Then, shots are fired, people get hurt, and Larry suddenly finds himself in the middle of a real-life murder mystery. Only a few people on the island could have done it. The police can't come soon enough and the Crime Clubbers are itching to practice their sleuthing skills, taking Larry along for the ride. But with a serving staff paid to lie and unexpected guests with unclear motives, who can be trusted? Only Rafferty House knows--and it is not happy.

Everyone has a role to play - but what's real and what's part of the game?

Hachette UK **A remote hotel. A murder mystery. A missing woman. Everyone has a role to play, but what's real and what's part of the game? A twisty and fiendishly clever novel, perfect for fans of The Guest List and Knives Out. She decides to get into the spirit of things and enjoy their stay. What could go wrong? Playing the role of Miss Debbie Taunte, an ingenue with a dark past, Becca dives into the world of pun-heavy clues, hammy acting, and secret passages, hoping to at least take her mind off her marital troubles. Then, the morning after they arrive, the actress playing Ida's maid fails to reappear for her role. The game's organizer - that's Miss Ann Thrope to you - assumes the young woman's flakiness is to blame, but when snooping for clues as 'Debbie', Becca finds evidence she may not have left of her own free will. Death on the Beat

Police Officers Killed in the Line of Duty

Wharncliffe A former member of London's MP Flying Squad pays tribute to his fellow officers in a gripping and emotional true crime chronicle of duty and sacrifice. Dick Kirby of London's Serious Crime Squad shares ten stories of courage spanning fifty years of crime enforcement in the Metropolitan Police. In honoring the selfless men and women who gave their lives, Kirby sheds light on the ever-present dangers of street patrol—from confrontations at public protests to being caught in the middle of a gang war to answering a seemingly run-of-the-mill call at a quiet residence. Here are the true stories of extraordinary lives cut short: WPC Yvonne Fletcher gunned-down while policing a demonstration at the Libyan Embassy; Detective Sergeant Ray Purdy, taken out while arresting a common blackmailer; PC Ray Summers, an officer with less than two years' service, stabbed to death as he broke up a gang fight; a three-man crew in an unmarked 'Q' car wiped out by gunmen; PC Nat Edgar, shot by a burglar; PC Patrick Dunne, a home-beat officer murdered while investigating a domestic dispute; the horrific bombing of Herrods department store which cost three brave police officers their lives; and the murder of PC Stephen Tibble, which sparked investigations into the IRA. Drawing deeply on his knowledge and contacts within and outside the Metropolitan Police, Kirby explores the lives and deaths of these officers, and the trauma endured by the colleagues and loved ones they left behind. "I am delighted that Dick Kirby has written this book. Such heroes should be remembered."
—Michael Winner, director of *Death Wish*, from the Forward

Why We Love Serial Killers

The Curious Appeal of the World's Most Savage Murderers

Skyhorse A chilling investigation into the deviant mind, "so powerful and provocative, you cannot put it down" (Rita Cosby, New York Times-bestselling author). We know the names: Ted Bundy, Ed Gein, Jeffrey Dahmer, John Wayne Gacy, among them—serial killers transformed by the media into ghoulis celebrities. And their iconic fictional counterparts—from Norman Bates to Hannibal Lecter to Dexter—reveal just how eager we are to watch a psychopath in action. But why? Are we curious about the root of their terrifying compulsions? Or it is something more? *Why We Love Serial Killers* "attempts to solve some of these mysteries . . . What made serial killers this way? Why did they kill, and why did they do it so gruesomely? How are they different from us? (Please let them be different from us)" (The Atlantic). In exploring our appetite for the macabre, criminology professor Dr. Scott Bonn also provides a unique view into the world of serial killers, having corresponded with two of the most notorious examples: David Berkowitz, a.k.a. Son of Sam, and the BTK Killer, Dennis Rader. In addition, Bonn examines the criminal profiling techniques used to identify serial predators, the charisma of the sociopath, the rise in "murderabilia" collecting, and how and why these killers often become pop-culture icons, escalating both our fears and our fascination. The result is "powerful and a must-read . . . Insightful, compelling, and an excellent source of myth-busting information for laymen and professionals alike" (Burl Barer, Edgar Award-winning author of *The Saint*).

Borstal Girl

Simon and Schuster Born into a fog-ridden south London slum in 1931, Eileen Killick quickly learned to look after herself. Her brothers were wayward, her mum had TB and her dad was working all hours on the railways. By the time she was fourteen she had survived the Blitz, a spell in a care home and her mother's death, but she craved excitement, embarking on shoplifting sprees, liberating fur coats and rolling toffs up west with notorious 'queen of thieves' Shirley Pitts. Eileen soon found herself in borstal, put to work building roads like a navy. Known as 'Kill', she had a reputation as one of the hardest woman behind bars. Then, in the 1950s she met and married career criminal Harry 'Big H' MacKenney, and she was soon fraternising with the toughest, most colourful characters in the London underworld. She went on to have four children, whom she loved and protected, but life was extremely tough and Eileen fell back into her old ways, thieving and fighting to make ends meet. The 1970s brought police corruption and brutality to make ends meet. When Harry was banged up, Eileen carried on the 'family business' alone and found herself on the wrong side of the law - again. Yet throughout a catalogue of trouble this defiant London bad girl of the old school always kept her defiant sense of humour. *Borstal Girl* is a true story of shocking violence and survival that pulls no punches, but it is also a secret criminal history of a London long past. There is no other female memoir like it.

Createspace Independent Publishing Platform **When beautiful young socialite Scarlett Liddell apparently commits suicide during a 'Murder Mystery Weekend', expensively staged at a Lakeland castle, the coroner calls in DI Skelgill and his team to tie up the legal loose ends. Post mortem results, however, cast doubt upon the provisional verdict - and circumstantial evidence begins to point to one obvious suspect - Will Liddell, the woman's multi-millionaire entrepreneur husband. When Will Liddell is separately accused of an unrelated offence, it seems the noose is tightening around his neck - but the more Skelgill delves beneath the surface of the exclusive circle in which the wealthy couple have moved, the more he realises there may be complex motives afoot. In this psychological drama - set amidst an echelon of society beyond his regular comfort zone - Skelgill cannot so easily rely upon his roughhewn intuition to guide him. To expose the truth, he must unpick a tangle that might almost be the plot for a murder mystery weekend itself.**
