### Finding the Strength to Come Back

*Hachette UK* **Josh Hamilton was the first player chosen in the first round of the 1999 baseball draft. He was destined to be one of those rare "high-character " superstars. But in 2001, working his way from the minors to the majors, all of the plans for Josh went off the rails in a moment of weakness. What followed was a 4-year nightmare of drugs and alcohol, estrangement from friends and family, and his eventual suspension from baseball. BEYOND BELIEF details the events that led up to the derailment. Josh explains how a young man destined for fame and wealth could allow his life to be taken over by drugs and alcohol. But it is also the memoir of a spiritual journey that breaks through pain and heartbreak and leads to the rebirth of his major-league career. Josh Hamilton makes no excuses and places no blame on anyone other than himself. He takes responsibility for his poor decisions and believes his story can help millions who battle the same demons. "I have been given a platform to tell my story" he says. "I pray every night I am a good messenger."**

### 30 Christian Impact Athletes

*Xulon Press* **What Christian was named the greatest coach in the history of team sports by Sporting News Magazine? Can you name the Christian who invented basketball? Can you name three Christian athletes who came to the Lord during their professional careers? Do you know which Christian athlete died in the arms of Dr. James Dobson? At the age of five Michael Louthian traded his kindergarden books for the sports pages. His avid desire to know everything there was to know about sports and the sports world never waned. Throughout his life Louthian has soaked up every piece of information he could get his hands on. Through asking questions he was able to uncover answers. In his second book 30 Christian Impact Athletes, Louthian now asks questions about illegal gambling in basketball and steroid use in baseball. As a student of history, Louthian followed professional sports beyond the usual statistics. He absorbed all the available information about the athletes in what has become, during his lifetime, an industry of gigantic proportions and an influence of unprecedented depth on our society. Professional athletes increasingly indulge in behavior that we would never condone in our children or in ourselves. Yet they are given a pass when their behavior is illegal or boarish. Louthian spotlights the lives of thirty Christian athletes who have had a major impact on society and sports. Jackie Robinson, Branch Rickey, Meadowlark Lemon, Albert Pujols, John Wooden, Tim Tebow, and Kurt Warner are among the athletes featured. Each of the thirty athletes travelled a unique road to their acceptance of the Lord Jesus Christ. Louthian challenges Christian fans to stand tall against the secularists who believe that Christianity should be limited to the religion and obituary columns. It is a thought provoking and entertaining read for avid sports fans of all ages.**

### Team Chemistry

### The History of Drugs and Alcohol in Major League Baseball

*University of Illinois Press* **In 2007, the Mitchell Report shocked traditionalists who were appalled that drugs had corrupted the "pure" game of baseball. Nathan Corzine rescues the story of baseball's relationship with drugs from the sepia-toned tyranny of such myths. In Team Chemistry , he reveals a game splashed with spilled whiskey and tobacco stains from the day the first pitch was thrown. Indeed, throughout the game's history, stars and scrubs alike partook of a pharmacopeia that helped them stay on the field and cope off of it: In 1889, Pud Galvin tried a testosterone-derived "elixir" to help him pile up some of his 646 complete games. Sandy Koufax needed Codeine and an anti-inflammatory used on horses to pitch through his late-career elbow woes. Players returning from World War II mainstreamed the use of the amphetamines they had used as servicemen. Vida Blue invited teammates to cocaine parties, Tim Lincecum used it to stay awake on the bench, and Will McEnaney snorted it between innings. Corzine also ventures outside the lines to show how authorities handled--or failed to handle--drug and alcohol problems, and how those problems both shaped and scarred the game. The result is an eye-opening look at what baseball's relationship with substances legal and otherwise tells us about culture, society, and masculinity in America.**

### Choosing God's Mark to Transform Your Life

*Abingdon Press* A tattoo can tell a lot about a person. Some reflect a rebellious season, like the demons that cover Josh Hamilton of the Texas Rangers. Some express religious ties, like actor Mark Wahlberg's once tattooed rosary. Some are symbols of love and loyalty; Some serve as remembrances, like rapper Lil Wayne's teardrops, representing deaths of loved ones. Inked by Janet E. Kusiak and Kimberly D. Goad uses the language of tattoos to explore the question: what has marked your life? Is it a deep well of pain? Is it emotional baggage? Is it depression? In spite of events that are so deeply etched into our hearts, we have the power to change the marks that life makes on us. An estimated quarter of Americans ages 18-50 have a tattoo. What better way to show how one of the most polarizing of cultural icons can, in fact, be a metaphor for what people have in common? Using stories and slang from tattoo culture, the authors look at the new way Christ desires that we be inked by Him, as the authors explore the marks that have been made on our hearts.

## Experience Your Bible

*Harvest House Publishers* See it. Study it. Do it. Many Christians focus on mechanical application of the Scriptures. In *Experience Your Bible*, the McDowells proclaim God's original design—the Scriptures are his way to reveal himself so he can enjoy a relationship with people. The authors show how the Bible can radically transform believers' lives: Intimacy. God created humans such that an intimate relationship with him is their only route to meaningful life. His written Word enables this relationship. Relational experience. We must obey God's commands. Yet he also wants us to relationally experience things like acceptance, joy, and comfort with him and other believers. Growth in love. Josh and Sean highlight the Holy Spirit's role in illuminating the Scriptures. They present proven tools to help readers study and “accurately handle the word of truth.” Above all, they emphasize that study is the journey to help Christians more deeply love the author of the Bible, God himself. When Christians experience the Bible and its author, they find wisdom, meaning, and fulfillment in life. A key tool for pastors, leaders, parents, and youth workers—anyone wanting to proclaim and experience the life- and culture-changing Christianity the Bible reveals.

## Liferider

### Heart, Body, Soul, and Life Beyond the Ocean

*Rodale Books* **NEW YORK TIMES BESTSELLER** • Surfing icon Laird Hamilton offers inspiration to anyone who wants to elevate their ordinary, landlocked lives to do extraordinary things. “When Laird Hamilton surfs, you must watch. When he speaks, I listen. And when he writes a book, I’m damn sure gonna read it. Twice.”—Eddie Vedder, Grammy Award-winning lead vocalist of Pearl Jam Millions of us increasingly seek happiness in fads and self-help books, reaching upward every day toward some enlightened state that we wish to attain. Laird Hamilton is more intent on looking inward and appreciating the brilliant creatures we already are. In *Liferider*, Laird uses five key pillars—Death & Fear, Heart, Body, Soul, and Everything Is Connected—to illustrate his unique worldview and life practices. This is Laird Hamilton in his own words—raw, honest, and unvarnished—on topics he has rarely explored before. Based on extensive interviews and conversations between Laird and his coauthor, Julian Borra, with additional insights from Laird’s wife, pro-volleyball player Gabby Reece, *Liferider* takes on human resilience, relationships, business, technology, risk-taking, and the importance of respecting the natural world, all through the lens of Laird’s extraordinary life both in and beyond the ocean. Praise for *Liferider* “Laird is a hero, if you want him to be. That’s up to your perception. He challenges himself, and he challenges those around him. He shows us that the deeper we puncture into life, the more vibrant the colors get. The Laird Hamilton I know—real, faulty, moody, deeply loving, and communal—comes through on every page of *Liferider*.”—Josh Brolin, Award-Winning Actor “Laird Hamilton is a true individualist unafraid to carve his own path. These thoughtful mediations offer a unique window — illuminating and inspiring — into one of America’s great innovators.”—Rory Kennedy, Documentary Filmmaker
