**Juvenile Justice in America** Prentice Hall An in-depth look at juvenile justice lets students see into the minds of delinquents, victims, and field professionals. **Juvenile Justice in America** provides an in-depth look at the lives of juveniles, their experiences in society, and the consequences of those experiences. The text carefully examines the structures, procedures, policies, and problems of American juvenile justice agencies. The Eighth Edition places further emphasis on delinquency prevention, and features a new chapter on juvenile offender populations to give readers a more comprehensive view of delinquents. Boxed features in every chapter highlight the practical realities of working in the juvenile justice system. The careful balance of theory, evidence-based findings, and practical applications gives readers the most up-to-date insight into the state of juvenile justice in America today. **Juvenile Justice in America, 8/e** is also available via REVEL(tm), an interactive learning environment that enables students to read, practice, and study in one continuous experience. Learn more. **Juvenile Justice An Introduction** Routledge **Juvenile Justice: An Introduction, 8th edition**, presents a comprehensive picture of juvenile offending, delinquency theories, and how juvenile justice actors and agencies react to delinquency. It covers the history and development of the juvenile justice system and the unique issues related to juveniles, offering evidence-based suggestions for successful interventions and treatment and examining the new balance model of juvenile court. This new edition not only includes the latest available statistics on juvenile crime and victimization, drug use, court processing, and corrections, but provides insightful analysis of recent developments, such as those related to the use of probation supervision fees; responses to gangs and cyber bullying; implementing the deterrence model (Project Hope); the possible impact of drug legalization; the school-to-prison pipeline; the extent of victimization and mental illness in institutions; and implications of major court decisions regarding juveniles, such as Life Without Parole (LWOP) for juveniles. Each chapter enhances student understanding with Key Terms, a "What You Need to Know" section highlighting important points, and Discussion Questions. Links at key points in the text show students where they can go to get the latest information, and a comprehensive glossary aids comprehension. **Crime and Criminal Justice in American Society Second Edition** Waveland Press Today's headlines vividly illustrate the importance of understanding aspects of the criminal justice system too often ignored. While the second edition of **Crime and Criminal Justice in American Society** includes the most recent statistics on the police, courts, and corrections, its provocative, current examples also spur critical thinking about justice in the United States. The authors offer an alternative interpretation of criminal justice rarely presented in traditional textbooks or by the media. They encourage readers to examine their beliefs about crime, punishment, and the law. Discussions in the chapters about how African Americans, Hispanics, whites, women, juveniles, the rich, and the poor experience crime and the criminal justice system contribute context for understanding different viewpoints. The poor and minorities are the most likely to be caught in the net of criminal justice—but inequities have consequences for everyone. Reflection on various perspectives provides helpful input for assessing attitudes and for becoming actively involved with issues that have significant consequences. Eighteen thoroughly revised chapters present historical backgrounds, theories, and emerging issues. New to the second edition is a chapter on veterans involved in the criminal justice system. Affordable, succinct, and engaging, this textbook presents the key concepts of the criminal justice system at less than half the cost of many competing textbooks. **Law, Courts, and Justice in America Seventh Edition** Waveland Press Faculty praised each of the previous six editions of Howard Abadinsky's clear, comprehensive overview of the US legal system. His latest edition—**Law, Courts, and Justice in America** (previously **Law and Justice**)—represents a refined, updated synthesis of the complex, fluid justice system in the United States. Part I (Law) describes the history of the US justice system and the emergence of law schools; the realities of a law school education; and the current state of the legal profession for both women and men. Part II (Courts) unravels the structure of federal and state court systems, delineating differences between constitutional and legislative courts and between trial and appellate courts; the structure and purpose of appellate courts; and the Supreme Court, noting variations in the interpretation of statutes, the Constitution, and the original intent of legislators; and the roles of judges, prosecutors, and attorneys. Part III (Justice) demystifies the criminal, civil, and juvenile judicial processes; plea-bargaining and the controversies surrounding it; and adjudication options outside of traditional, adversarial legal venues. Throughout, landmark cases, important historical events, illustrative examples, and boxed items highlight or expand chapter content. **Youth Justice in America CQ Press** **Youth Justice in America, Second Edition** engages students in an exciting, informed discussion of the U.S. juvenile justice system and fills a pressing need to make legal issues personally meaningful to young people. Written in a straightforward style by Maryam Ahranjani, Andrew Ferguson and Jamie Raskin - all of whom actively work in the area of juvenile justice -- the book addresses tough, important issues that directly affect today's youth, including the rights of accused juveniles, search and seizure, self-incrimination and confession, right to appeal, and the death penalty for juveniles. Focusing on cases that relate to the Fourth, Fifth, Sixth, and Eighth Amendments to the U.S. Constitution, the subject matter comes alive through a wide variety of in-book learning aids. **The Color of Justice: Race, Ethnicity, and Crime in America** Cengage Learning Comprehensive and balanced, **THE COLOR OF JUSTICE: RACE, ETHNICITY, AND CRIME IN AMERICA** is the definitive introduction to current research and theories of racial and ethnic discrimination within America's criminal justice system. The sixth edition covers the best and the most recent research on patterns of criminal behavior and victimization, immigration and crime, drug use, police practices, court processing and sentencing, unconscious bias, the death penalty, and correctional programs, giving students the facts and theoretical foundation they need to make their own informed decisions about discrimination within the system. Uniquely unbiased, **THE COLOR OF JUSTICE** makes every effort to incorporate discussion of all major race groups found in the United States. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. **Study of Tribal and Alaska Native Juvenile Justice Systems Final Report, Final Draft** Controversies in Juvenile Justice and Delinquency Routledge After providing a history of the development of the juvenile court, this book explores some of the most important current controversies in juvenile justice. Original essays review major theories of juvenile delinquency, explore psychological and biological factors that may explain delinquent behavior, and examine the nexus between substance abuse and delinquency. A final chapter provides a comparative analysis. **Corrections: A Text/Reader** SAGE **Corrections: A Text/Reader, Second Edition** is designed for undergraduate and/or graduate corrections courses. Organized like a traditional corrections text, it offers brief authored introductions in a mini-chapter format for each key Section, followed by carefully selected and edited original articles by leading scholars. This hybrid format - ensuring coverage of important material while emphasizing the significance of contemporary research - offers an excellent alternative which recognizes the impact and importance of new directions and policy in this field, and how these advances are determined by research. **Juvenile Justice Sourcebook Past, Present, and Future** Oxford University Press Several million reported and unreported delinquent acts take place each year. In fact, according to the U.S. Department of Justice and the U.S. Bureau of Justice Statistics, juvenile delinquency, acting-out and oppositional behavior, illegal drugs, guns, and youth violence are pervasive throughout American society. **Juvenile Justice Sourcebook** is the first comprehensive volume devoted exclusively to the biopsychosocial assessment, police and juvenile court processing, and institutional and community-based treatment and rehabilitation of juvenile offenders. The overriding objective of this sourcebook is to trace the tremendous progress achieved toward resolving juvenile justice issues, dilemmas, and controversies, while providing futuristic visions for the juvenile justice field. Each chapter, authored by preeminent expert practitioners and researchers, explores topics ranging from innovative counseling and multisystemic programs, to restorative justice, to rehabilitation programs such as aggression replacement training, wilderness programs, family treatment, substance abuse treatment, restitution, and aftercare. This volume, grounded in history and exhaustive research, presents the latest evidence-based policies, programs, and innovative treatment alternatives. Examining the entire juvenile justice system, including juvenile law, policies, practices, and research, the **Juvenile Justice Sourcebook** will be invaluable to all juvenile justice practitioners, policy analysts, researchers, and students. **Juvenile Justice and Delinquency** Jones & Bartlett Publishers "**Juvenile Justice and Delinquency**" is the first text to comprehensively trace the progress toward resolving critical juvenile justice and delinquency issues, and to provide cutting-edge intervention strategies to effectively rehabilitate juvenile offenders and prevent delinquency. Historical, political, and legal trends are examined and critiqued, as well as the range of developmental, familial, and sociological theoretical explanations of juvenile delinquency. Current evidence-based practice, prevention strategies and programs, and juvenile justice treatment and policy alternatives are thoroughly explored. **Juvenile Justice An Introduction** Routledge **Juvenile Justice: An Introduction** is a student-friendly analysis of all aspects of the juvenile justice system. The book covers the history and development of the juvenile justice system and the unique issues related to juveniles, including police interaction, court processes, due process, movements toward diversion and deinstitutionalization, and community intervention. This book also examines particular issues within juvenile justice, such as female delinquency, gang delinquency, and the use of the death penalty and Life Without Parole with juveniles. Evidence-based suggestions for successful interventions and treatment are included, with a focus on performing cost-benefit analyses of what works versus what is ineffective with juveniles. The book concludes with a look to the future of the juvenile court, including the real possibility of abolition. Provides an engaging introduction to all aspects of the juvenile justice system in America. This seventh edition builds on a trusted and well-known textbook with new material on key issues such as sexting, bullying, social media, and the issues of non-delinquent youths. Robust offerings for students include study questions, discussion questions, "What You Need to Know" sections in each chapter, key terms identified, online case study questions, and links to relevant websites. Instructors are provided with helpful test question banks, lesson plans, sample syllabi, PowerPoint lecture slides, and links to useful websites. Glossary consolidates key terms with definitions. **The Juvenile Justice System** Delinquency, Processing, and the Law Prentice Hall **ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. The text provides a thorough examination of the juvenile justice system through easy-to-understand descriptions and discussions of policy, practice, and procedure in juvenile justice. It covers the entire process from arrest, intake, and adjudicatory hearings, to dispositions, and aftercare. This includes up-to-date, comprehensive coverage of historical, applied, theoretical, and legal information about the juvenile justice system and juvenile delinquency. 0133009475 / 9780133009477 **Juvenile Justice System, The: Delinquency, Processing, and the Law Plus MyCrimeKit -- Access Card** Package Package consists of 0132764466 / 9780132764469 **Juvenile Justice System, The: Delinquency, Processing, and the Law** 0205541755 / 9780205541751 **MyCrimeKit -- Valuepack Access Card** Justice Assistance News Our Children, Their Children Confronting Racial and Ethnic Differences in American Juvenile Justice University of Chicago Press In **Our Children, Their Children**, a prominent team of researchers argues that a second-rate and increasingly**

punitive juvenile justice system is allowed to persist because most people believe it is designed for children in other ethnic and socioeconomic groups. While public opinion, laws, and social policies that convey distinctions between "our children" and "their children" may seem to conflict with the American ideal of blind justice, they are hardly at odds with patterns of group differentiation and inequality that have characterized much of American history. Our Children, Their Children provides a state-of-the-science examination of racial and ethnic disparities in the American juvenile justice system. Here, contributors document the precise magnitude of these disparities, seek to determine their causes, and propose potential solutions. In addition to race and ethnicity, contributors also look at the effects on juvenile justice of suburban sprawl, the impact of family and neighborhood, bias in postarrest decisions, and mental health issues. Assessing the implications of these differences for public policy initiatives and legal reforms, this volume is the first critical summary of what is known and unknown in this important area of social research. The War on Kids How American Juvenile Justice Lost Its Way Oxford University Press In 2003, when Terrence Graham was sixteen, he and three other teens attempted to rob a barbecue restaurant in Jacksonville, Florida. Though they left with no money, and no one was seriously injured, Terrence was sentenced to die in prison for his involvement in that crime. As shocking as Terrence's sentence sounds, it is merely a symptom of contemporary American juvenile justice practices. In the United States, adolescents are routinely transferred out of juvenile court and into adult criminal court without any judicial oversight. Once in adult court, children can be sentenced without regard for their youth. Juveniles are housed in adult correctional facilities, they may be held in solitary confinement, and they experience the highest rates of sexual and physical assault among inmates. Until 2005, children convicted in America's courts were subject to the death penalty; today, they still may be sentenced to die in prison—no matter what efforts they make to rehabilitate themselves. America has waged a war on kids. In The War on Kids, Cara Drinan reveals how the United States went from being a pioneer to an international pariah in its juvenile sentencing practices. Academics and journalists have long recognized the failings of juvenile justice practices in this country and have called for change. Despite the uncertain political climate, there is hope that recent Supreme Court decisions may finally make those calls a reality. The War on Kids seizes upon this moment of judicial and political recognition that children are different in the eyes of the law. Drinan chronicles the shortcomings of juvenile justice by drawing upon social science, legal decisions, and first-hand correspondence with Terrence and others like him—individuals whose adolescent errors have cost them their lives. At the same time, The War on Kids maps out concrete steps that states can take to correct the course of American juvenile justice. Juvenile Justice Juvenile Delinquency: Theory, Practice, and Law Cengage Learning Unrivaled in its current coverage of topics, the thirteenth edition of best-selling JUVENILE DELINQUENCY: THEORY, PRACTICE, AND LAW provides an in-depth analysis of the theories of delinquency, environmental issues, juvenile justice issues, and the juvenile justice system. Praised both for its authority and balance as well as for the authors' ability to engage students in the course, the book presents cutting-edge, seminal research, as well as up-to-the-minute policy and newsworthy examples. Siegel and Welsh offer a timely and objective presentation of juvenile delinquency theory and juvenile justice policy issues by examining opposing sides of controversial aspects of delinquency and delinquency programs in an unbiased way. What's more, the MindTap that accompanies this text helps students practice and master techniques and key concepts while engaging them with video cases, career-based decision-making scenarios, visual summaries, and more. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. Justice quarterly Juvenile Delinquency: Historical, Cultural & Legal Perspectives Routledge Juvenile Delinquency: Delinquency and Juvenile Justice in American Society Second Edition Waveland Press Extensively revised, the second edition blends theory, research, and applications into a superb overview of the complex issues surrounding juvenile delinquency and society's attempts to address juvenile crime. After providing an excellent historical foundation, Sheldon presents the theories essential to understanding crime and delinquency. He then explores the system and its effects on juveniles and society, including comprehensive coverage of female delinquency. The social, legal, and political influences on how the public perceives juveniles and the inequality in U.S. society that affects families, communities, and schools are highlighted throughout the book. The concluding chapter looks at solutions that have worked and identifies trends in treating juvenile delinquency. The authors almost four decades of teaching about and researching juveniles and the system make him eminently qualified to offer readers the tools necessary to think critically about delinquency and to evaluate the policies enacted to manage the juveniles who violate the laws. Delinquency and Juvenile Justice in American Society, 2/E provides affordable, up-to-date, easily accessible, and thorough analysis of a significant topic. The Persuader AuthorHouse Bobby Parsons is a typical boy growing up in London in the 1950's. His life changes when his father is imprisoned for fraud and Bobby and his mother and sister have to move home and school. The family become involved with a shady character on the fringe of the criminal world who offer Bobby the opportunity of getting even for his father's plight. This takes Bobby into the London underworld where he becomes known as The Persuader. Indexed Legislative History of the "Juvenile Justice Amendments of 1977." Monthly Catalogue, United States Public Documents The SAGE Handbook for Research in Education Engaging Ideas and Enriching Inquiry SAGE Publications The SAGE Handbook for Research in Education: Engaging Ideas and Enriching Inquiry, edited by Clifton F. Conrad and Ronald C. Serlin, invites and stimulates students, faculty, and policymakers to become more self-reflective in their inquiry. Placing the pursuit of ideas at the epicenter of research, distinguished K-12 and higher education scholars advance myriad ideas for enhancing educational inquiry, relying extensively on narratives, vignettes, and examples of key episodes in inquiry. These exemplars illuminate past, present, and emerging approaches across fields and domains of inquiry to research in education. Correctional Mental Health From Theory to Best Practice SAGE Correctional Mental Health is a broad-based, balanced guide for students who are learning to treat criminal offenders in a correctional mental health practice. Featuring a wide selection of readings, this edited text offers a thorough grounding in theory, current research, professional practice, and clinical experience. It emphasizes a biopsychosocial approach to caring for the estimated 20% of all U.S. prisoners who have a serious mental disorder. Providing a balance between theoretical and practical perspectives throughout, the text also provides readers with a big-picture framework for assessing current correctional mental health and criminal justice issues, offering clear strategies for addressing these challenges. Social Issues in America An Encyclopedia Routledge Truly comprehensive in scope - and arranged in A-Z format for quick access - this eight-volume set is a one-source reference for anyone researching the historical and contemporary details of more than 170 major issues confronting American society. Entries cover the full range of hotly contested social issues - including economic, scientific, environmental, criminal, legal, security, health, and media topics. Each entry discusses the historical origins of the problem or debate; past means used to deal with the issue; the current controversy surrounding the issue from all perspectives; and the near-term and future implications for society. In addition, each entry includes a chronology, a bibliography, and a directory of Internet resources for further research as well as primary documents and statistical tables highlighting the debates. A National Assessment of Case Disposition and Classification in the Juvenile Justice System: Results of a literature search Juvenile Justice A Social, Historical and Legal Perspective Jones & Bartlett Learning The juvenile justice system is a multifaceted entity that continually changes under the influence of decisions, policies, and laws. The all new Third Edition of Juvenile Justice: A Social, Historical, and Legal Perspective, offers readers a clear and comprehensive look at exactly what it is and how it works. Reader friendly and up-to-date, this text unravels the complexities of the juvenile justice system by exploring the history, theory, and components of the juvenile justice process and how they relate. Gangs in America's Communities SAGE This book provides a comprehensive, up-to-date, and theoretically-grounded approach to gangs and youth violence. It covers significant topics of interest to gang scholars and practitioners and, in doing so, serves to prepare students to work with gang members, develop and manage anti-gang programs, or engage in scholarly endeavors. The book introduces readers to the foundations of gang studies through the origins of gangs, definitions and categories of youth/street gangs (and the distinctions between these arguably different types), national and international trends, distinguishing features of serious street gangs, what works with gangs and what doesn't, and myths and realities. James Howell's extensive experience in this area allows access to the most authoritative national survey data on gang trends, providing insight into topics such as female gangs, migration of gang members, small-town gangs versus the major adult gangs in large cities, gang homicides and drug trafficking. The Evolution of the Juvenile Court Race, Politics, and the Criminalizing of Juvenile Justice NYU Press A major statement on the juvenile justice system by one of America's leading experts The juvenile court lies at the intersection of youth policy and crime policy. Its institutional practices reflect our changing ideas about children and crime control. The Evolution of the Juvenile Court provides a sweeping overview of the American juvenile justice system's development and change over the past century. Noted law professor and criminologist Barry C. Feld places special emphasis on changes over the last 25 years—the ascendance of get tough crime policies and the more recent Supreme Court recognition that “children are different.” Feld's comprehensive historical analyses trace juvenile courts' evolution through four periods—the original Progressive Era, the Due Process Revolution in the 1960s, the Get Tough Era of the 1980s and 1990s, and today's Kids Are Different era. In each period, changes in the economy, cities, families, race and ethnicity, and politics have shaped juvenile courts' policies and practices. Changes in juvenile courts' ends and means—substance and procedure—reflect shifting notions of children's culpability and competence. The Evolution of the Juvenile Court examines how conservative politicians used coded racial appeals to advocate get tough policies that equated children with adults and more recent Supreme Court decisions that draw on developmental psychology and neuroscience research to bolster its conclusions about youths' reduced criminal responsibility and diminished competence. Feld draws on lessons from the past to envision a new, developmentally appropriate justice system for children. Ultimately, providing justice for children requires structural changes to reduce social and economic inequality—concentrated poverty in segregated urban areas—that disproportionately expose children of color to juvenile courts' punitive policies. Historical, prescriptive, and analytical, The Evolution of the Juvenile Court evaluates the author's past recommendations to abolish juvenile courts in light of this new evidence, and concludes that separate, but reformed, juvenile courts are necessary to protect children who commit crimes and facilitate their successful transition to adulthood. Crime and Justice: American Style American Youth Violence Oxford University Press on Demand This is the definitive examination of adolescent violence in the United States as both a social phenomenon and a policy problem. Franklin Zimring, one of America's most esteemed scholars of law and crime, scrutinized criminal statistics and demographic trends. The result is a thorough debunking of Congressional predictions of 'a coming storm of juvenile violence' and the half-baked policy proposals that accompany such warnings. The book sets forth comprehensive and dispassionate analyses of three key areas of youth violence policy: adolescent firearms possession and use, standards for transfer from juvenile to criminal court jurisdiction, and legal sanctions for adolescents who kill. Throughout American Youth Violence, the core issues of youth violence in the 1990s are examined with an unprecedented degree of analytic rigour. Zimring also offers an appropriate set of responses to youth violence that are consistent with a positive future for the juvenile court and for American youth. The Handbook of Juvenile Delinquency and Juvenile Justice John Wiley & Sons This handbook is an up-to-date examination of advances in the fields of juvenile delinquency and juvenile justice that includes interdisciplinary perspectives from leading scholars and practitioners. Examines advances in the fields of juvenile delinquency and juvenile justice with interdisciplinary perspectives from leading scholars and practitioners Provides a current state of both fields, while also assessing where they have been and defining where they should go in years to come Addresses developments in theory, research, and policy, as well as cultural changes and legal shifts Contains summaries of juvenile justice trends from around the world, including the US, the Netherlands, Brazil, Russia, India, South Africa, and China Covers central issues in the scholarly literature, such as social learning theories, opportunity theories, criminal processing, labeling and deterrence, gangs and crime, community-based sanctions and reentry, victimization, and fear of crime Repositioning Restorative Justice Taylor & Francis This book, based on papers presented at the 5th international conference held at Leuven, Belgium in 2002, aims to provide an overview of recent experience of restorative justice. Monthly Catalog of United States Government Publications Workload Measurement for Juvenile Justice System Personnel Practices and Needs Guns in American Society: An Encyclopedia of History, Politics, Culture, and the Law, 2nd Edition [3 volumes] An Encyclopedia of History, Politics, Culture, and the Law ABC-CLIO Thoroughly updated and greatly expanded from its original edition, this three-volume set is the go-to comprehensive resource on the legal, social, psychological, political, and public health aspects of guns in American life. • 450 alphabetically organized entries, including 100 new for this edition, covering key issues (suicide, video games and gun violence, firearm injury statistics) and events (workplace shootings, the Virginia Tech massacre) • 102 expert contributors from all academic fields involved in studying the causes and effects of gun violence • A chronology of pivotal moments and controversies in the history of firearm ownership and use in the United States • An exhaustive bibliography of print and online resources covering all aspects of the study of guns in the United States • Appendices on federal gun laws, state gun laws, and pro- and anti-gun-control organizations

**Criminal Justice 2000: Boundary changes in criminal justice organizations** **Boundary Changes in Criminal Justice Organizations, Vol. 2, Criminal Justice 2000, (July 2000)**
