Confession of a Serial Killer

The Untold Story of Dennis Rader, the BTK Killer

University Press of New England In 1974, Dennis Lynn Rader stalked and murdered a family of four in Wichita, Kansas. Since adolescence, he had read about serial killers and imagined becoming one. Soon after killing the family, he murdered a young woman and then another, until he had ten victims. He named himself "B.T.K." (bind, torture, kill) and wrote notes that terrorized the city. He remained on the loose for thirty years. No one who knew him guessed his dark secret. He nearly got away with his crimes, but in 2004, he began to play risky games with the police. He made a mistake. When he was arrested, Rader's family, friends, and coworkers were shocked to discover that B.T.K. had been among them, going to work, raising his children, and acting normal. This case stands out both for the brutal treatment of victims and for the ordinary public face that Rader, a church council president, had shown to the outside world. Through jailhouse visits, telephone calls, and written correspondence, Katherine Ramsland worked with Rader himself to analyze the layers of his psyche. Using his drawings, letters, interviews, and Rader's unique codes, she presents in meticulous detail the childhood roots and development of one man's motivation to stalk, torture, and kill. She reveals aspects of the dark motivations of this most famous of living serial killers that have never before been revealed. In this book Katherine Ramsland presents an intelligent, original, and rare glimpse into the making of a serial killer and the potential darkness that lives next door.

Foreedge Explore the mind and motivations of a serial killer

Dennis Nilsen - Conversations with Britain's Most Evil Serial Killer, subject of the hit ITV drama 'Des'

Kings Road Publishing In February 1983 civil servant Dennis Nilsen was arrested after body parts were found to be blocking drains at the house where he lived. As the squad car drove him away, he confessed he had strangled 15 young men. It wasn't just the crimes that stunned; it was also the way he spoke. Nilsen said he had loved the young men he killed. His words seemed bizarre. When newspapers carried stories of how the 37-year-old lured men back to his flat and why, the nation was shocked by his sheer evil. Yet some psychiatrists considered him a man of rare, complex, and extreme psychological problems. In addition, none of them had met a killer who seemed so keen to understand his own psyche. Whilst on remand in Brixton Prison, Nilsen filled 55 exercise books with thoughts. During his subsequent thirty years in prison he has continued to write, most notably on the first draft of a multi-volume autobiography. The Home Office has now banned it, calling the work pornographic

and outrageous. Only one journalist has read the book. Using exclusive access to Nilsen's writing and extensive independent research, Russ Coffey explains what Nilsen says and how much of it we can believe. This is a shocking glimpse into the mind of a killer.

A Serial Killer's Daughter

My Story of Faith, Love, and Overcoming

Thomas Nelson What is it like to learn that your ordinary, loving father is a serial killer? In 2005, Kerri Rawson opened the door of her apartment to greet an FBI agent who shared the shocking news that her father had been arrested for murdering ten people, including two children. That's also when she first learned that her father was the notorious serial killer known as BTK, a name he'd given himself that described the horrific way he committed his crimes: bind, torture, kill. As news of his capture spread, the city of Wichita celebrated the end of a thirty-one-year nightmare. For Kerri Rawson, another was just beginning. In the weeks and years that followed, Kerri was plunged into a black hole of horror and disbelief. The same man who had been a loving father, a devoted husband, church president, Boy Scout leader, and a public servant had been using their family as a cover for his heinous crimes since before she was born. Everything she had believed about her life had been a lie. Written with candor and extraordinary courage, A Serial Killer's Daughter is an unflinching exploration of life with one of America's most infamous killers and an astonishing tale of personal and spiritual transformation. For all who suffer from: unhealed wounds, the crippling effects of violence, betrayal, or anger, Kerri Rawson's story offers the hope of reclaiming sanity in the midst of madness, rebuilding a life in the shadow of death, and learning to forgive the unforgivable.

How to Catch a Killer

Hunting and Capturing the World's Most Notorious Serial Killers

Profiles in Crime Every account of catching a serial killer is different. Sometimes, the killers make crucial mistakes; other times, investigators get lucky. And the process of profiling and apprehending these predators has changed radically over time, from laser ablation to video spectral analysis to DNA-based genetic genealogy. In this fascinating book, the history of forensics unfolds through the "capture stories" of some of the most notorious serial killers, going back almost a century.

Death Row at Truro

The shocking true story of Australia's deadliest sex killers

Simon and Schuster Innocent young women, a sadistic serial killing duo and ... the true story as revealed by the lead detective. Australia's most prolific serial sexual killers met in prison. They were a complete contrast: Christopher Worrell, the charismatic psychopathic youngster; and James Miller, the older and socially awkward loner. For Miller, it was love at first sight. They developed an ominous sexual bond - proving that opposites can attract - and then kill. Once free, the inseparable tag team slayed as many people as notorious Australian serial killer Ivan Milat. Whereas Milat took a year to murder seven victims, the duo achieved the same in seven short weeks... the last four killed in only six days. The frenzied carnage only stopped when Worrell died in a car accident. So ended the life of Australia's own BTK. Like America's Dennis Radar, Worrell bound, tortured and killed - because he could. Revealed for the first time is the full account of the victims, the serial killers and the lead detective, a relentless investigator who broke the silence of the surviving murderer, the only person who knew the full truth... But was Miller's truth the whole truth and nothing but the truth?

The Mind of a Murderer: Privileged Access to the Demons that Drive Extreme Violence

Privileged Access to the Demons That Drive Extreme Violence

ABC-CLIO This unique history of the last 100 years of criminal psychology shares insights about infamous murderers from the psychiatrists and other trained psychological professionals who analyzed and treated them. • 18 primary case histories, with comparisons to several other cases for comparison • Chronological arrangement of cases, showcasing a century in the development of forensic psychology

Understanding Sexual Serial Killing

Cambridge University Press This book provides an integrative and jargon-free understanding of the phenomenon of sexual serial killing to a wide readership.

The New York Ripper Serial Killer Richard Cottingham

RJ PARKER PUBLISHING, INC. A shocking case of unbridled sex, sadism, prostitution, date-rape drugs, abduction, bondage, torture, sexploitation, perverted fetishes, serial killing and dismemberment of the depraved New York notorious Ripper. Historian and International Bestselling Author, Peter Vronsky, describes his brief encounter with serial killer Cottingham in a seedy New York hotel in 1979 that later inspired him to write his bestseller history "Serial Killers: The Method and Madness of Monsters". In "Times Square Torso Ripper" Vronsky explores the history of the notorious Forty-Deuce strip on 42nd Street near Times Square and how it spawned the sadistic monster Richard Cottingham in an era before the term "serial killer" had been coined in popular culture. Renowned serial homicide expert Dr. Robert D. Keppel said of Richard Cottingham, "I kept asking myself what it was that ultimately intrigued me about the Cottingham case. Partly it was the level of sadistic torture that Cottingham acted out on his victims. He didn't kill them and desecrate their bodies; he forced them to experience pain and humiliation before he killed them. Then he desecrated their bodies." Includes 50 photos

The Green River Serial Killer

eBookIt.com This first book by Pennie Morehead chronicles the life of Judith, the wife of Gary Ridgway, the infamous serial killer of more than 48 women. It contains 112 original photographs and letters, many published here for the first time, and reveal the relationship between Gary and his unsuspecting wife, Judith, who was living some of the happiest years of her life while married to a killer. Ms. Morehead also gives an in depth analysis of Gary's handwritten letters from a professional graphologist point of view. As of this date, despite the diligence of many investigators on this case in locating the victims of the Green River Serial Killer, there remain several bodies of those victims that still need to be discovered.

Ted Bundy

The Yearly Journal

WildBlue Press The renowned Ted Bundy expert reveals never-before-published information on little known aspects of the serial killer's crimes and victims. Due to Kevin Sullivan's extensive writing about Ted Bundy (which has produced six books), he's become a sort of magnet over the years, drawing out many people who were part of the Bundy story, but have otherwise kept a low profile over the decades; and these first-person contacts continue to this day. As such, this is the first book in a new series of books, whose aim is to bring new revelations to the public about Bundy, the victims, the murders, and the almost murders that failed Bundy for one reason or another. "With all the material we have on Ted Bundy, it's easy to think we've thoroughly covered his life and crimes. But there still are holes, still things to learn . . . Newly discovered facts, some speculation, and some clarification—they're all here. For those who can't get enough of Bundy, the items in this illuminating volume show that we can still chip away at his secrets." —Katherine Ramsland, author of Confession of a Serial Killer: The Untold Story of Dennis Rader, the BTK Killer

Inside the Mind of BTK

The True Story Behind the Thirty-Year Hunt for the Notorious Wichita Serial Killer

John Wiley & Sons A dramatic and compelling true-crime psychological thriller This incredible story shows how John Douglas tracked and participated in the hunt for one of the most notorious serial killers in U.S. history. For 31 years a man who called himself BTK (Bind, Torture, Kill) terrorized the city of Wichita, Kansas, sexually assaulting and strangling a series of women, taunting the police with frequent communications, and bragging about his crimes to local newspapers and TV stations. After disappearing for nine years, he suddenly reappeared, complaining that no one was paying enough attention to him and claiming that he had committed other crimes for which he had not been given credit. When he was ultimately captured, BTK was shockingly revealed to be Dennis Rader, a 61-year-old married man with two children.

Bind, Torture, Kill

The Inside Story of BTK, the Serial Killer Next Door

Harper Collins For thirty-one years, a monster terrorized the residents of Wichita, Kansas. A bloodthirsty serial killer, self-named "BTK"—for "bind them, torture them, kill them"—he slaughtered men, women, and children alike, eluding the police for decades while bragging of his grisly exploits to the media. The nation was shocked when the fiend who was finally apprehended turned out to be Dennis Rader—a friendly neighbor . . . a devoted husband . . . a helpful Boy Scout dad . . . the respected president of his church. Written by four award-winning crime reporters who covered the story for more than twenty years, *Bind, Torture, Kill* is the most intimate and complete account of the BTK nightmare told by the people who were there from the beginning. With newly released documents, evidence, and information—and with the full cooperation, for the very first time, of the Wichita Police Department's BTK Task Force—the authors have put all the pieces of the grisly puzzle into place, thanks to their unparalleled access to the families of the killer and his victims.

The Trail of Ted Bundy

Digging Up the Untold Stories

WildBlue Press The untold true crime story behind the notorious serial killer who preyed on women across the United States from the author of *The Bundy Murders*. Journey back in time to when Ted Bundy was killing young women and girls in the Pacific Northwest and beyond. Within these pages, you'll find revealing stories from Bundy's friends as well as his friends of his victims—some being published for the very first time. Discover what it was like to know him while he was actively involved in murder. Learn information and anecdotes about the victims that were not previously shared with the investigators. You'll also hear from the two former detectives who worked with the author on his book, *The Bundy Murders*, as they dispel commonly held myths about Bundy and offer insight into his deadly career and its impact on those who came into contact with him. *The Trial of Ted Bundy* is the story of those who hunted Bundy, those who guarded him, and those who were otherwise part of this strange case in one way or another. "Bundy expert Kevin Sullivan has done the painstaking work of filling [in the holes in Bundy's story] and offering credible notions for those for which information might always be elusive. An important addition to true crime studies."—Katherine Ramsland, bestselling author of *Confession of a Serial Killer: The Untold Story of Dennis Rader, the BTK Killer*

Inside the Minds of Healthcare Serial Killers

Why They Kill

Praeger Offers a frightening introduction to the world of the healthcare serial killer.

The Ripper Letter

Book One of The Hearts of Darkness Series

Riverdale Avenue Books LLC Ancient codes and a legendary killer lure a young detective into a dark and dangerous world. When a murdered historian is marked with a mysterious code, homicide detective Dee Brentano worries about his colleague – her missing father, Alexandre. FBI special agent J. R. Pierce tells her that Alexandre is wanted for this murder. Desperate to find him first, she discovers that Alexandre has items that several people – including Pierce – would kill to possess. One is a letter attributed to Jack the Ripper. Another is an erotic cryptograph. Dee encounters a potential ally in Detective Gregory Brenner. She’s attracted to him, but fears that he’s playing her to find her father. She’s also drawn to her father’s protégé, Scott Bateman, who can decode the Ripper letter’s secret message and the symbol on the murdered historian. It’s bait for luring supernatural entities. It’s also a map to locating her father. Dee must choose her path wisely. One leads to a supernatural lover, the other to an immortal serial killer. Dean Koontz called Ramsland’s Ghost: Investigating the Other Side, “The best book of its kind I’ve ever read,” and Publisher’s Weekly stated that “Ramsland is a master of foreboding.” Whitley Streiber found The Heat Seekers to be a “gem” and said, “Katherine Ramsland is a marvelous novelist, who approaches her subject with chilling, fascinating inner knowledge.”

The Shrine of Jeffrey Dahmer

Hachette UK _____ AN UNSPEAKABLE CRIME When he was arrested in July 1991, Jeffrey Dahmer had a severed head in the refrigerator, two more in the freezer, two skulls and a skeleton in a filing cabinet. A DEPRIVED ACT But if anything could be more disturbing than the brute horror of this scene, it was the evidence that Dahmer had been using these human remains not only for sexual gratification, but as part of a dark ritual of his own devising -- to furnish a shrine to himself. A KILLER, BEYOND OUR UNDERSTANDING _____ The Shrine of Jeffrey Dahmer offers a chilling insight into the mind of a serial killer and reveals the horrors within. Perfect for fans of Making a Murderer, Mindhunter and The Ted Bundy Tapes, this is a gripping and gruesome read that delves into the mind of a murder and what possesses someone to kill. _____ By the author of Killing for Company, which was adapted into the hit ITV true crime drama DES, starring David Tennant. _____ PRAISE FOR THE SHRINE OF JEFFREY DAHMER: 'Irresistible. . . . Its subject is terrible and repellent. But the study itself is enlightening' Independent 'Unputdownable' Patricia Highsmith 'The persuasive account of a young man spiraling into unspeakable insanity . . . fascinating' Daily Telegraph

The Dennis Nilsen Tapes

In jail with Britain's most infamous serial killer - as seen in The Sun

Hachette UK For fans of ITV's 'Des', starring David Tennant as Dennis Nilsen. Only one TV interview with a serial killer has ever been recorded in a British jail and broadcast. This is the exclusive story of that dramatic event, carried out by award-winning documentary maker Mike Morley with Dennis Nilsen, then the country's most prolific murderer. In what became front page news, Morley overcame two eleventh hour government attempts (in the High Court and Court of Appeal) to stop ITV in the UK screening any extracts of the Nilsen interview. Controversially, the court ruled no more than 4 minutes of a four-hour interrogation should ever be shown. The Dennis Nilsen Tapes: In Jail with Britain's Most Infamous Serial Killer covers those full four hours, plus two days spent face to face with Nilsen in Albany Prison and two years of graphic correspondence and confessions from the infamous Scottish serial killer. With fresh insight from world famous psychological profilers and a leading pathologist, Morley completes almost three decades of investigation into what turned the former chef, policeman and civil servant into one of the world's most notorious murderers and necrophiles.

Kiss of the She-Devil

Pinnacle Books The true-crime story of a cheating husband, the other woman, and her plot to kill the wife, by the bestselling author of Murder, New England. When librarian Martha Gail Fulton was gunned down in a Michigan parking lot on a quiet evening, there were two obvious suspects—Gail's husband George, a former military officer . . . and George's mistress, the flashy businesswoman Donna Kay Trapani. Police were baffled to find that both had ironclad alibis. Yet evidence showed the shooter, a male, had an accomplice—a mystery woman. Now, M. William Phelps recounts the compelling real-life drama of a twisted love triangle that ended in bloody murder, and the riveting investigation that brought to light a master manipulator's trail of deadly deceit. Praise for New York Times bestselling author

M. William Phelps "One of our most engaging crime journalists." —Katherine Ramsland, *New York Times* - bestselling author of *Confession of a Serial Killer: The Untold Story of Dennis Rader, the BTK Killer*
 "Phelps creates a vivid portrait." —Publishers Weekly "One of America's finest true-crime writers." —Vincent Bugliosi, *New York Times* bestselling author of *Helter Skelter* Includes sixteen pages of dramatic photos

Track the Ripper

Book Two in The Heart of Darkness Series

Riverdale Avenue Books LLC An international secret society of telepathic blood-magic angels come together to destroy what appears to be the reincarnation of Jack the Ripper. This second novel in the Hearts of Darkness series, Track the Ripper takes NYPD detective Dianysus Brentano to London, Glastonbury and Paris as she chases a man who calls himself Jack the Ripper straight into an Internet web that aims to turn followers into killers and control the world. Her resolve to recover what he stole from her attracts allies from among the blood-drinking celestial ma'lakhim. Overwhelmed by their dangerous beauty, Dianysus sets her heart on the leader, Sitri, who has been her secret protector since childhood. But she's unsure if he's equally attracted to her or is exploiting her for his own purpose. Dianysus learns that the mother who'd abandoned her when she was young had been a queen among these creatures. This makes her own blood unique and gives her new skills. When she discovers that the Ripper seeks her blood to complete his conquest, she forms a risky plan. As the ma'lakhim strive to save Paris and London from mass destruction, Dianysus goes to face the Ripper alone. She must trust that her blood-bond with Sitri is true, because otherwise, all is lost.

Ian Brady

The untold story of the Moors Murders

Robson Since May 1966 when Ian Brady and Myra Hindley were sentenced to life imprisonment at Chester Assizes the British public has been absorbed and horrified by the Moors Murders. Ian Brady has often been aptly described as 'the most evil man alive' or 'the Daddy of the Devils', while Myra Hindley, Britain's first female serial killer, became the most hated woman in Britain. Here is the definitive account, drawing on exclusive, never-before-seen material. It changes forever our understanding of the Moors couple and their heinous crimes. Why did they do it? What actually happened? Unlikely as it may appear to those detectives, psychiatrists, authors, criminologists, journalists and the victims' families, who have all sought in their own ways for decades to discover it, this book is possibly as near as we shall ever get to understanding how the victims died. It proves beyond question that the parents of the victims were right all along in their claims about Hindley's part in the murders. Did Brady give an account to anyone of his life, Myra Hindley and their crimes before he died? Yes, he did - here it is.

A Father's Story

Echo Point Books & Media, LLC Raising a Serial Killer A Father's Search for Answers In July of 1991 the country was shocked by the unfathomable crimes of serial killer Jeffrey Dahmer. But no one was more shocked than his parents. In A Father's Story, the reader is witness to the incremental unraveling of a parent's image of their child, and the "thousand different reactions" that follow. In his attempt to understand the nature of his son's psychosis, Lionel Dahmer methodically scrutinizes every possible contributing factor to his son's madness. His desperation is palpable as he searches for clues in the emotional, psychological, and genetic landscape of his son's life. Riveting and soul-wrenching, this unprecedented memoir is the confession of a father who must "confront the saddest truth a human can know-that his child has somehow crossed the line that separates the human from the monstrous."

Gosnell

The Untold Story of America's Most Prolific Serial Killer

Simon and Schuster NOW A MAJOR MOTION PICTURE OPENING IN THEATERS EVERYWHERE "This book is a public service." — MICHELLE MALKIN, founder of Twitchy and author of Culture of Corruption "Every American needs to read Gosnell." — DAVID DALEIDEN, the Center for American Progress reporter behind the undercover investigation of Planned Parenthood "Ann and Phelim courageously tell the heart wrenching, shocking story previously ignored, one that every American needs to read." — KATIE PAVLICH, Townhall Editor and Fox News Contributor. He is America's most prolific serial killer. And yet Kermit Gosnell was no obvious criminal. Through desperate attempts to cover up the truth, the mainstream media revealed exactly how important Kermit Gosnell's story is. National best seller Gosnell: The Untold Story of America's Most Prolific Serial Killer is a book that rocked America - and now it is a major motion picture! Masquerading as a doctor and an advocate for women's reproductive health, Kermit Gosnell was purposefully ignored for years. Gosnell reveals that inside his filthy clinic, Gosnell murdered born-alive infants, butchered women, and made a chilling collection of baby feet. Meanwhile, pro-choice politicians kept health inspectors far away. Only when tenacious undercover detective Jim Wood followed a narcotics investigation straight into the clinic did Gosnell's reign of horror finally come to an end...and the fight for justice begin. Written by investigative journalists Ann McElhinney and Phelim McAleer, this gripping story premieres October 12 as a major motion picture, starring Dean Cain as Detective Wood. Fans of the movie - and every pro-life American - should dive into this nationally bestselling book for a closer look into the shocking and gruesome crime of the century. Gosnell: The Untold Story of America's Most Prolific Serial Killer reveals.... How Kermit Gosnell would eat cereal or snack on sandwiches - while performing abortions. How Gosnell carelessly allowed "that Indian woman," Karnamaya Mongar, to die a bloody death. How Gosnell's employees admitted to snipping the necks of hundreds of breathing babies. How Tom Ridge, a "pro-choice" Republican governor, put a stop to Pennsylvania Health Department inspections for seventeen years. How Sherry West, the clinic employee whose mental health problems, drug addiction, and Hepatitis C infection, were well known to Gosnell, overdosed, maltreated, and abused patients for years. How new mother and prosecutor Assistant District Attorney Christine Wechsler found herself having to cut open the skulls of forty-seven dead babies during the investigation. How the pro-abortion media blacked out what should have been the trial of the century - and how they were finally shamed into covering the case. Why Kermit Gosnell, unrepentant murderer, expects to be vindicated by history.

The Devil's Dozen

12 Notorious Serial Killers Caught by Cutting-Edge Forensics

Penguin What led authorities to the murder castle of H. H. Holmes? What cast a cloud of suspicion over cannibal Albert Fish? What drove Russia's Killer X to confess? How many victims were actually buried on that Vancouver pig farm? In The Devil's Dozen, Katherine Ramsland explores the true stories of twelve of the most notorious serial killers of the last century and the cutting-edge forensics that delivered their downfalls. Through their compelling case histories, she traces the fascinating evolution of forensic investigation. What clues did these killers unwittingly leave behind? How were the unpredictable twists and turns of their criminal behavior thwarted by the weapons of science and logic? From the developing stages of the nineteenth century's earliest investigative tools and ingenious police procedures to the first DNA dragnet to the remarkable twentieth century CSI advances, The Devil's Dozen provides a fascinating window into the world of those who kill—and those who dedicate their lives to bringing them to justice.

His Garden

Conversations with a Serial Killer

WildBlue Press A lawyer gets inside the mind of a notorious New England serial killer in this award-winning and "grimly compelling" true crime (Kirkus). For nine months of 2003, William Devin Howell went on a killing spree in and around New Britain, Connecticut. Seven people went missing; all of their bodies eventually discovered in a wooded lot behind a strip mall. But the investigation that led to Howell's arrest is only part of the story. Attorney and author Anne K. Howard first contacted Howell while he was serving a fifteen-year sentence for one of his murders. He was about to be charged for the remaining six. A unique and disturbing friendship between the two began, comprised of written correspondence, face-to-face prison visits and recorded phone calls. Over the course of years, Howell shared his troubled history with Howard. When his case was finally over, he told her every intimate, grizzly detail of how he became Connecticut's most prolific serial killer. In His Garden, Howard probes the complicated mind of William Devin Howell. It is a story that explores the eternal question of human evil and its impact on others, including the woman he chose to hear his horrific confession. 2020

Independent Press Award 2018 Literary Excellence Pencraft Award

The Science of Cold Case Files

Berkley The author of The Forensic Science of CSI journeys behind the scenes of the popular A&E series Cold Case Files to look at the principles and techniques of forensic investigation, looking at how facial reconstruction, handwriting analysis, DNA, fingerprints, and old-fashioned police work combine to uncover the truth about unsolved cases. Original.

The Psychology of Death Investigations

Behavioral Analysis for Psychological Autopsy and Criminal Profiling

CRC Press The Psychology of Death Investigations outlines definitively how behavioral evidence can often provide the necessary components and "missing pieces" to complement physical evidence as an essential tool for incident reconstruction. In order to determine the direction of an investigation and to prioritize leads, if necessary, death investigators must establish the manner of a death: natural, accident, homicide or suicide. The most overlooked aspect of death investigation is the psychological dimension, which can provide unique leads, correct false assumptions, enhance investigative awareness, and solve cases in surprising ways. In an estimated 10–20% of cases, the manner of death cannot be determined, or worse, has been erroneously categorized. Since many jurisdictions can't afford behavioral consultants, this book has been written to provide practical information for a basic psychological analysis. If the circumstances surrounding a death are equivocal, psychological consultants can compile information retrospectively about a deceased person's mental state and possible motive to assist with unravelling ambiguity about the manner of death. This is the primary function of a psychological autopsy, and, as such, this is the first book of its kind dedicated solely to the topic. In the event that the manner of death is determined to be a homicide, behavioral profiling can help to focus the potential pool of suspects. Professionals and students alike will benefit from the exercise of cognitive awareness and the application of psychological logic presented. Psychologists, medical examiners, coroners, attorneys, fraud examiners, law enforcement personnel, death and homicide investigators, and students enrolled in criminal profiling, forensic psychology, and criminal justice programs will find this text to be a compelling and insightful reference to add to their professional toolkit.

The Making of a Serial Killer

Second Edition

Independently Published The True Story of the 1990 Gainesville Student Murders in the Killer's Own Words. 2d Ed. Murder confessions & drawings done on Death Row in Florida during the early 1990's. New prologue, new illustrations and a new preview of the companion volume, Beyond the Making of a Serial Killer.

The Encyclopedia of the Ted Bundy Murders

WildBlue Press The Bundy expert's authoritative A-to-Z guide to the people and locations involved in the case against America's most infamous serial killer. True crime author of The Bundy Murders Kevin M. Sullivan provides a comprehensive guide to the notorious murderer's life and crimes. This alphabetized volume lists hundreds of people involved in the case as well as dozens of locations where significant events occurred. This veritable "Who's Who" of the Bundy murders is an essential reference for researchers and students of the subject. "Sullivan's A-to-Z coverage of Ted Bundy provides a solid guide to the people and places that define the man and the monster, including some not present in other Bundy narratives. It nicely rounds out his Bundy oeuvre and gives readers an extensive reference tool on one of the world's most infamous serial killers."—Katherine Ramsland, author of Confession of a Serial Killer

History of a Drowning Boy

Dennis Nilsen was one of Britain's most notorious serial killers, jailed for life in 1983 after the murders of 12 men and the attempted murders of many more. Seven years after his conviction, Nilsen began to write his autobiography, and over a period of 18 years he typed 6,000 pages of introspection, reflection, comment and explanation. History of a Drowning Boy - taken exclusively from these astonishing writings - uncovers, for the first time, the motives behind the murders, and delivers a clear understanding of how such horrific events could have happened, tracing the origins back to early childhood. In another first, it provides an insight into his 35 years inside the maximum-security prison system, including his everyday life on the wings; his interactions with the authorities and other notorious prisoners; and his artistic endeavours of music, writing and drama. It also reveals the truth behind many of the myths surrounding Dennis Nilsen, as reported in the media. Nilsen was determined to have his memoir published but to his frustration, the Home Office blocked publication during his lifetime. He died in 2018 entrusting the manuscript to his closest friend and it is now being published with the latter's permission. Any autobiography presents the writer's story from just one perspective: his own, and as such this record should be treated with some caution. An excellent foreword by criminologist Dr Mark Pettigrew offers some context to Nilsen's words, and this important work provides an extraordinary journey through the life of a remarkable and inadequate man.

Women Crime Writers Volume One

The Crate, His Garden, Inconvenience Gone

WildBlue Press Three award-winning and bestselling true crime writers following in the steps of Ann Rule with these three fantastic books! The Crate: A Story of War, a Murder, and Justice—After surviving the horrors of the Holocaust—in ghettos, on death marches, and in concentration camps—a young couple seeks refuge in North America. They settle into a new life, certain that the terrors of their past are behind them...until a single act of unspeakable violence defiles their sanctuary. The Crate is the winner of seven literary awards! “The Crate is an impressive and important piece of work. I'm glad it was written, and I'm glad I read it.”—Lee Child, #1 New York Times bestselling author His Garden: Conversations With a Serial Killer—The remains of seven people are found in a grisly burial ground behind a strip mall. His Garden tells the spine-chilling story of the monster behind the murders, shared exclusively with this author. The winner of the PENCRAFT Literary Excellence Award! “Howard skillfully blends true crime procedural into her personal journey as she gets to know the serial killer being investigated...Fans of true crime should not miss this one!”—Katherine Ramsland, Ph.D., author of Confession of a Serial Killer: The Untold Story of Dennis Rader, the BTK Killer Inconvenience Gone: The Short, Tragic Life of Brandon Sims—Where is Brandon Sims? The four-year-old had not been seen since July 3, 1992, when he attended a birthday party with his twenty-year-old mother, Michelle Jones. His body has never been found...

Shallow Graves

The Hunt for the New Bedford Highway Serial Killer

University Press of New England Eleven women went missing over the spring and summer of 1988 in New Bedford, Massachusetts, an old fishing port known as the Whaling City, where Moby Dick, Frederick Douglass, textile mills, and heroin-dealing represent just a few of the many threads in the community's diverse fabric. In Shallow Graves, investigative reporter Maureen Boyle tells the story of a case that has haunted New England for thirty years. The Crimes: The skeletal remains of nine of the women, aged nineteen to thirty-six, were discovered near highways around New Bedford. Some had clearly been strangled, others were so badly decomposed that police were left to guess how they had died. The Victims: All the missing women had led troubled lives of drug addiction, prostitution, and domestic violence, including Nancy Paiva, whose sister was a hard-working employee of the City of New Bedford, and Debra Greenlaw DeMello, who came from a solidly middle-class family but fell into drugs and abusive relationships. In a bizarre twist, Paiva's clothes were found near DeMello's body. The Investigators: Massachusetts state troopers Maryann Dill and Jose Gonsalves were the two constants in a complex cast of city, county, and state cops and prosecutors. They knew the victims, the suspects, and the drug-and-crime-riddled streets of New Bedford. They were present at the beginning of the case and they stayed to the bitter end. The Suspects: Kenneth Ponte, a New Bedford attorney and deputy sheriff with an appetite for drugs and prostitutes, landed in the investigative crosshairs from the start. He was indicted by a grand jury in the murder of one of the victims, but those charges were later dropped. Anthony DeGrazia was a loner who appeared to fit the classic serial-killer profile: horrific childhood abuse, charming, charismatic, but prone to bursts of violence. He hunted prostitutes in the city by night and served at a Catholic church by day. Which of these two was the real killer? Or was it someone else entirely? Maureen Boyle first broke the story in 1988 and stayed with it for decades. In Shallow Graves she spins a riveting narrative about the crimes, the victims, the hunt for the killers,

and the search for justice, all played out against the backdrop of an increasingly impoverished community beset by drugs and crime. Drawing on more than one hundred interviews, along with police reports, first-person accounts, and field reporting both during the killings and more recently, *Shallow Graves* brings the reader behind the scenes of the investigation, onto the streets of the city, and into the homes of the families still hoping for answers.

The Only Living Witness

The True Story of Serial Sex Killer Ted Bundy

Authorlink [""The Only Living Witness" towers over the rest of the Ted Bundy bookshelf . . . \(as\) a monument to book-length journalism" \(Jack Olsen, author of "The Misbegotten Son"\). "A shining example of excellent reporting, fine writing, and a story of enduring value."--Carlton Stowers, author of "Careless Whispers."](#)

The Innocent Man

Murder and Injustice in a Small Town

Dell Publishing Company Presents the real-life case of Ron Williamson, a mentally ill former baseball player who was wrongfully convicted and sentenced to death for the 1982 murder of a twenty-one-year-old woman in his Oklahoma hometown.

The Human Predator

A Historical Chronicle of Serial Murder and Forensic Investigation

Berkley Examines murderers and those who struggle to bring them to justice, offering a detailed chronicle of the serial killer from ancient times to the present day, as well as the development of forensic science and psychology.

The New Evil

Understanding the Emergence of Modern Violent Crime

Prometheus Books A CHILLING FOLLOW-UP TO THE POPULAR TRUE CRIME BOOK THE ANATOMY OF EVIL Revisiting Dr. Michael Stone's groundbreaking 22-level Gradations of Evil Scale, a hierarchy of evil behavior first introduced in the book *The Anatomy of Evil*, Stone and Dr. Gary Brucato, a fellow violence and serious psychopathology expert, here provide even more detail, using dozens of cases to exemplify the categories along the continuum. *The New Evil* also presents compelling evidence that, since a cultural tipping-point in the 1960s, certain types of violent crime have emerged that in earlier decades never or very rarely occurred. The authors examine the biological and psychiatric factors behind serial killing, serial rape, torture, mass and spree murders, and other severe forms of violence. They persuasively argue that, in at least some cases, a collapse of moral faculties contributes to the commission of such heinous crimes, such that "evil" should be considered not only a valid area of inquiry, but, in our current cultural climate, an imperative one. They consider the effects of new technologies and sociological, cultural, and historical factors since the 1960s that may have set the stage for "the new evil." Further, they explain how personality, psychosis, and other qualities can meaningfully contribute to particular crimes, making for many different motives. Relying on their extensive clinical experience, and examination of writings and artwork by infamous serial killers, these experts offer many insights into the logic that drives horrible criminal behavior, and they discuss the hope that in the future such violence may be prevented.

The Misbegotten Son

Crime Rant Books Little Artie Shawcross bullied classmates, insulted teachers, started fires, tortured animals, and roved the woods of New York's hardscrabble North Country with imaginary friends, talking in a high squawk. He also scored top grades, excelled in sports and shared his money and toys with the children who ridiculed him. From the second grade on, he was subjected to psychiatric examination, regularly confounding the experts. Years later, while serving in Vietnam, Arthur John Shawcross wrote bloodcurdling letters about his battlefield ordeals, then returned to Watertown to commit a string of arsons and burglaries. He served two years in prison, was paroled to his respectable parents - and murdered a boy and a girl. Back in the penitentiary, he proved as enigmatic as ever. Some counselors saw him as a Frankenstein monster, beyond hope, irredeemable. To others he was a troubled young man who could be saved. No two psychiatrists seemed to agree. Shawcross served fifteen years, then conned a parole board into an early release. He settled in Binghamton, but angry citizens learned of his bloody history and ran him out of town. After two smaller communities turned him away, desperate parole authorities finally smuggled the child-killer into Rochester in the dead of night - neglecting to alert the local police. Soon the corpses started turning up, locked in winter ice, covered by reeds in swamps, floating in streams. The homicidal pedophile had changed his M.O., this time murdering diminutive women. As the body count grew, Rochester streets swarmed with police, and still the serial killer managed to snare his tenth victim, then his eleventh. Amazon.com Accounts of more famous serial killers like Ted Bundy or Jeffrey Dahmer may have ghoulish entertainment value, but I agree with writer Darcy O'Brien that this meticulously factual study of child sex-murderer Arthur Shawcross "comes closer to capturing the psychology of a serial killer than anything else I've ever read." The strength of this book (semi-finalist for a 1994 Edgar Award) comes first from the quality of the materials--including first-person interviews with the killer's wives, girlfriends, co-workers, police officers, therapists, and even a prostitute who "played dead" for Shawcross--and second, from Olsen's ability to weave the information into a highly readable story that reveals, above all, the ineffectiveness of our system of rehabilitation and parole. From Publishers Weekly An experienced and skilled writer, Olsen (Predator) proves himself equal to the formidable task of studying serial killer Arthur Shawcross. Born in 1945 in upstate New York, Shawcross was perceived as different even in childhood (his classmates dubbed him "Oddie," and elementary school officials called for mental health evaluations). In the early '70s he murdered two children and was sentenced to up to 25 years in prison; he served less than 15 years before he was paroled in 1987. He was difficult to place--townspeople drove him out as soon as his past became known. After three such episodes, parole officials sent him surreptitiously to Rochester, N.Y., where he killed at least 11 prostitutes. He was arrested in 1990 and eventually sentenced to 250 years in prison. During the trial, he claimed that he had been physically and sexually abused by his mother (untrue, the authorities concluded) and that he had committed horrible atrocities in Vietnam (probably untrue). He did not fit the classic pattern of the sociopath, nor did he seem either schizophrenic or paranoid. It remained for psychiatrist Richard Kraus to hypothesize that physiology was the basis for Shawcross's behavior--he diagnosed Shawcross as suffering from a metabolic ailment known as pyroluria and an abnormal genetic constitution. Told by Olsen with contributions from others affected by Shawcross's crimes, the story is a triumph of true-crime writing.

Pizza Bomber

The Untold Story of America's Most Shocking Bank Robbery

Penguin Describes a 2003 bank robbery in Erie, Pennsylvania in which a seemingly innocent pizza deliveryman, with a time bomb around his neck, was forced to rob a bank and how the FBI discovered that he was in fact a co-conspirator.

America's First Female Serial Killer

Jane Toppan and the Making of a Monster

Mango Media Inc. This is Capote's In Cold Blood for serial killer enthusiasts: meticulously researched, superbly written, and incredibly vivid. Don't miss it." —Gabino Iglesias, author of Coyote Songs America's First Female Serial Killer novelizes the true story of first-generation Irish-American nurse Jane Toppan, born as Honora Kelley. Although all the facts are intact, books about her life and her crimes are all facts and no story. Jane Toppan was absolutely a monster, but she did not start out that way. When Jane was a young child, her father abandoned her and her sister to the Boston Female Asylum. From there, Jane was indentured to a wealthy family who changed her name, never adopted her, wrote her out of the will, and essentially taught her how to hate herself. Jilted at the altar, Jane became a nurse and took control of her life—and the lives of her victims. "A thoughtful and inspired take on one of the greatest poisoners in history. America's First Female Serial Killer: Jane Toppan and the Making

of a Monster seethes with rage, compulsion, and a righteous condemnation of the servitude of the underclass. A chilling and sobering read.” —Robert Levy, author of *The Glittering World* “McBrayer offers us a complex—and terrifying—portrait of a killer who seemed almost doomed from birth.” —Kate Winkler Dawson, author of *American Sherlock: Murder, Forensics, and the Birth of American CSI* “Brings the horrifying true story of Jane Toppan to lurid, novelistic life, and forces the reader face-to-face with the thoughtlessness and cruelty that helped turn a gifted, damaged child into one of America’s most legendary killers.” —Shaun Hamill, author of *A Cosmology of Monsters*

John Christie of Rillington Place

Biography of a Serial Killer

Wharnccliffe The bestselling criminal history author provides “compelling insight” into the life and crimes of one of England’s most notorious serial killers (Buckinghamshire Life). Sixty years ago, the discovery of bodies at 10 Rillington Place in Notting Hill, London, led to one of the most sensational, shocking, and controversial serial murder cases in British criminal history: the case of John Christie. Much has been written about the Christie killings and the fate of Timothy Evans who was executed for murders Christie later confessed to; the story still provokes strong feeling and speculation. However, most of the books on the case have been compiled without the benefit of all the sources that are open to researchers, and they tend to focus on Evans in an attempt to clear him of guilt. In addition, many simply repeat what has been said before. Therefore, a painstaking, scholarly reassessment of the evidence—and of Christie’s life—is overdue, and that is what Jonathan Oates provides in this gripping biography of a serial killer.
