Sons of Abraham A Candid Conversation about the Issues That Divide and Unite Jews and Muslims Beacon Press A prominent rabbi and imam, each raised in orthodoxy, overcome the temptations of bigotry and work to bridge the chasm between Muslims and Jews Rabbi Marc Schneier, the eighteenth generation of a distinguished rabbinical dynasty, grew up deeply suspicious of Muslims, believing them all to be anti-Semitic. Imam Shamsi Ali, who grew up in a small Indonesian village and studied in Pakistan and Saudi Arabia, believed that all Jews wanted to destroy Muslims. Coming from positions of mutual mistrust, it seems unthinkable that these orthodox religious leaders would ever see eye to eye. Yet in the aftermath of 9/11, amid increasing acrimony between Jews and Muslims, the two men overcame their prejudices and bonded over a shared belief in the importance of opening up a dialogue and finding mutual respect. In doing so, they became not only friends but also defenders of each other's religion, denouncing the twin threats of anti-Semitism and Islamophobia and promoting interfaith cooperation. In *Sons of Abraham*, Rabbi Schneier and Imam Ali tell the story of how they became friends and offer a candid look at the contentious theological and political issues that frequently divide Jews and Muslims, clarifying erroneous ideas that extremists in each religion use to justify harmful behavior. Rabbi Schneier dispels misconceptions about chosenness in Judaism, while Imam Ali explains the truth behind concepts like jihad and Shari'a. And on the Israeli-Palestinian conflict, the two speak forthrightly on the importance of having a civil discussion and the urgency of reaching a peaceful solution. As Rabbi Schneier and Imam Ali show, by reaching a fuller understanding of one another's faith traditions, Jews and Muslims can realize that they are actually more united than divided in their core beliefs. Both traditions promote kindness, service, and responsibility for the less fortunate—and both religions call on their members to extend compassion to those outside the faith. In this sorely needed book, Rabbi Schneier and Imam Ali challenge Jews and Muslims to step out of their comfort zones, find common ground in their shared Abrahamic traditions, and stand together and fight for a better world for all.

Leadership In Action: Issues and Observations Realizing the Power of Candid Conversations Public Papers of the Presidents of the United States Issues and Observations Realizing the Power of Candid Conversations Tough Love? A Candid Diary of an Assiduous Girl Archway Publishing Philippa Peters, the second child of four, was just six years old when her mother dropped her off at her godmother's home. In the twinkling of an eye, Peters' life changed drastically, as her circumstances meant she had to grow up very quickly, missing out on positive childhood experiences. In *Tough Love?*, Peters narrates her powerful, poignant, and engaging story of a young girl who against all odds, fights to stay on the right track of morality. This memoir tells how she demonstrates courage, perseverance, and resilience in the most difficult of situations and proves that in a negative environment, an individual can choose not to be a product of that environment. Peters communicates that her life's experiences were instrumental in shaping her into the strong, tenacious, and resilient woman she is today. *Tough Love?* shares how the author's faith sustained her throughout her experiences while offering a different perspective on domestic child abuse. It chronicles her experience of growing up, overcoming extraordinary challenges, and staying true to faith, family, and friends.

Candid Comments on Critical Issues Opinion Columns and Articles Even though you didn't ask for Euell White's thoughts on these Critical Issues, you owe it to yourself to open your mind and contemplate what he has to say. As a former paratrooper myself, I would urge you to remember that "A mind is like a parachute as it works a lot better when it's open". Randy White **The Man who Never Sleeps** The Charles Mingus Discography, 1945-1978 Flourishing in the Ministry Confronting the Challenges Facing Young Ministers WestBow Press Too many Christian leaders begin their ministry with great aspirations but stumble when faced with the challenges inherent in full-time ministry. Flourishing In The Ministry cites the challenges encountered by ministers who are approximately age 20-30 and in their first years of ministry. Drawing on Biblical examples, personal experiences, and interviews with many young leaders, Benjamin Kaufman provides descriptions of the challenges and offers suggestions for dealing with them effectively. In the last ten years, Dr. Kaufman has coached many young ministers. He has encouraged them to question their ministry assumptions, practice healthy thought patterns, and develop behavioral habits that lead to strong work relationships and balanced marriages. Flourishing In The Ministry topics include: • Solidifying Your Call to Full-Time Ministry • Knowing Yourself • Lack of Credibility • Dealing with Expectations • Working with the Opportunities Available • Working with People • Challenges Related to Mentors • Dealing with Criticism • Balancing Ministry and Marriage • Understanding Your Boss • Staff Relationships If you are a young minister, reading this book will give you insight into potential obstacles that lie along your ministry pathway. If you work with young ministers, this book will give you tools that you can use to teach and encourage the young ministers you coach, mentor, or work alongside. Includes author's companion website. **Judicial Conference and Councils in the Sunshine Act, S. 2045 Hearing Before the Subcommittee on Improvements in Judicial Machinery of the Committee on the Judiciary, United States Senate, Ninety-sixth Congress, Second Session ... March 7, 1980** Camberwell Assessment of Need for Adults with Developmental and Intellectual Disabilities CANDID Cambridge University Press The Camberwell Assessment of Need for adults with Developmental and Intellectual Disabilities (CANDID) is a widely used tool for the assessment of health and social needs of people with intellectual disabilities and mental health problems. It uses the assessment approach adopted by CAN, the world's leading mental health needs assessment measure. Two versions of the CANDID are available: CANDID-S (short version) and CANDID-R (research version). Both versions are aimed at researchers and practitioners working with people with intellectual disabilities, and are suitable for clinical use in community and hospital-based services. Fully updated based on current policy, practice and terminology, this second edition introduces a more intuitive need rating system and an accessible rating algorithm. Guidance on how to use the measures is provided, as well as an overview of research developments since the first edition. The assessment forms are freely available to download from the CAN website (researchintorecovery.com/can) and cambridge.org.

Transsexuals Candid Answers to Private Questions The transsexual process is the consistent pursuit of physical, emotional, social, spiritual, and sexual wholeness, accomplished at enormous personal cost.

Candid Science II Conversations with Famous Biomedical Scientists This invaluable book contains 36 interviews, including 26 with Nobel laureates. It presents a cross-section of biomedical science, a field that has been dominant in science for the past half century. The in-depth conversations cover important research areas and discoveries, as well as the roads to these discoveries, including aspects of the scientists' work that never saw publication. They also bring out the humanness of the famous scientists — the reader learns about their backgrounds, aspirations, failings, and triumphs. The book is illustrated with snapshots of the conversations and photos provided by the interviewees. It is a follow-up to the critically acclaimed *Candid Science: Conversations with Famous Chemists*, by the same author.
