House *SHORTLISTED FOR THE WILLIAM HILL SPORTS BOOK OF THE YEAR AWARD 'I doubt there will be a better book written about this period in West Indies cricket history.'* Clive Lloyd *Cricket had never been played like this. Cricket had never meant so much. The West Indies had always had brilliant cricketers; it hadn't always had brilliant cricket teams. But in 1974, a man called Clive Lloyd began to lead a side which would at last throw off the shackles that had hindered the region for centuries. Nowhere else had a game been so closely connected to a people’s past and their future hopes; nowhere else did cricket liberate a people like it did in the Caribbean. For almost two decades, Clive Lloyd and then Vivian Richards led the batsmen and bowlers who changed the way cricket was played and changed the way a whole nation - which existed only on a cricket pitch - saw itself. With their pace like fire and their scorching batting, these sons of cane-cutters and fishermen brought pride to a people which had been stifled by 300 years of slavery, empire and colonialism. Their cricket roused the Caribbean and antagonised the game’s traditionalists. Told by the men who made it happen and the people who watched it unfold, Fire in Babylon is the definitive story of the greatest team that sport has known.* **Sports Babylon Sex, Drugs, and Other Dirty Dealings in the World of Sports** Crown Pub **Word of God, Word of Life Understanding the Three-Year Lectionaries** Augsburg Fortress Publishers *Gail Ramshaw provides ten insights into the three-year*

lectionaries to guide all who are interested in exploring the meaning and importance of the Revised Common Lectionary and the Lectionary for Mass. Ramshaw combines deep historical, biblical, liturgical, and ecumenical knowledge with a keen perspective on the contemporary church to show us all the value and wisdom of these lectionaries. **Season of the Witch Enchantment, Terror and Deliverance in the City of Love** Simon and Schuster *The critically acclaimed, San Francisco Chronicle bestseller—a gripping story of the strife and tragedy that led to San Francisco’s ultimate rebirth and triumph. Salon founder David Talbot chronicles the cultural history of San Francisco and from the late 1960s to the early 1980s when figures such as Harvey Milk, Janis Joplin, Jim Jones, and Bill Walsh helped usher from backwater city to thriving metropolis.* **Corn Shelling Time "God's Super Bowl on a Sunday"** iUniverse *Corn Shelling Time challenges the reader of this book to examine themselves and see if there could be a possibility they have overlooked a great truth about themselves that they might need to correct. This book will reveal to the reader great and mighty things which they knew not. This book will reveal to the reader the thoughts and intents of the heart, or spirit. This book will reveal how the Holy Spirit will show you things that will come to pass that the world cannot know, because the worldly people cannot see. The god of this world, (Satan), has blinded the minds of them which believe not. The gospel is hidden to them that are lost. This book will reveal to the reader how to heal the broken heart. If you are a victim of misogyny and shame, Corn Shelling Time will show you how to overcome all the shame and guiltiness. If you are in, or ever have been in prison, or convicted of a felony, you would do yourself a favor to read this book. Do not ever contemplate suicide. Your life does not belong to you. Christ Jesus bought you and paid the price for your release from Satan. Read this book!* **Inventing America's First Immigration Crisis Political Nativism in the Antebellum West** Fordham University Press *Why have Americans expressed concern about immigration at some times but not at others? In pursuit of an answer, this book examines America’s first nativist movement, which responded to the rapid influx of 4.2 million immigrants between 1840 and 1860 and culminated in the dramatic rise of the National American Party. As previous studies have focused on the coasts, historians have not yet completely explained why westerners joined the ranks of the National American, or “Know Nothing,” Party or why the nation’s bloodiest anti-immigrant riots erupted in western cities—namely Chicago, Cincinnati, Louisville, and St. Louis. In focusing on the antebellum West, Inventing America’s First Immigration Crisis illuminates the cultural, economic, and political issues that originally motivated American nativism and explains how it ultimately shaped the political relationship between church and state. In six detailed chapters, Ritter explains how unprecedented immigration from Europe and rapid westward expansion re-ignited fears of Catholicism as a corrosive force. He presents new research on the inner sanctums of the secretive Order of Know-Nothings and provides original data on immigration, crime, and poverty in the urban West. Ritter argues that the country’s first bout of political nativism actually renewed Americans’ commitment to church–state separation. Native-born Americans compelled Catholics and immigrants, who might have otherwise shared an affinity for monarchism, to accept American-style democracy. Catholics and immigrants forced Americans to adopt a more inclusive definition of religious freedom. This*

study offers valuable insight into the history of nativism in U.S. politics and sheds light on present-day concerns about immigration, particularly the role of anti-Islamic appeals in recent elections. **The Babylonian Book One in the "Eyes of Nimrod" Chronicles** Allen Ray Newton *The year is 596 B.C. Kingdoms and empires rise and fall, carrying men along with the inexorable insistence of a vast desert storm.*

Kasher, a young Mesopotamian man, determines to become a part of the empire of the great Nebuchadnezzar II, only to find himself on the battlefield not only of men, but of the gods. What do the great symbols of Babylon - lions, dragons, gods and demi-gods - really mean: or are they merely for show? His journey is one of mysticism, treachery and love. The world in which he moves is filled with symbolism, rivalry and beauty. His true quest, however, reaches much deeper - into his own soul. **Sports Babylon** Signet Book The author of TV Babylon discusses the shocking secret lives of and scandals involving such sports figures as Mike Tyson, Martina Navratilova, Magic Johnson, Billy Martin, Lyle Alzado, and Michael Jordan. Original.

Studies in Revelation Biblical Studies Press **Renovating Rhetoric in Christian Tradition** University of Pittsburgh Press Throughout history, determined individuals have appropriated and reconstructed rhetorical and religious resources to create effective arguments. In the process, they have remade both themselves and their communities. This edited volume offers notable examples of these reconstructions, ranging from the formation of Christianity to questions about the relationship of religious and academic ways of knowing. The initial chapters explore historic challenges to Christian doctrines and gender roles. Contributors examine Mormon women's campaigns for the recognition of their sect, women's suffrage, and the statehood of Utah; the Seventh-day Adventist challenge to the mainstream designation of Sunday as the Sabbath; a female minister who confronted the gendered tenets of early Methodism and created her own sacred spaces; women who, across three centuries, fashioned an apostolic voice of humble authority rooted in spiritual conversion; and members of the Woman's Foreign Missionary Society of the Methodist Episcopal Church, who redefined notions of women's intellectual capacity and appropriate fields for work from the Civil War through World War II. Considering contemporary learning environments, other contributors explore resources that can help faculty and students of composition and rhetoric consider more fully the relations of religion and academic work. These contributors call upon the work of theologians, philosophers, and biblical scholars to propose strategies for building trust through communication. The final chapters examine the writings of Apostle Paul and his use of Jewish forms of argumentation and provide an overarching discussion of how the Christian tradition has resisted rhetorical renovation, and in the process, missed opportunities to renovate spiritual belief.

Missouri Historical Review **Way Below the Angels The Pretty Clearly Troubled But Not Even Close to Tragic Confessions of a Real Live Mormon Missionary** Wm. B. Eerdmans Publishing When Craig Harline set off on his two-year Mormon mission to Belgium in the 1970s, he had big dreams of doing miracles, converting the masses, and coming home a hero. What he found instead was a lot of rain and cold, one-sentence conversations with irritated people, and silly squabbles with fellow missionaries. From being kicked -- literally -- out of someone's home to getting into arguments about what God really wanted from Donny Osmond, Harline

faced a range of experiences that nothing, including his own missionary training, had prepared him for. He also found a wealth of friendships with fellow Mormons as well as unconverted locals and, along the way, gained insights that would shape the rest of his life. Part religious history, part coming-of-age story, part witty spiritual memoir, this book takes readers beyond the stereotypical white shirts and name tags to reveal just how unpredictable, funny, and poignant the missionary life can be. **Super Volcano Yellowstone A Call to Pray** Lulu.com **The Tribulation Story A Story You Need to Read About A Time You Need to Escape** Gatekeeper Press describes in clear, chronological order the unforgettable people and events of the Tribulation, seven years biblically prophesied to complete Israel's and the world's histories (Revelation 6-19). This unique, biblical epic offers striking contrasts: monstrous despots and heroic believers, fearful judgments and rapturous rescues, false prophets and true witnesses, filthy harlots and pure brides, hell's worst and heaven's best? a titanic, relentless struggle between God and Satan through human agents unresolved till the last hour of the last day. For seven years the world will experience increasingly frequent and intense birth pangs until, at last, a new, enduring, righteous world order emerges reborn from the ashes of the old—the visible kingdom of Jesus Christ! On this earth! For a thousand years! But before that warm, brilliant Son-rise, cold, dark wonders are predetermined, so unprecedented, so shocking, so outsized, so fantastic they seem utterly incredible. Yet, oracles of God, they are utterly credible, certain, and near. With signs of the times everywhere, with its clear biblical instructions for spiritual readiness, is extraordinarily timely. And compelling! It will grip your attention and keep you reading until you fully understand the Tribulation and how to escape it. Book Review 1: “Without a doubt, people are sensing that our world is under the sway of biblical end time prophecies. Recent events have driven people to reconsider these 'signs of the times' and take a fresh look at what the Bible says regarding these events. In *The Tribulation Story*, Greg Hinnant's passion and scholarship really shines. Many Christians today are woefully uneducated and ignorant of even basic eschatology and the relevance of its impact for our lives. I'm grateful Greg has produced a well-written and well-researched work for both those new to the faith and for veteran believers. I found it to be an excellent and accurate overview of the Book of Revelation. *The Tribulation Story* is inspiring, enlightening and most importantly, biblically sound. I highly recommend it for anyone interested in God's plan for the ages!” —Dr. Randal S. Langlely, President / CEO, Christian Life School of Theology Global Book Review 2: “*The Tribulation Story* is a unique chronology of the events prophesied in the Book of Revelation. Greg Hinnant has not only given us a book of in-depth information, he has given us a book of deep Holy Spirit revelation that carries life-changing impartation! It is impossible for anyone, Christian or non-Christian, to read this amazing work and not experience a deep emotional reaction and spiritual resonance in their heart. It will 'connect the dots' for many people who have never really understood the Book of Revelation before.” —Dr. John Shiver, John Shiver Ministries Book Review 3: “*The Tribulation Story* vividly details the horrors of the coming Tribulation period. It is not only based on the Book of Revelation, but also makes extensive use of Old and New Testament Scriptures, including those of many prophets who foresaw this coming time. Jesus challenged Christians to be wise,

worthy, watching, faithful, and ready at all times for His return. This book encourages us to learn to more persistently overcome our smaller 'tribulations'—with God's grace—in order to be ready to be raptured away to heaven and thereby avoid the Tribulation." —Dr. Ernst Lutz, Ph.D. Switzerland Book Review 4: "While *The Tribulation Story* does not purport to identify precisely the 'when' of Christ's return, it does affirm that the events described in the Book of Revelation are an impending, awesome reality for our generation. Hence, *The Tribulation Story* is not written to explain prophecy for some distant future, but for our present time. The poignant description of coming events lends assurance to the faithful that God is both sovereign and merciful while beseeching the unfaithful to bow their knee only to the Lord Jesus as the ultimate Victor and King. This book is a call for preparation in the 'here and now.'" —Dr. Ran Whitley, D.Min., Ph.D., Professor, Alma Dark Howard Chair of Church Music, Campbell University
