SEXUAL HARASSMENT IN THE WORKPLACE: SEXUALITY, SOCIAL RELATIONS, AND THE WORKPLACE

LAW AND PRACTICE

Wolters Kluwer The law of sexual harassment is constantly evolving, and the number of sexual harassment claims is dramatically on the rise. Sexual Harassment in the Workplace, Fourth Edition, is a comprehensive guide that provides all the information you need to successfully litigate a sexual harassment claim. Sexual Harassment in the Workplace guides you through the relevant administrative and legal proceedings, from client interviews to attorney's fees. It discusses state and federal remedies available to maximize recovery, including: The development and elements of the claim Sample pleadings Discovery documents Reviews of actual cases Special attention is given to important topics such as: Suits by alleged harassers Insurance indemnification Class actions And many others Sexual Harassment in the Workplace brings you up to date on the latest case law developments, including the following: A new checklist of items to cover when representing an employer The U.S. Supreme Court confirmed that retaliation is actionable under Title IX where a girls' high school basketball coach claimed that he suffered retaliation for complaining about sexual discrimination in the athletic program of the school, even though he himself was not the direct victim. Jackson v. Birmingham Board of Education, 544 U.S. 167 (2005) In order to increase opportunities for mediation, the EEOC expanded the charges eligible for mediation and now mediation is available at the conciliation stage, after a finding of discrimination has been issued, in appropriate cases The U.S. Supreme Court has held that under the Federal Arbitration Act, where parties to an arbitration agreement include a provision that delegates to the arbitrator the threshold question of enforceability of the arbitration agreement, if a party specifically challenges the enforceability of the entire agreement, the arbitrator would consider the challenge. If, however, the party only challenges the enforceability of the arbitration provision, the challenge must be heard by a court. Rent-A-Center, West Inc. v. Jackson, 130 S. Ct. 2772 (2010) The lack of timeliness in filing a discrimination action is an affirmative defense and the burden of proof is on the employer. Salas v. Wisconsin Department of Corrections, 493 F.3d 913, 922 (7th Cir 2007) A federal employee's premature filing of a sexual harassment employment discrimination and retaliation complaint did not constitute a failure to exhaust administrative remedies so as to deprive the district court of subject-matter jurisdiction. Brown v. Snow, 440 F.3d 1259 (11th Cir. 2006) A majority of states impose a shorter period for filing with their agencies, though, so the filing deadline is not always extended when a state has its own agency The "single filing rule" - under which a party who has not filed an EEOC charge or received a right-to-sue notice may "piggyback" his or her judicial action on the claim of a party who has satisfied those prerequisites - has been described as a "carefully limited exception" to Title VII's procedural requirements. Price v. Choctaw Glove and Safety Co., 459 F.3d 595 (5th Cir. 2006) Provided that an act contributing to the claim occurs within the filing period, the court may consider the entire period of the hostile environment for purposes of determining liability. Jordan v. City of Cleveland, 464 F.3d 584 (6th Cir. 2006) The Supreme Court has held that a plaintiff's timely filing of an EEOC intake questionnaire, which was followed by an affidavit stating "Please force Federal Express to end their age discrimination . . ." constituted a charge, cautioning, however, that its permissiv

COLLECTING QUALITATIVE DATA

A PRACTICAL GUIDE TO TEXTUAL, MEDIA AND VIRTUAL TECHNIQUES

Cambridge University Press Is there more to qualitative data collection than face-to-face interviews? Answering with a resounding 'yes', this book introduces the reader to a wide array of exciting and novel

techniques for collecting qualitative data in the social and health sciences. *Collecting Qualitative Data* offers a practical and accessible guide to textual, media and virtual methods currently under-utilised within qualitative research. Contributors from a range of disciplines share their experiences of implementing a particular technique, provide step-by-step guidance to using that approach, and highlight both the potential and pitfalls. From gathering blog data to the story completion method to conducting focus groups online, the methods and data types featured in this book are ideally suited to student projects and other time- and resource-limited research. In presenting several innovative ways that data can be collected, new modes of scholarship and new research orientations are opened up to student researchers and established scholars alike.

ODD YS E

A NEW BEGINNING SPACE AND TIME

Austin Macauley Pronounced 'ann iss e', odd ys e tells of a journey through space and time of an 'alien' people that found their way to this world just over six thousand years ago; they called themselves 'gann'. Being all killed in an unforeseen circumstance, they now survive in the afterlife where they have been interacting on a subconscious level with the humans of Earth in an attempt to find their way back to reality. This true story is told by kynn, a gann soul who found his way back to reality and now walks the Earth as a man named Brian. The words of 'odd ys e' have been written with purpose-a message left for kynn by kynn in the event he may read it somewhere in the future if reborn back into reality, hopefully speeding up an awareness of who, what and why he is. But when all is written and done, the only consideration one should put to memory is: "Death is simply a doorway to the next life. All one has to know is what path one must travel, to retain consciousness of self."

EXPLANATORY REPORT ON THE EUROPEAN CONVENTION PROVIDING A UNIFORM LAW ON ARBITRATION

Council of Europe

COLERIDGE AND THE USES OF DIVISION

Oxford University Press Throughout, close attention is paid to Coleridge the writer, the metaphor-maker and stylist, exhibited across the wide range of his oeuvre, in public and private works, prose and poetry. A coda offers a reading of 'The Ancient Mariner', tracing back the central threads of the study to Coleridge's early and surprising masterpiece."--BOOK JACKET.

LEFT OUT OF THE BARGAIN

SETTLEMENTS IN FOREIGN BRIBERY CASES AND IMPLICATIONS FOR ASSET RECOVERY

World Bank Publications It is a conservative estimate that every year, through corruption, between 20 billion dollars and 40 billion dollars are diverted from developing countries and find safe haven in foreign jurisdictions. In several countries that are party to the Organization for Economic Co-operation and Development (OECD) anti-bribery convention, a very high proportion of cases of foreign bribery and related offenses have been resolved short of a full trial. Anticorruption practitioners and policy makers in countries where officials were allegedly bribed have (along with other interested stakeholders) therefore raised concerns about whether settlements might impede their own criminal or enforcement investigations and affect the liability of multinational companies in third countries. This study seeks to fill knowledge gap by: (i) informing policy makers and practitioners about the frameworks for settlements in various legal systems, (ii) examining settlements in practice and their implications for international cooperation, and (iii) analyzing how settlements relate to asset recovery in foreign bribery cases. An additional goal is to inform the general public (including civil society organizations) about these frameworks. This study describes and analyzes, both qualitatively and quantitatively, settlements in cases of foreign bribery and related offenses, and their implications for international cooperation and asset recovery. This report is structured as follows: chapter one adopts a broad definition of settlements as various procedures short of trials and analyzes the legal frameworks in a number of civil and common law countries. Chapter two traces the general trends and developments in settlements and considers the rationale for settlements. Chapter three analyzes the impact of settlements in one jurisdiction on pending and future investigations in other countries. Chapter four explores the link between asset recovery and settlements through the lens of United Nations Convention against Corruption (UNCAC). Chapter five offers conclusions. Chapter six presents detailed summaries of 14 significant cases.

HUMAN RIGHTS IN THE ADMINISTRATION OF JUSTICE

A MANUAL ON HUMAN RIGHTS FOR JUDGES, PROSECUTORS AND LAWYERS

New York and Geneva : United Nations Independent legal professionals play a key role in the administration of justice and the protection of human rights. Judges, prosecutors and lawyers need access to

information on human rights standards laid down in the main international legal instruments and to related jurisprudence developed by universal and regional monitoring bodies. This publication, which includes a manual and a facilitator's guide, seeks to provide a comprehensive core curriculum on international human rights standards for legal professionals. It includes a CD-ROM containing the full electronic text of the manual in pdf format.

FUNDAMENTALS OF COURT INTERPRETATION

THEORY, POLICY, AND PRACTICE

This volume explores court interpreting from legal, linguistic, and pragmatic vantages. Because of the growing use of interpreters, there is an increasing demand for guidelines on how to utilize them appropriately in court proceedings, and this book provides guidance for the judiciary, attorneys, and other court personnel while standardizing practice among court interpreters themselves. The new edition of the book, which has become the standard reference book worldwide, features separate guidance chapters for judges and lawyers, detailed information on title VI regulations and standards for courts and prosecutorial agencies, a comprehensive review of U.S. language policy, and the latest findings of research on interpreting.

A LEGAL GUIDE FOR ICE DETAINEES

PETITIONING FOR RELEASE FROM INDEFINITE DETENTION

American Bar Association "This manual ... explains how to petition for administrative review of your custody, how to seek release in federal court if you are not released after your custody review, how to file motions for appointment of counsel and how to have any filing fees waived if you do not have the means to pay for them.... It also addresses the cases of Mariel Cubans and inadmissible aliens." -- Pref.

THE PSYCHOLOGY OF SUPERHEROES

AN UNAUTHORIZED EXPLORATION

BenBella Books, Inc. This latest installment in the Psychology of Popular Culture series turns its focus to superheroes. Superheroes have survived and fascinated for more than 70 years in no small part due to their psychological depth. In The Psychology of Superheroes, almost two dozen psychologists get into the heads of today's most popular and intriguing superheroes. Why do superheroes choose to be superheroes? Where does Spider-Man's altruism come from, and what does it mean? Why is there so much prejudice against the X-Men, and how could they have responded to it, other than the way they did? Why are super-villains so aggressive? The Psychology of Superheroes answers these questions, exploring the inner workings our heroes usually only share with their therapists.

Philip Allan Builds students' understanding and provides ready-prepared revision solutions to develop confidence and exam skills. This workbook for AQA Law AS Unit 1 will help build your students' understanding of all key topics. For use either in class or for homework, this full-colour workbook provides instant lesson solutions for specialist and non-specialist teachers: stimulus materials on all the topics followed by sets of questions designed to develop and test skills. - Help your students put what they have learned into practice with additional exam-style questions - Save valuable preparation time with self-contained exercises - Assess responses with answers online at www.hodderplus.co.uk/philipallan/workbooks Special school prices available for multiple purchases, see here for details: www.hoddereducation.co.uk/Schools/philipallan/Student-Workbooks.aspx

HANDBOOK OF SEX OFFENDER TREATMENT

Civic Research Inst "The chapters in Handbook of Sex Offender Treatment represent the most important and useful contributions that have appeared in the six volumes of the series *The Sex Offender*, published by Civic Research Institute. Handbook chapters were selected for their importance in advancing our understanding of the behavior and characteristics of sex offenders and for their practical effectiveness in assisting clinicians in assessing, treating, and managing offenders."--Introduction

THE PALGRAVE HANDBOOK OF LEADERSHIP IN TRANSFORMING ASIA

Springer This handbook provides a comprehensive overview and evaluation of the variety of organizational leadership issues within the Asian region. It highlights the relationship between leaders and their followers, and the complexity of leadership research and practices in Asian transformational economies. Covering a wide range of contexts and perspectives, the chapters are based on empirical studies with evidence-based findings that can be used as case studies for academics and practitioners. The handbook makes significant contributions to leadership theory including practice and assists international researchers, practitioners and students in understanding the influence of the Asian culture and its impact on leadership.

IMMIGRATION LAW HANDBOOK

Blackstone Press With the sweeping changes in immigration and asylum law, the second edition of this handbook provides a comprehensive and up-to-date reference book for immigration practitioners. It includes the Immigration and Asylum Act 1999, the Human Rights Act 1998, the Immigration and Asylum Appeals Procedure Rules of 2000 and incorporates amendments to existing legislation. In addition to all the domestic legislation the handbook includes sections on relevant European and international materials, including the full text of the UNHCR Handbook on Procedures and criteria for determining refugee status.

ENGLISH CIVIL PROCEDURE

FUNDAMENTALS OF THE NEW CIVIL JUSTICE SYSTEM

Oxford University Press on Demand This is a systematic and analytical account of the new system of civil procedure and justice in England and Wales. The book is both comprehensive and detailed, focusing in particular on the fundamental principles that underlie the post-Woolf system. These include the principles set out in the Woolf reforms themselves, principles relating to civil justice derived from the Human Rights Act and ECHR, and older common law principles that continue to apply. This book will provide a much-needed commentary to the Civil Procedure Rules.

EMBEDDED RETAINING WALLS
