## Jack McAfghan

### Reflections on Life with My Master

An expert communicator, Jack McAfghan writes the memoirs of his four-legged life as a mixed-breed Afghan Hound. From obedience and agility training to hospice work, Jack and his master learn their lessons side by side, inevitably applying what they have learned as their own lives unfold. It is a love story that can be used as an informal study guide for those who are in the process of training a dog, learning to love, or grieving over the loss of a friend. Jack presents with a wise, open and informed mind. He speaks firsthand about the psychological aspects of canine behavior as he opens the reader's mind to the possibilities that exist in life and after death. He reminds us that the way we think can change the course of our lives. This story will touch everyone who has ever loved. It matters not if they have four legs or two. Jack leads us to a higher love as he expands our tolerance and compassion for all of humanity. He extends himself to every creature of the earth, every human on the planet, every spirit in the universe and most of all, to the bona fide Master over all.

### Odes

Random House 'Interspersed with acts of breathtaking linguistic daring.' Charlotte Mendelson, Observer Book of the Year Opening with a powerful and tender 'Ode to the Hymen', Sharon Olds uses this age-old poetic form to address many aspects of herself, in a collection that is centred around the female body and female pleasures, and touches along the way on parts of her own story which will be familiar from earlier works, each episode and memory now burnished by the wisdom and grace of looking back. In such poems as 'Ode to My Sister', 'Ode of Broken Loyalty', 'Ode to My Whiteness', 'Blow Job Ode', 'Ode to the Last 38 Trees in New York City Visible from This Window', Olds treats us to an intimate self-examination that, like all her work, is universal and by turns searing and charming in its honesty. From the early bodily joys and sorrows of her girlhood to the recent deaths of those dearest to her - the 'Sheffield Mountain Ode' for Galway Kinnell is one of the most stunning pieces here - Olds shapes her world in language that is startlingly fresh, profound in its conclusions, and life-giving for the reader.

### Fallocaust

Over two hundred and thirty years ago the Fallocaust happened, killing almost everything that lived and creating what is now known as the greywastes. A dead wasteland where cannibalism is a necessity, death your reality, and life before the radiation nothing but pictures in dog-eared magazines. Reaver is a greywaster, living in a small block controlled by a distant ruler said to have started the Fallocaust. He is a product of the savage world he was raised in and prides himself on being cold and cruel. Then someone new to his town catches his eye, someone different than everyone else. Without knowing why he starts to silently stalk him, unaware of where it will lead him.

### My Gaza

### A City in Photographs

Of the Diaspora My Gaza is a startling contemporary perspective on the photographer's homeland. Saftawi's eye is drawn to moments of humanity and tenderness that redefine this place, outside of propaganda, outside of all we know. The modern reality there leaves no room for further escalation, as these photographs testify. A gun to the head. An interrogation. A family in strife. In vivid images from Saftawi, My Gaza tells an authentic new story with dignity and resolve.

## Craigslist Profits Unleashed

Editora Bibliomundi Today, Craigslist is one of the most well known of all online urban communities on the web. It allows people to place free classified adverts relating to various subjects, as well as having forums where people can discuss various topics. Craigslist was founded by Craig Newmark from the San Francisco Bay Area in 1995. Then it became incorporated in 1999. Since its incorporation as of November 2006, there were over 450 cities where a Craigslist has been established. The business now operates with a team of 24 people, and the only way they make any revenue today is through the job adverts paid for in selected cities around the States. Ads placed by companies in the San Francisco Bay Area cost \$75, while those placed by companies or businesses in New York, Los Angeles, San Diego, Boston, Seattle and Washington DC will cost them \$25 for each advert placed. Also today, a real estate broker will need to pay \$10 for any apartment listings they place on Craigslist for New York. Today, this site is receiving over 500,000 new job listings each month, and so makes it one of the top job boards in the world today. The classified adverts that are placed on this site range from more traditional ones where people are able to buy and sell goods, to community announcements...even personal adverts or erotic services are being provided through this site. In its early years, most of the postings placed on the Craigslist were submitted by its founder, and were generally dealing with social events that were of interest to software and internet developers who lived and worked in the San Francisco area. However, as more and more people learned about this site, it began to grow at an extremely high rate. Certainly, as more and more subscribers began to use the site, so the number of postings to it also began to grow as well. Certainly those people who were looking to fill technical positions found this list to be a great way of reaching those with the necessary skills that they were searching for. Because of this, the demand for a section dedicated to jobs was created. Plus, the demand by the lists' users for more categories to be able to post and search under also began to grow as well. It was at this time that more and more of the sites users asked for a web interface to be set up. It was through the help of various volunteers and contractors that such a website user interface was created for each different mailing list category to be found on the list. As the domain required a name, Craig Newman first registered "craigslist.org" and then followed it up later on with "craigslist.com", which helped to prevent the name from being used for some other purpose. Certainly if you were to search on Craigslist today, the most popular of all the forums is the one known as the "Erotic Forum". This forum is now often used by law enforcement agencies for decoy operations, and Craigslist co-operates in any way it can to help prevent its users from selling drugs, sex or stolen property through its listings. Through this book, we are going to look at the ways in which a person can legally profit from using Craigslist. We will discuss the ways in which a person can set up a business in their own home, and which will provide them with a chance to earn an additional income or their main form of income.

## Beguiled

Bethany House When novelists Deeanne Gist and J. Mark Bertrand first met in a Houston critique group, they never expected where friendship would take them. She wrote romance; he wrote crime novels. But growing respect for each other's work culminated in the decision to try blending their talents into this wonderfully engaging story merging romance and mystery. Rylee Monroe walks dogs in old-money Charleston, a part of the city recently targeted by a daring thief. Logan Woods works the crime beat for the local paper but dreams of a life as a nonfiction writer. When the string of robberies takes a strange twist, Logan sees the making of a once-in-a-lifetime book that seems to circle around this charming, eye-catching dogwalker. But pursuing the truth means ignoring that he seems to be falling for her. And what is she hiding in her past that could crack the story wide open?

## Arabiyyat al-Naas (Part One)

## An Introductory Course in Arabic

Routledge 'Arabiyyat al-Naas (Part One) offers a groundbreaking introduction to Arabic as it is written and spoken by native speakers. It combines a progressive and rigorous grounding in Modern Standard Arabic (MSA) - the form employed for reading, writing and formal speaking - with an innovative integration of the spoken Levantine variety used in everyday situations in Syria, Lebanon, Jordan and Palestine. Introducing the two simultaneously 'Arabiyyat al Naas (Part One) uses each in its proper context: Levantine for conversations and MSA for reading and writing activities. In this way, the course efficiently prepares students for the practical realities of learning and "living" Arabic today. Features include: 21 theme-based units covering all the core topics expected in a first-year Arabic course, such as countries, clothes, colors, family and professions a broad range of stimulating activities and exercises fostering active engagement with the course and the development of comprehension and communication skills comprehensively covers the 5 Cs: communication, culture, connections, comparisons and communities a free DVD filmed on location in Jordan, presenting over 40 videos and incorporating a wide variety of entertaining and realistic scenarios a free companion website ([www.routledge.com/cw/younes](http://www.routledge.com/cw/younes)) offering a wealth of additional instructor and student resources, including a teacher's guide, an introduction to the letters and sounds of Arabic (with audiovisual aid and writing demonstrations), audio recordings of songs and listening passages, video clips, sample tests, an answer key and language games clear explanations of grammatical structures and concepts as they occur in the reading and listening materials to encourage progressive learning and active interaction with the text a user-friendly and vibrant full colour text design, richly illustrated throughout with over 200 illustrations and photographs songs with simple lyrics tied to the themes of the course to help advance vocabulary acquisition and understanding of basic grammatical structures. Written by a dynamic author team and tested over a number of years at Cornell University, 'Arabiyyat al-Naas (Part One) will be an essential resource for students beginning to learn Arabic. While primarily designed for classroom use, the accessibility of the course and website also renders it highly suitable for independent study. The materials are designed to bring students from the novice low level to the intermediate low level on the ACTFL scale (American Council on the Teaching of Foreign Languages), and from A1 to A2/B1 on the CEFR scale (Common European Framework Reference). This volume is the first in an exciting three-part series of Arabic textbooks which together provide a complete three-year undergraduate language program.

## Pipeline Risk Assessment

## The Definitive Approach and Its Role in Risk Management

The optimum management of risks emerges from the best understanding of risks. Risk understanding is now available to all, via efficient and intuitive risk assessment. This book presents the definitive approach to assessing risks from pipelines?an approach that overcomes the limitations of previous methodologies.As the definitive approach, the methodology must:\*Provide clarity?generating immediately useful information to decision-makers\*Be comprehensive and complete\*Capture and integrate real world processes\*Dispel myths arising from risk assessment past practice\*Remove unnecessary complexity that interferes with understanding risk\*Be cost-effective to create, apply, and manage.As with the author?s previous works, the recommended

methodology detailed here is a practical, easy-to-apply approach to measuring risks associated with operating any type of pipeline in any environment. Risk assessment need not be a complex academic exercise. It should be a straightforward practice, used by ? and useful to ? any and all stakeholders in a pipeline?s operation. Some specific features of the definitive approach include: \*The three critical determinants of failure probability?exposure, mitigation, resistance. \*Using inspection information directly, intuitively, and efficiently in a risk assessment. \*Measuring damage potential separately from failure potential. \*Automatic and intuitive incorporation of interacting threats?weaknesses overlapping failure mechanisms. \*The role of time-to-failure estimation in modeling corrosion and cracking. \*Using hazard zones to understand potential consequence scenarios. \*Representing all possible consequence scenarios with a manageable set. \*The best use?not the most common use?of historical incident statistics \*The essential role of the risk profile?proper risk management cannot occur without it. \*Conservatism?both P50 and P90+ risk assessments are needed. \*Making the risk assessment readily expandable?it should ?get smarter? as new knowledge becomes available. Herein lies essential guidance for keeping pipelines safe: Improving risk knowledge, leading to superior risk management, leading to safer pipelines.

## Sex Shamans

### True Stories of Sacred Sexuality and Awakening

Destiny Books 20 transformative stories and sexual healing practices from international pioneers in the sexual shamanism movement • Reveals intimate details about how each sex shaman overcame personal struggles with heartache, jealousy, mental illness, or social shame to realize their calling as a sacred sexual healer • Includes 20 in-depth embodiment exercises such as soul gazing, contacting your spirit guides, sexual divination, energetic sex, self-pleasuring, moon blood rituals, and sacred sexual storytelling • Includes contributions from 20 diverse voices in the sexual shamanism community, all part of the mystery school ISTA: International School of Temple Arts Drawing on traditional and modern practices, a sex shaman uses the power of erotic energy as a healing medicine. They channel divine love and embrace sexuality freely, practicing polyamory, sexual healing, and even sex magic. They teach tantra, trance dance, kundalini yoga, and other techniques for healing shame, guilt, fear, and sexual trauma. Designed to guide the reader on a journey into their own sacred sexual awakening, this book shares true stories from 20 visionary pioneers in the sexual shamanism movement, all of them associated with the International School of Temple Arts (ISTA), a mystery school that works to illuminate the path of sexual shamanism and heal the split between sex and spirit, release the shame surrounding sexual awakening, and inspire more sexual liberation around the world. The teachers reveal intimate details of their life stories and sexual awakening journeys, showing how, by surrendering to the wisdom of the erotic current of the universe, transformation occurs. Each story is accompanied by an in-depth embodiment exercise with step-by-step instructions, including soul gazing, contacting your spirit guides, sexual divination, energetic sex, self-pleasuring, moon blood rituals, and sacred sexual storytelling. Underlying these exercises is the belief that the body is a temple that opens with pleasurable worship so spirit may dwell more fully within. The 20 contributors include Baba Dez Nichols, Bruce Lyon, Crystal Dawn Morris, Dawn Cherie, Deborah Taj Anapol, Ellie Wilde, Janine Ma-Ree, KamalaDevi McClure, Komala Lyra, Laurie Handlers, Lin Holmquist, Matooka Moonbear, Mia Mor, Ohad Pele Ezrahi, Patrik Olterman, Raffaello Manacorda, Ria Bloom, Sean O'Faolain, Stephanie Phillips, and Stephen SouLove.

## Kinship Matters

Bloomsbury Publishing This book is the fifth in the Cambridge Socio-Legal Group series and it concerns the evolving notions and practices of kinship in contemporary Britain and the interrelationship of kinship, law and social policy. Assembling contributions from scholars in a range of disciplines, it examines social, legal, cultural and psychological questions related to kinship. Rising rates of divorce and of alternative modes of partnership have raised questions about the care and well-being of children, while increasing longevity and mobility, together with lower birth rates and changes in our economic circumstances, have led to a reconsideration of duties and responsibilities towards the care of elderly people. In addition, globalisation trends and international flows of migrants and refugees have confronted us with alternative constructions of kinship and with the challenges of maintaining kinship ties transnationally. Finally, new developments in genetics research and the growing use of assisted reproductive technologies may raise questions about our notions of kinship and of kin rights and responsibilities. The book explores these changes from various perspectives and draws on theoretical and empirical data to describe practices of kinship in contemporary Britain.

## Culo by Mazzucco

Atria Books The World Is No Longer Flat Culo is an art, fashion, and pop-culture movement that defies all national, cultural, and linguistic boundaries. No matter if you were raised to call it derriere, tush, rear end, or booty, culo is the new epicenter of female sexuality, desire, and empowerment. Over the past decade, some of the world's most celebrated women have subtly shifted our long-held ideals of physical perfection toward a shape that is more authentic and bold. While culo has long been venerated in certain cultures, it is now becoming the object of worldwide mainstream admiration. This emerging global love affair with culo is as much about the blending of African, Latin, European, and Asian beauty as it is about celebrating the female form's most coveted asset. Culo by Mazzucco pays tribute to this phenomenon through a singular artistic vision. In more than 200 photographs and artworks created on location around the world, a diverse group of women—some already legendary, some about to become so—embody the spirit of culo and the start of a new era of beauty.

## Call Me Debbie

### True Confessions of a Down-to-Earth Diva

Harper Collins Internationally beloved opera star Deborah Voigt recounts her harrowing and ultimately successful private battles to overcome the addictions and self-destructive tendencies that nearly destroyed her life. Call Me Debbie is one of the most electrifying performances of Deborah Voigt's life. The brilliantly gifted opera soprano takes us behind the velvet curtains to tell her compelling story—a tale of success, addiction, music, and faith as dramatic as any role she has performed. For the first time, she talks about the events that led to her dangerous gastric bypass surgery in 2004 and its shocking aftermath: her substantial weight loss coupled with the “cross addiction” that led to severe alcoholism, frightening all-night blackouts, and suicide attempts. Ultimately, Voigt emerged from the darkness to achieve complete sobriety, thanks to a twelve-step program and a recommitment to her Christian faith. Colored by hilarious anecdotes and juicy gossip that illuminate what really goes on backstage, Voigt paints diverting portraits of the artists with whom she's worked, her most memorable moments onstage, and her secrets to great singing. She also offers fascinating insight into the roles she's played and the characters she loves, including Strauss's Ariadne and Salome, Puccini's Minnie, and Wagner's Sieglinde, Isolde, and Brünnhilde, sharing her intense preparation for playing them. Filled with eight pages of color photos, Call Me Debbie is an inspirational story that offers a unique look into the life of a modern artist and a remarkable woman.

## Baseball Haiku: The Best Haiku Ever Written about the Game

W. W. Norton & Company Presenting more than two hundred of the greatest haiku ever written about the game. There are moments in every baseball game that make fans catch their breath: the pause while a pitcher looks in for the sign, the moment a cocksure rookie gets picked off first, or the instant a batter lashes a game-winning homer into the night sky, just before the sell-out crowd explodes onto its feet. Haiku captures these moments like no other poetic form, and Baseball Haiku captures the sights, the sounds, the smells, and the emotions of the game like no previous collection. Some of the most important haiku poets of both America and Japan are featured in this anthology; including Jack Kerouac, a longtime baseball fan who pioneered English-language haiku; Alan Pizzarelli, one of the top American haiku and senryu poets of the last thirty years; and Masaoka Shiki, one of the four great pillars of Japanese haiku—a towering figure—who was instrumental in popularizing baseball in Japan during the 1890s. With over two hundred poems spanning more than a century of ball playing, Baseball Haiku reveals the intricate ways in which this enduring and indelible sport—which is played on a field, under an open sky—has always been linked to nature and the seasons. And just as a haiku happens in a timeless now, so too does Baseball Haiku evoke those unforgettable images that capture the actions and atmospheres of the national pastime: each poem resonates like the lonely sound of cleats echoing in the tunnel as a grizzled veteran leaves his final game. The largest collection of haiku and senryu on baseball ever assembled, Baseball Haiku is an extraordinary treasure for any true baseball fan.
