GIANTS

SONS OF THE GODS

Goliath. You know the story. But why is it in the Bible? Is it just to give us a little moral pick-me-up as we seek to emulate a small shepherd boy who defeated a giant? Have you ever wondered where Goliath came from? Did you know he had brothers, one with 24 fingers and toes? Did you know their ancestry is steeped in unimaginable horror? Genesis 6. The nephilim. The first few verses of this chapter have long been the speculation of supernatural events that produced demigods and a flood that God used to destroy the whole world. The whole world remembers them. Once upon a time, all Christians knew them. But for many centuries this view was mocked, though it was the only known view at the time of the writing of the New Testament. Today, it is making a resurgence among Bible-believing scholars, and for good reason. The nephilim were on the earth in those days, and also afterward... This book delves deep into the dark and ancient recesses of our past to bring you rich treasures long buried. It is a carefully researched, heavily footnoted, and selectively illustrated story of the giants of the Bible. There is more here than meets the eye, much more. Here you will learn the invisible, supernatural storyline of the Bible that is always just beneath the surface, lurking like the spawn of the ancient leviathan. It is a storyline no person can afford to ignore any longer. Unlike other more sensational books on the topic, there is no undue speculation to be found here. The author is a Bible-believing Christian who refuses to use such ideas to tell you the end of the world is drawing nigh. Once you discover the truth about these fantastic creatures, you will come to see the ministry and work of Jesus Christ in a very new and exalting light. Come. Learn the fascinating, sobering, yet true story of real giants who played a significant role in the bible ... and still do so today.

ANALYSIS AND HISTORY OF EXEGESIS

THE ANGEL OF THE LORD

A BIBLICAL, HISTORICAL, AND THEOLOGICAL STUDY

In the early books of the Old Testament, the mysterious "Angel of the Lord" repeatedly appears-visibly, audibly, even physically-to the Patriarchs, to Moses, to the Prophets. Who is this Angel? Exploring the biblical texts, the testimony of church history, and the insights of Systematic Theology, Matt Foreman and Doug Van Dorn argue that the answer is beyond doubt: the Angel of the Lord is a manifestation of God the Son. Even more, they argue that this Angel appears more often than people realize, because he appears under different titles, including: the Word, the Name, the Glory, the Face, the Right Hand, even the Son. They show that even some of the ancient Jews spoke of a Second Yahweh in the Old Testament. Christian theologians throughout history have taught this same understanding. Christians today need to be taught again how the Person of Jesus appears throughout the Bible and how he speaks to us today.

THE BOOK OF GIANTS

Take a journey with the artist and writer Petar Meseldzija, who tells how he was allowed unparalleled access through the Invisible Curtain and into the land of giants. A year in the making, this book's sixteen paintings and nearly ninety drawings bring to life Petar's experiences on this journey and secrets uncovered, going back to ancient times. He shares stories of new discoveries that free giants from the murky abyss of myth and a forgotten past. Told in three stages, *The Book of Giants* includes the illustrated stories *The Giants Are Coming*, recounting a dynamic clash that lasted one hundred years; *The Little Kingdom*, where a giant befriends a nation of humans and becomes their adamant protector against ferocious invaders; *The Northern Giants*, who embrace the warrior spirit through countless battles; *Giant Velles*, the story of ignorance and how the strength of goodness perseveres; and *The Great Forest*, wherein the author discovers little creatures called the keppetz and relates his experiences spent with ogres while on his quest to meet the Golden One and to determine the purpose of his journey. Through the strength of his own power, he discovers his blessings, his limitations and finally his personal myth. Furthermore, you will discover why giants made a push into the underground, followed by their exodus and deliverance to a new land. You'll also learn why the myth of giants is still alive, why their time spent

with humans remains elusive and why giants prefer to remain hidden in their world. Join Petar Meseldzija on his journey of discovery.

THE UNSEEN REALM

RECOVERING THE SUPERNATURAL WORLDVIEW OF THE BIBLE

Lexham Press In **The Unseen Realm**, Dr. Michael Heiser examines the ancient context of Scripture, explaining how its supernatural worldview can help us grow in our understanding of God. He illuminates intriguing and amazing passages of the Bible that have been hiding in plain sight. You'll find yourself engaged in an enthusiastic pursuit of the truth, resulting in a new appreciation for God's Word. Why wasn't Eve surprised when the serpent spoke to her? How did descendants of the Nephilim survive the flood? Why did Jacob fuse Yahweh and his Angel together in his prayer? Who are the assembly of divine beings that God presides over? In what way do those beings participate in God's decisions? Why do Peter and Jude promote belief in imprisoned spirits? Why does Paul describe evil spirits in terms of geographical rulership? Who are the "glorious ones" that even angels dare not rebuke? After reading this book, you may never read your Bible the same way again. Endorsements "There is a world referred to in the Scripture that is quite unseen, but also quite present and active. Michael Heiser's *The Unseen Realm* seeks to unmask this world. Heiser shows how important it is to understand this world and appreciate how its contribution helps to make sense of Scripture. The book is clear and well done, treating many ideas and themes that often go unseen themselves. With this book, such themes will no longer be neglected, so read it and discover a new realm for reflection about what Scripture teaches." --Darrell L. Bock, Executive Director for Cultural Engagement, Senior Research Professor of New Testament Studies, Howard G. Hendricks Center for Christian Leadership and Cultural Engagement "'How was it possible that I had never seen that before?' Dr. Heiser's survey of the complex reality of the supernatural world as the Scriptures portray it covers a subject that is strangely sidestepped. No one is going to agree with everything in his book, but the subject deserves careful study, and so does this book." --John Goldingay, David Allan Hubbard Professor of Old Testament, School of Theology, Fuller Theological Seminary "This is a 'big' book in the best sense of the term. It is big in its scope and in its depth of analysis. Michael Heiser is a scholar who knows Scripture intimately in its ancient cultural context. All--scholars, clergy, and laypeople--who read this profound and accessible book will grow in their understanding of both the Old and New Testaments, particularly as their eyes are opened to the Bible's 'unseen world.'" --Tremper Longman III, Robert H. Gundry Professor of Biblical Studies, Westmont College

THERE WERE GIANTS UPON THE EARTH

GODS, DEMIGODS, AND HUMAN ANCESTRY: THE EVIDENCE OF ALIEN DNA

Simon and Schuster The crowning work of the best-selling *Earth Chronicles* series • Reveals the existence of physical evidence of alien presence on Earth in the distant past • Identifies and describes the demigods, such as Gilgamesh, descended from these visitors • Outlines the tests of this physical evidence of alien presence that could unlock the secrets of health, longevity, life, and death In whose genetic image were we made? From his first book *The 12th Planet* on, Zecharia Sitchin has asserted that the Bible's Elohim who said "Let us fashion The Adam in our image and after our likeness" were the gods of Sumer and Babylon--the Anunnaki who had come to Earth from their planet Nibiru. The Adam, he wrote, was genetically engineered by adding Anunnaki genes to those of an existing hominid, some 300,000 years ago. Then, according to the Bible, intermarriage took place: "There were giants upon the Earth" who took Adam's female offspring as wives, giving birth to "heroes of renown." With meticulous detail, Sitchin shows that these were the demigods of Sumerian and Babylonian lore, such as the famed Mesopotamian king Gilgamesh as well as the hero of the Deluge, the Babylonian Utnapishtim. Are we then, all of us, descendants of demigods? In this crowning oeuvre, Zecharia Sitchin proceeds step-by-step through a mass of ancient writings and artifacts, leading the reader to the stunning Royal Tombs of Ur. He reveals a DNA source that could prove the biblical and Sumerian tales true, providing conclusive physical evidence for past alien presence on Earth and an unprecedented scientific opportunity to track down the "Missing Link" in humankind's evolution, unlocking the secrets of longevity and even the ultimate mystery of life and death.

THE FOOD OF THE GODS

Hesperus Press Published in 1904 *The Food of the Gods* is a forgotten H.G. Wells classic; it is sci-fi and dystopia at its best written by the creator and master of the genre. Following extensive research in the field of ?growthOCO, Mr Bensington and Professor Redwood light upon a new mysterious element, a food that causes greatly accelerated development. Initially christening their discovery ?The Food of the GodsOCO, the two scientists are overwhelmed by the possible ramifications of their creation. With Aunt Jane refusing to give house room to their experiments, Mr

Besington is forced to take his laboratory out into the wide world, and chooses a farm at Hickleybrow in Kent that offers him the chance to test his new substance on chickens, which duly grow monstrous, six or seven times their usual size. With the farmer, Mr Skinner, failing to contain the spread of the Food, chaos soon reigns as reports come in of the local population encountering with monstrous wasps, earwigs and rats. When the chickens escape, they leave carnage in their wake. Keen not to be outdone, the Skinners and Redwoods have both been feeding their children the compound illicitly? their eventual offspring will constitute a new age of giants. Public opinion rapidly turns against the scientists and society as a whole rebels against the world's new flora and fauna. Daily life has changed shockingly and now politicians are involved, trying to stamp out the Food of the Gods and the giant race. Comic and at times surprisingly touching and tragic, Wells' story is a cautionary tale warning against the rampant advances of science but also of the dangers of greed and political infighting and shameless vote-seeking."

FALLEN

THE SONS OF GOD AND THE NEPHILIM

CODEX OF FALLEN ANGEL OFFSPRING

& WHY THE SONS OF SETH DOCTRINE IS FALSE

Angels are real, some of them fell and became known as fallen angels. They came from Heaven to the earth, there is proof in the bible and in history about what they did. The bible speaks of their offspring as giants, world history speaks of the offspring of "the gods" as giants. Is their a difference? The "sons of Seth" doctrine teaches that the "sons of God" mentioned in Genesis 6: were merely regular humans i.e. the "righteous line of Seth" who produced the giants. I will include the verse for those not

familiar with Genesis 6 And it came to pass, when men began to multiply on the face of the earth, and daughters were born unto them, 2 That the sons of God saw the daughters of men that they were fair; and they took them wives of all which they chose. 3 And the Lord said, My spirit shall not always strive with man, for that he also is flesh: yet his days shall be an hundred and twenty years. 4 There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown. The information presented in this book reveals the falseness of the "sons of Seth" doctrine and sets the record straight about who the "sons of God" who "took wives" from the daughters of men actually were...And now, an in depth preview of the rest of the book...The Bible speaks of giants using names like Nephilim, Rephaim, Zamzumim, Zuzim, Emim and others. History speaks of giants using names like Si Te Cah, Annunaki, Aloadai, Formorian and others. The Bible describes giants as at least 13 feet tall and even much taller having 6 fingers and 6 toes on each hand and foot. History describes giants as at least 13 feet and much taller, skeletons of races of giants have been unearthed having 6 fingers and 6 toes on each hand and foot and many of them with double rows of teeth. The bible speaks of the "sons of God" the binai ha Elohim mating with women and producing giants and "mighty men" as you will see from this book the bible is clear that these "sons of God" were angels/celestial beings. Ancient cultures like Sumeria, Greece, Rome, Africa and others also speak of celestial beings mating with women and producing giants and super human men. The goal of this book is to confirm the bible through history and to confirm history through the bible. The bible is history, what has happened in ancient and recent times is also history. The various comparisons you will see in this book will show clearly that the giants and fallen angels of the bible are present throughout world history under different names. Moreover, this book will show the undeniable association between the gods/celestial beings, fallen angels and giants of ancient times.

Createspace Independent Publishing Platform This text presents a survey, via a chart accompanied by primary source quotations and their corresponding citations, elucidating the views of 43 early Jewish and Christian commentaries spanning from 250 BC to the 5th century AD regarding the "sons of God" of Genesis 6 and includes notes on giants and the Nephilim. Where there giants on the Earth back then and are there giants on the Earth now?

OLD-EARTH CREATIONISM ON TRAIL

THE VERDICT IS IN

New Leaf Publishing Group "Twenty-somethings once faithfully attended church. What made them stop? While most said they still believe that the

Bible is God's Word, they also said that the idea that the earth is millions of years old was one thing that caused them to doubt the bible? The crumbling foundation of the church takes a devastating toll on future generations. Therefore, churches must reclaim the historical truth found in Genesis and apply the Bible's authority to every area of life." -Ken Ham, President Answers in Genesis As the modern Church struggles to find a place of relevancy for a new generation that already has massive demands on its time and attention, more and more young people raised in the Church are leaving it - failing to find the answers to their questions of faith and life, beset with doubts raised by issues that the Church chooses not to address. Opting to skirt the controversy of Genesis as literal history, the biblical authority of the Holy Word is called into question and reduced to a collection of mere stories. More popularly considered an issue for schools or in the public realm, the conflicting views on the age of the earth also remain a pivotal issue within the Church - as it has for over two centuries. Was the Creation week literally six days? Does science really point to an old earth? Does the issue really matter for Christians? Should this issue even be discussed within the Church? Join authors Dr. Jason Lisle and Tim Chaffey as they put forth a case against an old-earth interpretation of Scripture. A comprehensive biblical, theological, and scientific critique of old-earth creationism, the book presents its compelling testimony in layman's terms to create a powerful debate that leads to unquestionable truth.

THE GENESIS 6 CONSPIRACY

TrustedBooks **There are giants among us, passing largely unnoticed, intent on carrying out a secret plan to enslave all humanity. They may not look like giants today, but their bloodlines extend all the way back to the Nephilim--the offspring of angels who mated with human women--described in Genesis 6 when giants roamed the land. Gary Wayne, author of *The Genesis 6 Conspiracy: How Secret Societies and the Descendants of Giants Plan to Enslave Humankind*, details the role of modern-day Nephilim in Satan's plan to install the Antichrist at the End of Days. When God cast the angel Lucifer and his followers out of heaven, Lucifer set into motion a scheme to ensure the Nephilim survived. Why? Because from the bloodlines of these Nephilim the Antichrist will come. To keep his plan alive, Satan has enlisted the loyalty of secret societies such as the Freemasons, the Templars, and the Rosicrucians to conspire in teaching a theology and a history of the world that is contrary to the biblical one. This Genesis 6 Conspiracy marches toward the Great Tribulation, when the loyalty of the Terminal Generation--this generation--will be tested. The Bible, along with many other ancient sources, clearly records the existence of giants. Wayne provides copious citations from many society insiders, along with extensive Bible references, other religious references, and historical material to bolster his contention. What he uncovers will astonish**

you--and it will challenge you to prepare for the fulfilling of God's promises.

CYCLOPAEDIA OF BIBLICAL, THEOLOGICAL, AND ECCLESIASTICAL LITERATURE

EASTON'S BIBLE DICTIONARY

Easton's Bible Dictionary is a classic book of definitions which serves to explain and clarify the meaning of the names, places, and words found in the Bible. Many Christians and scholars who read the Bible often remain unawares of the meanings or significance of the Holy Book's vocabulary. Such words are often derived from Ancient Hebrew or other old scripts, which makes it even more difficult for readers who only speak English to understand. Location names, in the context of ancient geography, are likewise hard to scrutinize - yet Easton's Dictionary not only explains what these places are, but their size and overall impact across the entire Bible. First published in 1893, this dictionary uses the authoritative King James Bible as its source. As well as containing definitions and accounts of the many terms found throughout the Old and New Testaments, Easton's Bible Dictionary points out the significance of certain things and exactly where mentions of such phenomena appear in the Bible. The presence and significance of iron, for example, is noted in the Books of Genesis, Chronicles, Ezekiel, Deuteronomy, Isaiah, Job, Joshua, Kings and in the Psalms. Individuals in the Bible are also given biographical definitions. Through Easton's referencing of the names, we can discover the exact Bible passages where such figures are mentioned. Likewise we hear of terms relevant to the life of the ancient peoples; the term 'Levy' for instance is shown to equate to a form of involuntary recruitment which kings ordered. Words in frequent use today, such as 'Schism', are also shown to originate from the Bible. Other words we use today - such as 'Teeth', are shown to have been informal terms: 'cleanness of teeth' in Amos 4:6 denotes an outbreak of famine, for example. Many of the parables and tales of the Bible are retold in abbreviated form in Easton's Bible Dictionary. These retold anecdotes reference other relevant passages, further evidencing how the various portions of the Bible are interconnected and related to one another. Such a style also gives this unconventional dictionary a flowing quality, making it easier for the reader to enjoy large tracts of this text without pause. The ancient world of the Biblical canon is given life and color by Easton's descriptions. Primarily however, Easton's masterwork is designed for reference. Yet it not only defines the individual entries, but places these entries in their proper context throughout both the Old and New Testaments. Owing to this wealth of information, the reader may perceive that Easton's Dictionary is not merely a book of definitions, but an authoritative and significant work of classic Christian literature.

WATERS OF CREATION: A BIBLICAL THEOLOGICAL STUDY OF BAPTISM

[Lulu.com](#) **This is the one book on baptism that you must read.** It was seven years in the making. The author believes that until a new approach is taken, separations over the meaning, mode, and recipients of baptism will never be bridged. This new approach traces the roots of baptism deep into the OT Scriptures. When understood properly, we discover that baptism is always the sign that God has used to initiate his people into a new creation. Baptism in the NT is not "new." Rather, it derives its origin from OT predecessors. When we understand that baptism comes from baptism, especially in its sacramental expression in the priestly covenant, reasons for the NT practice begin to make perfect sense. Now Baptists have an argument that infant Baptists can finally understand, because we are beginning our argument in the same place. Yet, we continue to have very baptistic conclusions as to the mode and recipients of baptism, because we root baptism in baptism rather than circumcision.

This book contains fifty true stories of animal visitations. After their pet's passing, owners report they still saw, smelled, felt, and/or heard them doing what they typically did in life, illustrating the strong bond and communication between owner and pet. This book is filled with compelling and uplifting stories. Arf Angels tells the whole story from beginning to end and then beyond in a sensitive, charming, sometimes humorous, sometimes sad, and loving way. If you have had a similar experience, these stories can validate your feelings and offer consolation. Sandy wrote, "Yogi's visit was so profound that I knew it had meaning. His passing has led me on a spiritual search of my own." Paula said, "I walked into my son's room, and there were paw prints on the bed. --I was consoled that she had come back." Vickie, who was both physically and sexually abused, tells a touching story. When she rode on the back of her horse, Pretty Boy, she felt no one could touch her. It was only after Pretty Boy appeared to her, after his death, that she felt free from her abusive past. A woman, in an abusive relationship with a policeman, was able to move out after her dog intervened and took a punch that was meant for her. A beloved cat, whose spirit remained behind after her passing, helped her owner overcome her fear of death. Arf Angels and Other Heavenly Creatures is a must-read and will appeal to all people who have ever loved a pet and offer hope to those who have experienced the loss of one.

NOT CHARIOT OF THE GODS

THEY WERE ADAM'S CHILDREN

Createspace Independent Publishing Platform **The Bible contains many answers to questions we have today. Surprisingly, we will find hints to the answer in what we would consider mythological stories. It is in the Book of Genesis that we will find out who the "sons of god" were who married into the daughters of men and produced the "giants" on the earth. These "sons of**

god" are a mysterious group of beings, sometimes thought to be fallen angels. BUT, is this so? If not, WHO could they be? The title of this book is: NOT the Chariot of the Gods. What we shall see is that they are NOT ancient alien spacemen who manipulated our genetic code or interbred with our ancestors. We will explore that in this book.

SONS OF GOD

Lulu.com What do the fallen angels have to do with the powers, principalities, ancient aliens, and the "strong delusion" referenced by Paul in Thessalonians 2:10? The lie that leads to damnation concerns the current perpetuation of the ancient alien myth, which claims that the Annunaki and Nephilim are the creators and benefactors of humanity. Those whom accept this premise will unwittingly volunteer their allegiance to the fallen angels. Unless one understands who the fallen angels were, are, and how they were responsible for the introduction of evil upon the world stage, one might also be caught up in the lie that causes the hearts of men to fail, and the most elect to be deceived. In Sons of God, Garcia seeks to help readers recognize the realities of our ancient past so that, in remembering the story, they can realize who they are and why they are they here.
