Bad Choices and Heartaches

NLM Romance Publishing **Ryker Stanley** was a stunning specimen of a human, a creation that was aesthetically flawless. He is also a jerk. When Dad Killed Mom

HMH A brother and sister cope with loss and trauma—and fight to keep what's left of their family together—in a “compelling” novel by a Newbery Honor Medal winner. Jenna and Jeremy knew their parents' marriage was in trouble. That was pretty obvious. But no one who knew the family could have predicted what would come next. One afternoon, Jenna and Jeremy are pulled from class and given horrifying news: their father, a college psychologist, has just shot their mother to death on a public street. Now, Mom is dead, Dad is in jail, and a fifth-grade boy and his fourteen-year-old sister have a lot to reconcile. Not only grief, anger, confusion, and guilt—but their dad's motive, the secrets in their mother's diary, and shifting loyalties that are driving Jenna and Jeremy even further apart. With their fragile new lives in free fall, and their father about to stand trial, they're now going to have to confront the unimaginable. From an author who has been a finalist for the National Book Award, among numerous other honors, this is “a compelling story suffused with raw and honest emotion” (Kirkus Reviews) and “a taut psychological mystery” (Publishers Weekly).

My Father's Wisdom, My Mother's Love

A Spiritual Gift

AuthorHouse I start the story on Christmas in the year 2004 and finished it in October 2005. The reason it took me this long even when I have all the story in my mind is my time was very short to sit at the computer and type. It is about an innocent man looking for a job and he ends up in a trap. They hired him to kill, but the plan was killing the President, so he did what he was hired for, but inside the jail was a shocking surprise. I hope you like the story.

Unconditional Love - My Father Killed My Mother... This is the True Story of How I Learnt to Forgive Him

Kings Road Publishing Elva Aggiano was murdered in 1997 by her husband Bruno. Of the four Aggiano children, three vowed never to speak to their father again. Remarkably, their daughter Natalia renewed her relationship with Bruno and became his friend and companion until his death in 2066. This is her astonishing story. Kind and loyal, Elva was a bright young woman from a typical English seaside town who was swept off her feet by an older, handsome Italian bodybuilder. It was all she had ever wanted; the promise of life as a loving mother and devoted wife. But a dark secret from her past left vulnerable to Bruno's brooding, possessive nature, and behind closed doors, Elva's family idyll turned into a reign of terror of both mental and physical abuse for her and her children. Their daughter Natalia speaks for the first time about how the family suffered, about her escape onto the streets aged 17 and her traumatic struggle to survive alone. Natalia finally persuaded Elva to run away along with her youngest son and for the first time, Elva found the happiness and confidence that had always eluded her. But it was not to last. Giving way to Bruno's request to see his young son, Elva returned to the marital home, where Bruno mercilessly stabbed her to death. Against all odds, Natalia found the courage to stand by her father even after he'd ripped the family apart. During often harrowing visits to Rampton high-security psychiatric hospital, she learned to love Bruno for the first time. Her fascinating journey led Natalia to honour her mother's memory, finding a way to live forgiveness and unconditional love. My Mom Was My Dad

One Woman One Child Becomes One Man

My Mom Was my Dad is not just another book on parenting. This book was written to help single mothers deal with raising boys. Based on my life story of how I was raised in a single - parent home due to the death of my father, I wanted to take single mothers on a journey of what they will face as they try to raise a boy to a man. I cover deep topics such as; the discussion of the birds and the bees, along with showing a young man how to pay bills and also about sports. This book is much more than the average how-to-book on parenting. Once I started to reminisce about my childhood, my memory overflowed with incidents and events long forgotten! I started to laugh and shed a few tears at the same

time when I decided to write this book about my mom and my childhood! Readers may do the same as they walk with me through my first-hand accounts of my mom, Rena Johnsons, humorous and sometime confusing job of making a Man out of a Boy!

Mother Father Deaf

Living Between Sound and Silence

Harvard University Press **"Mother father deaf" is the phrase commonly used within the Deaf community to refer to hearing children of deaf parents. These children grow up between two cultures, the Hearing and the Deaf, forever balancing the worlds of sound and silence. Paul Preston, one of these children, takes us to the place where Deaf and Hearing cultures meet, where families like his own embody the conflicts and resolutions of two often opposing world views. Based on 150 interviews with adult hearing children of deaf parents throughout the United States, Mother Father Deaf examines the process of assimilation and cultural affiliation among a population whose lives incorporate the paradox of being culturally "Deaf" yet functionally hearing. It is rich in anecdote and analysis, remarkable for its insights into a family life normally closed to outsiders.**

Class Reunion

The Remaking of the American White Working Class

Routledge Noted scholar Lois Weis first visited the town of "Freeway" in her 1990 book, *Working Class Without Work*. In that book we met the students and teachers of Freeway's high school to understand how these working-class folks made sense of their lives. Now, fifteen years later, Weis has gone back to Freeway for *Class Reunion*. This time her focus is on the now grown-up students who are, for the most part, still working class and now struggling to survive the challenges of the global economy. *Class Reunion* is a rare and valuable longitudinal ethnographic study that provides powerful, provocative insight into how the lives of these men and women have changed over the last two decades--and what their prospects might be for the future.

The Story of Vicente, Who Murdered His Mother, His Father, and His Sister

Life and Death in Juárez

Verso Books The intimate story of a teenager's murder of his family, from award-winning Mexican journalist In Ciudad Juárez, just across the Rio Grande from El Paso, Texas, sixteen-year-old Vicente and two of his high school friends murdered his mother, his father, and his little sister in cold blood. Through a Truman Capote-like reconstruction of this seemingly incomprehensible triple murder, Sandra Rodríguez Nieto paints a haunting and unforgettable portrait of one of the most violent cities on Earth. This in-depth and harrowing investigation into the thought processes of three boys leads the reader on an exploration of the city of Juárez, as well as the drug cartels that have waged war on its streets, in a bold attempt to explain the inexplicable. Ideally qualified for telling this story, Sandra Rodríguez Nieto was an investigative reporter for the daily newspaper *El Diario de Juárez* for nearly a decade. Despite tremendous danger and the assassination of one of her closest colleagues, she persisted. She didn't want the story of her city told solely by foreign reporters, because, in her words, "I know what is underneath the violence." This book traces the rise of a national culture of murder and bloody retribution, and is a testament to the extraordinary bravery of its author. Among other things, *The Story of Vicente* is an account of how poverty, political corruption, failing government institutions and US meddling combined to create an explosion of violence in Juárez.
