Love Warrior (Oprah's Book Club) a Memoir

Two Roads

Love Warrior (Oprah's Book Club)

from the #1 bestselling author of UNTAMED

Hachette UK **WHAT CAME BEFORE HER NEW #1 BESTSELLER UNTAMED ... 'IT'S AS IF SHE REACHED INTO HER HEART, CAPTURED THE RAW EMOTIONS THERE, AND TRANSLATED THEM INTO WORDS THAT ANYONE WHO'S EVER KNOWN PAIN OR SHAME CAN RELATE TO' OPRAH WINFREY, Oprah's Book Club 'EPIC' ELIZABETH GILBERT | 'BLEW ME AWAY' BRENÉ BROWN ... Just when Glennon Doyle was beginning to feel she had it all figured out - three happy children, a doting**

spouse, and a writing career so successful that her first book catapulted to the top of the New York Times bestseller list - her husband revealed his infidelity and she was forced to realize that nothing was as it seemed. A recovering alcoholic and bulimic, rock bottom was a familiar place to Glennon. In the midst of crisis, she knew to hold on to what she discovered in recovery: that her deepest pain has always held within it an invitation to a richer life. Love Warrior is the story of one marriage, but it is also the story of the healing that is possible for any of us when we refuse to settle for good enough and begin to face pain and love head-on. Love Warrior is a gorgeous and inspiring tale of how we are born to be warriors: strong, powerful, and brave; able to confront the pain and claim the love that exists for us all. This chronicle of a beautiful, brutal journey speaks to anyone who yearns for deeper, truer relationships and a more abundant, authentic life. AN OPRAH BOOK CLUB SELECTION

Untamed

Stop Pleasing, Start Living: THE NO.1 SUNDAY TIMES BESTSELLER

Random House 'This book will shake your brain and make your soul scream. I am so ready for myself after reading this book!' Adele 'Untamed will liberate women - emotionally, spiritually, and physically. It is phenomenal.' Elizabeth Gilbert, author of *City of Girls* and *Eat Pray Love* Who were you before the world told you who to be? Part inspiration, part memoir, *Untamed* explores the joy and peace we discover when we stop striving to meet the expectations of the world, and instead dare to listen to and trust in the voice deep inside us. From the beloved New York Times bestselling author, speaker and activist Glennon Doyle. ***** For many years, Glennon Doyle denied her discontent. Then, while speaking at a conference, she looked at a woman across the room and fell instantly in love. Three words flooded her mind: There. She. Is. At first, Glennon assumed these words came to her from on high but soon she realised they had come to her from within. This was the voice she had buried beneath decades of numbing addictions and social conditioning. Glennon decided to let go of the world's expectations of her and reclaim her true untamed self. Soulful and uproarious, forceful and tender, *Untamed* is both an intimate memoir and a galvanising wake-up call. It is the story of how one woman learned that a responsible mother is not one who slowly dies for her children, but one who shows them how to fully live. It is also the story of how each of us can begin to trust ourselves enough to set boundaries, make peace with our bodies, honour our anger and heartbreak, and unleash our truest, wildest instincts. *Untamed* shows us how to be brave. And, as Glennon insists, 'The braver we are, the luckier we get.'

Those insecurities are just job hazards of being human. On my deathbed, I'm not going to wish I had danced like JLo; I'm just going to wish I had danced more.' On Mother's Day, 2002, Glennon Doyle was unmarried, addicted to drugs, booze, food and bad love. But by a strange twist of fate, it was on this day that she discovered she was pregnant. After twenty years of wilful self-destruction, how could Glennon rise to the challenge of looking after the helpless, innocent child growing within her, when she couldn't even look after herself? Ruby

A Novel

Hogarth A New York Times bestseller and Oprah Book Club 2.0 selection, the epic, unforgettable story of a man determined to protect the woman he loves from the town desperate to destroy her. This beautiful and devastating debut heralds the arrival of a major new voice in fiction. Ephram Jennings has never forgotten the beautiful girl with the long braids running through the piney woods of Liberty, their small East Texas town. Young Ruby Bell, "the kind of pretty it hurt to look at," has suffered beyond imagining, so as soon as she can, she flees suffocating Liberty for the bright pull of 1950s New York. Ruby quickly winds her way into the ripe center of the city—the darkened piano bars and hidden alleyways of the Village—all the while hoping for a glimpse of the red hair and green eyes of her mother. When a telegram from her cousin forces her to return home, thirty-year-old Ruby finds herself reliving the devastating violence of her girlhood. With the terrifying realization that she might not be strong enough to fight her way back out again, Ruby struggles to survive her memories of the town's dark past. Meanwhile, Ephram must choose between loyalty to the sister who raised him and the chance for a life with the woman he has loved since he was a boy. Full of life, exquisitely written, and suffused with the pastoral beauty of the rural South, Ruby is a transcendent novel of passion and courage. This wondrous page-turner rushes through the red dust and gossip of Main Street, to the pit fire where men swill bootleg outside Bloom's Juke, to Celia Jennings's kitchen, where a cake is being made, yolk by yolk, that Ephram will use to try to begin again with Ruby. Utterly transfixing, with unforgettable characters, riveting suspense, and breathtaking, luminous prose, Ruby offers an unflinching portrait of man's dark acts and the promise of the redemptive power of love. Ruby was a finalist for the PEN America Robert Bingham Debut Novel Award, a Barnes & Noble Discover Great New Writers selection, and an Indie Next Pick.

The Real Truth about Being a Woman

Michael Joseph Here's my hunch: nobody's secure, and nobody feels like she completely belongs. Those insecurities are just job hazards of being human. But some people dance anyway, and those people have more fun. On my deathbed, I'm not going to wish I had danced like JLo; I'm just going to wish I had danced more. On Mother's Day, 2002, Glennon Melton was unmarried, addicted to drugs, booze, food and bad love. Her criminal record had grown steadily more muddled in her desperate quest for escapism. But by a strange twist of fate, it was on this day that she discovered she was pregnant. After twenty years of wilful self-destruction, how could Glennon rise to the challenge of looking after the helpless, innocent child growing within her, when she couldn't even look after herself? Carry On, Warrior is the inspiring and empowering story of a mother who, for the love of her child, was determined to change her life forever. This is a true woman's book, which touches on the universal themes of friendship, marriage and family in a way that is unique and enlightening. 'In Carry On, Warrior, Glennon Melton's honesty, thoughtfulness, and humour will keep readers racing through the pages - and set them thinking more deeply about their own lives.' Gretchen Rubin, author of The Happiness Project and Happier at Home 'Glennon embodies all that we want to be and fear we are not: she is authentic, funny, wise, loving, and resilient in the face of extraordinary challenges. But the magic of Carry On, Warrior is that by the time you finish the book, you realize you ARE all those things, and more. It is a book that actually makes you feel that you are loved and cherished. Rethinking Our Misuse of the Bible on Homosexuality

Westminster John Knox Press Churches in America are experiencing an unprecedented fracturing due to their belief and attitude toward the LGBTQ community. Armed with only six passages in the Bible--often known as the "clobber passages"--the traditional Christian position has been one that stands against the full inclusion of our LGBTQ brothers and sisters. **Unclobber** reexamines each of those frequently quoted passages of Scripture, alternating with author Colby Martin's own story of being fired from an evangelical megachurch when they discovered his stance on sexuality. **Unclobber** reexamines what the Bible says (and does not say) about homosexuality in such a way that breathes fresh life into outdated and inaccurate assumptions and interpretations.

Everything Happens for a Reason

And Other Lies I've Loved

Random House **NEW YORK TIMES BESTSELLER** • "A meditation on sense-making when there's no sense to be made, on letting go when we can't hold on, and on being unafraid even when we're terrified."—Lucy Kalanithi "Belongs on the shelf alongside other terrific books about this difficult subject, like Paul Kalanithi's *When Breath Becomes Air* and Atul Gawande's *Being Mortal*."—Bill Gates **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY REAL SIMPLE** Kate Bowler is a professor at Duke Divinity School with a modest Christian upbringing, but she specializes in the study of the prosperity gospel, a creed that sees fortune as a blessing from God and misfortune as a mark of God's disapproval. At thirty-five, everything in her life seems to point toward "blessing." She is thriving in her job, married to her high school sweetheart, and loves life with her newborn son. Then she is diagnosed with stage IV colon cancer. The prospect of her own mortality forces Kate to realize that she has been tacitly subscribing to the prosperity gospel, living with the conviction that she can control the shape of her life with "a surge of determination." Even as this type of Christianity celebrates the American can-do spirit, it implies that if you "can't do" and succumb to illness or misfortune, you are a failure. Kate is very sick, and no amount of positive thinking will shrink her tumors. What does it mean to die, she wonders, in a society that insists everything happens for a reason? Kate is stripped of this certainty only to discover

that without it, life is hard but beautiful in a way it never has been before. Frank and funny, dark and wise, Kate Bowler pulls the reader deeply into her life in an account she populates affectionately with a colorful, often hilarious retinue of friends, mega-church preachers, relatives, and doctors. **Everything Happens for a Reason** tells her story, offering up her irreverent, hard-won observations on dying and the ways it has taught her to live. **Praise for Everything Happens for a Reason** “I fell hard and fast for Kate Bowler. Her writing is naked, elegant, and gripping—she’s like a Christian Joan Didion. I left Kate’s story feeling more present, more grateful, and a hell of a lot less alone. And what else is art for?”—Glennon Doyle, #1 New York Times bestselling author of *Love Warrior* and president of *Together Rising*

Didn't See That Coming

Putting Life Back Together When Your World Falls Apart

HarperCollins **The New York Times Bestseller Fear. Grief. Loss. Betrayal.** Rachel Hollis has felt all those things, and she knows you have too. Now, she takes you to the other side. With her signature humor, heartfelt honesty, and intimate true-life stories, #1 New York Times bestselling author Rachel Hollis shows readers how to seize difficult moments for the learning experiences they are and the value and growth they provide. Rachel Hollis sees you. As the millions who read her #1 New York Times bestsellers *Girl, Wash Your Face* and *Girl, Stop Apologizing*, attend her RISE conferences and follow her on social media know, she also wants to see you transform. When it comes to the “hard seasons” of life—the death of a loved one, divorce, loss of a job—transformation seems impossible when grief and uncertainty dominate your days. Especially when, as *Didn’t See that Coming* reveals, no one asks to have their future completely rearranged for them. But, as Rachel writes, it is up to you how you come through your pain—you can come through changed for the better, having learned and grown, or stuck in place where your identity becomes rooted in what hurt you. To Rachel, a life well-lived is one of purpose, focused only on the essentials. This is a small book about big feelings: inspirational, aspirational, and an anchor that shows that darkness can co-exist with the beautiful.

To Love and Let Go

A Memoir of Love, Loss, and Gratitude

Gallery Books “Rachel beautifully illustrates that loving fiercely and grieving deeply are often two halves of the same whole. Her story will break you down and lift you up.” —Glennon Doyle, author of the #1 New York Times bestseller *Love Warrior* and founder of *Together Rising While* on her way to teach a yoga retreat in March 2014, Rachel Brathen collapses at an airport, brought to her knees by excruciating stomach pains. She is rushed to the hospital on the tiny island of Bonaire, and hours later forced to undergo surgery. When she wakes up from anesthesia, her boyfriend is weeping at her bedside. While Rachel was struck down with seemingly mysterious pain, her best friend, Andrea, sustained fatal injuries as a result of a car accident. Rachel and Andrea had a magical friendship. Though they looked nothing alike—one girl tall, blond, and Swedish, the other short, brunette, and Colombian—everyone called them *gemelas*: twins. Over the three years following Andrea’s death, at what might appear from the outside to be the happiest time—with her engagement to the man she loves and a blossoming career that takes her all over the world—Rachel faces a series of trials that have the potential to define her life. Unresolved grief and trauma from her childhood make the weight of her sadness unbearable. At each turn, she is confronted again and again with a choice: Will she lose it all, succumb to grief, and grasp for control that’s beyond her reach? Or can she move through the loss and let go? When Rachel and her husband conceive a child, pregnancy becomes a time to heal and an opportunity to be reborn herself. As she recounts this transformative period, Rachel shares her hard-won wisdom about life and death, love and fear, what it means to be a mother and a daughter, and how to become someone who walks through the fire of adversity with the never-ending practice of loving hard and letting go.

You Got Anything Stronger?

Stories

HarperCollins Included in Time's 100 Must Read Books of 2021 list * A New York Times Best Seller * One of Audible's Best of The Year * AV Club's Best Books to Buy “Funny, tender, and so good.” — Mindy Kaling, #1 New York Times bestselling author of *Why Not Me?* Remember when we hit it off so well that we decided *We’re Going to Need More Wine*? Well, this time you and I are going to turn to our friend the bartender and ask, *You Got Anything Stronger?* I promise to continue to make you laugh, but with this round, the stakes get higher as the conversation goes deeper. So. Where were we? Right, you and I left off in October 2017, when my first book came out. The weeks before were filled with dreams of loss. Pets dying. My husband leaving me. Babies not being born. My therapist told me it was my soul preparing for my true self to emerge after letting go of my grief. I had finally spoken openly about my fertility journey. I was having second thoughts—in fact, so many thoughts they were organizing to go on strike. But I knew I had to be honest because I didn’t want other women going through IVF to feel as alone as I did. I had suffered in isolation, having so many miscarriages that I could not give an exact number. Strangers shared their own journeys and heartbreak with me. I had led with the truth, and it opened the door to compassion. When I released *We’re Going to Need More Wine*, the response was so great people asked when I would do a sequel. The New York Times even ran a headline reading “*We’re Going to Need More Gabrielle Union.*” Frankly, after being so open and honest in my writing, I wasn’t sure there was more of me I was ready to share. But life happens with all its plot twists. And new stories demand to be told. This time, I need to be more vulnerable—not so much for me, but anyone who feels alone in what they’re going through. A lot has changed in four years—I became a mom and I’m raising two amazing girls. My husband retired. My career has expanded so that I have the opportunity to lift up other voices that need to be heard. But the world has also shown us that we have a lot we still have to fight for—as women, as black women, as mothers, as aging women, as human beings, as friends. In *You Got Anything Stronger?*, I show you how this ever-changing life presents challenges, even as it gives me moments of pure joy. I take you on a girl’s night at Chateau Marmont, and I also talk to Isis, my character from *Bring It On*. For the first time, I truly open up about my surrogacy journey and the birth of Kaavia James Union Wade. And I take on racist institutions and practices in the entertainment industry, asking for

equality and real accountability. *You Got Anything Stronger?* is me at my most vulnerable. I have recently found true strength in that vulnerability, and I want to share that power with you here, through this book.

Adventures in Life, Love, and Writing

Simon and Schuster "Generous and entertaining." —Publishers Weekly (starred review) Finalist for the PEN/Diamonstein-Spielvogel Award for the Art of the Essay * Nominated for "Best Memoir & Autobiography" by Goodreads Choice Awards 2016 * Named a "Best Book of the Year" by New York Post "You'll laugh, you'll cry, you'll want to read it again." —TheSkimm "I'm mad Jennifer's Weiner's first book of essays is as wonderful as her fiction. You will love this book and wish she was your friend." —Mindy Kaling, author of *Why Not Me?* "Fiercely funny, powerfully smart, and remarkably brave." —Cheryl Strayed, author of *Wild* Jennifer Weiner is many things: a bestselling author, a Twitter phenomenon, and an "unlikely feminist enforcer" (*The New Yorker*). She's also a mom, a daughter, and a sister, a clumsy yogini, and a reality-TV devotee. In this "unflinching look at her own experiences" (*Entertainment Weekly*), Jennifer fashions tales of modern-day womanhood as uproariously funny and moving as the best of Nora Ephron and Tina Fey. No subject is off-limits in these intimate and honest essays: sex, weight, envy, money, her mother's coming out of the closet, her estranged father's death. From lonely adolescence to hearing her six-year-old daughter say the F word—fat—for the first time, Jen dives into the heart of female experience, with the wit and candor that have endeared her to readers all over the world.

The Elegance of the Hedgehog

Gallic Books *Renée* is the concierge of a grand Parisian apartment building, home to members of the great and the good. Over the years she has maintained her carefully constructed persona as someone reliable but totally uncultivated, in keeping, she feels, with society's expectations of what a concierge should be. But beneath this façade lies the real Renée: passionate about culture and the arts, and more knowledgeable in many ways than her employers with their outwardly successful but emotionally void lives. Down in her lodge, apart from weekly visits by her one friend Manuela,

Renée lives resigned to her lonely lot with only her cat for company. Meanwhile, several floors up, twelve-year-old Paloma Josse is determined to avoid the pampered and vacuous future laid out for her, and decides to end her life on her thirteenth birthday. But unknown to them both, the sudden death of one of their privileged neighbours will dramatically alter their lives forever.

Finding Me

A Memoir

HarperCollins OPRAH'S BOOK CLUB PICK • A HARPERS BAZAAR BEST BOOK OF 2022 • A PARADE MOST ANTICIPATED BOOK • A MARIE CLAIRE MOST ANTICIPATED BOOK "It's clear from the first page that Davis is going to serve a more intimate, unpolished account than is typical of the average (often ghost-written) celebrity memoir; *Finding Me* reads like Davis is sitting you down for a one-on-one conversation about her life, warts and all."—USA Today "[A] fulfilling

narrative of struggle and success....Her gorgeous storytelling will inspire anyone wishing to shed old labels.”—Los Angeles Times In my book, you will meet a little girl named Viola who ran from her past until she made a life-changing decision to stop running forever. This is my story, from a crumbling apartment in Central Falls, Rhode Island, to the stage in New York City, and beyond. This is the path I took to finding my purpose but also my voice in a world that didn't always see me. As I wrote *Finding Me*, my eyes were open to the truth of how our stories are often not given close examination. We are forced to reinvent them to fit into a crazy, competitive, judgmental world. So I wrote this for anyone running through life untethered, desperate and clawing their way through murky memories, trying to get to some form of self-love. For anyone who needs reminding that a life worth living can only be born from radical honesty and the courage to shed facades and be . . . you. *Finding Me* is a deep reflection, a promise, and a love letter of sorts to self. My hope is that my story will inspire you to light up your own life with creative expression and rediscover who you were before the world put a label on you.

Life in the City of Dirty Water

A Memoir of Healing

Penguin ***FINALIST FOR 2022 CANADA READS* *SHORTLISTED FOR THE 2022 J.W. DAFOE BOOK PRIZE* *SHORTLISTED FOR THE 2022 MANITOBA BOOK AWARDS' MCNALLY ROBINSON BOOK OF THE YEAR AWARD* NATIONAL BESTSELLER** A gritty and inspiring memoir from renowned Cree environmental activist Clayton Thomas-Muller, who escaped the world of drugs and gang life to take up the warrior's fight against the assault on Indigenous peoples' lands—and eventually the warrior's spirituality. There have been many Clayton Thomas-Mullers: The child who played with toy planes as an escape from domestic and sexual abuse, enduring the intergenerational trauma of Canada's residential school system; the angry youngster who defended himself with fists and sharp wit against racism and violence, at school and on the streets of Winnipeg and small-town British Columbia; the tough teenager who, at 17, managed a drug house run by members of his family, and slipped in and out of juvie, operating in a world of violence and pain. But behind them all, there was another Clayton: the one who remained immersed in Cree spirituality, and who embraced the rituals and ways of thinking vital to his heritage; the one who reconnected with the land during summer visits to his great-grandparents' trapline in his home territory of Pukatawagan in northern Manitoba. And it's this version of Clayton that

ultimately triumphed, finding healing by directly facing the trauma that he shares with Indigenous peoples around the world. Now a leading organizer and activist on the frontlines of environmental resistance, Clayton brings his warrior spirit to the fight against the ongoing assault on Indigenous peoples' lands by Big Oil. Tying together personal stories of survival that bring the realities of the First Nations of this land into sharp focus, and lessons learned from a career as a frontline activist committed to addressing environmental injustice at a global scale, Thomas-Muller offers a narrative and vision of healing and responsibility.

Dear Senthuran

A Black spirit memoir

Faber & Faber **One of Stylist's Best Memoirs for Summer 2021 'Unlike anything I've read . . . Remarkable.'** Roxane Gay 'A thing of great beauty.' Paris Review In letters addressed to their friends, to members of their family - both biological and chosen - and to fellow storytellers, Akwaeke describes the shape of a life lived in overlapping realities. Through heartbreak, chronic pain, intimacy with death, becoming a beast, this is embodiment as a nonhuman: outside the boundaries imposed by expectations and legibility. This book is an account of the grueling work of realignment and remaking necessary to carve out a future for oneself. The result is a Black spirit memoir: a powerful, raw unfolding of identity. 'An audacious sojourn through the terror and beauty of refusing to explain yourself.' New York Times

Rough Draft

A Memoir

Simon and Schuster **INSTANT NEW YORK TIMES BESTSELLER** “It’s a hell of a story.” —The New York Times “A stunning and revelatory memoir.” —Oprah Daily From MSNBC anchor and New York Times bestselling author Katy Tur, a shocking and deeply personal memoir about a life spent chasing the news. “By the time I was two years old, I knew to yell ‘Story! Story!’ at the squawks of my parents’ police scanner. By four, I could hold a microphone and babble my way through a kiddie news report. By the time I was in high school, though, my parents had lost it all. Their marriage. Their careers. Their reputations.” When a box from her mother showed up on Katy Tur’s doorstep, months into the pandemic and just as she learned she was pregnant with her second child, she didn’t know what to expect. The box contained thousands of hours of video—the work of her pioneering helicopter journalist parents. They grew rich and famous for their aerial coverage of Madonna and Sean Penn’s secret wedding, the Reginald Denny beating in the 1992 Los Angeles riots, and O.J. Simpson’s notorious run in the white Bronco. To Tur, these family videos were an inheritance of sorts, and a reminder of who she was before her own breakout success as a reporter. In *Rough Draft*, Tur writes about her eccentric and volatile California childhood, punctuated by forest fires, earthquakes, and police chases—all seen from a thousand feet in the air. She recounts her complicated relationship with a father who was magnetic, ambitious, and, at times, frightening. And she charts her own survival from local reporter to globe-trotting foreign correspondent, running from her past. Tur also opens up for the first time about her struggles with burnout and impostor syndrome, her stumbles in the anchor chair, and her relationship with CBS Mornings anchor Tony Dokoupil (who quite possibly had a crazier childhood than she did). Intimate and captivating, *Rough Draft* explores the gift and curse of family legacy, examines the roles and responsibilities of the news, and asks the question: To what extent do we each get to write our own story?

I'm the One Who Got Away

A Memoir

She Writes Press **As featured in the New York Times “Modern Love” column * a Redbook Magazine must-read * Rumpus, Hello Giggles, Bustle, and Southern Living magazine Fall book pick** Fugitives from a man as alluring as he is violent, Andrea Jarrell and her mother develop a powerful, unusual bond. Once grown, Jarrell thinks she’s put that chapter of her life behind her—until a woman she knows is murdered, and she suddenly sees that it’s her mother’s choices she’s been trying to escape all along. Without preaching or prescribing, *I’m the One Who Got Away* is a life-affirming story of having the courage to become both safe enough and vulnerable enough to love and be loved.

The Road

Pan Macmillan **The post-apocalyptic modern classic with an introduction by novelist John Banville. In a burned-out America, a father and his young son walk under a darkened sky, heading slowly for the coast. They have no idea what, if anything, awaits them there. The landscape is destroyed, nothing moves save the ash on the wind and cruel, lawless men stalk the roadside, lying in wait. Attempting to survive in this brave new world, the young boy and his protector have nothing but a pistol to defend themselves. They must keep walking. Winner of the Pulitzer Prize for Fiction, *The Road* is an incandescent novel, the story of a remarkable and profoundly moving journey. In this unflinching study of the best and worst of humankind, Cormac McCarthy boldly divines a future without hope, but one in which, miraculously, this young family finds tenderness. An exemplar of post-apocalyptic writing, *The Road* is a true modern classic, a masterful, moving and increasingly prescient novel. This edition is part of the Picador Collection, a series of the best in contemporary literature, inaugurated in Picador's 50th Anniversary year.**

Invincible Warrior

Shambhala Publications **Invincible Warrior** tells the fascinating story of the life of Morihei Ueshiba (1883-1969), whose quest for the true meaning of warriorship led to the creation of the martial art called Aikido, "The Art of Peace." Ueshiba—whose name means "abundant peace"—is considered by many to be one of the greatest martial artists who ever lived. His documented ability to disarm any attacker, throw a dozen men simultaneously, and down and pin opponents without touching them has accorded his life legendary status. **Invincible Warrior** presents the real story behind Morihei's achievement, illuminating the man and his message. Stevens describes the people, events, and ideas that influenced Ueshiba's lifelong spiritual quest, which culminated in the development of unique teachings of Aikido. Illustrated with two hundred photographs of Morihei in action and filled with revealing anecdotes about his life and times, **Invincible Warrior** also offers valuable discussion of the founder's conception of Aikido as a path of harmony and love, unifying body and mind, self and others, humans and the universe.

Hidden Valley Road

Hachette UK **12 children. 6 of them diagnosed with schizophrenia. Science's greatest hope in understanding the disease.**
***ONE OF BARACK OBAMA'S FAVOURITE BOOKS OF 2020* *TIME 100 Must-Read Books Of 2020 Pick* *New York Times bestseller* *Selected as Oprah's Book Club Pick* 'Startlingly intimate' - The Sunday Times 'Grippingly told and brilliantly reported' - Mail on Sunday 'Unforgettable' - The Times For fans of Educated, The Immortal Life of Henrietta Lacks and Three Identical Strangers Don and Mimi Galvin seemed to be living the American dream. After World War II, Don's work with the Air Force brought them to Colorado, where their twelve children perfectly spanned the baby boom: the oldest born in 1945, the youngest in 1965. In those years, there was an established script for a family like the Galvins - aspiration, hard work, upward mobility, domestic harmony - and they worked hard to play their parts. But behind the scenes was a different story: psychological breakdown, sudden shocking violence, hidden abuse. By the mid-1970s, six of the ten Galvin boys, one after the other, were diagnosed as schizophrenic. How could all this happen to one family? What took place inside the house on Hidden Valley Road was so extraordinary that the Galvins became one of the first families to be studied by the National Institutes of Mental Health. Their story offers a shadow history of the science of schizophrenia, from the era of institutionalization, lobotomy, and the schizophrenogenic**

mother, to the search for genetic markers for the disease, always amidst profound disagreements about the nature of the illness itself. And unbeknownst to the Galvins, samples of their DNA informed decades of genetic research that continues today, offering paths to treatment, prediction, and even eradication of the disease for future generations. With clarity and compassion, bestselling and award-winning author Robert Kolker uncovers one family's unforgettable legacy of suffering, love and hope. 'An extraordinary case study and tour de force of reporting' - Sylvia Nasar, author of *A Beautiful Mind* 'This book tore my heart out. It is a revelation-about the history of mental health treatment, about trauma, foremost about family-and a more-than-worthy follow-up to Robert Kolker's brilliant *Lost Girls*' -Megan Abbott, Edgar Award-winning author of *Dare Me* and *Give Me Your Hand* 'Hidden Valley Road contains everything: scientific intrigue, meticulous reporting, startling revelations, and, most of all, a profound sense of humanity. It is that rare book that can be read again and again' -David Grann, author of *Killers of the Flower Moon*

More Myself

A Journey

Pan Macmillan In her intimate memoir, *More Myself*, Alicia Keys shares her quest for truth: about herself, her past, and her shift from sacrificing her spirit to celebrating her worth. One of the most celebrated musicians of our time, Alicia Keys has enraptured the nation with her heartfelt lyrics, extraordinary vocal range, and soul-stirring piano compositions. Yet away from the spotlight, Alicia has grappled with private heartache over the challenging and complex relationship with her father, the people-pleasing nature that characterized her early career, the loss of privacy surrounding her romantic relationships, and the oppressive expectations of female perfection. Since her rise to fame, Alicia's public persona has belied a deep personal truth: she has spent years not fully recognizing or honoring her own worth. After withholding parts of herself for so long, she is at last exploring the questions that live at the heart of her story: Who am I, really? And once I discover that truth, how can I become brave enough to embrace it? *More Myself* is part autobiography, part narrative documentary. Alicia's journey is revealed not only through her own candid recounting, but also through vivid recollections from those who have walked alongside her. The result is a 360-degree perspective on Alicia's path: from her girlhood in Hell's Kitchen and Harlem, to the process of self-discovery she's still navigating. With the raw honesty that epitomizes Alicia's artistry, *More Myself* is at once a riveting account

and a clarion call to readers: to define themselves in a world that rarely encourages a true and unique identity.
