God Delights in the Prayers of His Children Praying God's Word Back to Him Through Scripture-Based Prayers *iUniverse* Are you tired of your prayers lacking power? Would you like them to be authoritative and prevailing instead? If you're ready for a revitalized prayer life that illustrates the marvelous capability of your Christian walk, then God Delights in the Prayers of His Children can help you get there. This collection of faith-building prayers is a powerful resource, designed to encourage believers to communicate intimately with God. Author Terri Flynn shows you how to enrich your prayer life by providing prayers that incorporate Scripture to help you pray with purpose and confidence. She targets specific prayer needs for children, family, finances, healing, deliverance, strength, encouragement, and much more. Flynn shares her spiritual experiences by using devotional prayers and commentary to illustrate how to have a personal relationship with God. She explores some of the doubts, fears, and perplexities we experience and offers prayers that address these issues. In addition, she reveals the four basic elements of prayer, as well as methods for establishing a prayer life and interceding with power. If you desire an intimate relationship with God, God Delights in the Prayers of His Children provides a foundation to help you develop a life-changing commitment to prayer. Connect your spirit to the knowledge of God's Word through prayer and see Him work in your life! Your Special Gift A Preteen Primer to the Facts of Life *Celestial Press* Having "the talk" can sometimes be an awkward experience for both parent and child. Even so, I didn't want to wait until my children's hormones kicked in, and I didn't want to be caught off guard when they had questions, but most of all, I didn't want them growing up with misconceptions concerning sex. I wanted my children to be informed about the facts of life, yet without being too sexually explicit in the process, because some of the facts weren't good such as pornography, diseases, and predators, but these subjects needed to be addressed as well. As a result, I told them what I have written in Your Special Gift, by using the analogy of a gift, a lock, and a key to define commonly used sexual terms, and to caution them about possible consequences, and to warn

them of potential predators. I also used Scripture as the basis of defining true love. The simplicity of the gift analogy opens the door of communication between parent and child in an effective straightforward, and yet sensitive way, so that any question concerning sex can be answered by using this method. Your Special Gift is well-suited for children in the 8-to-12 year-old range. A Testimony of Jesus 18 1 and 2 Samuel (Thy Throne Forever I) David shows all that is in his heart to the LORD God, and accepts the blessing God offers; by submitting and expressing appreciation to God, which is to establish his throne forever! Then went King David in (to the tabernacle, where the Ark was kept?), and sat before the LORD, and he said, who am I, O Lord GOD (that God would take time out from running the universe to consider me)? And what is my house that thou hast brought me hitherto (or to this place of honor)? And this was yet a small thing in thy sight (or not a difficult thing at all for you to do), O Lord GOD; but thou hast spoken also of thy servant's house for a great while to come (eternity, in fact, is what the LORD God said!). And is this the manner of man (or is this what God have in store (or the final state) for man?), O Lord GOD? And what can David say more unto thee? for thou, Lord GOD knows thy servant. For thy word's sake, and according to thine own heart, hast thou done all these great things, to make thy servant know them (these great things). Wherefore thou art great, O LORD God: for there is none like thee, neither is there any God beside thee, according to all that we have (learned and, ) heard with our ears. And what one (or other?) nation in the earth is like thy people, even like Israel, whom God went to redeem for a people to himself, and to make him a name, and to do for you great things and terrible (or awesome things?), for thy land, before thy people, which thou redeemedst to thee from Egypt (or the heathen world), (and) from the (other?) nations and their gods (or false gods and idols!)? For thou hast confirmed to thyself thy people Israel to be a people unto thee forever: and thou, LORD, art become their God (forever?). -2 Samuel 7:18 through 7:24 Bible Lessons for Kids Ruth, 1 Samuel, & Job *CreateSpace* Our Bible Fun Factory Lesson Plans are "the essentials". The lessons that every single Christian child between 4-12 needs to be taught. Wisdom shows children to order their priorities-how to appreciate wisdom more In this series of five lessons, two lessons are provided on forming good friendships, based on Ruth's friendship with Naomi, found in the Book of Ruth. Samuel grew to be like the company he kept, which is a great lesson for children from 1 Samuel 1 & 2 in choosing friends wisely. We then move on to 1 Samuel 16 and David and Goliath, and we see that as with Gideon, God chooses the small things to show his might and glory. Solomon's than riches. And Job provides great lessons in how things can go badly for a while, but God comes to our rescue. Lessons Include: Lesson 1: Ruth is a Loyal Friend Lesson 2: Samuel Becomes Like the Company He Kept Lesson 3: David Kills Goliath Lesson 4: Solomon Asks God for Wisdom Lesson 5: Job Loves God Through His Trials We have 3 core beliefs when we create Bible Lesson Plans: 1) They should be EASY for the teacher to teach. 2) They should be FUN for the child. 3)

They should actually TEACH the child bedrock principles of the Christian Faith and the Bible. -----  
 ----- Each of the Lessons Include: -Materials List (Don't worry, nearly everything can be gathered up at a moments notice from your own house. For example, you might need to grab a big spoon) -Complete Lesson (Including our much loved "teaching script" that tells you exactly what to say!) -Scripture Reading (we put the scripture reading in the lesson, to make it easy!) -2 Games (Kids LOVE games, each game teaches an important element of the overall lesson and lets the kids get up out of their seat and move around. Typically one game is geared to young children 4-7 and another for the 8-12 year olds) -2 Intro Activities (These activities get the kids engaged in the lesson and help to fill the time as kids trickle in.) -2 Lesson Activities (These activities vary from object lessons, crafts, treasure hunts, and more) -Closing Prayer (Our closing prayers are each designed to leave the kids with a positive message and reminder of the lesson). ----- Class Length: The lessons are designed to run for one hour, but can easily be expanded to cover more time if needed. Age Level: The lessons include age-appropriate activities, discussion, and questions for children ages 4-12. Equally effective with mixed age groups or single age classes. Prep Time: Each lesson was designed to be taught after only 5-10 minutes of prep time. You don't need to go around collecting craft materials or spending an hour before class getting organized. You can literally "glance & go". Denomination: Our lessons can be used by churches of all denominations, as the topics covered are truly the foundation of Christian faith. In addition, any Bible translation can be used. The Secret History of Pythagoras THE Translation of this venerable Piece of Antiquity is undertook upon a double Score; being designed as well to entertain the Curiosity of the Learned, as to supply the Defects of the Ignorant. If the original Language would have been more acceptable to the one, it would

have been less intelligible to the other. I cannot, without uttering a Falsity, venture to affirm that so singular and valuable a Piece will be made Public, at least as yet: And in the mean Time I shall flatter myself, that this little Essay may contribute in some sort or other to the diversion, if not Instruction, of People in every Condition of Life. If this is well received, the other Parts will make their Appearance at proper Distances of Time. I publish no more at present, because I would not be thought to impose too much upon any one's Patience; as for losing my own Labour, I am under no bad Apprehensions about that; for the Reader cannot reject with a greater Disdain, than I have translated with Pleasure, the Contents of this Book.

**BO BO Says Hello Bo Bo and Friends Make a Kite and Bo Bo and the Big Wave**

*CreateSpace* The Bo Bo says "Hello" book series are truly enchanting books for young children, combining education with fun, sharing and kindness. The main character is Bo Bo, who is a blue and yellow teddy bear. He has three main friends, they all live in brightly coloured beach huts on the beach. Bo Bo lives in number 1, which is red. Next door lives Bella Bunny, a little blue bunny, who is very neat and tidy and is always wearing her little frilly apron. Her beach hut is blue and is number 2. Then there is Basil Bear, a green teddy bear, who lives in a green beach hut, number 3. He loves growing vegetables and flowers. Then there is Molly the Dolly, a cute ragdoll. She lives in number 4 which is pink, she likes home cooking. The ideas for the books are from childhood memories, cuddly toys my sisters and I had when we were young and the fun we had playing with them and taking them on holiday with us. Bo Bo was a teddy bear my younger sister had when she was two for Christmas - he was bigger than her. The first thing she said when she opened him Christmas morning was "Bo Bo!" She still has him to this day, he is now 46 years old! And is loved and cherished by her own children. The books contain traditional values, for example, growing fresh healthy food, home cooking, keeping clean and exercising, but also having fun and discovering new things. The books were a joy to write and will inspire any young child who is introduced to them.

*Children of the Bible Lion Hudson* This elegantly illustrated collection of favorite Bible stories features an interesting twist. **Bible Stories for Children Black and White**

*Createspace Independent Publishing Platform* Bible Stories for Children By Rev. Jefferson Mitchell, Kellie O'Connor

**A Shepherd's Song Psalm 23 and the Shepherd Metaphor in Jewish Thought** In an age of great spiritual disconnection and alienation from the deepest aspects of our souls, Rabbi Michael Leo Samuel's A

**Shepherd's Song: Psalm 23 and the Shepherd Metaphor in Jewish Thought**, takes us on a spiritual journey through the luminous imagery of the shepherd archetype. The transformative power and message intimated by the shepherd metaphor and its history serves to remind us that we are not alone in a universe that is bereft of God's ethical Presence. Timeless and inspirational, the shepherd metaphor addresses the fundamental relationship between God and man, speaking directly to questions raised by centuries of persecution. What is the nature of suffering in a just universe? How does suffering alter our perceptions of God? How can we rediscover our faith in difficult and challenging times? Rabbi Samuel explores questions of faith that are as old as the story of Job and as modern as the Holocaust. I wish every Christian would read it--especially every pastor and leader. My husband (who is a pastor) and I had already come to these conclusions before I found this book, but it gives me great hope that others are seeing the same disastrous problems. We have created a "monster" that we call "church" which little resembles the New Testament kind, and people are fleeing it. For all the promise of the "contemporary" style church, it isn't really much better. The church is failing to make disciples and failing to make any real impact in the culture, and it's all because we have failed to make authentic (true) converts. It's that simple. It's easy to make a disciple of someone who has been truly converted. Otherwise, with our usual crop of "decisions," it's like pushing a rope to get any serious commitment or Christlikeness out of them. The Bible says that Jesus is the Door, but to be brutally honest, the only way through that Door is to crawl--in repentance, submission (brokenness), and faith. We are no different than the church of the Middle Ages that baptized babies for salvation, leaving millions of

people still in their sins. There isn't really any such thing as "a church for the unchurched" as many like to claim today. We should be the church of the redeemed, but we have become a church of the unsubmitive, unrepentant, unconverted, uncommitted, and unfaithful. And it all goes back to one thing--real salvation thru real repentance and real faith in Jesus Christ."-M.J. Freeman ..". thought provoking book showing true believers in Jesus Christ the need to examine the methods we are using to evangelize our children... the author backs up all of her writing with scripture, the true Word of God." -Alicia Canner " ...Wow what an eye opener, it opened my eyes to the real meaning of being born again. Not only a book to help with the youth but for everyone..."-Malinda Zemrose As Christian women, there is probably nothing more heartbreaking than seeing our children turn from God. We spend thousands of dollars, and sacrifice countless hours to VBS, Bible clubs, Youth outings, Church camp, and children's parties every year. We build elaborate stage sets, plan fantastic carnivals, and youth extravaganzas and bus in all the children and teens we can find in the hopes of leading them to Christ; and yet we are still losing them. We see the grown-up children, the "fruits" of our outreaches, living as practical Atheists. They walk and talk and act like the world, even loving the world, and though they claim to be saved, evidence of life in Christ is conspicuously absent. Even our own children are abandoning the faith. They have asked Jesus into their hearts and yet we see them turn from God at staggering rates. Statistics show that no less than half have turned from God by High School age and closer to two thirds by the time they finish college. What we're doing is just not working! In *Why Are We Losing the Kids?* You'll see where we have gone wrong and where to go from here. - We can turn the tide on our failing ministry efforts! - We can share the gospel without creating false converts or backsliders! - We can keep the kids if we'll follow God's plan! **church. In spite of declining numbers, every Christian tradition has stories to tell of new ministries, fledgling Christian communities, and fresh expressions of church springing up, sometimes in unlikely places. Here, seventeen authors with experience in areas such as church revitalization, innovative ministry, evangelism, and church planting, reflect on what they are seeing and how the lessons they have learned can guide us into ways of health and vitality. They tell us about immigrant churches and indigenous ministries, about youth research and environmental concerns, about churches in the city and churches in the country, about leadership and spirituality. Scattered throughout the book are ten exciting stories of new ministries and new churches, from different traditions and different parts of the country, all seeking to engage their communities with the Gospel. Does the church in Canada have a future? The answer these authors give is a resounding yes--green shoots can grow out of dry ground--if we are prepared to rise to the challenge and follow where the Spirit of God leads.
