### SOS HELP FOR PARENTS

### A PRACTICAL GUIDE FOR HANDLING COMMON EVERYDAY BEHAVIOR PROBLEMS

This second edition of "SOS" provides parents with guidance for handling a variety of common behavior problems based on the behavior approach to child rearing and discipline. This approach suggests that good and bad behavior are both learned and can be changed, and proposes specific methods, skills, procedures, and strategies for parents to use in getting improved behavior from their children. The guide is divided into four sections. Section 1 presents some fundamentals of child behavior and effective discipline. Some of the causes of children's misbehavior are examined as well as ways of increasing good behavior and eliminating bad ones. Section 2 provides advice for implementing the "time-out" method. Section 3 gives suggestions on how to: (1) manage bad behavior away from home; (2) use points, tokens, and contracts; (3) use time-out on two children at the same time; (4) use time-out on a toy instead of the child; (5) handle aggressive and dangerous behavior; and (6) help children express feelings. Section 4 suggests some additional resources for helping children. Each chapter includes a review of the most important ideas and instructions presented. The book's two appendices include an index of problem behaviors, quizzes and answers for parents, more resources for professionals, and tear-out sheets for parents and teachers. Approximately 60 references are included. A videotape, not available from ERIC, demonstrates the child-rearing rules, and errors to avoid, as well as other child management methods. A printed "Video Leader's Guide" for the training leaders provides objectives, suggested outlines for workshops, and guidelines for discussing the behavior vignettes in the video. Workshop evaluation forms and handouts are appended. A parent audio cassette on how to use "time out" effectively is also part of this multimedia package. (HTH)

### MENTALIZATION-BASED TREATMENT FOR CHILDREN

### A TIME-LIMITED APPROACH

*American Psychological Association (APA)* This book describes the use of short--term mentalization--based treatment with children (5-12 years old) who are experiencing emotional and behavioral problems, including anxiety, depression, and relational difficulties.

### CYCLE WORLD

### UNDERSTANDING RELATIVE CLAUSES

### A USAGE-BASED VIEW ON THE PROCESSING OF COMPLEX CONSTRUCTIONS

*Walter de Gruyter GmbH & Co KG* The book offers a usage-based account of how humans comprehend complex linguistic structures. The author proposes a theory of constructional access, which treats syntactic patterns as complex and abstract signs. In this view, syntactic processing is subject to the very same dynamics as lexical processing and should yield the same type of frequency effects.

**GENDER DIFFERENCES IN THE PATHOGENESIS AND MANAGEMENT OF HEART DISEASE**

---

*Springer* This book reviews all aspects of the diagnosis and management of heart disease in women, covering areas such as gender differences in metabolic syndrome, hypertension and atherogenesis. Gender differences in cardiovascular diseases are widespread, but while gender medicine takes into account the effects of sex and gender on the health of women and men, traditionally, women have been underrepresented in cardiovascular clinical trials, in management of different cardiac diseases and drug use. *Gender Differences in the Pathogenesis and Management of Heart Disease* deals with the gender-specific differences in cardiac physiology and diseases and brings into perspective the critical significance of gender in management of cardiovascular disease presentations and management. As such it is of enormous use to all clinical staff who manage women with cardiovascular disease.

**MOTORCYCLE ELECTRICAL SYSTEMS**

---

---

---

**TROUBLESHOOTING AND REPAIR**

---

A motorcycle's electrical system can be daunting to even the most adept home mechanic. And yet, the more complex these systems become—and the more important to a motorcycle's function—the more useful, even critical, it will be to know something about them. That's where this book comes in with a user-friendly guide to understanding, diagnosing, and fixing the electrical systems and components that make a bike run . . . or falter. Veteran technician Tracy Martin explains the principles behind motorcycle electrical systems and how they work. He details the various tools, such as multimeters and test lights, that can be used to evaluate and troubleshoot any vehicle's electrical problem. And in several hands-on projects, he takes readers on a guided tour of their vehicle's electrical system, along the way giving clear, step-by-step instructions for diagnosing specific problems.

**THE COMPLETE BOOK OF MOTO GUZZI**

---

---

---

**100TH ANNIVERSARY EDITION EVERY MODEL SINCE 1921**

---

*Motorbooks* The Complete Book of Moto Guzzi: 100th Anniversary Edition, Every Model Since 1921, written by respected motorcycle expert Ian Falloon, offers enthusiasts a thorough review of Guzzi's storied 100-year history via all of its production models. The oldest European motorcycle manufacturer in continuous production, Italy's Moto Guzzi has built some of the most iconic motorcycles ever produced. Established in 1921, the company is one of the most traditional motorcycle makers and also one of the most innovative. Carlo Guzzi's first engine design, a horizontal single, defined Moto Guzzi's road-going motorcycles for the company's first 45 years. In the 1950s, Moto Guzzi experienced tremendous success in Grand Prix motorcycle racing. Today, Moto Guzzi has a higher profile than ever, thanks to its popularity among enthusiast celebrities like Ewan McGregor. This new edition of *The Complete Book of Moto Guzzi* includes a 100th anniversary introduction, new photography, and additional pages to cover the newest models from 2018 to 2020. All of Moto Guzzi's production models are covered in detail, including the groundbreaking Falcone, the V-8 Grand Prix racers, the V7 Sport, the Ambassador, the Eldorado, the Le Mans, the Daytona, right up to today's the complete range of modern bikes including the V7, Griso, Stelvio, and V9. Celebrate a century of iconic Moto Guzzi machines, model by stunning model.

**FATIGUE IN CANCER**

---

*Oxford University Press, USA* . . . worthy, scientifically-founded... will do a lot to reinvigorate clinicians who have tired of fatigue and help get this complex symptom out of the too-hard basket.' -IAHPC Website Fatigue in Cancer provides a comprehensive review of the key issues involved in the research and practical application of current evidence and best practice guidelines for addressing cancer-related fatigue. An international group of contributors draw together core topics relating to this complex area of cancer management, focusing on issues of definition, patho-physiology, treatment related variables and the psychological, social and emotional impact on patients, families and carers. Critical reviews of practical management strategies for both adults and children are included, as are the current approaches to the measurement of cancer-related fatigue in clinical and research contexts. The book contributes a multi-disciplinary overview of a problem increasingly overlooked by cancer scientists, researchers, and clinicians. This book demonstrates the considerable capacity of cancer-related fatigue to impact on quality of life. Its multi-disciplinary focus and consideration of prioritised areas of future research will ensure that it is will prove invaluable for all health professionals and researchers in oncology and palliative care. Readership: Palliative medicine and oncology physicians and other professionals caring for advanced stage cancer patients.

**ONE OFF**

---

**THE ROADS, THE RACES, THE AUTOMOBILES OF TOLY ARUTUNOFF**

---

*TPR Incorporated* Amateur road racer, raconteur and car guy extraordinaire, Anatoly Arutunoff tells a lifetime of his favorite true first person stories. From his youth in Bartlesville, Oklahoma, to participation at the real Targa Florio, to eventually winning the SCCA runoffs in his Morgan 4/4, to more recent times on the historic rally circuit Toly makes you think you were there sharing all the adventures and camaraderie. There are intriguing family moments, the exuberance of youth and brushes with greats such as Redman, Clark and Moss plus many lesser known players from the past sixty years who collectively molded the sports car culture that has always surrounded the author. Written in an uncomplicated and light-hearted style the reader will either renew a relationship or discover a new friend in a man who suggests, "All the car stuff I've done is a sort of cross-section of what you would have done, if you'd been young in the sixties and had the money." Ride with Toly on the roads and racetracks in America and Europe and share in an experience that is truly "One Off!"
