Silence within and beyond Pedagogical Settings

Springer Nature **This book explores the significance of silence within and beyond pedagogical contexts. Silence is a complex and multidimensional phenomenon for everyday life: since schools mirror society, it is also significant in education. While silence can be experienced in a multitude of different ways, the author reflects on whether silence itself can bear a message: is there an aspect of dialogue in silence, or is it a language all of its own? This book examines a variety of silences essential for education, examining such topics as silence and aspects of power, silent students, and the relationship between listening and silence. Drawing on a range of empirical data, the author elucidates the significance of silence in pedagogical contexts.**

Rules of the Court of Appeal 1994

From Miracle to Maturity

The Growth of the Korean Economy

BRILL "The economic growth of South Korea has been a remarkable success story. After the Korean War, the country was one of the poorest economies on the planet; by the twenty-first century, it had become a middle-income country, a member of the Organization of Economic Cooperation and Development (the club of advanced economies), and home to some of the world's leading industrial corporations. And yet, many Koreans are less than satisfied with their country's economic performance, given the continuing financial volatility and sluggish growth since the Korean economic crisis of 1997-1998. *From Miracle to Maturity* offers a comprehensive qualitative and quantitative analysis of the growth of the Korean economy, starting with the aggregate sources of growth (growth of the labor force, the stock of capital, and productivity) and then delving deeper into the roles played by structural change, exports, foreign investment, and financial development. The authors provide a detailed examination of the question of whether the Korean economy is now underperforming and ask, if so, what can be done to solve the problem."

ICO: Castle of the Mist

VIZ Media LLC When a boy named Ico grows long curved horns overnight, his fate has been sealed—he is to be sacrificed in the Castle in the Mist. But in the castle, Ico meets a young girl named Yorda imprisoned in its halls. Alone they will die, but together Ico and Yorda might just be able to defy their destinies and escape the magic of the castle. Based on the video game filmmaker Guillermo del Toro (*Hellboy*, *Pan's Labyrinth*) called a "masterpiece," Japan's leading fantasist Miyuki Miyabe has crafted a tale of magic, loss, and love that will never be forgotten. -- VIZ Media

Pornified

How Pornography Is Transforming Our Lives, Our

Relationships, and Our Families

Macmillan "Strips porn of its culture-war claptrap . . . Pornified may stand as a Kinsey Report for our time."—**San Francisco Chronicle** Porn in America is everywhere—not just in cybersex and Playboy but in popular video games, advice columns, and reality television shows, and on the bestseller lists. Even more striking, as porn has become affordable, accessible, and anonymous, it has become increasingly acceptable—and a big part of the personal lives of many men and women. In this controversial and critically acclaimed book, Pamela Paul argues that as porn becomes more pervasive, it is destroying our marriages and families as well as distorting our children's ideas of sex and sexuality. Based on more than one hundred interviews and a nationally representative poll, *Pornified* exposes how porn has infiltrated our lives, from the wife agonizing over the late-night hours her husband spends on porn Web sites to the parents stunned to learn their twelve-year-old son has seen a hardcore porn film. *Pornified* is an insightful, shocking, and important investigation into the costs and consequences of pornography for our families and our culture.

Justified

NineStar Press The world of vampires and werewolves is in upheaval. The magical community is under attack by a great evil force set to destroy them all and Aaron, their strongest fighter, is oblivious to all around him, his nose glued to his spell book. Yani has given up hope in getting Aaron back on track. He knows he instead has to focus on his own future and the lives of those he loves, even if it means losing Aaron, the love of his life, forever. But, Yani's life isn't the only one in flux. As the battle heats up and lines are drawn, the rest of his friends must fight for their own survival in a world with no answers to the terrible magic attacking them.

Transputer Development System

Brazilian Literature

An Outline

Unrequited

Writers Republic LLC As a continuation of Love You True; these are an additional 75 short poems without titles. More expressions incurred by the feeling of true love. A feeling that is all inspiring; all-consuming. So much so that one can be overwhelmed by it. By such a strong and pure emotion; an emotion so strong one can even wonder how it is even possible to contain. An emotion that goes beyond the heart. When one experiences true love, one realizes that it also goes beyond the mind, beyond the body, beyond the soul. One can feel it without a single touch. And be entirely content with it. Without having the beloved at one's side. Content even if the love is unrequited. Not being necessary to experience love wholly or entirely. Not necessary to feel the happiness brought on simply by the sensations that true love can give rise to.

Leading Lean Software Development

Results Are not the Point

Pearson Education Building on their breakthrough bestsellers **Lean Software Development** and **Implementing Lean Software Development**, Mary and Tom Poppendieck's latest book shows software leaders and team members exactly how to drive high-value change throughout a software organization—and make it stick. They go far beyond generic implementation guidelines, demonstrating exactly how to make lean work in real projects, environments, and companies. The Poppendiecks organize this book around the crucial concept of frames, the unspoken mental constructs that shape our perspectives and control our behavior in ways we rarely notice. For software leaders and team members, some frames lead to long-term failure, while others offer a strong foundation for success. Drawing on decades of experience, the authors present twenty-four frames that offer a coherent, complete framework for leading lean software development. You'll discover powerful new ways to act as competency leader, product champion, improvement mentor, front-line leader, and even visionary. **Systems thinking:** focusing on customers, bringing predictability to demand, and revamping policies that cause inefficiency **Technical excellence:** implementing low-dependency architectures, TDD, and evolutionary development processes, and promoting deeper developer expertise **Reliable delivery:** managing your biggest risks more effectively, and optimizing both workflow and schedules **Relentless improvement:** seeing problems, solving problems, sharing the knowledge **Great people:** finding and growing professionals with purpose, passion, persistence, and pride **Aligned leaders:** getting your entire leadership team on the same page From the world's number one experts in Lean software development, **Leading Lean Software Development** will be indispensable to everyone who wants to transform the promise of lean into reality—in enterprise IT and software companies alike.

Four Signs of a Dynamic Catholic

Blue Sparrow **As human beings we are constantly engaging and disengaging in everything we do. We engage and disengage at work, in marriage, as parents, in our quest for health and well-being, in personal finances, environmentally, politically, and, of course, we engage or disengage spiritually. If you walk into any Catholic church next Sunday and look around, you will discover that some people are highly engaged, others are massively disengaged, and the majority are somewhere in between. Why? What is the difference between highly engaged**

Catholics and disengaged Catholics? Answering this question is essential to the future of the Catholic Church. If we truly want to engage Catholics and reinvigorate parish life, we must first discover what drives engagement among Catholics. Matthew Kelly explores this question in his groundbreaking new book, and the simplicity of what he discovers will amaze you. Four things make the difference between highly engaged Catholics and disengaged Catholics: the four signs of a Dynamic Catholic. Whether you are ready to let God take your spiritual life to the next level or want to help reinvigorate your parish, *The Four Signs of a Dynamic Catholic* promises to take you on a journey that will help you live out the genius of Catholicism in your everyday life.
