Foxe's 'Book of Martyrs' and Early Modern Print Culture

Cambridge University Press This book was first published in 2006. Second only to the Bible and Book of Common Prayer, John Foxe's Acts and Monuments, known as the Book of Martyrs, was the most influential book published in England during the sixteenth and seventeenth centuries. The most

complex and best-illustrated English book of its time, it recounted in detail the experiences of hundreds of people who were burned alive for their religious beliefs. John N. King offers the most comprehensive investigation yet of the compilation, printing, publication, illustration, and reception of the *Book of Martyrs*. He charts its reception across different editions by learned and unlearned, sympathetic and antagonistic readers. The many illustrations included here introduce readers to the visual features of early printed books and general printing practices both in England and continental Europe, and enhance this important contribution to early modern literary studies, cultural and religious history, and the history of the *Book*.

White Line Fever

Lemmy: The Autobiography

Simon and Schuster **Lemmy's name was synonymous with notorious excess. His blood would have killed another human being. This is the up-to-date story of the heaviest drinking, oversexed speedfreak in the music business who tragically passed away earlier this year. Lemmy had quickly outgrown his local bands in Wales, and tripped through his early career with the Rocking Vicars, backstage touring with Jimi Hendrix, and his time with Hawkwind. In 1975 he went on to create speedmetal and form the**

legendary band Motörhead. Motörhead stand firm as conquerors of the rock world, their history spanning an insurrectionary forty years. While the Motörhead line-up saw many changes, Lemmy was always the soul of the machine. In the words of drummer Mikkey Dee, 'Lemmy was Motörhead.' White Line Fever has been completely updated post Lemmy's untimely death in 2016, and offers all Motörhead fans who loved his music a sometimes hilarious, often outrageous, highly entertaining ride with the frontman of (what was) the loudest rock band in history. A truly epic finale, and tribute, to Lemmy from those who loved him best.

Faith Rising—Between the Lines

Intimations of Faith Embedded in Modern Fiction

Wipf and Stock Publishers This writing intends to rouse would-be believers to faith--or enhance the faith of others--through the adventure of modern fiction. While taking note of the secularity of our era, the author insists the Spirit of God has not departed the scene. The opening poem by Emily Dickinson, "Tell all the truth but tell it slant," proposes the author's contention that the "indirect discourse" of fictional writers may welcome readers to faith's door in ways sermonic speech never did. The modern authors chosen for this purpose are Izak Dinesen, Annie Dillard, Kent Haruf, Loren Eiseley, Gary Trudeau, Garrison Keillor, William Golding, Walker Percy, Frederick Buechner, and Gabriel Marcel. Having explained one work each by these noted authors, the book closes by pointing to ways in which embedded faith may rise out of these pages to meet the reader where he or she lives.

Nali

Xlibris Corporation **NALI** By Esther Henry In an era of darkness, mystery, tropical jungles and cannibalism, Nali tries to buck the ancient traditions, only to find herself deeply entrenched in them. As a young girl full of dreams, she is given to a tribal elder in marriage and quickly learns that her girlhood dreams could be shattered overnight. The rain forest held a secret refuge that only Nali knew, where she took her dreams and her delusions. Will she be forced to succumb to a subservient role the rest of her life, or can she overcome the hopelessness that comes with isolation, ignorance and tradition? Deep in the heart of New Guinea lies the village of Mendoka, beautifully camouflaged from the rest of the world. Although the village has yet to be discovered, the outside world would soon have an influence on their lives. An interruption to their peaceful simplicity would both terrify them and cause them to search for answers. Readers will be able to follow the lives of those who lived in a much simpler time and become immersed in the culture that controlled their everyday existence.

I Hope They Serve Beer In Hell

Citadel The "highly entertaining and thoroughly reprehensible" #1 New York Times bestseller—now with sixteen pages of photos and a new introduction (The New York Times). My name is Tucker Max, and I am an asshole. I get excessively drunk at inappropriate times, disregard social norms, indulge every whim, ignore the consequences of my actions, mock idiots and posers, sleep with more women than is safe or reasonable, and just generally act like a raging dickhead. But, I do contribute to humanity in one very important way: I share my adventures with the world. --from the Introduction Actual reader feedback: "I find it truly appalling that there are people in the world like you. You are a disgusting, vile, repulsive, repugnant, foul creature. Because of you, I don't believe in God anymore. No just God would allow someone like you to exist." "I'll stay with God as my lord, but you are my savior. I just finished reading your brilliant stories, and I laughed so hard I almost vomited. I want to bring that kind of joy to people. You're an artist of the highest order and a true humanitarian to boot. I'm in both shock and awe at how much I want to be you."
