## Slave Stealers

## True Accounts of Slave Rescues: Then and Now

**Follow two abolitionists who fought one of the most shockingly persistent evils of the world: human trafficking and sexual exploitation of slaves. Told in alternating chapters from perspectives spanning more than a century apart, read the riveting 19th century first-hand account of Harriet Jacobs and the modern-day eyewitness account of Timothy Ballard. Harriet Jacobs was an African-American, born into slavery in North Carolina in 1813. She thwarted the sexual advances of her master for years until she escaped and hid in the attic crawl space of her grandmother's house for seven years before escaping north to freedom. She published an autobiography of her life, Incidents in the Life of a Slave Girl, which was one of the first open discussions about sexual abuse endured by slave women. She was an active abolitionist, associated with Frederick Douglass, and, during the Civil War, used her celebrity to raise money for black refugees. After the war, she worked to improve the conditions of newly-freed slaves. As a former Special Agent for the Department of Homeland Security who has seen the horrors and carnage of war, Timothy Ballard founded a modern-day "underground railroad" which has rescued hundreds of children from being fully enslaved, abused, or trafficked in third-world countries. His story includes the rescue and his eventual adoption of two young siblings--Mia and Marky, who were born in Haiti. Section 2 features the lives of five abolitionists, a mix of heroes from past to present, who call us to action and teach us life lessons based on their own experiences: Harriet Tubman--The "Conductor"; Abraham Lincoln--the "Great Emancipator"; Little Mia--the sister who saved her little brother; Guesno Mardy--the Haitian father who lost his son to slave traders; and Harriet Jacobs--a teacher for us all.**

## Rusch to Glory

### Adventure, Risk & Triumph on the Path Less Traveled

**VeloPress** Rebecca Rusch is one of the great endurance athletes of our time. Known today as the Queen of Pain for her perseverance as a relentlessly fast runner, paddler, and mountain bike racer, Rusch was a normal kid from Chicago who abandoned a predictable life for one of adventure. In her new book *Rusch to Glory: Adventure, Risk & Triumph on the Path Less Traveled*, Rusch weaves her fascinating life's story among the exotic locales and extreme conditions that forged an extraordinary athlete from ordinary roots. Rusch has run the gauntlet of endurance sports over her career as a professional athlete-- climbing, adventure racing, whitewater rafting, cross-country skiing, and mountain biking-- racking up world championships along the way. But while she might seem like just another superhuman playing out a fistful of aces, her empowering story proves that anyone can rise above self-doubt and find their true potential. First turning heads with her rock climbing and paddling skills, Rusch soon found herself spearheading adventure racing teams like Mark Burnett's Eco-Challenge series. As she fought her way through the jungles of Borneo, raced camels across Morocco, threaded the rugged Tian Shan mountains, and river-boarded the Grand Canyon in the dead of winter, she was forced to stare down her own demons. Through it all, Rusch continually redefined her limits, pushing deep into the pain cave and emerging ready for the next great challenge. At age 38, Rusch faced a tough decision: retire or reinvent herself yet again. Determined to go for broke, she shifted her focus to endurance mountain bike racing and rode straight into the record books at a moment when most athletes walk away. *Rusch to Glory* is more than an epic story of adventure; it is a testament to the rewards of hard work, determination, and resilience on the long road to personal and professional triumph.

## Censored 2020

[Seven Stories Press](#) In the midst of Trump's attacks on the media, comes this look at the rigorous, independent reporting of the year's most underreported news stories. While the country's president displays a brazen disregard for the First Amendment and routinely demonizes the press as "the enemy of the people," Censored 2020 looks beyond Donald Trump's dizzying contempt for the truth to clarify the corporate media's complicity in misinforming the American public--while also providing a clear vision of a better future, based on rigorous, trustworthy independent reporting that presents a fuller picture of truth. With a discerning eye, Censored 2020 focuses the public's attention on the most important but underreported news stories of 2018-2019. These stories expose the corporate news media's systemic blind spots while highlighting the crucial role played by independent journalists in providing the kind of news necessary for informed, engaged citizens. The book also examines this year's lowlights in "junk food news" and "news abuse"--further revealing how corporate news often functions as propaganda--as well as highlights of exemplary organizations that champion "Media Democracy in Action." Additional chapters address the importance of constructive journalism, the untold story of Kashmir, news coverage of LGBTQ issues in the Trump era, "fake news" as a Trojan horse for censorship, and online memes as a form of political communication.

The concise text and colorful illustrations help to explain not only how the child ought to move, but also what they should feel during each movement or position. Of course, these also describe how to detect and correct errors and movement faults typically found with each exercise. Furthermore, in order to help train exercise transitions, movement memory, mimicry, and team exercise (while also incorporating speech development), the DNS app has included a variety of rhythmic songs that are meant to be sung along with every global movement routine. By incorporating both animal imagery and catchy songs into each routine, the DNS Fit Kid App motivates children to exercise regularly in a pleasurable, playful way, while also emphasizing DNS principles like optimal posture and ideal movement coordination.

And thanks to her ex-boyfriend she's also broke, jobless, and staring down the barrel of a court case that could land her in prison. Turning to her talent for baking, Vera opens a cafe in Hanrahan, a cosy tourist town in the foothills of the Snowy Mountains. Josh Cody, once Hanrahan's golden boy, escaped sixteen years ago with gossip hard on his heels and a pregnant girlfriend in tow. Now he's back: a qualified veterinarian - and a single dad with a lot to prove. A new start and a grumpy teenage daughter ... it's a lot to juggle, and there's no room in his life for further complications. But that's before he walks into The Billy Button Cafe and meets its prickly owner ... Reeling from the past, Vera has no intention of being sidetracked by the hot vet with a killer smile. But fate has a way of tripping up our best intentions and between a stray cat and a busybody with a heart of gold, this is a town - a family - unlike any other. And, whether Vera wants it or not, is there anything a family won't do to help one of its own? PRAISE: 'The perfect feel-good blend of warmth, wit and small-town charm. ### The One Month Boyfriend

Clever Capybara Press It's a simple agreement: for one month, Silas is my boyfriend of convenience. Once this is over, we'll go our separate ways. It's fake, after all. Except for one minor detail: we can't stand each other. Silas thinks I'm a stuck-up ice queen. I think he's a cocky, obnoxious jerk who's always trying to charm his way out of trouble - and succeeding. He's the beloved golden boy. I'm the awkward new girl in town. It would be the worst idea ever, except... everyone falls for it. That's the thing about pretending to date someone: it looks just like real dating. And the other thing about pretending to date someone? It feels like real dating. The heated kisses in my office: fake. The possessive way he touches me: fake. The night we spend together in a hotel bed: ...maybe not so fake. One month. Then this charade is over.
