Boys' Life

Boys' Life is the official youth magazine for the Boy Scouts of America. Published since 1911, it contains a proven mix of news, nature, sports, history, fiction, science, comics, and Scouting.

Which Side Are You On?

Seven Social Responsibility Debates in American Librarianship, 1990–2015

McFarland Shattering any idea that librarianship is a politically neutral realm, this insider's account of seven debates from the floor of the American Library Association Council illustrates the mechanisms the governing body used to maintain the status quo on issues like racism, government surveillance and climate change. At play in each debate are rules of parliamentary procedure, appeals to authority, denial, and chastisement of librarians who pushed the ALA to make real its commitments to human rights and social justice. Providing a fascinating look at the Council's inner workings, the author parses debates concerning anti-apartheid boycotts; partnerships between ALA, McDonald's and the Boy Scouts of America; spying by the National Security Agency; censorship in Israel and the Occupied Territories; fossil fuel industry divestment; and the recent revival by ALA's Office of Intellectual Freedom of the infamous film The Speaker.

TIRTHA RAJ NEUPANE : A Living Legend of Nepal Scouts

*Sandesh Ghimire Introduction This book is dedicated to honourable TIRTHA RAJ NEUPANE for his 50 years of Scouting. * Former District Chief Commissioner of Nepal Scouts Chitwan * Vice-Chairman of International Scouts and Guide Fellowship (ISGF) Nepal*

Directory of Federal Court Guidelines

Wolters Kluwer The Directory of Federal Court Guidelines outlines the requirements of over 600 federal judges in detailed form along with the procedures they mandate on such essential matters as discovery, scheduling conferences, alternative dispute resolution, voir dire, marking of exhibits, and jury participation. This is critical inside information directly from the federal courts and judges compiled and published in cooperation with the American Bar Association's Section of Litigation. You will get every sitting judge's educational background, previous experience on the bench, with the government and in private practice, and honors and awards. Many judges have provided photographs and the names and telephone numbers of their secretaries and court clerks as well. Updated three times a year, Directory of Federal Court Guidelines will prove to be a vital research tool for preparing your case.

Girl Scout Collectors' Guide

A History of Uniforms, Insignia, Publications, and Memorabilia

Texas Tech University Press A welcome new edition of a standard—unavailable for nearly a decade in more than nine decades of Girl Scouting, a vast popular and material culture has given rise to a wealth of Girl Scout history collections. More than an identification guide to uniforms, insignia, and other Girl Scout objects, this work also documents when changes occurred and why new items were introduced. Placing these objects in context, this essential guide provides a discerning look at the history and development of the Girl Scout Movement in the United States. Scholars and aficionados of Girl Scout history, costume history, women's studies, popular culture, and dress will welcome this indispensable and definitive resource. This new, expanded edition, with hundreds of illustrations, photographs, and tables, is indisputably the go-to source for information on all Girl Scout uniforms, insignia, awards, and handbooks, as well as dolls, postcards, posters, calendars, and more—from the founding of the Girl Scouts in 1912 through the present day. "An invaluable resource to Girl Scout councils managing a history collection. And, beyond that . . . an informative and intriguing glimpse . . . into the evolution of a Movement that . . . today is the world's preeminent organization dedicated solely to girls." —Cynthia B. Thompson, chair, National Board of Directors, and Kathy Cloninger, national chief executive officer, GSUSA "An indispensable reference for collectors; a fascinating resource for anyone interested in Girl Scouting, this comprehensive guide to Girl Scout memorabilia is firmly grounded in the history of the Girl Scouts of the United States. Mary Degenhardt and Judith Kirsch show us what Girl Scouts wore and read, and explain how changes in uniforms, insignia, and publications reflect the evolution of Girl Scout programs and the expansion of opportunities for American girls. Reading this book is like walking through a fine museum where material culture brings the past to life." —Anastatia Sims, author of *Negotiating Boundaries of Southern Womanhood*

Trash Talk

Anti-Obama Lore and Race in the Twenty-First Century

Univ of California Press "Barack Obama and his family have been the objects of rumors, legends, and conspiracy theories unprecedented in US politics in terms of vitriol, volume, and persistence. Outbreaks of anti-Obama lore have occurred with every national election cycle since 2004, continuing to the present day-two elections after his presidency ended. As internet communications vastly increased their reach over these years, rumors and conspiracy theories have become powerful political tools, and new types of lore, including the "hoax" and "fake news" have taken root. The mainstream press, the political establishment, and the major technology giants dismissed or ignored the anti-Obama lore, registering concern only after it became apparent that the Obamas weren't the only victims"--
