History of Greek Culture

[Courier Corporation](#) **This monumental work by a distinguished European scholar presents a scrupulously realistic approach to ancient Greek civilization. Professor Burckhardt dispenses with superficial and sentimental views of ancient Greece to embrace a more sophisticated and accurate vision of a complex culture that practiced both the best and worst elements of the social contract. A penetrating thinker with a genius for concrete illustration, Burckhardt begins with a thorough account of the development of the polis, or city-state, exploring its regional variations and offering a balanced appraisal of its virtues and faults. In the second part, he discusses fine arts and their expression, with particular focus on sculpture, painting, and architecture. Part Three examines poesy and music, with an in-depth account of Homeric traditions and their role in maintaining the form and order of Greek beliefs and myths, as well as a consideration of other poetic forms, including the classical theater. The final part comprises perceptive accounts of numerous and enduring Greek achievements in philosophy, science, and oratory. In addition to an excellent glossary, the work is profusely illustrated with 80 photographs and many fine drawings.**

History of the Expedition Under the Command of Lewis and Clark

In Three Vol

[Courier Corporation](#)

Animal Painting & Anatomy

[Courier Corporation](#) Offers pointers on composition, perspective, and the depiction of movement in drawings and paintings and describes the structures of animals important to the artist

Buddhist Meditation

[Courier Corporation](#) As prayer is to the Christian life, so meditation is the very heart of Buddhist life. With enlightenment, or the state of Nirvana, as its goal, the practice of meditation also serves to foster spiritual development, alleviate pain, soothe the mind, and reveal the truth of existence. Author Edward Conze recognizes that this book cannot provide a cure for every ill; instead, he seeks to offer guidance, along with knowledge of historical and psychological interest. The introduction, explaining the meaning and purpose of Buddhist meditation, is followed by a series of devotional exercises. Instructions on maintaining mental and physical awareness during meditation includes advice on postures, breathing, repudiation of the sensory world, remembrance of mortality, disdain for corporal existence, attaining a trance state, and the recollection of the goal: Nirvana. A convert to Buddhism who devoted much of his life to translating many of the fundamental Mahayanist scriptures into English, the author was the forerunner of a whole new breed of Western scholars in Buddhism. His informative and direct explanations of Buddhist wisdom have enlightened generations of readers.

Introduction to Spanish Poetry

[Courier Corporation](#) From the 12th-century Cantar de Mío Cid to the 20th-century poetry of García Lorca, Salinas, and Alberti, this book contains 37 poems by Spain's greatest poets. Selected by Professor Eugenio Florit, the poems are presented in the full original Spanish text, with expert literal English translations on the facing pages. Enjoy the poetic inspiration, imagery, insight, and wisdom of such masters as Lope de Vega, Miguel de Unamuno, Federico García Lorca, Margués de Santillana, Jorge Manrique, Garcilaso de la Vega, Fray Luis de León, San Juan de la Cruz, Francisco de Quevedo y Villegas, Gustavo Adolfo Bécquer, Antonio Machado, Rafael Alberti, Pedro Salinas, and many more. In addition to the poetic texts, Professor Florit has also provided a wealth of biographical and critical commentary, outlining the significance of the poets and their works in the long tradition of Spanish literature. Portraits of the poets are included where available.
