A Winning Case How to Use Persuasive Communication Techniques for Successful Trial Work [Prentice Hall Direct](#) **On Your Own North Carolina Small Claims Court A Debt Collection Guide for North Carolina Businesses** [Universal-Publishers](#) **If you are interested in representing yourself or your business in Small Claims Court in North Carolina in order to collect your debts or settle disputes, ON YOUR OWN - NORTH CAROLINA SMALL CLAIMS COURT is the book for you! Employing an attorney to represent you or your business may or may not make economic sense. The debt you are seeking to recover may be less than the fee charged by an attorney. While it may be economically desirable for an attorney to represent you or your business in Small Claims Court in some situations, you may find it more advantageous to represent yourself or your business ON YOUR OWN. An individual or business with a small claim may wish to pursue the indebtedness without an attorney, but may not possess sufficient knowledge about the way the court operates to feel competent to do so. If the debt is too small to justify employing an attorney or if the case never gets to court because the plaintiff does not have an adequate amount of knowledge of his or her interests, the debt goes unpaid. The plaintiff loses either way, because the debt is still not paid. By reading and studying this book, you will gain knowledge to assist you in maintaining more control over your bottom line. Larger net profits are important for any business enterprise. The materials contained on the pages of this book will show you how to better manage your company's small claim debt collection efforts by effectively using the Small Claims Court. You should be able to significantly increase your odds of collecting your judgment in Small Claims Court -- a court specifically designed by state law for the litigant with multiple small claims. ON YOUR OWN - NORTH CAROLINA SMALL CLAIMS COURT is a book that offers basic guidance to the individual who has never been to Small Claims Court, yet provides material that should be of assistance to the individual who has represented himself or his business on a regular basis. I cannot overemphasize methodical study and understanding of the law. If this book is read with care and understood, it will be helpful to you in the collection of small claims and the settlement of disputes. Mary Anne Nixon Attorney at Law** **The Trial Presentation Companion: A Step-By-Step Guide to Presenting Electronic Evidence in the Courtroom** [Aspen Publishing](#) **Defendant Reginald McKay, a mentally disturbed American who became a "home-grown" Islamic terrorist, poisoned members of a Jewish temple during Passover seder. After one of the** **The Trial Presentation Companion: A Step-by-Step Guide to Presenting Electronic Evidence in the Courtroom**, written by award-winning legal technologist Shannon Lex Bales, is NITA's first-ever, comprehensive how-to manual on running electronic evidence in the courtroom. This face-saving guide will help you and your firm expand your comfort zone in working with all the bits and pieces--laptops, trial presentation software, document cameras, audio-visual components, the puzzling array of cords and cables--that are increasingly essential when presenting electronic evidence in court in the modern era. Checklists and guides are included to help your firm create a technology plan for trial and recognize where opposing firms may attempt less-than-reputable technical tactics, such as burden shifting, to throw a monkey wrench in your trial plan. For the judiciary, the book presents a warts-and-all view of trial technology and discusses reasonable presentation obligations by firms to the court and how the court can ensure more efficient technological processes and fewer problems in the courtroom. Part One, Trial Presentation in Theory, is just that: a theoretical explanation, in plain (and often tongue-in-cheek) English, about why expert trial technologists do what they do during pretrial and in court: how to organize and name exhibit files, choose the best software for your needs, build a trial kit of equipment to take to court, comply with the Trial Management Order, develop an effective workflow, cultivate relationships that provide mutual support in court and out, and much more. Part Two, Trial Presentation in Practice, shows you, step by illustrated step, how you, too, can bring that same game to your own legal team as you huddle for trial. Even if you don't know an HDMI port from a VGA and have never set up a folder system on your server before, The Trial Presentation Companion will show you how, and before you know it, you'll be running the show like you were born to it. This book is suitable for everyone from judges and law firm partners and associates to law students, budding trial technologists, and paralegals. **Trial Prep for Paralegals: Effective Case Management and Support to Attorneys in Preparation for Trial** [Aspen Publishing](#) **Coyne and Furi-Perry have created the essential how-to guide for trial preparation. Paralegals will master every stage of litigation, from initial client interviews to pulling together the trial notebook. The book begins with overviews of the litigation process and the evidence rules. Practical skills for interviewing, handling discovery, preparing exhibits, and more are then introduced and explained with examples. Finally, the book stresses the importance of communication and working well with attorneys, clients, courts, and others. Decode Your**

Divorce The Modern Law Handbook for Managing your Divorce [Dog Ear Publishing](#) People facing divorce are facing extreme heartbreak, regret, anxiety and unbelievable financial pressure. The stakes have never been higher and you are expected to navigate a coded legal system and hope your family emerges on the other side. In **Decode Your Divorce**, divorce attorney Billie Tarascio will take you through three comprehensive sections so you can move through the divorce process smoothly, inexpensively and empowered. In this book you will learn: • Representation options and how to best work with an attorney • How to navigate the court system including how to draft documents, identify and organize exhibits and what to expect in court • All you need to know about the law related to divorce including custody, child support, property division, spousal maintenance and more. It's true. Your life will never be the same. But it will get better. **Decode Your Divorce** will give you the tools to emerge stronger **Mock Trials Preparing, Presenting, and Winning Your Case** [Aspen Publishing](#) A mock trial may officially begin with opening statements, but experienced competitors know that the dialogue between counsel and the court beforehand can make or break their chances of prevailing. In this new edition of **Mock Trials** the authors have added an entire new chapter (Pretrial Matters) to explain the questions students should ask before a mock trial begins and why the answers to those questions are important. Just as in an actual trial, pre-trial matters do matter in mock trials because they can affect nearly every aspect of case preparation and presentation. First published in 2000, **Mock Trials** has become the leading textbook used by students and coaches to prepare for mock trial competitions. The **Second Edition** improves upon the first by providing students and coaches at every level with a complete step-by-step guide to preparing, presenting, and winning a mock trial. Diagrams, charts and summaries, as well as sample fact scenarios, colloquies, and arguments, are used to explain complicated concepts simply in an easy-to-follow and interesting manner. This textbook is specifically designed for use by pre-law and law students, but the legal and stylistic techniques it teaches remain applicable throughout lawyers' careers. For high school and undergraduate students competing in mock trials or considering a career in law, **Mock Trials** gives a solid overview of the conduct of a trial from start to finish. It's also perfect for mock trial coaches to use as a how-to guide. **The JAG Journal California Tenants' Rights** [Nolo](#) The go-to survival guide for California tenants California tenants have many rights, especially those lucky enough to have rent control. But knowing and enforcing these rights can be difficult. Fortunately, **California Tenants' Rights**, the leading tenant guide for more than 45 years, provides all the information and key forms tenants need to: find a good rental in a competitive market understand the rules regarding service and support animals deal with a problem roommate or noisy neighbor stop landlord intrusions of privacy get the landlord to make repairs or deal with mold or bedbugs fight illegal discrimination, harassment, or retaliation break a lease with minimal liability respond to a late rent or termination notice get as much of the deposit back as possible, and fight an eviction, with line-by-line instructions on completing required forms. The 22nd edition includes updated information on state eviction rules and forms, local rent control ordinances, and tenant rights to sublet on Airbnb. **Fundamentals of California Litigation for Paralegals** [Wolters Kluwer](#) The new edition of **Maerowitz and Mauet's Fundamentals of California Litigation for Paralegals** gives students a complete explanation of California specific litigation. Clearly written with the student in mind, the text makes the material accessible while the accompanying workbook and forms put theory into practice. These features make this text an appealing choice: * offers a complete understanding of the litigation process from the time the client walks into the office through trial and post-judgment, including settlements and alternative forms of resolutions * balanced approach neither oversimplifies the litigation process, nor clouds the educational course with excessive information * pedagogical aids such as bold-faced terms defined in the glossary; examples; charts and checklists; sample documents; chapter overviews and summaries; and review questions are featured throughout the text * tailored to the California rules with each chapter referencing the specific California statute where more information can be found, and California forms included throughout * provides opportunities for the instructor to pick and choose which areas to emphasize * a workbook on CD accompanies the text and includes five case scenarios based on California law along with associated Judicial Council forms to be used as practical exercises * Instructor's Manual provides answers to the questions posed in the workbook and book, as well as a test bank of questions that include true-false, short answer and essay questions so that the instructor can choose the type of test to give. Projects for research and writing, sample forms, and suggested course outlines are also included **Changes to the Third Edition** include: * chapters on motions and discovery tools have been broken down into separate sections so that they are both easier for the student to understand and digest, and easier for the instructor to teach * depositions, interrogatories, and document production have been included and demurrers, motions to strike, and summary judgment have been broken out into separate sections * more information included on litigation management systems and how to use such systems to index and retrieve documents in large cases * reflects most recent changes in the California rules This student-friendly text offers a teachable approach to the subject of California litigation. The content is neither oversimplified nor saturated with excess information which allows for a smooth introduction. **Fundamentals of California Litigation for Paralegals, Third Edition** offers a complete understanding of the litigation process, allowing students to walk away with a firm understanding of the complete picture. **Confirmation Hearings on Federal Appointments Hearing Before the Committee on the Judiciary, United States Senate, One Hundred Tenth Congress, First Session** **Legacies of the International Criminal Tribunal for the Former Yugoslavia A Multidisciplinary Approach** [Oxford University Press, USA](#) **Introduction: Legacy as Dialogue: Reflecting on the ICTY Experience / Carsten Stahn. - PART I OPENING REFLECTIONS. - 1 The Last Testament of the ICTY / Carmel Agius. - 2 Making Complementarity a Reality: The Experiences of the ICTY and IRMCT Office of the Prosecutor / Serge Brammertz. - 3 The ICTY and the Defence Legacy: The Association of Counsel Practising Before the ICTY / Colleen Rohan. - 4 The Moral Legacy of the ICTY, Miguel de Serpa Soares. - PART II LEGACY LENSES, THEORIZATIONS, AND NARRATIVES. - 5 The ICTY is Dead! The 8th edition is completely updated with the latest state rules on divorce, such as property division and grounds for divorce. Impeachment Trial Committee on the Articles Against Judge G. Thomas Porteous, Jr Hearings Before the Senate Impeachment Trail Committee, United States Senate, One Hundred Eleventh Congress, Second Session, on the Articles of Impeachment Against Judge G. Thomas Porteous, Jr. a Judge in the United States District Court for the Eastern District of Louisiana, November 16, 2010 *On the Jury Trial Principles and Practices for Effective Advocacy* *University of North Texas Press* Two outstanding Texas trial lawyers—one of whom is now an equally respected district judge—have written *On the Jury Trial*, a “must have” reference for any trial lawyer aspiring to excellence or seeking to maintain it. Thomas M. Melsheimer and Judge Craig Smith have crafted a narrative-driven advice guide for trial lawyers to hone their craft. Chapter topics include voir dire, opening statement, preparing witnesses, cross examination, using exhibits, closing argument, jury research, and more, with excellent examples and “do’s and don’ts” provided throughout. Think of this book as the senior law partner’s memo to associates on how to really try a case. Looking for fly-on-the-wall insight into world-class trial preparation and strategy? Here it is. A behind-the-scenes tour of the inner workings of the judicial process? This book has you covered. Its combination of advice, illustration, and commentary is every bit as valuable as it is unique. Every litigator should have this book on the shelf, no matter the state in which they practice. The jury trial is a critical component of our democratic society, and its use in civil cases is unique to the United States. It is truly an example of our participatory democracy in action, and yet the jury trial is under attack from all sides, most notably from special interest groups who seek to have more cases decided by individual judges or by arbitration. These efforts have resulted in a decline of civil jury trials all over the country. A decline in the jury trial is a decline in justice. To preserve the jury trial, we must preserve the skills of trying a case effectively and efficiently. *On the Jury Trial*, in no small way, will add significantly to that effort. *Winning Before Trial: how to Prepare Cases for the Best Settlement Or Trial Result* *Mountain Meadows Massacre Collected Legal Papers, Selected Trial Records and Aftermath* *University of Oklahoma Press* On September 11, 1857, a group of Mormons aided by Paiute Indians brutally murdered some 120 men, women, and children traveling through a remote region of southwestern Utah. Within weeks, news of the atrocity spread across the United States. But it took until 1874—seventeen years later—before a grand jury finally issued indictments against nine of the perpetrators. *Mountain Meadows Massacre* chronicles the prolonged

legal battle to gain justice for the victims. The editors of this two-volume collection of documents have combed public and private manuscript collections from across the United States to reconstruct the complex legal proceedings that occurred in the massacre's aftermath. This exhaustively researched compilation covers a nearly forty-year history of investigation and prosecution—from the first reports of the massacre to the dismissal of the last indictment in 1896. Of special importance in Volume 2 are the transcripts of legal proceedings against John D. Lee—many of which the editors have transcribed anew from the shorthand. The two trials against Lee led to his confession, conviction, and ultimately his execution on the massacre site in 1877, all documented in this volume. Historians have long debated the circumstances surrounding the Mountain Meadows Massacre, one of the most disturbing and controversial events in American history, and painful questions linger to this day. This invaluable, exhaustively researched collection allows readers the opportunity to form their own conclusions about the forces behind this dark moment in western U.S. history.

Manning*, which can be tried as a civil or criminal fraud modifications of some case files, including *State v. Hudson*, now a single-defendant trial, and the newly restructured *Minor v. Mid-American*, now a comparative fault trial

California Lawyer Washington State Bar News Philosophical Transactions, Giving Some Account of the Present Undertakings, Studies, and Labors of the Ingenious in Many Considerable Parts of the World Philosophical Transactions, Giving Some Account of the Present Undertakings, Studies, and Labors of the Ingenious, in Many Considerable Parts of the World Practical Aspects of Rape Investigation A Multidisciplinary Approach, Fourth Edition [CRC Press](#) **U.S. Justice Department statistics** indicate that only 26 percent of all rapes or attempted rapes are reported to law enforcement officials, and only slightly more than half of these result in the arrest of a suspect. Part of the problem lies in the public's lack of faith in the criminal justice system's ability to effectively deal with rape, victims, and the offenders. **Practical Aspects of Rape Investigation: A Multidisciplinary Approach, Fourth Edition** presents several new research findings and forensic techniques which enable agencies to overcome past impediments to successful intervention and prosecution. This revision of the perennial bestseller adds several new chapters and expertly advances the

state of knowledge for police, health professionals, rape crisis staffs, and other criminal justice professionals. The book begins with a focus on the victim and reviews contemporary issues in the field of sexual violence, discusses the impact of sexual assault on the victim, and outlines victim care services. Then, from an investigative perspective, the book examines the relevance of fantasy, impulsive and ritualistic behavior, the personality of the offender, victim and offender interviews, geographic profiling, false allegations, and false confessions. A discussion of forensics and the court includes topics on collection of evidence, medical examinations and treatment, and trial preparation issues. Lastly, the book examines special populations with sections on pedophiles, female and juvenile offenders, drug-facilitated rape, sexual sadism, abuse of the elderly, and the timely topic of educator misconduct. This work was compiled by former FBI Agent Robert R. "Roy" Hazelwood and Ann Wolbert Burgess, Professor of Psychiatric Nursing at Boston College. The comprehensive text they have assembled is the definitive resource for those who must contend with the crimes of rape and other sexual assaults. Trial Mastering Voir Dire and Jury Selection Gaining an Edge in Questioning and Selecting a Jury [GP Solo ABA](#) This guide serves as a resource for questioning and selecting a jury. It contains information that is useful in identifying biases that could influence decisions, and shows how to learn from nonverbal communication. The Future of Punitive Damages After State Farm V.
