Hidden Steel Blue Hound Visions Mickey Finn doesn't remember being kidnapped. Or handcuffed. In fact, Mickey Finn doesn't remember anything. But that won't stop this determined survivor. Too many people want to know the details she's lost—including ruthless saboteurs who leave a trail of dead bodies, deception, and chaos in their wake. Mickey may not know who she is, but she knows she's got to put an end to the siege. Steve Spaneas teaches self-defense and tough love in equal measure, but nothing has prepared him for Mickey Finn. She's a smart, gritty, fighter with a spine of steel—and she's about to take him along on the ride of his life. Mickey won't stop until the last bad guy is down and out—and she knows who and what she is. About Hidden Steel: "Another trademark Durgin, full of realism, deft strokes of humour (and pop culture), plenty of sizzle, compassion, action, and a heroine you not only believe, you want to be. Grab this one." --Julie Czerneda, Stratification series "HIDDEN STEEL is a page-turner voyage of discovery, with the fate of the free world in the balance. Well-drawn characters, numerous plot twists, and unexpected glints of humor are what I've come to anticipate in any of Doranna's novels, and this one definitely lived up to expectation!" --Michelle Shirey Crean, Dancer of the Sixth "Readers who remember Ms. Durgin's Bombshell releases will be thrilled with HIDDEN STEEL... a strong heroine, a great hero and a story that keeps you completely enthralled.... HIDDEN STEEL has mystery, action, a little romance and loads of great characters." --Wendy Keel, Romance Readers Connection "HIDDEN STEEL is a pulse-pounding suspense... Full of mystery and interesting characters, HIDDEN STEEL will grab readers from the beginning and is a book you don't want to miss." --Jennifer Bishop, Romance Reviews Today "...A fast-paced suspense...satisfyingly complex [plot]. Durgin balances action and romance deftly.... It's definitely an enjoyable read." --Sheila Connolly, the Orchard Mystery series "Mow your lawn, finish doing the wash, and walk your dog BEFORE starting this book!" -- A Reader "Another trademark Durgin, full of realism, deft strokes of humour (and pop culture), plenty of sizzle, compassion, action, and a heroine you not only believe, you want to be. Grab this one." --Julie Czerneda, Stratification series "HIDDEN STEEL is a page-turner voyage of discovery, with the fate of the free world in the balance. German agents in the U.S. firebombed freighters on the high seas, incited labor unrest, fomented troubles along the Mexican-American border, and damaged or destroyed dozens of American factories and logistics installations. The German secret war against the United States in 1915, its discovery and publication, combined with the disastrous sinking of the Lusitania in May of that year, did much to prepare the American public to finally accept joining the Entente powers against Germany in 1917. This is the story of a group of German agents in the United States, who executed this mission. **The Secret of Our Success How Culture Is Driving Human Evolution, Domesticating Our Species, and Making Us Smarter** Princeton University Press How our collective intelligence has helped us to evolve and prosper Humans are a puzzling species. On the one hand, we struggle to survive on our own in the wild, often failing to overcome even basic challenges, like obtaining food, building shelters, or avoiding predators. On the other hand, human groups have produced ingenious technologies, sophisticated languages, and complex institutions that have permitted us to successfully expand into a vast range of diverse environments. What has enabled us to dominate the globe, more than any other species, while remaining virtually helpless as lone individuals? This book shows that the secret of our success lies not in our innate intelligence, but in our collective brains—on the ability of human groups to socially interconnect and learn from one another over generations. Drawing insights from lost European explorers, clever chimpanzees, mobile hunter-gatherers, neuroscientific findings, ancient bones, and the human genome, Joseph Henrich demonstrates how our collective brains have propelled our species' genetic evolution and shaped our biology. Our early capacities for learning from others produced many cultural innovations, such as fire, cooking, water containers, plant knowledge, and projectile weapons, which in turn drove the expansion of our brains and altered our physiology, anatomy, and psychology in crucial ways. Later on, some collective brains generated and recombined powerful concepts, such as the lever, wheel, screw, and writing, while also creating the institutions that continue to alter our motivations and perceptions. Henrich shows how our genetics and biology are inextricably interwoven with cultural evolution, and how culture-gene interactions launched our species on an extraordinary evolutionary trajectory. Tracking clues from our ancient past to the present, The Secret of Our Success explores how the evolution of both our cultural and social natures produce a collective intelligence that explains both our species' immense success and the origins of human uniqueness. **Cross the Stars** Baen Publishing Enterprises **THE LONG WAY HOME** Hammer's Slammer Don Slade is coming home to the planet Tethys, to his son and the woman he loves. But the space between is dark and cold. And the stars he must pass shine their light on planets which beckon to the weary traveler, planets which hold hidden dangers. And if Don Slade should ever reach Tethys ... that is when the real fighting starts. At the publisher's request, this title is sold without DRM (Digital Rights Management). Having severed themselves from their homeworld, they survived the perilous voyage across the stars to wash ashore on a distant planet, there to begin the civilization that would one day flower into the Romulan Star Empire. Now, after millennia of wars and conquests, that empire is decaying from within, surrendering its noble heritage to reckless ambition, abandoning honor for kidnapping and murder. The corruption is so great that the Rihannsu's finest military officer -- Commander Ael t'Rllaillieu of the warbird Bloodwing -- believes she can save her people only by joining forces with her greatest enemy: Captain James T. Kirk of the Starship Enterprise™. Meanwhile, on the Romulan homeworld, a Federation deep-cover agent has been posing as a household servant named Arrhae i-Khellian -- but her operation takes a strange turn when a captured Starfleet officer is brought to her home. . . . The lives of Ael, Arrhae, and the crew of the Enterprise come together in these astonishing adventures -- originally published in four volumes: My Enemy, My Ally; The Romulan Way; Swordhunt; and Honor Blade -- that will challenge everything you thought you knew about the Romulans. **American Publishers' Circular and Literary Gazette The Vigilante's Lover: The Original Series Complete Boxed Set** Casey Shay Press She just wanted to write a sexy letter to a prisoner. Her flourishing antique business is her hard won lifeblood—a testimony to her feelings for the man she met once and has never forgotten. One magical date as a teenager has shaped her entire life, and nothing will tear her from her path. When it comes to business or pleasure, middle-class Jessalyn knows she cannot risk losing her heart—or her livelihood—to blue-blooded Darius all over again. Years of control and discipline vanish the moment Aikido champion Darius comes face to face with Jessalyn, the incredibly sweet teenager he had met ten years ago, the one who had left an indelible brand on his own teenage heart. But it seems to have gone both ways, for Jess now owns an antique store, a passion she had shared with him over the hours they had once spent together. Now, though, she will control the inheritance—his beloved uncle's priceless heirlooms—and he can't decide if he wants to publicly crush her or simply crush her in his arms. To make matters worse, someone else is aware of their impasse, and attempts are being made on their lives. The inheritance must go to somebody. Survivor takes all. **The Essential Dewey: Pragmatism, education, democracy** Indiana University Press Based on the award-winning 37-volume critical edition of Dewey's work, The Essential Dewey presents for the first time a collection of Dewey's writings that is both manageable and comprehensive. **Norton's Literary Gazette and Publishers' Circular Congressional Record Proceedings and Debates of the ...
