The Way of the Mysterial Woman

Upgrading How You Live, Love, and Lead

She Writes Press The Way of the Mysterial Woman is for every woman who feels the call into greatness, authenticity, and meaningful living. This is The Way for women who are stepping into their lives with mind, body, heart, and soul fully engaged, ready to awaken to their true potential. We hear the clarion call, but how will we meet it? It's almost like we need a completely new internal operating system. The Mysterial Way is the upgrade we've been searching for. Women's leadership development pioneers and co-authors Suzanne Anderson and Susan Cannon know that we're not alone in our yearning to meet this call. In fact, they assure us that this is a naturally occurring global imperative for women. The Way of the Mysterial Woman reveals a Feminine source code, helping us once and for all break through our old limitations, and effectively take our lives to the next level so we can meet the unique callings and urgent challenges of these dynamic times. This is not a passive book for armchair travelers. Drawing upon real life success stories, based on their 12 years of running University certificate women's leadership programs, readers are guided through a step-by-step, transformative "Mysterial Sequence." Each interactive chapter offers practical and fun insights and practices that compel us toward genuine shifts and solid growth. The Way of the Mysterial Woman is a blend of cutting edge transformational psychology, ancient Mystery school secrets, and visionary evolutionary thinking delivered in a warm, down-to-earth style. Here is the elegant code we've been searching for that finally unlocks our greatest potential.

Hell's Angels

A Strange and Terrible Saga

Ballantine Books Gonzo journalist and literary roustabout Hunter S. Thompson flies with the angels—Hell's Angels, that is—in this short work of nonfiction. "California, Labor Day weekend . . . early, with ocean fog still in the streets, outlaw motorcyclists wearing chains, shades and greasy Levis roll out from damp garages, all-night diners and cast-off one-night pads in Frisco, Hollywood, Berdoo and East Oakland, heading for the Monterey peninsula, north of Big Sur. . . The Menace is loose again." Thus begins Hunter S. Thompson's vivid account of his experiences with California's most notorious motorcycle gang, the Hell's Angels. In the mid-1960s, Thompson spent almost two years living with the controversial Angels, cycling up and down the coast, reveling in the anarchic spirit of their clan, and, as befits their name, raising hell. His book successfully captures a singular moment in American history, when the biker lifestyle was first defined, and when such countercultural movements were electrifying and horrifying America. Thompson, the creator of Gonzo journalism, writes with his usual bravado, energy, and brutal honesty, and with a nuanced and incisive eye; as *The New Yorker* pointed out, "For all its uninhibited and sardonic humor, Thompson's book is a thoughtful piece of work." As illuminating now as when originally published in 1967, *Hell's Angels* is a gripping portrait, and the best account we have of the truth behind an American legend.

Plumbing Step-by-Step

Better Homes & Gardens Books Includes dozens of projects, from fixing leaks to installing a new bathtub and shower. Features a simple, understandable format with photos and step-by-step instructions homeowners need to complete plumbing jobs.
