GEEK GIRLS DON'T DATE DUKES

Sourcebooks, Inc. "Lamm's wonderful quirky romance brings fresh humor to a familiar trope, with snappy writing and characters who share a surprising, spicy chemistry."—RT Book Reviews on *The Geek Girl and the Scandalous Earl* The Royal Treatment All Leah wanted was a little gallantry. But in this day and age, chivalry was most definitely dead. If only there were a way to travel back in time and snag her very own duke... Avery Russell was polishing some boots when a woman fell through the bedchamber mirror into his arms. All he could make out from her breathless babbling was some nonsense about "my one true love, Your Grace." Clearly the chit was mad if she couldn't tell a valet from a duke! As much as Avery wanted to give in and give her a good tumble, he knew it wouldn't be proper. No, he'd take as long as necessary to convince Leah that sometimes a duke just won't do.

NEVER A DUKE

Hachette UK A proper lady must choose between society or the untitled gentleman who has stolen her heart in this captivating Regency romance perfect for fans of Bridgerton. Ned Wentworth will be forever grateful to the family that plucked him from the streets and gave him a home, even though polite society still whispers years later about his

questionable past. Precisely because of Ned's connections in low places, Lady Rosalind Kinwood approaches him to help her find a lady's maid who has disappeared. Rosalind is too opinionated—and too intelligent—and has frequently suffered judgment at the hands of polite society. Despite her family's disdain for Ned, Rosalind finds he listens to her and respects her. Then too, his kisses are exquisite. As the investigation of the missing maids becomes more dangerous, both Ned and Rosalind will have to risk everything—including their hearts—if they are to share the happily ever after that Mayfair's matchmakers have begrudged them both.

DUKE OF MANHATTAN

Louise Bay My family are fighting over who's the next Duke of Fairfax. The rules say it's me—if I'm married. It's not a trade-off worth making. I could never limit myself to just one woman. Or so I thought until my world is turned upside down. Now, the only way I can save the empire I built is to inherit the title I've never wanted—so I need a wife. To take my mind off business I need a night that's all pleasure. I need to bury myself in a stranger. The skim of Scarlett King's hair over my body as she bends over . . . The scrape of her nails across my chest as she screams my name . . . The bite of her teeth on my shoulder just as we both reach the edge . . . It all helps me forget. I just didn't bargain on finding my one-night stand across the boardroom table the next day. Scarlett's making a business proposal. I've got more interest in a (fake) marriage proposal. TEN DAYS WITH A DUKE

A REGENCY HOLIDAY ROMANCE

Erica Ridley From a New York Times bestselling author: a second chances, enemies-while-lovers reunion romance where nothing is as it first appears, and everyone's motives are suspect... Olive Harper's family has been feuding with the Westons for decades. The Westons' stud farm is the biggest, but the Harpers' is the most famous... and she's the sole heiress. Or was, until her father brokers a truce by offering the Weston heir the Harper farm. The only way to get it back is to marry the knave who kissed her and humiliated her, twice—or prove to her father that some rifts can never be healed. Scholar and botanist Elijah Weston is dreadful at feuding. For one, he prefers horticulture to horses. For two, he's been desperately in love with his mortal enemy ever since he kissed her—and, yes, publicly destroyed her—all those years ago. When he's given ten days to win Olive's heart, he arrives with marriage license in hand. But where lies and double-crosses abound, how can lifelong rivals learn to trust their hearts? The 12 Dukes of Christmas is a series of heartwarming Regency romps nestled in a picturesque snow-covered village. Twelve delightful romances... and plenty of delicious dukes!

SAY YES TO THE MARQUESS

CASTLES EVER AFTER

Harper Collins Your presence is requested at romantic Twill Castle for the wedding of Miss Clio Whitmore and . . . and . . . ? After eight years of waiting for Piers Brandon, the wandering Marquess of Granville, to set a wedding date, Clio Whitmore has had enough. She's inherited a castle, scraped together some pride, and made plans to break her engagement. Not if Rafe Brandon can help it. A ruthless prizefighter and notorious rake, Rafe is determined that Clio will marry his brother—even if he has to plan the dratted wedding himself. So how does a hardened fighter cure a reluctant bride's cold feet? He starts with flowers. Ladies can't have too many flowers. Or harps. Or cakes. He lets her know she'll make a beautiful, desirable bride— and tries not to picture her as his. He doesn't kiss her. If he kisses her, he definitely doesn't kiss her again. When all else fails, he puts her in a stunning gown and vows not to be nearby when the gown comes off. And no matter what—he doesn't fall in disastrous, hopeless love with the one woman he can never call his own.

INTERNATIONAL PLAYER

Louise Bay Being labelled a player never stopped me from being successful with women. Until I met Truly Harbury. Truly was the first girl who ever turned me down. The first female friend I ever had. And she might just be the first woman I ever fall in love with. When an emergency means she needs my help running her family's charity, I'm happy to introduce her to the glitz and glamour of the London business world—taking her to dinners, coaching her through speeches, zipping up the sexy evening gown I helped her pick out. The more time we spend together, the more I want to convince her I'm not a man to avoid, that we're not as unsuited as she believes. She sees herself as the book-reading, science-loving introvert while I'm the dangerous, outgoing, charmer. She thinks I love parties and people whereas she prefers pajamas and a takeaway. What she doesn't realize is that I like everything about her—the way her

smile lights up a room, how her curves light up my imagination, and especially the way her lips taste when coated with tequila. She's the first woman I ever fell in love with. I just need to know if she could ever love me too.
