SELECTED PATHWAYS TO GOD:

Author House *Everyone is not at the same level of intellectual or spiritual development. In order to assist the Creator, Soul, a product of God, needs co-worker training, largely experiential, that separates knowledge from belief. Since 1965, three pathways, with subsets of elementary, intermediate, and advanced components, surfaced that can potentially take one to specific levels of God's kingdoms. These pathways are the Intellectual, Psychic, and Spiritual (Eckankar, or Advanced religion). Instructors teach dream travel, Soul Travel, karma, reincarnation by which a current illness can be anchored to the past, mind passions, and development of the spiritual senses. An experiment given allows testing of the hypothesis that access to God's kingdoms is from within, and not from without.*

BABY BOOMER LAMENTATIONS

METAPHYSICAL ESSAYS TO DIE FOR

iUniverse *Today there are approximately seventy-six million Americans who were born in the years from 1946 to 1965—the baby boomers. In their youth they thrived, voting for a number of entitlements based on assumptions of economic growth that no longer applies. Now, as baby boomers continue aging, they must face a number of potentially disheartening realities. From caring for ailing parents to funding their retirement to facing death, many issues weigh too heavily upon the minds of the baby boomer generation to allow for a peaceful, productive second half of life. What's more, many of the spiritual belief systems passed down for so many generations no longer provide the comfort or support people need in order to face the challenges of the later half of life. The people need something new. In this second edition of Baby Boomer Lamentations, author and self-proclaimed religious philosopher Lewis Tagliaferre explores the concept of Theofatalism and addresses the rising spiritual concerns of the baby boomers, offering a new outlook to help readers make the inevitable transitions through the later years of life.*

PATHWAY TO EXCELLENCE

A CHRISTIAN APPROACH TO COACHING

AuthorHouse *The purpose of this book is to provide athletic coaches with simple methods to enhance their coaching technique. Coaching is teaching. Therefore, coaches must look at their teaching effectiveness in order to become better coaches. In addition, the athletic arena provides a wonderful opportunity for a Christian witness. Often, coaches find it difficult to form a marriage between their coaching and a Christian lifestyle. This book intends to meld the two together, providing clear, effective teacher education and biblical advice to Christian coaches. The book also provides selected scriptures from God's Word. Can a Christian coach really make a difference? How can one Christian coach save the world of sport? Well, first there is more than one Christian coach out there. Second, if there was only one Christian coach willing to go to battle with Christ, they would fight and win. One coach plus Jesus equals a majority. Recall that it appeared as though David didn't stand a chance when he went to fight Goliath. David was not alone. David knew that God would be with him. Was he afraid? Maybe, but his faith in God was greater than his fear! Hopefully, this book motivates coaches to allow their faith in Christ to shine through their coaching style and behavior.*

PATHWAY TO PARADISE

FINDING YOUR WAY TO TRUE SALVATION BY THE HOLY SCRIPTURES

Xlibris Corporation *Looking for God in all the wrong places? Then read this book. Its an in depth journey through the Holy Scriptures of the bible to guide you through Gods pathway of salvation which he has provided for human life on this earth. In the world of today, there are some many avenues and paths to choose in life. salvation and in the end eternal life. This book is a journey through the Holy Scriptures of the bible in finding that right path to help clear up the fog in the minds of so many looking to know and understand what is true and what is right. God has already laid the foundation by the scriptures that we may have the tools and the ability to build a life of success according to the Master who created this great world in which we live; and who knows best. GOD'S GRAND DESIGN

Dorrance Publishing *God's Grand Design* By: William R. Arnold, Edited by Ms. Aurora Payad-Arnold *God's Grand Design* is to restore mankind to its original state of sacred perfection after Adam and Eve fell and created the original sin of disobedience, hiding, and lying to the Lord. When God cursed the serpent for tempting Adam and Eve to be like God, he promised to send his only begotten Son to save humanity. He did via the incarnate word in the womb of the immaculately conceived Virgin Mary. God wants to be man and receive a new body to defeat death through Jesus Christ. Man wants to become God to receive eternal life. Man's journey to become God starts from being an ignorant baby gaining knowledge, to a cowardly teenager obtaining courage, to an adult converting greed to generosity, to a wise man changing selfishness to unselfishness, and at last, to a free man able to think for himself in eternal service to God in his kingdom. The journey requires him to know right from wrong, good from evil, and God's will from man's will and thus defeat evil, worldly temptations, and demonic possession. Through Christ, God and man are destined to become one through three advents, making the God/Man Christ into the new human spirit (blessings). Then, the Man/God Jesus becomes the new human flesh to make all things perfect in the sight of God. Jesus Christ came as a priest on a donkey to decode the Torah, bring knowledge, and remove blindness to defeat sin. By his death and resurrection, he granted free redemption to man's flesh

to give him a new body. The second coming of Jesus Christ as thief in the night will bring awakening to remove deafness by teaching God's truths to defeat evil. As a just judge on a cloud on his third advent, the Lord will remove mankind's dumbness to defeat death. And then man can become worthy of receiving God's rewards of paradise in heaven or heaven on earth.

MUSLIMS AND NEW MEDIA IN WEST AFRICA

PATHWAYS TO GOD

Indiana University Press *Although Islam is not new to West Africa, new patterns of domestic economies, the promise of political liberalization, and the proliferation of new media have led to increased scrutiny of Islam in the public sphere. Dorothea E. Schulz shows how new media have created religious communities that are far more publicly engaged than they were in the past. Muslims and New Media in West Africa expands ideas about religious life in West Africa, women's roles in religion, religion and popular culture, the meaning of religious experience in a charged environment, and how those who consume both religion and new media view their public and private selves.*

GOD AND HIS CHILDREN

Christian Faith Publishing, Inc. *This book is the result of God's mysterious activities on George Hayes's behalf. George has been beholden to God throughout his life. He continues to return God's love with a second book, resuming the exposition of God and the Western World that divulged the works of God as He spread Christianity worldwide. The focus here is an understanding of mankind's advance to high intelligence and a comparison of man's technologies to God's technologies. God's technologies include dark matter, dark energy, DNA, and RNA. Included in this discussion are more details on the creation and sustenance of the universe. An example of the information discussed is the interplay of dark matter and dark energy just prior to and during the Big Bang. A discussion of the climate*

change problems we are experiencing is presented, including a list of major cities worldwide that may be submerged by a minimum two-hundred-foot rise in sea level. There is a presentation of changes to Earth as Pangea broke up eventually forming the continents we know, and how life on Earth changed as God affected evolution to bring mammals upon Earth and then manipulated DNA to give rise to modern man. A discussion of mankind's religions is conducted. Important findings in the garden continent of Africa regarding distribution of languages are discussed as well as a finding that may lead to the original language used by God to converse with Adam and Eve as well as used by God to direct dark matter and dark energy when He spoke our universe into existence. In conclusion, firstly, God's works from before the Big Bang until the coming of Jesus Christ is summarized. Secondly, a briefing on God's march through time is displayed as the word of Jesus Christ is spread worldwide. Thirdly, the efforts are listed for avoidance of leaving a badly damaged Earth with our coasts and their infrastructures becoming submerged. There are two distinct audiences for whom George has developed both books. The first is the scientific community. The second audience is the average person living on Earth, and there may be passages that confuse them due to technical detail. You may want to skip those passages, and you can. You will still have an engrossing read. But if you reread them, you may develop a complete understanding of the marvels God Almighty has accomplished to bring Earth's human beings to the status we have reached today.

SPIRITUAL CHAMPION

AuthorHouse *Each of us has an internal desire to connect with something that brings greater significance to our life. When we consider the complexity of our bodies and the indefinable nature of love, even the most atheistic individuals must realize that a special creator must be at work. However, in spite of this strong evidence, many have difficulty internalizing a real and lasting relationship with that creator. Many question the "teachings" of modern religions. Often, people just drift away ignoring the obvious and losing any chance for a more highly driven spiritual life leaving a hole in their life where something should fill. You may have a strong purpose in your life but still lack the feeling of life's joy that comes from being on a*

journey with God. IN this book you will carefully develop a more meaningful and fulfilling relationship with God based on your own true feelings rather than as directed by someone else. You will build a foundation for your faith through self discovery upon which you will construct a framework for you future spiritual journey. You will learn how to develop the personal life power that wills sustain your journey. Through this program you will learn what you need to do to be the spiritual champion of your life. You will learn how to be tolerant of other's beliefs and sue your faith and belief in positive ways as other's use theirs in their life. Being a spiritual champion is not about requiring others to be in your race, but about running your spiritual race in a way that brings the crowds to you. It is not about convincing others to follow, but about conceiving a new way of helping them develop the desire of their heart for a more spiritually attuned life.

PATHWAYS TO HEALING

Xulon Press *Dr. Rodriguez Hirsch's life (born in Venezuela, 1954) has been distinguished by a deep desire to help others in spiritual, emotional and physical pain. He wished to study to become a medical doctor, but through a series of life twists he was led to obtain a Bachelor of Science in Chemical and Petroleum Refining Engineering from Colorado School of Mines (Golden, Colorado - USA). In 1997, after more than thirty years of a successful chemical process engineering career that included the Venezuelan petroleum industry and other private business concerns, William accepted God's calling to fulltime service in His Kingdom. As part of his theological and leadership preparation, he attended Regent University (Virginia Beach, Virginia - USA) with a scholarship from the Latin American Leadership Program (LALP), as an outstanding emerging leader. At Regent, William completed a joint Masters degree program in Biblical Studies and Family Counseling and a doctorate in Strategic Leadership in 2003. After receiving spiritual healing from the devastating pain and loss of his beloved child Andreina, age 16, William began to seriously study and research the Biblical foundations and connections of spiritual, emotional and physical healing while ministering to hundreds of people together with his wife Luisa. In 2007 they both established Restoring The Foundation, Inc. (RTF) a Christian non-profit organization. The calling was to teach the church Scriptural truths contained in the Bible related to broken-heartedness and specific areas of spiritual/emotional captivity and oppression according to Jesus' ministry model stated in Luke 4:18-19 and Isaiah 61:1ff. RTF has become a vibrant international ministry that is touching the lives of thousands as the Body of Christ learns about on-going miracles, signs and wonders that attest to God's Kingdom being ushered on earth. A PATHWAY OF INTERPRETATION

THE OLD TESTAMENT FOR PASTORS AND STUDENTS

Wipf and Stock Publishers *Writing with the pastor and student in mind, Walter Brueggemann provides guidance for interpreting Old Testament texts. He offers both advice for the interpreter as well as examples of working with different sorts of passages: from narratives, prophecies, and Psalms. He also demonstrates how to work thematically, drawing together threads from different traditions. His goal is to work through the rhetoric of these passages to reach toward theological interpretation. These investigations indicate Brueggemann's conviction that the process of moving from text to interpretive outcome is an artistic enterprise that can be learned and practiced.*

CATHOLIC DOCTRINES ON THE JEWISH PEOPLE AFTER VATICAN II

Oxford University Press, USA *In this timely study Gavin D'Costa explores Roman Catholic doctrines after the Second Vatican Council regarding the Jewish people (1965 - 2015). It establishes the emergence of the teaching that God's covenant with the Jewish people is irrevocable. What does this mean for Catholics regarding Jewish religious rituals, the land, and mission? Catholic Doctrines on the Jewish People after Vatican II establishes that the Catholic Church has a new teaching about the Jewish people: the covenant made with God is irrevocable. D'Costa faces head-on three important issues arising from the new teaching. First, previous Catholic teachings seem to claim Jewish rituals are invalid. He argues this is not the case. Earlier teachings allow us positive insights into the modern question. Second, a nuanced case for Catholic minimalist Zionism is advanced, without detriment to the Palestinian cause. This is in keeping with Catholic readings of scripture and the development of the Holy See's attitude to the State of Israel. Third, the painful question of mission is explored. D'Costa shows the new approach safeguards Jewish identity and allows for the possibility of successful witness by Hebrew Catholics who retain their Jewish identity and religious life.*
