The Urban Deer Complex

Real Tactics of the Part-Time Hunter

Shotgun Guide (Field & Stream)

Shotgun Skills You Need

Weldon Owen From the most trusted brand in outdoor sports, *Field & Stream*, this book is drawn from the *Total Gun Manual*, the latest in the top-selling series that began with *The Total Outdoorsman* (200,000 copies in print!). Author **Phil Bourjaily** is the magazine's Shotguns Editor, a popular blogger, and co-host of the Gun Nuts show on the Outdoor Channel (sponsored by Smith & Wesson). When it comes to shotguns, *Field & Stream's* Phil Bourjaily is the real deal. He loves to talk guns, to clay shoot, and to hunt waterfowl, upland birds, turkeys, small game, and even deer with a shotgun. He has a wealth of advice and opinions to share, and isn't shy about doing so. Charismatic and funny, he's the guy you'd want helping you choose the right gun, fix your stance, and bag the ultimate Thanksgiving turkey. This book covers all the basics: Understanding your gun options, choosing the right gun for every situation, understanding shot and shells, old-school blackpowder hints, improving your shooting and hunting performance, and much, much more.

Hemingway's Guns

The Sporting Arms of Ernest Hemingway

Rowman & Littlefield Ernest Hemingway is a mythic writer and alpha male. As a hunter and conservationist, he drew greatly from the strong example

of Theodore Roosevelt, and he much enjoyed teaching newcomers to shoot and hunt. Including short excerpts from Hemingway's works, these stories of his guns and rifles tell us as much about him as a lifelong, expert hunter and shooter and as a man.

Unsaid

A Novel

Hachette UK In this **USA Today** bestselling debut novel, Neil Abramson explores the beauty and redemptive power of human-animal relationships and the true meaning of communication in all of its diverse forms. As a veterinarian, Helena was required to choose when to end the lives of the terminally ill animals in her care. Now that she has died, she is afraid to face them and finally admit to herself that her thirty-seven years of life were meaningless, error-ridden, and forgettable. So Helena lingers, a silent observer haunted by the life she left behind-her shattered attorney husband, David; her houseful of damaged but beloved animals; and her final project, Cindy, a chimpanzee trained to use sign language who may be able to unlock the mysteries of animal communication and consciousness. When Cindy is scheduled for a research experiment that will undoubtedly take her life, David must call upon everything he has learned from Helena to save her. In the explosive courtroom drama that follows, all the threads of Helena's life entwine and tear as Helena and David confront their mistakes, grief, and loss and discover what it really means to be human. Abramson's next novel, **JUST LIFE**, published in May 2016.

2016 Standard Catalog of Firearms The Collector's Price & Reference Guide

Gun Digest Reference catalog of firearms valuations and pricing, complete with identification pictures and in-depth descriptions.

The Gun and Its Development

Simon and Schuster First published in Great Britain in 1881 and subsequently revised nine times between then and 1910, The Gun and Its Development traces the fascinating history of weaponry: the obscure, ancient origins of the slingshot and the bow, the invention of the crossbow, possibly around 1000 AD; the introduction of gunpowder into Europe in the fourteenth century; the development of sporting and military guns over the centuries thereafter; and the rise of modern, mass-produced firearms in the early twentieth century. Chapters cover early to modern handguns; gunpowder ignition methods from fuses and flintlocks to percussion fulminates; shotguns; hammerless guns; ejector guns; the history of the firearms industry; manufacturing methods and their development in Britain, America, and elsewhere; how to use and handle different types of guns; ballistics; the development of rifling and smokeless powder; and much more. Copiously illustrated with photographs and marvelous engravings, The Gun and Its Development is the classic, authoritative reference work on the subject, certain to be of great interest to marksmen, hunters, gun collectors, and anyone interested in military or industrial history.

Shotguns: A Comprehensive Guide

Prepper Press Shotguns: A Comprehensive Guide is Steve Markwith's second firearms book in the Survival Guns series. This book covers the details of buying, owning, and shooting a shotgun. Steve takes the reader from understanding the many differences between various models, old and new, to detailing chokes, barrels, and shot patterns. He covers essential topics such as cleaning, safety, and training. The information contained within is detailed, covering far more than just the firearm itself, leaving the reader confident in his/her plan to learn the about the gun in a reasoned, logical way. Steve's decades of experience and no-nonsense writing style makes this book a joy to read. Complemented with many photographs, this is a must-have on the bookshelf of any firearms enthusiast.

The World of Beretta

An International Legend

Simon and Schuster Fabbrica d'Armi Pietro Beretta, S.p.A., the oldest industrial firm and the oldest gunmaker in the world, launches its 475th anniversary with the publication of this lavish history and celebration of a unique world of Beretta firearms. Beretta remains under the stewardship of its founding family and reigns as one of the few international brands symbolic of unsurpassed quality. Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts. We publish books about shotguns, rifles, handguns, target shooting, gun collecting, self-defense, archery, ammunition, knives, gunsmithing, gun repair, and wilderness survival. We publish books on deer hunting, big game hunting, small game hunting, wing shooting, turkey hunting, deer stands, duck blinds, bowhunting, wing shooting, hunting dogs, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

The Complete Guide to Hunting, Butchering, and Cooking Wild Game

Volume 1: Big Game

Random House A comprehensive big-game hunting guide, perfect for hunters ranging from first-time novices to seasoned experts, with more than 400 full-color photographs, including work by renowned outdoor photographer John Hafner. Steven Rinella was raised in a hunting family and has been pursuing wild game his entire life. In this first-ever complete guide to hunting—from hunting an animal to butchering and cooking it—the host of the popular hunting show *MeatEater* shares his own expertise with us, and imparts strategies and tactics from many of the most experienced hunters in the United States as well. This invaluable book includes • recommendations on what equipment you will need—and what you can do without—from clothing to cutlery to camping gear to weapons • basic and advanced hunting strategies, including spot-and-stalk hunting, ambush hunting, still hunting, drive hunting, and backpack hunting • how to effectively use decoys and calling for big game • how to find hunting locations, on both public and private land, and how to locate areas that other hunters aren't using • how and when to scout hunting locations for maximum effectiveness • basic information on procuring hunting tags, including limited-entry “draw” tags • a species-by-species description of fourteen big-game animals, from their mating rituals and preferred habitats to the best hunting techniques—both firearm and archery—for each species • how to plan and pack for backcountry hunts • instructions on how to break down any big-game animal and transport it from your hunting site • how to butcher your own big-game animals and select the proper cuts for sausages, roasts, and steaks, and how to utilize underappreciated cuts such as ribs and shanks • cooking techniques and recipes, for both outdoor and indoor preparation of wild game

The Old Pro Turkey Hunter

Univ. Press of Mississippi During his life, Gene Nunnery was recognized as a master turkey hunter and an artisan who crafted unique, almost irresistible turkey calls. In *The Old Pro Turkey Hunter*, the vaunted sportsman shares over fifty years of personal experience in Mississippi and surrounding states, along with the decades-old wisdom of the huntsmen who taught him. Throughout the book, his stories make clear that turkey hunting is more than just killing the bird—it is about matching wits with a wild and savvy adversary. As Nunnery explains, "To me that's what it's all

about: finding a wise old gobbler who will test your skill as a turkey hunter." Through his stories, Nunnery reveals that the true reward for successful turkey hunting lies in winning the contest, not necessarily exterminating the foe. Real sportsmen know that every now and then the turkey should and will elude the hunter. As Nunnery looks back on his extensive career, he analyzes vast differences in practice, old and new. The shift, he decides, came during his last twenty years on the hunt, and that difference has only increased in the decades since this book was originally published. Michael O. Giles, Bass Pro staff team member, master turkey hunter, and award-winning outdoors writer and author of *Passion of the Wild*, writes a new foreword that brings the practice of turkey hunting into the present day. Filled with a tested mixture of common sense and specific examples of how master turkey hunters honor their harvest and heritage, *The Old Pro Turkey Hunter* is the perfect companion for the novice or the adept.

Motos, Sudor Y África

Adah's Story

A Novel

Aloha Rodeo

Three Hawaiian Cowboys, the World's Greatest Rodeo, and a Hidden History of the American West

HarperCollins The triumphant true story of the native Hawaiian cowboys who crossed the Pacific to shock America at the 1908 world rodeo championships Oregon Book Award winner * An NPR Best Book of the Year * Pacific Northwest Book Award finalist * A Reading the West Book Awards finalist "Groundbreaking. ... A must-read. ... An essential addition." —True West In August 1908, three unknown riders arrived in Cheyenne, Wyoming, their hats adorned with wildflowers, to compete in the world's greatest rodeo. Steer-roping virtuoso Ikua Purdy and his cousins Jack Low and Archie Ka'au'a had travelled 4,200 miles from Hawaii, of all places, to test themselves against the toughest riders in the West. Dismissed by whites,

who considered themselves the only true cowboys, the native Hawaiians would astonish the country, returning home champions—and American legends. An unforgettable human drama set against the rough-knuckled frontier, David Wolman and Julian Smith's Aloha Rodeo unspools the fascinating and little-known true story of the Hawaiian cowboys, or paniolo, whose 1908 adventure upended the conventional history of the American West. What few understood when the three paniolo rode into Cheyenne is that the Hawaiians were no underdogs. They were the product of a deeply engrained cattle culture that was twice as old as that of the Great Plains, for Hawaiians had been chasing cattle over the islands' rugged volcanic slopes and through thick tropical forests since the late 1700s. Tracing the life story of Purdy and his cousins, Wolman and Smith delve into the dual histories of ranching and cowboys in the islands, and the meteoric rise and sudden fall of Cheyenne, "Holy City of the Cow." At the turn of the twentieth century, larger-than-life personalities like "Buffalo Bill" Cody and Theodore Roosevelt capitalized on a national obsession with the Wild West and helped transform Cheyenne's annual Frontier Days celebration into an unparalleled rodeo spectacle, the "Daddy of 'em All." The hopes of all Hawaii rode on the three riders' shoulders during those dusty days in August 1908. The U.S. had forcibly annexed the islands just a decade earlier. The young Hawaiians brought the pride of a people struggling to preserve their cultural identity and anxious about their future under the rule of overlords an ocean away. In Cheyenne, they didn't just astound the locals; they also overturned simplistic thinking about cattle country, the binary narrative of "cowboys versus Indians," and the very concept of the Wild West. Blending sport and history, while exploring questions of identity, imperialism, and race, Aloha Rodeo spotlights an overlooked and riveting chapter in the saga of the American West.

Blue Book of Gun Values

The new 33rd Edition of the Blue Book of Gun Values by S.P. Fjestad has been expanded to 2,432 pages, easily making it the highest page count of any firearms book currently in print. New 2012 makes and models have been included, along with updated values on discontinued firearms and antiques. Once again, the 80-page Photo Percentage Grading System™ provides high resolution color images that are the last word to help ascertain any firearm's correct condition factor based on the percentage of original condition. Revolvers, pistols, rifles, and shotguns are also shown separately, in addition to NRA Antique Condition Factors.

U.S. Rifle, Caliber .30, M1

Sporting Shotgun Performance Measurement, Analysis, Optimisation America, Wild Turkeys and Mongrel Dogs Life Lessons from a Hunting Master

Morgan's humorous and resource-filled collection of essays centers on turkey hunting, wildlife behavior, and growing up in the small Louisiana town of Jackson in the mid-20th century. A mixed breed of a book, it's what you get when you cross the roguish, homespun charm of a master storyteller with the wisdom of a master hunter, turkey caller maker, inventor, naturalist, and teacher-philosopher. With humility and humor the late Kenny Morgan (1946-2011) uses the antics of his lovable, but uncivilized childhood mongrel dog, Buster, as allegory for human nature, with the gentle reminder that "how you act matters." Morgan offers a witty examination of simpler times, giving voice to characters and shenanigans of his colorful life, with relevance -- life lessons -- for our time. The book's format pairs lush images of wildlife and American landscapes with Morgan's thoughtful musings on 50+ years of pursuing the wild turkey-- and the practice he's learned along the way to "live artfully." "My intent is to set standards by teaching the artistry of the hunt: practicing cleverness and integrity in the pursuit of wild things," he says. Indeed, the book brims with expert wild turkey-calling and -hunting technique. But its real beauty comes through Morgan's captivating observations of wildlife, told with vivid tales that ensnare hunters and non-hunters alike with fascinating insights, such as how animals communicate--even across species--to look out for one another. Even more, it's about applying principles learned in the wild to cultivate decency with choices we make on the paths of the everyday. Anyone who appreciates a story well-told and compelling art photographs, or someone looking for first-rate tips to call up and bag a gobbler, will find this book a valuable addition to their library, nightstand, or coffee table. America, Wild Turkeys & Mongrel Dogs is a celebration of the joy that is all around us.

Standard Catalog of Ruger Firearms

Gun Digest Standard Catalog of Ruger Firearms is the most complete guide available for buyers, sellers and collectors of these iconic firearms. Ruger enthusiasts of all interests will benefit from the accurate and detailed technical specifications, expertly analyzed prices and superb color photos featured in this comprehensive reference.

In Theory and Practice

Tokyo

A Certain Style

Chronicle Books Ah, think of the serene gardens, tatami mats, Zen-inspired decor, sliding doors, and shoji screens of the typical Japanese home. Think again. Tokyo: A Certain Style, the mini-sized decor book with a difference, shows how, for those living in one of the worlds most expensive and densely packed metropolises, closet-sized apartments stacked to the ceiling with gadgetry and CDs are the norm. Photographer Kyoichi Tsuzuki rode his scooter all over Tokyo snapping shots of how urban Japanese really live. Hundreds of photographs reveal the real Tokyo style: microapartments, mini and modular everything, rooms filled to the rafters with electronics, piles of books and clothes, clans of remote controls, collections of sundry objets all crammed into a space where every inch counts. Tsuzuki introduces each tiny crash pad with a brief text about who lives there, from artists and students to professionals and couples with children. His entertaining captions to the hundreds of photographs capture the spirit and ingenuity required to live in such small quarters. This fascinating, voyeuristic look at modern life comes in a chunky, pocket-sized

format-the perfect coffee table book for people with really small apartments.

For the Love of Country Sports

A Passion for the Outdoors

Linda Mellor explores the genuine love and affection men and women have for the outdoors and country sports. She invites 40 country sports enthusiasts to share why they have a passion for outdoor pursuits. The results are heartwarming, individual, passionate and wrapped up in a deep respect for the outdoors and wildlife.
