GEARHEAD AT LARGE

**A BACKROAD TOUR OF AUTOMOTIVE HISTORY AND THE OLD CAR
HOBBY**

McFarland A popular feature in *Antique Automobile* magazine, Steven Rossi's columns open up the world of old cars, transporting readers to earlier times from the age of horseless carriages through the evolution of cars and car culture. This compilation from a decade's writings draws on a lifetime of knowledge and experience amassed in the antique auto hobby, the enthusiast community and the automotive industry to explore topics large and small. The selected essays, edited and with photographs provided by award-winning *Antique Automobile* editor West Peterson, include informative treatments of historical subjects and technical matters, whimsical observations, important brand and model analyses, profiles of compelling personalities and an abundance of fascinating excursions down side roads of the automotive map. For the curious, think of this collection as a crash course in automotive history. For those already immersed in the old car universe, it offers fresh insights and an authoritative perspective on topics of lasting interest.

SEMI TRUCK COLOR HISTORY

TROUBLESHOOTING MARINE DIESEL ENGINES, 4TH ED.

McGraw Hill Professional This densely illustrated, hands-on guide to diesel engine maintenance, troubleshooting, and repair renders its subject more user-friendly than ever before. Finally, boatowners who grew up with gas engines can set aside their fears about tinkering with diesels, which are safer and increasingly more prevalent. As in other volumes in the International Marine Sailboat Library, every step of every procedure is illustrated, so that users can work from the illustrations alone. The troubleshooting charts in the second chapter--probably the most comprehensive ever published--are followed by system-specific chapters, allowing readers to quickly diagnose problems, then turn to the chapter with solutions. Diesel engine systems covered include: mechanical; oil; fresh- and raw-water cooling; low- and high-pressure fuel; exhaust; starting; charging; transmission and stern gear.
