Forgotten Books Excerpt from Teamwork for Employment and Management Act of 1995: Hearing of the Committee on Labor and Human Resources United States Senate, One Hundred Fourth Congress, First Session, Permitting Labor Management Cooperative Efforts That Improve America's Economic Competitiveness to Continue to Thrive, and for Other Pu There are going to be other Senators coming - I am not going to be the only one here - but Senator Kennedy has said please go ahead and start. He is on his way, as are other Senators. Before I call the first witnesses, let me just give an opening statement which will give a little background on the legislation that we are going to be discussing today. We are going to be hearing testimony on the cutting edge of human resource practices. It is always hard for us to begin to think anew of ways that we can work in the workplace or work in the Congress; we have a hard enough time just thinking about ways to change our committees. But I think that if we really want to get ahead and make a constructive effort wherever we are, that we have to be willin to think anew. Challenge and Strategy

Rethinking India's Foreign Policy

SAGE Publishing India The book examines India's current and looming foreign policy challenges from a strategic and policy-oriented perspective. It analyzes the long-term factors and trends that should determine the country's foreign policy formulation. The author urges a reappraisal of India's approach if it is to become a major player in the complex and rapidly evolving 21st century world. Challenge and Strategy: Rethinking India's Foreign Policy focuses on India's immediate and strategic neighbourhood. It also looks at important issues like energy security, economic diplomacy, the interaction between defence and diplomacy, and foreign policy institutions. A unique feature of the book is that it combines the perspectives of a historian, a diplomat and a scholar. With many new out-of-the-box ideas and policy suggestions, it makes a valuable contribution to the ongoing debate on foreign policy within India's strategic community. This lucid and succinct book is a must-read for policy-makers, diplomats and foreign policy analysts. The corporate and business community too will find it professionally relevant. It is also an important knowledge resource for students of Indian politics, international relations, and defence and strategic studies, and others who are interested in India's foreign policy.

The Universe in Your Hand

A Journey Through Space, Time and Beyond

Pan Macmillan Imagine if *The Hitchhiker's Guide to the Galaxy* were a real, practical book about the mysteries of the universe . . . *The Universe in Your Hand* takes us on a wonder-filled journey to the surface of our dying sun, shrinks us to the size of an atom and puts us in the deathly grip of distant black holes. Along the way you might come to understand, really understand, the mind-bending science that underpins modern life, from quantum mechanics to Einstein's theory of general relativity. Through brilliant storytelling and humour rather than graphs and equations, internationally renowned astrophysicist Christophe Galfard has written an instant classic that brings the astonishing beauty of the universe to life - and takes us deep into questions about the beginning of time and the future of humanity.
