The Permissive Sense

Hints and Helps to Bible Interpretation that Vindicates

God's Character of Love

Troy Edwards One does not have to read too far into the Bible to find that it says the following about Him: God hardened people's hearts. God put lying spirits in the mouth of false prophets. God personally deceived prophets. God Blinded people to the truth. God inflicted sickness. God sent natural disasters. God moved people to sin. God tempted men. God intentionally gave men unrighteous laws. God created evil. And even more.... Such statements have presented insurmountable difficulties to Bible readers. Failure to understand them properly have led to doctrines that paint God in less than a favorable light. However, when we understand the permissive sense, most difficulties with such verses will disappear. This book will help you understand this important principle and will remove all doubt about God's love, goodness, and holiness.

God is Said to do that which He Only Permits

Exploring a Neglected Principle of Bible Interpretation that Vindicates God's Character

Troy Edwards "It is usual in Scripture to attribute to the Supreme Power, acts which are virtually those of his instruments, and which he merely permits." - Charles Edward Fraser-Tytler Many false charges have been leveled at God by His critics (atheists, agnostics, satanists, etc.) due to misreading the Bible. Part of the problem has been the failure to understand the idiomatic language used in the Ancient Near East, especially among the Hebrew people, from which our God inspired Scriptures have their origin. This failure has led to more misunderstandings about God and His inspired Word than we can attest to. While the Hebrews had numerous idioms I am fully persuaded that the most neglected one among theologians and Bible translators has been what I prefer to label as "the permission idiom". This is the idiom that, as we will learn in this study, scholars tell us is one in which God is said to be the cause of that which He merely allowed or permitted or did not prevent from happening. May the Lord use this book to help you understand Him and your Bible better.

God Didn't Do It

Troy Edwards We hear the religious clichés quite often: “God is in control,” “God took my child,” “God’s ways are mysterious, His wonders to perform,” and other statements attributing life’s hardships to God. God has been falsely accused of doing things that He actually hates. In this short book we use the Bible, God’s own written Word, to set the record straight concerning His involvement in the harsh realities of life. When you have finished reading this book, you will no longer blame God for the difficulties you encounter and you will be able to point others to a loving kind God who is for us and not against us.

Justification in a Post-Christian Society

Wipf and Stock Publishers Since the Reformation in the sixteenth century, Lutheran traditions have had a great impact on culture and politics in many societies. At the same time Lutheran churches have impacted personal faith, basic morality, and ethics. Modern society, however, is quite different from the time of the Reformation. How should we evaluate Lutheran tradition in today's Western multicultural and post-Christian society? Is it possible to develop a Lutheran theological position that can be regarded as reasonable in a society that evidences a considerable weakening of the role of Christianity? What are the challenges raised by cultural diversity for a Lutheran theology and ethics? Is it possible to develop a Lutheran identity in a multicultural society, and is there any fruitful Lutheran contribution to the coexistence of different religious and nonreligious traditions in the future?

Aquinas and the Supreme Court

Race, Gender, and the Failure of Natural Law in Thomas's Biblical Commentaries

John Wiley & Sons This new work clarifies Aquinas' concept of natural law through his biblical commentaries, and explores its applications to U.S. constitutional law. The first time the use of Aquinas on the U.S. Supreme Court has been explored in depth, and its applications tested through a rigorous reading of the biblical commentaries Shows how key judgments in the Supreme Court have rested on medieval natural law, and applies critical gender theory to discuss problems with these applications Offers new research data to give a different picture of Aquinas and natural law, and a fresh take on Aquinas' biblical commentaries New research based on

passages in the biblical commentaries never before available in English

Does God Send Sickness?

Vindicating God's Character Concerning Sickness and Disease Paperback

Troy Edwards "God is said in Scripture to send what he can (but doth not) hinder from being sent." - Edward Bird (1726) God has been taking the blame for sickness and disease for centuries. We have been told that He sends sickness as an aid to spiritual growth and piety or as a punishment for sin. Vast amounts of Scripture have been cited to support this claim. This idea has contributed to the lack of faith prevalent in the church today for healing and deliverance. After all, if God gave a person sickness then His willingness to heal is questionable. Faith can only be present where the will of God is known. However, if sickness is seen as an enemy of God then faith in God's willingness to heal is more likely to rise. Numerous apologetic books have been written in support of divine healing, but most have not dealt completely with the many Biblical passages that appear to make God the direct cause of sickness. This book is different in that it will look at these difficult Bible passages in light of the permissive idiom of the ancient Hebrew language, in which God is often said to do the things that He merely allowed or permitted to happen. Those passages in both the Old and New Testaments that make God appear to be a cold and cruel dispenser of sickness and disease will be seen in a new light. You will see God's loving character vindicated, your Bible will be a fresh source of blessing, and your faith in God for health and healing will soar.

Poised for Harvest, Braced for Backlash

Xulon Press What are the true implications of the Holy Spirit backing up the gospel with power? What if you only had a short amount of time to train new disciples due to an outbreak of persecution? What would you need to deposit in a first round of disciples in order to catalyze a rapidly-expanding, New Testament-caliber movement whose adherents stay faithful to Jesus through trials and opposition? Drawing on his experiences in the Muslim world and other ministry contexts, Tim Miller examines these questions and more in Poised for Harvest, Braced for Backlash. "This book presents a strategy of mission that is far from new-it simply goes back to the model gleaned from the New Testament. I earnestly desire that my students lay hold of what Tim Miller is communicating in this

book. Kenneth Krause, Director, Bethany College of Missions "Inspiring, a fresh look at modern missionary approaches in the context of catalytic church planting movements. Written from thoughtful reflection and passionate practice." Daniel Lim, Chief Executive Officer, IHOP Missions Base "This book is explosive, born not out of theory but by the Spirit and practice. If you truly want to make disciples of all nations as Jesus commanded, this book is a must read." Jaeson Ma, Founder, Campus Church Networks "Tim Miller has described an approach to mission among resistant people that I believe is biblical, effective, and sensitive to the cultural context. It often sounds like the book of Acts." Paul Pierson, Dean Emeritus, School of Intercultural Studies, Fuller Theological Seminary Timothy Miller has served as a church planter in various contexts and on staff at the International House of Prayer in Kansas City. He and his family continue to serve Jesus among the nations, and have a passion for the convergence of prayer, missions, and business.

The Wrath of God

What it is and How it is Executed

Troy Edwards God has been misrepresented by both His "followers" and His enemies. Most of the misrepresentation centers around the Biblical phrase, "the wrath of God". This misrepresentation is due to the failure of both "defenders" and "detractors" of God to thoroughly study Scripture's teaching on this subject. In this book we show the reader that as we allow Scripture to interpret itself we will find that God's wrath does not equate to the angry destructive being that He is often portrayed to be nor does His wrath eliminate His love. The reader will learn that Scripture presents a consistent picture of a loving God trying to save mankind from the destructive power of our own sins.

The Andover Review

Is the Future Set in Stone?

A Biblical study of God's relation to time and knowledge of the future

Troy Edwards God knows all things and there is nothing that is hidden from Him. Therefore, if the future is already in existence and is a settled reality then there is no doubt that God knows it exhaustively. Yet, what if the future does not exist as the past did and the present currently does? Is it necessary for an omniscient God to have exhaustive knowledge of a non-existent entity? In his book, "Is the Future Set in Stone?," Pastor Troy J. Edwards presents a thorough examination of the Scriptures, revealing the fact that the future is NOT in existence until it happens. This truth is important to understanding why God is by no means responsible for the fall of devils, men and the horrendous evil on the earth. You will also see how God works with His free-will creatures to shape the future and bring it about.

The Bible Principle of Accommodation

Answering the Questions as to Why God Permitted Divorce, Capital Punishment, Slavery, War, Polygamy, and more

Troy Edwards I have so much more to tell you, but it is too much for you to accept now. (John 16:12; Easy to Read Version)God was faced with a problem. He needed a nation on the earth that He could work through in order to send forth the Messiah and bring about man's redemption. However, His chosen people, Israel, were strongly influenced by pagan thinking. Attempting to abruptly change their mindset to one of a high godly ideal was impossible. God had to work with the people at the level where they were at and progressively lead them to a "more excellent way" (1 Cor. 12:31).In the meantime, God had to accommodate their pagan thinking and regulate it to minimize its harmful effects. The principle of accommodation is a Bible interpretation principle that helps us to

understand why certain things in Scripture were commanded or permitted, things that God did not endorse but only tolerated for a period of time.

The Meaning of Faith

DigiCat DigiCat Publishing presents to you this special edition of "The Meaning of Faith" by Harry Emerson Fosdick. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. No Eternal Hell

Wipf and Stock Publishers In eternity, God will deal lovingly and effectively with all sin and evil. God will not, however, deal with sin and evil eternally. There is no need: God will destroy all sin and evil while saving everyone who ever lived. There is no eternal hell. This book presents reasons for such a large and hopeful faith.

Saving God's Reputation

The Theological Function of Pistis Iesou in the Cosmic Narratives of Revelation

A&C Black This book pursues the conviction that the cosmic conflict imagery in Revelation is the primary and controlling element in the account of the aspiration of the Roman Empire and the imperial cult in Asia Minor.

Who is Jesus?

A&C Black Keck clarifies the difference between the way Jesus is presented in the gospels and the way critical historians portray him. He then looks at Jesus as a first-century Jew, conscious of the difficulty and importance of recovering Jesus' particular form of Jewishness. He then considers how Jesus' mission was energised by his grasp of the kingdom of God, contending that Jesus clearly expressed a conviction that God's definitive reign was impending and would transform the lives of those who responded affirmatively to his message. He goes on to probe the meaning of the crucifixion of Jesus, in light of the biblical understanding of God's holiness, a theme largely neglected today. He concludes by looking at Jesus' role in the moral life of the Christian community.

The Christian Quaker, and His Divine Testimony Stated and Vindicated

An humble attempt to vindicate the principles and characters of the Burgher seceders, from the groundless aspersions cast upon them by Mr. Robert Smith, Minister of the Antiburgher congregation at Auchinleck, in his pamphlet, intitled, Self-inconsistency exemplified: wherein the Burghers opposition to their own profession of religion is demonstrated ... To which is subjoined, the Act of the Associate Synod, met at Stirling, the 29th of October, 1747, declaring the nullity of the pretended

Synod, that first met in Mr. Gib's house in Bristo, near Edinburgh, April 10th, 1747

The God of the Blank Check

Troy Edwards In these difficult and trying times it is more important now than ever before that we know the true character of God. There is no better explanation of His character than the revelation of His Name, "I am". With this Name, God lovingly condescended to His people by giving them a "blank check" to fill out, submit to the bank of Heaven, and receive what they need from Him. In this study, we will learn about the riches God has placed in our Heavenly bank account through His "I am" Name. Your faith will soar as you learn about the God who is willing to meet every need and godly desire of His children. Your excitement will increase as you understand that His "I am" promises are guaranteed through our Lord Jesus Christ.

Adventism Re-examined: 75 Years of Changes, Challenges and Choices

Lulu.com My book's objective is to describe the beliefs, practices, and ventures of the Adventist church that have had or still have a significant impact on my life. Looking back, I now have a better understanding why ancient Israel was repeatedly told to remember what God had done for them. For this reason, there will be much reminiscing, retelling of personal experiences, and evaluating church teachings and decisions, all in the endeavor to make sense of what has happened. That can only take place if we bathe our words and expressions in grace, love and understanding. The book endeavors to answer the underlying question: what do we mean when we use the term "church"? What are the primary reasons for its existence? When you ask Adventists such a question, we hope they answer with a reply that is inspiring and practical. In presenting my view of Adventism over the past seventy-five years, it's had a positive

effect on my knowing and understanding Jesus-and I hope the same goes for you!

Interpreting the Minor Prophets
