The study concentrates on the Writings (Old Testament books not in the Torah or the Prophets), the Gospel of John, and Revelation. Emphasis on the Psalms as Israel's hymnbook and prayer book leads natural to an emphasis on worship in the study. Present through the entire study is the sense of living toward completion - toward the climax of the message and the promise, extravagantly pictured in Revelation. The image of the tree and the color gold emphasize the prod and promise in the Scriptures for DISCIPE IV: UNDER THE TREE OF LIFE. The word under in the title is meant to convey invitation, welcome, sheltering, security, and rest - home at last. Commitment and Time Involved 32 week study Three and one-half to four hours of independent study each week (40 minutes daily for leaders and 30 minutes daily for group members) in preparation for weekly group meetings. Attendance at weekly 2.5 hour meetings. DVD Set Four of the five videos in this set contain video segments of approximately ten minutes each that serve as the starting point for discussion in weekly study sessions. The fifth video is the unique component that guides an interactive worship experience of the book of Revelation. Under the Tree of Life Scriptures lend themselves to videos with spoken word, art, dance, music, and drama. Set decorations differs from segment to segment depending on the related Scripture and its time period. Set decoration for video segments related to the Writings generally has a Persian theme. Set decoration for the New Testament video segments emphasizes the simpler life of New Testament times. *Visual Basic 2008 How to Program Prentice Hall* Appropriate for all basic-to-intermediate level courses in Visual Basic 2008 programming. It became one of the most notorious soccer gangs in Britain. Mark Chester was a founder member of the N40. Already a hardened fighter, he had been expelled from school after an unsettled childhood and joined the Staffordshire Regiment, only to be discharged for misconduct. Stoke City's emerging 'casual' mob became his family. 'Right or wrong, I was ready to be a committed football hooligan,' he says. He recounts tales of raucous coach trips from the Glebe pub and the pivotal clashes with the likes of Everton, Manchester United and West Ham that defined the new firm. Formidable characters came to the forefront, men like the giant Mark Bentley, Philler the Beast and the legendary Miffer, while hair-raising clashes with the likes of Millwall, Spurs, Aston Villa and Manchester City saw the gang's reputation spread. The N40 code was simple: whatever the odds, they would always make a stand. Many times they fought when heavily outnumbered yet often came out on top. They developed a closeness and cohesion rare among the football gangs. Loyalty was their watchword. Soon they were joined by the Under-Fives, a younger element determined to win acceptance from the terrace legends they admired and who carved out their own niche as well as fighting side by side with the old-school heads. Police operations, bans from the ground and the introduction of ID schemes have prevented many from attending games, but the author, long 'retired' from the scene, argues that in the new millennium the gangs are back - and as ferocious as ever. NAUGHTY is essential reading for anyone wishing to understand the illicit but seductive lure of terrace combat, the emotional ties of a gang and the addictive buzz of Saturday afternoons.
