WHERE ANGELS & DEVILS TREAD

Createspace Independent Publishing Platform The joint ages of friends Joy Lennick and Jean Wilson may add up to one hundred and seventy one years, but there's nothing "old lace" about these two women writers; while the "arsenic" connection is questionable... Both adept at delving into the messy, murky world of murder, it is enlightening, and sometimes, a relief... to discover their added light, humorous touch. This makes for a diverse selection of highly entertaining short stories to tickle the fancy of readers of a variety of genres. Jean Wilson worked as a Queen's Nurse in the 1950s, and soon earned the affectionate nickname 'The Angel of Aldgate' for her cheerful, hard work among the sick of the East End of London; and Joy Lennick wore a few hats before becoming an author in 1984; adding many writing projects to her long list, including five books.

TROPILINE BAJAN DESIGN

Createspace Independent Publishing Platform This black and white (B&W) Edition of Tropiline Bajan Design (USA Design Patent Des 328198 S) was designed to be of special value to students, artists, and academics. It is about the best modern product design ever to come out of an emerging market and is a major advance in international modern art with cultural, personal, and regional influences all synthesized to produce a masterpiece. It is a single line drawn in space as the essence of the design, like Malevich's rotated linear squares, Saarinen's St. Louis Arch, and Brancusi's Bird in Space!“Even less is even more” permeates the philosophy, which is an amazing chronology of the creative process, the struggles of innovative artists, perseverance and determination (as the design moves around the world from Barbados, to Denmark, to China); with a challenge to all emerging markets (and communities) to move forward modern progressive principles in an age of increasing globalization and international cooperation. The B&W version has a chiaroscuro that is very powerful allowing the brilliant modern forms throughout the book to emerge purely.

MOST TREASURED OF ALL

REVEALING ERRONEOUS EMBEDDED DOCTRINES IN CONVENTIONAL THEISM

CreateSpace I intend to leave this book my to children and grandchildren. I hope it is received in the same spirit that I give it. I love every one of them with all my heart. They are all precious individuals, and I am very proud of each one. May God bless them. Times have changed. I miss the 1940's when things were simple. Today kids are smarter than we were. They are on strange electronic games that I do not understand. I suspect they are addictive and perhaps even harmful, depending on content. The temptations today are many times more problematic than when I grew up. These young people are high-tech, intelligent, and far ahead of me at their age. They are all very smart and are, or will be, well educated. They show signs of becoming very successful in this world. However, my concerns are related to the spiritual side of life and reality. What about life hereafter? Have I prepared them for the next life? I fear I have failed in that regard and I write in order to leave them something about God's word that may take up the slack in things where I have failed. I want to be sure that my kids and grandkids become believing, studious Christians as adults. If there is an afterlife, and I believe there is, it must be of great importance for all so, get ready, I believe we will all have an afterlife. We, in America, are fortunate in that we have freedom of religion and there are churches on every corner teaching the basic principles of our Lord and Savior. My Dad raised me on the bible and denominational doctrine because that's what he knew. He gave me a good start but I have discovered that there is much more to learn than denominational tradition. I believe an open mind is absolutely necessary and denominational training is a closed down system loyal to only one view. I want my children to study God's word. Unfortunately, many churches and church people do not study, but accept a particular traditional doctrine that has been handed down to them. I am now in my late seventies. I am not an academic and hold no degrees in theology. One might say I have a degree in hard knocks, experience, big mistakes, and corrections. I hope that my years of study and faith are enough. After years of doubting, study, research, and prayer I have come to believe that the bible is the most valuable word of wisdom on earth, The Most Treasured of All books on the planet. Very intelligent men and women have tried to disprove the bible but the more they attack, the better the old book looks. It is still the world's best seller. I believe we can base our whole life in this world and the life hereafter on the bible. I intend to convince my children and grandchildren of that, and I pray they read what I have left them.

THE ANOINTING

Thomas Nelson An exciting, natural sequel to Good Morning, Holy Spirit.

2087

In the year 2087, life happens fast. Ben Ziegler, the main character and protagonist, is a product of this situation. Ben is a manager for Benevolence Corporation (B Corp.). B Corp is one of three main corporations in The Country (formerly the USA but referred to throughout the novel as The Country). The Country has cut itself off from the world and has fallen behind quite a ways in relation to the other powers of the world. At the corporations and throughout society, there are 3 levels of people. The highest levels are the Founders, who have acquired massive wealth and for the general advancement of mankind, control society. This is a small percent of people in The Country, less than even 0.1% of the people. On his walk home, Ben sees a lovely dark haired tan woman with Greenish-Blue Eyes. Ben doesn't talk to her and instead goes home. He then falls asleep and goes to work the next day. There at work, Ben meets his newest co-worker Jessica and they immediately hit it off. Then, the number 2 at B Corp., Jonathan Vilheim II(2), is introduced into the novel. His uncle Jonathan, the first, is the current CEO. But Vilheim 2 is starting to run the entity and was instrumental in bringing Jessica into town. Vilheim 2 is the antagonist although at first it is unclear whether he is good or evil. Ben's best friend and co-worker Wally Elmore is introduced to the novel. Wally is a Founder himself and is a good friend to Ben. Wally is a little eccentric in his dress and only wears old style Vintage tuxedos. Wally has a twin brother Thomas, who is 5 minutes older than Wally. Thomas is the head of F Corp. (Faction) and makes his way to town for the annual Elmore party. Wally and Thomas' relationship is strained because Thomas is a rebel and does not participate in the society of Ultra City (B Corp.) or Los Angeles (M Corp.). Thomas, however, is quite smart, and due to his power, the technologically advanced societies must deal with him. Thomas meets Ben and believes he can turn Ben to the Faction. Next, a series of events is set off that threatens to unravel the delicate balance of society in the Year 2087.

KITAB KABBANI

BEYOND OUR IDEAS OF RIGHT-DOING AND WRONG DOING, THERE IS A FIELD. I WILL MEET YOU THERE. -RUMI

The Middle East is spinning out of control, but what does that mean to a simple fast-order cook in Central California? Everything-his family, his love life, his future, his purpose. And it may be that he means a great deal to the Middle East. Some are willing to kill him and others are willing to risk their lives to protect him. This adventure takes the reader to Turkey, Iran, and Arabia. Themes of historical religions of the Middle East, modern interpretations, truth, understanding, and what the future holds for this volatile region are interwoven throughout the book. Romance and its seeming impossibility provide a metaphor for all that is wonderful about this region, and all that may be suffocating hope. The unspoken question through most of the book asks is something more happening as this adventure unfolds?

EMBRACING SURVIVAL

Embracing Survival, a memoir by Dydine Umunyana, tells the story of the Rwandan Genocide against the Tutsis at the hands of the Hutu perpetrators in Rwanda (1994) through the eyes of the four-year-old-child that she was when the horrific massacre occurred. Separated from her family, she barely survived the conflict. While the physical killing finally stopped, the mental and emotional 'killing' continued, affecting her and her family. She writes that "I have learned that we cannot do for others what we cannot do for ourselves. By nourishing the light within ourselves, we find strength we never knew was there....I came to realize that one's own life experiences are not theirs to keep but ours to teach."
