WHERE IS GOD?

CHRISTIAN FAITH IN THE TIME OF GREAT UNCERTAINTY A CONVERSATION WITH ANDREA TORNIELLI

McGill-Queen's Press - MQUP Should we battle a plural and relativistic society by raising barriers and walls, or should we accept the opportunity to announce the Gospel in a new way? This is the challenge Christians are facing today. In an extended interview with Vatican expert Andrea Tornielli, Julián Carrón examines the historical moment we are living through in order to revive the essential

core of Christian faith. Starting from the realization that the world is experiencing an evolution in which the difficulty of finding shared values and natural morality makes sincere dialogue between believers and non-believers challenging, Carrón reflects on the possibility of communicating the essence of the Christian faith in a form that can inspire interest in modern times. Addressing the central questions concerning the announcement of Christian faith in today's less regimented society, *Where Is God?* discovers and rediscovers the contents of Christianity and asks how they can be witnessed again in a society that is not yet post-Christian, but potentially headed in that direction.

DOES JESUS KNOW US

DO WE KNOW HIM?

Ignatius Press The two reflections that form this book do not claim to mediate in the conflict between naive piety and scientific exegesis. They arise from the conviction that only the Scriptures of the New Covenant, taken as witnesses of faith and in their entirety, can produce a tangible and credible portrait of Jesus Christ, whereas every critical attempt to approach him from a position other than that of the faith witnessed to in the Scriptures can only result in a pallid, distorted picture unworthy of belief (and hence devoid of interest). It is a fact: only the person who is convinced that Jesus knows him personally gains access to knowledge of him. And only the person who is confident of knowing him as he is, can know that he is also known by him.

THE HISTORICAL ATLAS OF THE BIBLE

Chartwell Books This is a fascinating exploration of the most influential collection of writings in Western history. By placing the events and people described in the Bible into their social and geographical context, it seeks to provide new insights into the scriptures and illuminate a truly significant period in the development of Western civilization. The authoritative, engrossing text is accompanied throughout with quotes from the Bible, showing the link between the historical events described and the scriptures. There are 100 beautifully detailed maps illustrating the movements of people and the development of nations, and there are over 100 color photographs and illustrations of archaeological sites and artifacts. This is a comprehensive account of what is undoubtedly the key book in the development of Western civilization. As such, it is sure to be of great interest to believers and non-believers alike.

THE ARNOLFINI BETROTHAL

MEDIEVAL MARRIAGE AND THE ENIGMA OF VAN EYCK'S DOUBLE PORTRAIT

Univ of California Press Edwin Hall's accessible study of Jan van Eyck's 1434 painting known as the "Arnolfini Wedding" makes a unique contribution to the fascinating history of betrothal and marriage custom, ritual, and ceremony, and offers a compelling new interpretation of this wonderful work of art. 16 color plates. 62 b&w illustrations.

SKIN

A NATURAL HISTORY

Univ of California Press The rich cultural canvas of the skin is placed within its broader biological context in a complete guidebook to the pliable covering that makes humans who they are.

ON UGLINESS

Rizzoli Publications In the mold of his acclaimed History of Beauty, renowned cultural critic Umberto Eco's On Ugliness is an exploration of the monstrous and the repellant in visual culture and the arts. What is the voyeuristic impulse behind our attraction to the gruesome and the horrible? Where does the magnetic appeal of the sordid and the scandalous come from? Is ugliness also in the eye of the beholder? Eco's encyclopedic knowledge and captivating storytelling skills combine in this ingenious study of the Ugly, revealing that what we often shield ourselves from and shun in everyday life is what we're most attracted to subliminally. Topics range from Milton's Satan to Goethe's Mephistopheles; from witchcraft and medieval torture tactics to martyrs, hermits, and penitents; from lunar births and disemboweled corpses to mythic monsters and sideshow freaks; and from Decadentism and picturesque ugliness to the tacky, kitsch, and camp, and the aesthetics of excess and vice. With abundant examples of painting and sculpture ranging from ancient Greek amphorae to Bosch, Brueghel, and Goya among others, and with quotations from the most celebrated writers and philosophers of each age, this provocative discussion explores in-depth the concepts of evil, depravity, and darkness in art and literature.

HISTORICAL ATLAS OF MEDIEVAL MUSIC

Brepols Pub Music is rooted in the heart of Western culture. The absence of music from the usual publications of medieval history and history of art of the Middle Ages is understandable, considering the rarity of sources. And yet, throughout the last decades, an intense activity of historico-musicological research has been carried out internationally by a select group of specialized scholars. The ambitious goal of this work is to set medieval music within its historical and cultural context and to provide readers interested in different disciplines with an overall picture of music in the Middle Ages; multi-faceted, enjoyable, yet scientifically rigorous. To achieve this goal, the most prominent scholars of medieval musicology were invited to participate, along with archaeologists, experts of acoustics and architecture, historians and philosophers of medieval thought. The volume offers exceptional iconography and several maps, to accompany the reader in a fascinating journey through a network of places, cultural influences, rituals and themes.

TWICE-TOLD TALES

BRUNETTO LATINO AND DANTE ALIGHIERI

Julia Bolton Holloway Twice-Told Tales presents the life and writings of Dante Alighieri's maestro, the Florentine notary and diplomat, Brunetto Latino. The book first discusses archival documents found in Florence, the Vatican Secret Archives, Genoa, England and

elsewhere, which were written by or which name Brunetto Latino. The documents concern, among other topics, the Vallombrosan Abbot Tesauro, the Sicilian Vespers' plotting, and the death by starvation of Ugolino. The book then discusses Brunetto's translations of Aristotle's *Ethics* and Cicero's *De inventione*, as texts presented to Charles of Anjou and others, as well as the influence of these texts on Dante. Appendices present the archival documents discussed in the book and list manuscripts containing Latino's writings.

MUTUAE RELATIONES (MUTUAL RELATIONSHIP)

USCCB Publishing

ETERNAL RAVENNA. FROM THE ETRUSCANS TO THE VENETIANS

HISTORY OF MODERN ARCHITECTURE

MIT Press The format of this work is richly handsome: the two-volume set contains well over 1000 high-quality illustrations. This volume is concerned with the modern movement proper, from 1914 to 1966.

NIGHT CONVERSATIONS WITH CARDINAL MARTINI: THE RELEVANCE OF THE CHURCH FOR TOMORROW

Paulist Press Carlo M. Martini was cardinal of the largest diocese in the world, a scholar, and one of the most renowned men of the church. Georg Sporschill has worked in prisons and lived with drug-addicted street children in Romania and Moldavia. The two Jesuits met in Jerusalem and became friends: two worlds, one faith--and a passionate search for ways in which the message of Jesus of Nazareth can still be effective for tomorrow. In a series of conversations they ask what faith can mean for life, what future young people have in the church, and what must be changed so that Christianity itself has a future. The questions from young people are the catalyst for deep thought. Is the future only dark? Where are the rays of light on the horizon? What would Jesus say today?

SPE SALVIE

ON CHRISTIAN HOPE

Pope Benedict's second encyclical, Spe Salvi, On Christian Hope, is inspired by St Paul's letter to the Romans.

PHYSIOLOGUS

One of the most popular and widely read books of the Middle Ages, "Physiologus" contains allegories of beasts, stones, and trees both real and imaginary, infused by their anonymous author with the spirit of Christian moral and mystical teaching. Accompanied by an introduction that explains the origins, history, and literary value of this curious text, this volume also reproduces twenty woodcuts from the 1587 version. Originally composed in the fourth century in Greek, and translated into dozens of versions through the centuries, "Physiologus" will delight readers with its ancient tales of ant-lions, centaurs, and hedgehogs and their allegorical significance. An elegant little book . . . still diverting to look at today. . . . The woodcuts reproduced from the 1587 Rome edition are alone worth the price of the book. Raymond A. Sokolov, "New York Times Book Review"

FREE AND FAITHFUL IN CHRIST: GENERAL MORAL THEOLOGY

An exploration into Christian moral theology focuses on the relationship between freedom and truth and probes such concepts as covenant fidelity, human honor, beauty, glory, liberation through faith, and faith and ecumenism

Bolchazy-Carducci Publishers

THE MORAL TEACHING OF PAUL

SELECTED ISSUES, 3RD EDITION

Abingdon Press In this expanded and updated third edition of an important work, respected Pauline scholar Victor Paul Furnish presents an analysis of some of Paul's most famous yet often misunderstood ethical teachings. Dr. Furnish enriches his discussion of key Pauline topics including: sex, marriage, divorce, homosexuality, women in the church, and the Church in the world. He pays particular attention to the socio-cultural context of Paul's ministry, the complexity of his thought, the character of his moral reasoning, and the way his thought and reasoning may inform and challenge us today. Victor Paul Furnish is University Distinguished Professor of New Testament, Emeritus at Perkins School of Theology, Southern Methodist University, and general editor of the Abingdon New Testament Commentaries.

THE LITURGICAL YEAR: ADVENT

BRAVE NEW WORLD REVISITED

A NOVEL

Harper Collins When Aldous Huxley wrote his famous novel Brave New World, he did so with the sincere belief that the dystopian world he created was a true possibility given the direction of the social, political and economic world order. Written almost thirty years later, Brave New World Revisited is a re-evaluation of his predictions based on the changes he had witnessed in the meantime. In this twelve-part essay, Huxley argues that society is moving toward his dystopian vision even faster than he had originally assumed, and provides his own suggestions on how to bring an end to this decadent decline. Brave New World Revisited condemns symptoms of modern life such as overpopulation, propaganda and extreme government control while providing a staunch defence of individualism. Despite being published over fifty years ago, the problems identified in Brave New World Revisited are still startlingly relevant, lending a chilling creditability to Aldous Huxley's unsettling predictions. HarperTorch brings great works of non-fiction and the dramatic arts to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperTorch collection to build your digital library.
