*Christian Publishing House In FOR AS I THINK IN MY HEART - SO I AM, Edward D. Andrews offers practical and biblical insights on a host of Christian spiritual growth struggles, from the challenge of forgiveness to eating disorders, anger, alcoholism, depression, anxiety, pornography, masturbation, same-sex attraction, and many others. Based on Proverbs 23:7 (NKJV): "For as he thinks in his heart, so is he," Andrews' text works from the position that if we can change the way that we think, we can alter the way we feel, which will modify the way we behave. FOR AS I THINK IN MY HEART - SO I AM offers far more than self-help to dozens of spiritual struggles, personal difficulties, and mental disorders. It will benefit Christian and non-Christian alike. The Scriptural advice and counsel coupled with cognitive behavioral therapy will be helpful even if every chapter is not one of your struggles. For As I Think in My Heart enables readers to examine the lies and half-truths they tell themselves repeatedly; lies, which as one argues, contribute to mental distress and a broad range of issues in their lives. In this text, Andrews seeks to wash those lies with biblical truth by combining biblical counseling with cognitive-behavioral therapy "to better understand our human condition" and give readers tools to overcome these challenges. This second edition has added five chapters, added material to several other chapters while keeping the page count down by dropping the font size.*

## A MANUAL ON THE PRACTICE OF PRAYER

---

*Wipf and Stock Publishers* Previously published under the title *Alive to God through Prayer*, this book has been thoroughly revised and updated to reflect the current prayer needs of Christians. Demaray offers an enlightening study of how prayer works and explains how any Christian can develop a richer prayer life. Here you will learn how to establish a personal pattern of prayer, how to pray for specific needs (growth, healing, revival, etc.), how to lead a prayer group, how to pray with your family, and much more. One chapter entitled *Especially for Ministers and Prayer Group Leaders* gives a wealth of practical suggestions to help Christian leaders enrich the prayer life of their congregations. A section of discussion questions at the end of each chapter will prompt you to think further and try some of the prayer methods Demaray describes. These questions also can serve as a springboard for group discussions.

## GLORY, GLORY, GLORY

---

*Xulon Press* Understandable and desirable . . . I experienced a personal revival in my heart. It whets one's appetite to join the heavenly chorus in singing Glory to God in the Highest. Ruth Cowan, Wycliffe Bible Translators, Peru The content of this book is so important and valuable. Victor Kulbich, Past Vice President of the Baptist Union, Kiev, Ukraine It reflects both scholarly depth and human warmth. It will enlighten the mind and rekindle the heart. It's like a living diary of one who has a singular quest to glorify God in the good times and in the rough times. Donald A. Manzullo, United States Congressman, Washington, D.C. The message of this book is soundly rooted in the Word of God. Its message will most certainly bring spiritual power into our lives. ## EVAGRIUS PONTICUS AND COGNITIVE SCIENCE

---

---

### A LOOK AT MORAL EVIL AND THE THOUGHTS

---

*Wipf and Stock Publishers* This study puts the thought of Evagrius Ponticus, a fourth-century theologian, into dialogue with modern cognitive science in regard to the topic of evil, specifically moral evil. Evagrius, in his writings about prayer and the ascetic life, addressed the struggle with personal moral evil in terms of the eight "thoughts" or "demons." These "thoughts" were transmitted by John Cassian to the Western church, and later recast by Gregory the Great as the Seven Deadly Sins. Though present understandings of evil appear to differ greatly from those of Evagrius, his wisdom concerning the battle against evil may prove to be of great help even today. Using the work of Pierre Hadot to recover Evagrius' context, and the work of Paul Ricoeur to discuss how we construct descriptions and myths of evil, Evagrius is brought into dialogue with the cognitive sciences. Using current research, especially the work of Eugene d'Aquili and Andrew Newberg, this study reveals the contemporary relevance of Evagrius' approach to combating evil. In addition, the interdisciplinary study of patristics and cognitive science opens the pathway to a better understanding between Christian tradition and the modern sciences. "Recent years have seen a resurgence in studies of Evagrius of Pontus bringing his work into a new relevance to today's world. This book by Dr. Tsakiridis examines the work of Evagrius and focuses on a perspective not well-covered in the literature---Evagrius' importance to science, especially the cognitive sciences. The book is insightful and represents an important new contribution to studies of Evagrius' work and to the science and religion discussion as a whole."---Gayle E. Woloschak The Feinberg School, Northwestern University "Few writers in the field of religion and science have the competence to interpret so many and varied texts in patristic mystical and moral theology, contemporary neuro-science, and the turn to spirituality in contemporary theology... He shows how both cognitive science and mystical theology can mutually enrich and inform each other in ways unimagined by today's popular neo-atheists and agnostics."---Robert A. Cathey McCormick Theological Seminary "In a thoroughly limpid style, George Tsakiridis sets before us an exceptionally interesting project: (1) he centers on sin, evil, and prayer in a way that is central to the religious life; (2) he engages the cutting edge domain of cognitive sciences; and (3) he invites us to take seriously both a much neglected fourth century religious thinker and the most contemporary work of scientists who focus on the mind and its activities."---Philip Hefner Lutheran School of Theology at Chicago, Emeritus "George Tsakiridis artfully compares and clarifies the concepts used by ancient and modern thinkers to describe meditation, ways to deal with good and evil, and mysticism, and adds neuroscientific studies of such experiences. Though the times were vastly different, enlightening human commonalities emerge."---Carol Rausch Albright Lutheran School of Theology at Chicago.

### MINISTER'S PRAYER BOOK

### AN ORDER OF PRAYERS AND READINGS, REVISED EDITION

---

*Fortress Press* Since it first appeared in print in 1959, John Doberstein's *Minister's Prayer Book* has been a devotional classic among Lutheran pastors. Written by a pastor for other pastors, Doberstein's work recognizes the need for the pastor to drink from a well of rich resources to sustain the spiritual vitality needed to serve faithfully in parish ministry. The fact that this manual of devotion is still available more than fifty years later is a testament to the timelessness of the collection Doberstein gathered, as well as to his own pastoral acumen. Other than a minor revision made in 1986 by Philip Pfatteicher to update the propers, there has been no attempt to bring fresh material to Doberstein's work, no attempt to update it for a new generation. Until now. This revised edition recognizes the increasingly diverse face of clergy. New resources--prayers and readings written by women, people of color, and Christians from around the world--give the collection a broader appeal. The beauty of the *Minister's Prayer Book* is its intentional re-centering of the pastor's calling on word and sacrament, on pastoral care, and on being fully present and engaged in the lives of God's people.
