This book is her memoir. This book is my memoir- a memoir that for several years now, I have known I would write one day. But let's

set the record straight right here. Part, but only part, of the impetus for writing my memoir at this time, is the publishing of our daughter's book, *Educated*. I want to tell the story of my life as I really lived it and not in the dramatically fictionalized way others, based on my daughter's book, are telling it for me. I want my grandchildren to know who their grandmother is and was, I want to be a force for good in their lives. Also, I feel a compelling desire to shine a light on homeschooling, herbal medicine, and the living of a conservative and Christian way of life.
