Reset

**Rupel J Jones Publishing** Hopelessly in a funk with no apparent way out, mortgage industry veteran, Mark Stiles, grasped desperately to the only thing that could help: **CHANGE**. For the past few years, Mark has been stuck in a life of mediocrity - unfulfilled and simply getting by..... Slowly, but surely, both his personal and professional lives have derailed and are on a one-way track to disaster. Now, after a chance encounter with an old friend and colleague in the business, Mark is presented with a challenging opportunity that can radically change his life. A change that could not only allow him to achieve his dreams and provide an abundant life for his family, but a change that could inject long-forgotten purpose, meaning and fulfillment back into his career and very soul. Whether you're a mortgage veteran or a newbie to the residential mortgage scene, this book is possibly the answer to your problems! It not only provides solutions to the issues you've faced with loan files, but it outlines a proven, strategic framework for re-structuring your life to reach all the goals you've set for yourself and achieve unlimited success. The only question is: are you prepared to hit the Reset button and change?

Jones

A Novel

Tijdens een slapeloze nacht overdenkt een man uit Wales zijn leven, dat mede door zijn besluiteloosheid teleurstellend en eenzaam is.

## The Publishers Weekly

### Oh Ye Mighty

### The Two Churches

iUniverse Thomas Belson's name has grown heavy with glory and honor. By his leadership, the nations of Thyro weathered Emperor Thaniel's dread conquest. By his holy vows, humanity finally deadened the sorcerous shriek of the Old Religion. He walked through the World Below to arm the righteous with knowledge against it. Those who count themselves allies of goodness and grace owe Constable Thomas Belson the debt of their remembrance. But perhaps there are things worth forgetting too. How Thomas rages against the gods to whom he swore his Constable's oath. How he laments nothing more than outliving his triumph. How he's killed enough men to make a hard winter blush and not all of them guilty. Come to think of it, not all of them men either. Perhaps what Belson the Blessed learned in the World Below should stay between him and Hell. It was that secret that made him nail children to pillars as all the allies of goodness and grace averted their righteous gaze. Thomas Belson won his war, but he hasn't stopped fighting in the decade since. Guilt and paranoia make him see Thaniel in every tin-pot tyrant, apocalypse in every shadow. His increasingly erratic behavior is a growing concern for the governments of Thyro. They've heard the rumors. They know he cries out in his sleep. The Matriarch of the New Church calls it a kindness when she absolves him of his oaths. After fifteen years of fighting, he can finally return to his family in The Confederacy to find peace. However, the powers that be have grown complacent in peace. Perhaps they watch apocalypse loom and dismiss it as shadows. Thomas Belson saw something in the World Below that drove him to atrocity, and Hell is nothing if not patient.

## Spotlight on the Art of Resilience

Createspace Independent Publishing Platform Resilience is largely an exercise of mindset and mindfulness, of perspective and persistence, of ways of thinking and of will. Inside, you will find personal stories and their lessons that are intended to help anyone who is struggling with a personal test or dealing with loss.

### "The Given Note"

## Traditional Music and Modern Irish Poetry

Cambridge Scholars Publishing The oldest records indicate that the performance of poetry in Gaelic Ireland was normally accompanied by music, providing a point of continuity with past tradition while bolstering a sense of community in the present. Music would also offer, particularly for poets writing in English from the eighteenth century onwards, a perceived authenticity, a connection with an older tradition perceived as being untarnished by linguistic and cultural division. While providing an innovative analysis of theoretical work in music and literary studies, this book examines how traditional Irish music, including the related song tradition (primarily in Irish), has influenced, and is apparent in, the work of Irish poets. While looking generally at where this influence is evident historically and in contemporary Irish poetry, this work focuses primarily on the work of six poets, three who write in English and three who write primarily in the Irish language: Thomas Kinsella, Seamus Heaney, Ciaran Carson, Gearóid Mac Lochlainn, Nuala Ní Dhomhnaill and Cathal Ó Searcaigh.

### New York Magazine

*New York* magazine was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

## Floods and Long-Term Water-Level Changes in Medieval Hungary

**Springer** The book provides an overview of the floods and major hydrological changes that occurred in the medieval Hungarian kingdom (covering the majority of the Carpathian Basin) between 1000 and 1500 AD. The analysis was based on contemporary documentary evidence presented for the first time and the results of archaeological and scientific investigations. Beyond the evidence on individual flood events, the book includes a comprehensive overview of short-, medium-, and long-term changes detected in a hydrologically sensitive environment during the transition period between the Medieval Warm Period and the Little Ice Age. It also discusses the possible causes (including climate and human intervention) and the consequences for the physical and human environment, namely the related hydro-morphological changes, short- and long-term social response, and human perception issues.

## Diseases of Poultry

**John Wiley & Sons** *Diseases of Poultry* is the most comprehensive reference for all aspects of poultry health and diseases, including pathogenesis, diagnostics, epidemiology, and control methods. Published in partnership with the American Association of Avian Pathologists, the Thirteenth Edition remains the international definitive reference, adding newer diagnostic methods and a new chapter on the emerging importance of zoonotic infections for poultry pathogens. Other updates include new high-quality photographs, additional discussion of conceptual operational biosecurity and disease control in organic production systems, and a greater emphasis throughout on the differences in disease incidence and treatments for the United States and other areas around the globe. Organized logically by disease type, the book offers detailed coverage of the history, etiology, pathobiology, diagnosis, and intervention strategies, as well as the economic and public health significance, for an exhaustive list of common and uncommon diseases. *Diseases of Poultry*, 13th Edition is an essential purchase for poultry veterinarians, veterinary diagnosticians, poultry scientists, students specializing in poultry health, and government officials who deal

with poultry health in regulatory climate.

## Variety and Daily Variety Television Reviews, 1993-1994

**Taylor & Francis** This collection of essays and reviews represents the most significant and comprehensive writing on Shakespeare's *A Comedy of Errors*. Miola's edited work also features a comprehensive critical history, coupled with a full bibliography and photographs of major productions of the play from around the world. In the collection, there are five previously unpublished essays. The topics covered in these new essays are women in the play, the play's debt to contemporary theater, its critical and performance histories in Germany and Japan, the metrical variety of the play, and the distinctly modern perspective on the play as containing dark and disturbing elements. To compliment these new essays, the collection features significant scholarship and commentary on *The Comedy of Errors* that is published in obscure and difficulty accessible journals, newspapers, and other sources. This collection brings together these essays for the first time.
