LITERATURE SUPPRESSED ON SOCIAL GROUNDS

Infobase Publishing Literature Suppressed on Social Grounds, Revised Edition discusses writings that have been banned over the centuries because they offended or merely ignored official truths; challenged widely held assumptions; or contained ideas or language unacceptable to a state, religious institution, or private moral watchdog. The entries new to this edition include the Captain Underpants series, We All Fall Down by Robert Cormier, and Jake and Honeybunch Go to Heaven by Margaret Zemach. Also included are updates to the censorship histories of such books as To Kill a Mockingbird and Of Mice and Men.

BLACK AUTHORS AND ILLUSTRATORS OF BOOKS FOR CHILDREN AND YOUNG ADULTS

A BIOGRAPHICAL DICTIONARY

Psychology Press Presents biographies of 274 authors and artists, including birthplace, education, approach to art or literature, career development, awards and honors, and bibliography.

DICTIONARY OF AMERICAN CHILDREN'S FICTION, 1960-1984

RECENT BOOKS OF RECOGNIZED MERIT

Greenwood Publishing Group Comprehensive dictionary of American children's fiction from 1960 to 1984. Includes short synopsis and brief information on author.

AFRICAN AND AFRICAN AMERICAN IMAGES IN NEWBERY AWARD WINNING TITLES

PROGRESS IN PORTRAYALS

Scarecrow Press Since 1922, the Newbery Medal of Honor has been awarded to distinguished works of literature for children. Although African and African American characters appeared in children's books well before the establishment of the Newbery award, such depictions were limited, with characters often only appearing as slaves or servants. However, over the last several decades, there has been much progress, and Black characters have played a much more integral role in many highly regarded novels. In African and African American Images in Newbery Award Winning Titles, Binnie Tate Wilkin provides a historical and contextual examination of books with such depictions that have been acknowledged by the nation's most prestigious award for children's literature. Wilkin explores the depictions of African and African American characters in these novels and illuminates the progressive quality of such representations. Wilkin looks closely at such elements as aesthetic descriptions, subservient characterizations, the relationships between characters, and specific language usage to investigate how these images have progressed toward increasingly positive depictions. She also notes, when applicable, the significance of the lack of any African or African American images. This book is an essential resource for those interested in African American studies, children's literature, and the relationship between the two.

THE BEST IN CHILDREN'S BOOKS

PHILIP HALL LIKES ME, I RECKON MAYBE, BETTE GREENE

Lessons and activities for teachers and parents to accompany the reading of the book.

CONSTRUCTING ADOLESCENCE IN FANTASTIC REALISM

Routledge Constructing Adolescence in Fantastic Realism examines those fundamental themes which inform our understanding of "the teenager"—themes that emerge in both literary and cultural contexts. Models of adolescence do not arise solely from discourses of psychology, sociology, and education. Rather, these models—frameworks including developmentalism, identity formation, social agency, and subjectivity in cultural space—can also be found represented symbolically in fantastic tropes such as metamorphosis, time-slip, hauntings, doppelgangers, invisibility, magic gifts, and witchcraft. These are the incredible, supernatural, and magical elements that invade the everyday and diurnal world of fantastic realism. In this original study, Alison Waller proposes a new critical term to categorize a popular and established genre in literature for teenagers: young adult fantastic realism. Though fantastic realism plays a crucial part in the short history of young adult literature, up until now this genre has typically been overlooked or subsumed into the wider class of fantasy. Touching on well-known authors including Robert Cormier, Melvin Burgess, Gillian Cross, Margaret Mahy, K.M. Peyton and Robert Westall, as well as previously unexamined writers, Waller explores the themes and ideological perspectives embedded in fantastic realist novels in order to ask whether parallel realities and fantastic identities produce forms of adolescence that are dynamic and subversive. One of the first studies to deal with late twentieth-century fantastic literature for young adults, this book makes a valuable contribution to our understanding of adult attitudes toward adolescent identity.

HOUGHTON MIFFLIN READING

A CORNER OF THE TAPESTRY

A HISTORY OF THE JEWISH EXPERIENCE IN ARKANSAS, 1820S-1990S

University of Arkansas Press One of the most comprehensive studies ever done on a state's Jewish community, A Corner of the Tapestry is the story--untold until now--of the Jews who helped to settle Arkansas and who stayed and flourished to become a significant part of the state's history and culture. LeMaster has spent much of the past sixteen years compiling and writing this saga. Data for the book have been collected in part from the American Jewish Archives, American Jewish Historical Society, the stones in Arkansas's Jewish cemeteries, more than fifteen hundred articles and obituaries from journals and newspapers, personal letters from hundreds of present and former Jewish Arkansans, congregational histories, census and court records, and some four hundred oral interviews conducted in a hundred cities and towns in Arkansas. This meticulous work chronicles the lives and genealogy of not only the highly visible and successful Jews who settled in Arkansas, but also those who comprised the warp and woof of society. It is a decidedly significant contribution to Arkansas history as well as to the wider study of Jews in the nation.

SOMETHING ABOUT THE AUTHOR

Gale / Cengage Learning Each illustrated volume provides generously illustrated biographical articles on 100-120 children's authors and artists. The series covers more than 9,000 individuals, ranging from established award winners to authors and illustrators.

SEQUOIA DENISE, JUST A KID

Teresa D Patterson School is out and thirteen year old Sequoia Denise Washington is bored already. She thinks it's going to be another uneventful summer; one that consists of battling with her mother or being in the shadows of her oldest sisters, Desiree and LaToria. Then she meets the coolest person ever- Brandon. Brandon is fifteen, Korean, and the most exciting boy she's ever met. She befriends him even though she knows her mother wouldn't approve. She's having a great summer until LaToria decides to just quit her job at the Times to dance in a bikini bar. Her mother finds out about Brandon and forbids her to see him again. Next, Desiree shocks them with a secret, one with devastating consequences. Suddenly, her whole world is spinning out of control. When will her family stop treating her like she's just a little kid? Can she handle the news that Brandon has to move? Should she try to form a bond with the father she's never met? How will she ever cope with losing a family member?
