## The Way of Kings

## Book One of the Stormlight Archive

Macmillan Introduces the world of Roshar through the experiences of a war-weary royal compelled by visions, a highborn youth condemned to military slavery, and a woman who is desperate to save her impoverished house.

## The Way of Kings

The brand new epic fantasy series from international bestseller Brandon Sanderson. According to mythology mankind used to live in The Tranquiline Halls. Heaven. But then the Voidbringers assaulted and captured heaven, casting out God and men. Men took root on Roshar, the world of storms. And the Voidbringers followed ... They came against man ten thousand times. To help them cope, the Almighty gave men powerful suits of armor and mystical weapons, known as Shardblades. Led by ten angelic Heralds and ten orders of knights known as Radiants, mankind finally won. Or so the legends say. Today, the only remnants of those supposed battles are the Shardblades, the possession of which makes a man nearly invincible on the battlefield. The entire world is at war with itself - and has been for centuries since the Radiants turned against mankind. Kings strive to win more Shardblades, each secretly wishing to be the one who will finally unite all of mankind under a single throne. On a world scoured down to the rock by terrifying hurricanes that blow through every few days is a young spearman, forced into the army of a Shardbearer, led to war against an enemy he doesn't understand and doesn't really want to fight. What happened deep in mankind's past? Why did the Radiants turn against mankind, and what happened to the magic they used to wield?

## Oathbringer Part One

## The Stormlight Archive Book Three

Stormlight Archive In Oathbringer, the third volume of the New York Times bestselling Stormlight Archive, humanity faces a new Desolation with the return of the Voidbringers, a foe with numbers as great as their thirst for vengeance. Dalinar Kholin's Alethi armies won a fleeting victory at a terrible cost: The enemy Parshendi summoned the violent Everstorm, which now sweeps the world with destruction, and in its passing awakens the once peaceful and subservient parshmen to the horror of their millennia-long enslavement by humans. While on a desperate flight to warn his family of the threat, Kaladin Stormblessed must come to grips with the fact that the newly kindled anger of the parshmen may be wholly justified. Nestled in the mountains high above the storms, in the tower city of Urithiru, Shallan Davar investigates the wonders of the ancient stronghold of the Knights Radiant and unearths dark secrets lurking in its depths. And Dalinar realizes that his holy mission to unite his homeland of Alethkar was too narrow in scope. Unless all the nations of Roshar can put aside Dalinar's blood-soaked past and stand together?and unless Dalinar himself can confront that past?even the restoration of the Knights Radiant will not prevent the end of civilisation. The story continues in Oathbringer: Part Two.

## The Stormlight Archive Book One

Gollancz Roshar is a world of stone and storms. Uncanny tempests of incredible power sweep across the rocky terrain so frequently that they have shaped ecology and civilisation alike. Animals hide in shells, trees pull in branches, and grass retracts into the soil-less ground. Cities are built only where the topography offers shelter. It has been centuries since the fall of the ten consecrated orders known as the Knights Radiant, but their Shardblades and Shardplate remain: mystical swords and suits of armour that transform ordinary men into near-invincible warriors. Men trade kingdoms for Shardblades. Wars were fought for them, and won by them. One such war rages on a ruined landscape called the Shattered Plains. There, Kaladin, who traded his medical apprenticeship for a spear to protect his little brother, has been reduced to slavery. In a war that makes no sense, where ten armies fight separately against a single foe, he struggles to save his men and to fathom the leaders who consider them expendable. Brightlord Dalinar Kholin commands one of those other armies. Like his brother, the late king, he is fascinated by an ancient text called The Way of Kings. Troubled by over-powering visions of ancient times and the Knights Radiant, he has begun to doubt his own sanity. Across the ocean, an untried young woman named Shallan seeks to train under an eminent scholar and notorious heretic, Dalinar's niece, Jasnah. Though she genuinely loves learning, Shallan's motives are less than pure. As she plans a daring theft, her research for Jasnah hints at secrets of the Knights Radiant and the true cause of the war. The result of more than ten years of planning, writing, and world-building, The Way of Kings is but the opening movement of The Stormlight Archive, a bold masterpiece in the making. Speak again the ancient oaths: Life before death. Strength before weakness. Journey before Destination. And return to men the Shards they once bore. The Knights Radiant must stand again. The story continues in The Way of Kings: Part Two.

## Rhythm of War Part Two

Gollancz After forming a coalition of human resistance against the enemy invasion, Dalinar Kholin and his Knights Radiant have spent a year fighting a protracted, brutal war. Neither side has gained an advantage, and the threat of a betrayal by Dalinar's crafty ally Taravangian looms over every strategic move. Now, as new technological discoveries by Navani Kholin's scholars begin to change the face of the war, the enemy prepares a bold and dangerous operation. The arms race that follows will challenge the very core of the Radiant ideals, and potentially reveal the secrets of the ancient tower that was once the heart of their strength. At the same time that Kaladin Stormblessed must come to grips with his changing role within the Knights Radiant, his Windrunners face their own problem: As more and more deadly enemy Fused awaken to wage war, no more honorspren are willing to bond with humans to increase the number of Radiants. Adolin and Shallan must lead the coalition's envoy to the honorspren stronghold of Lasting Integrity and either convince the spren to join the cause against the evil god Odium, or personally face the storm of failure. ### The Stormlight Archive Book Three

Hachette UK 'Brandon Sanderson is one of the greatest fantasy writers' FANTASY BOOK REVIEW From the bestselling author who completed Robert Jordan's epic Wheel of Time series comes a new, original creation that matches anything else in modern fantasy for epic scope, thrilling imagination, superb characters and sheer addictiveness. In Oathbringer, the third volume of the New York Times bestselling Stormlight Archive series, humanity faces a new Desolation with the return of the Voidbringers, a foe whose numbers are as great as their thirst for vengeance. The Alethi armies commanded by Dalinar Kholin won a fleeting victory at a terrible cost: The enemy Parshendi summoned the violent Everstorm, and now its destruction sweeps the world and its passing awakens the once peaceful and subservient parshmen to the true horror of their millennia-long enslavement by humans. While on a desperate flight to warn his family of the threat, Kaladin Stormblessed must come to grips with the fact that their newly kindled anger may be wholly justified. Nestled in the mountains high above the storms, in the tower city of Urithiru, Shallan Davar investigates the wonders of the ancient stronghold of the Knights Radiant and unearths the dark secrets lurking in its depths. And Dalinar realizes that his holy mission to unite his homeland of Alethkar was too narrow in scope. Unless all the nations of Roshar can put Dalinar's blood-soaked past aside and stand together - and unless Dalinar himself can confront that past - even the restoration of the Knights Radiant will not avert the end of civilization. ## Words of Radiance

Tor Books From #1 New York Times bestselling author Brandon Sanderson, Words of Radiance, Book Two of the Stormlight Archive, continues the immersive fantasy epic that The Way of Kings began. Expected by his enemies to die the miserable death of a military slave, Kaladin survived to be given command of the royal bodyguards, a controversial first for a low-status "darkeyes." Now he must protect the king and Dalinar from every common peril as well as the distinctly uncommon threat of the Assassin, all while secretly struggling to master remarkable new powers that are somehow linked to his honorspren, Syl. The Assassin, Szeth, is active again, murdering rulers all over the world of Roshar, using his baffling powers to thwart every bodyguard and elude all pursuers. Among his prime targets is Highprince Dalinar, widely considered the power behind the Alethi throne. His leading role in the war would seem reason enough, but the Assassin's master has much deeper motives. Brilliant but troubled Shallan strives along a parallel path. Despite being broken in ways she refuses to acknowledge, she bears a terrible burden: to somehow prevent the return of the legendary Voidbringers and the civilization-ending Desolation that will follow. The secrets she needs can be found at the Shattered Plains, but just arriving there proves more difficult than she could have imagined. Meanwhile, at the heart of the Shattered Plains, the Parshendi are making an epochal decision. Hard pressed by years of Alethi attacks, their numbers ever shrinking, they are convinced by their war leader, Eshonai, to risk everything on a desperate gamble with the very supernatural forces they once fled. The possible consequences for Parshendi and humans alike, indeed, for Roshar itself, are as dangerous as they are incalculable. ## Legion: Lies of the Beholder

Hachette UK Stephen Leeds, also known as 'Legion', has a unique mental condition. He can become an expert on any subject in hours . . . and with every new area of expertise a new 'aspect' of Stephen is created. Is he schizophrenic? Possibly. Does that make him an incredible intelligence agent? Definitely. And this is his final, and perhaps his strangest, adventure. It begins with two unrelated events: the disappearance of Armando, one of Stephen's many "aspects," and an unexpected cry for help from Sandra, the woman who, many years before, helped him learn to live with his condition . . . and the combination of the two leads to a sinister high-tech firm specializing in advanced methods of human incarceration. An original, challenging, and utterly absorbing story, this unmissable novella showcases Stephen Leeds at his best: a compelling hero, and a man constantly struggling to understand and control his own divided nature. 'An absolutely fantastic read' Fantasy Book Review 'The pulse of a thriller and the hook of a fascinating hero balancing on the edge of psychosis' Library Journal

## Words of Radiance

Gollancz The natural heir to Robert Jordan, Brandon Sanderson's Stormlight Archive series hit No.1 in the US and No.2 in the UK with the hardback release of the massive second volume, WORDS OF RADIANCE. Split into two volumes for paperback this is Part One of that second volume. WORDS OF RADIANCE takes the reader even deeper into the lives of its characters as they fight for power, freedom and their lives on the extraordinary, hurricane swept world of Rosharr. Famed for his plotting, his wonderful characters and his intricate magic systems Brandon Sanderson is poised to take up the crown of Robert Jordan as the creator of the keynote epic fantasy series of its time with the Stormlight Archive.

## Legion: The Many Lives of Stephen Leeds

Tor Books Legion: The Many Lives of Stephen Leeds, is #1 New York Times bestselling author Brandon Sanderson's novella collection of science fiction thrillers that will make you question reality—including a never-before-published story. Stephen Leeds is perfectly sane. It's his hallucinations who are mad. A genius of unrivaled aptitude, Stephen can learn any new skill, vocation, or art in a matter of hours. However, to contain all of this, his mind creates hallucinatory people—Stephen calls them aspects—to hold and manifest the information. Wherever he goes, he is joined by a team of imaginary experts to give advice, interpretation, and explanation. He uses them to solve problems . . . for a price. His brain is getting a little crowded and the aspects have a tendency of taking on lives of their own. When a company hires him to recover stolen property—a camera that can allegedly take pictures of the past—Stephen finds himself in an adventure crossing oceans and fighting terrorists. What he discovers may upend the foundation of three major world religions—and, perhaps, give him a vital clue into the true nature of his aspects. Legion: The Many Lives of Stephen Leeds includes Legion, Legion: Skin Deep and the brand new, shocking finale to Leeds' story, Lies of the Beholder.

## The Emperor's Soul

Hachette UK From the bestselling author of the Mistborn Trilogy and co-author of the final three books of Robert Jordan's Wheel of Time series comes the tale of a heretic thief who may be an Empire's only hope for survival. Shai is a Forger: a foreigner who can flawlessly re-create any item by rewriting its history using skillful magic . . . although she's currently condemned to death after trying to steal the emperor's sceptre, she has one last opportunity to save herself. The emperor has barely survived an assassination attempt, he needs a new soul and, despite viewing her skill as a Forger an abomination, her captors have turned to Shai for help. Skillfully deducing her captors plans, Shai knows the first thing she needs is a perfect escape plan, but in the meantime, her fate and that of the empire lies in completing an impossible task: is it possible to create a forgery so convincing that it's better than the soul itself?

## Infinity Blade

## Awakening

Trained from birth in swordplay and combat, a young knight named Siris has journeyed to the Dark Citadel with a single purpose: fight through the army of Titans to face the tyrannical God King in one-on-one combat. This was his father's sacred mission, and his father's before him, going back countless generations in an effort to free their people from enslavement. But when Siris somehow succeeds where all those from his bloodline previously have failed, he finds himself cast into a much larger world, filled with warriors and thieves, ancient feuds and shifting alliances, Deathless immortals and would-be kings. His quest for freedom will take him on an epic journey in search of the mythical figure known as the Worker of Secrets - the one being in the world who can unravel the secrets of the Infinity Blade.

### Book One of the Stormlight Archive

Tor Books From #1 New York Times bestselling author Brandon Sanderson, *The Way of Kings*, Book One of the Stormlight Archive begins an incredible new saga of epic proportion. Roshar is a world of stone and storms. Uncanny tempests of incredible power sweep across the rocky terrain so frequently that they have shaped ecology and civilization alike. Animals hide in shells, trees pull in branches, and grass retracts into the soilless ground. Cities are built only where the topography offers shelter. It has been centuries since the fall of the ten consecrated orders known as the Knights Radiant, but their Shardblades and Shardplate remain: mystical swords and suits of armor that transform ordinary men into near-invincible warriors. Men trade kingdoms for Shardblades. Wars were fought for them, and won by them. One such war rages on a ruined landscape called the Shattered Plains. There, Kaladin, who traded his medical apprenticeship for a spear to protect his little brother, has been reduced to slavery. In a war that makes no sense, where ten armies fight separately against a single foe, he struggles to save his men and to fathom the leaders who consider them expendable. Brightlord Dalinar Kholin commands one of those other armies. Like his brother, the late king, he is fascinated by an ancient text called *The Way of Kings*. ### Steelheart

Hachette UK Ten years ago, Calamity came. It was a burst in the sky that gave ordinary men and women extraordinary powers. The awed public started calling them Epics. But Epics are no friend of man. With incredible gifts came the desire to rule. And to rule man you must crush his wills. Nobody fights the Epics... nobody but the Reckoners. A shadowy group of ordinary humans, they spend their lives studying Epics, finding their weaknesses, and then assassinating them. And David wants in. He wants Steelheart - the Epic who is said to be invincible. The Epic who killed David's father. For years, like the Reckoners, David's been studying, and planning - and he has something they need. Not an object, but an experience. He's seen Steelheart bleed. And he wants revenge.

### Dawnshard

### From the Stormlight Archive

Dragonsteel Entertainment From Brandon Sanderson—author of the #1 New York Times bestselling Stormlight Archive and its fourth massive installment, *Rhythm of War*—comes a new hefty novella, Dawnshard. Taking place between *Oathbringer* and *Rhythm of War*, this tale (like *Edgedancer* before it) gives often-overshadowed characters their own chance to shine. When a ghost ship is discovered, its crew presumed dead after trying to reach the storm-shrouded island Akinah, Navani Kholin must send an expedition to make sure the island hasn't fallen into enemy hands. Knights Radiant who fly too near find their Stormlight suddenly drained, so the voyage must be by sea. Shipowner Rysn Ftori lost the use of her legs but gained the companionship of Chiri-Chiri, a Stormlight-ingesting winged larkin, a species once thought extinct. Now Rysn's pet is ill, and any hope for Chiri-Chiri's recovery can be found only at the ancestral home of the larkin: Akinah. With the help of Lopen, the formerly one-armed Windrunner, Rysn must accept Navani's quest and sail into the perilous storm from which no one has returned alive. If the crew cannot uncover the secrets of the hidden island city before the wrath of its ancient guardians falls upon them, the fate of Roshar and the entire Cosmere hangs in the balance.

### Alcatraz vs. The Evil Librarians Series

### (Alcatraz vs. The Evil Librarians, The Scrivener's Bones, The Knights of Crystallia, The Shattered Lens, The Dark Talent)

Tor Books This discounted ebundle includes: *Alcatraz vs. The Evil Librarians*, *The Scrivener's Bones*, *The Knights of Crystallia*, *The Shattered Lens*, *The Dark Talent* An action-packed fantasy adventure series by the #1 New York Times bestselling author Brandon Sanderson. Alcatraz Smedry and his family and friends must battle a cult of evil Librarians bent on taking over the world through misinformation and suppressing the truth. *Alcatraz vs. the Evil Librarians* — On his thirteenth birthday, foster child Alcatraz Smedry gets a bag of sand in the mail—his only inheritance from his father and mother. It is quickly stolen by the cult of Evil Librarians. Alcatraz must stop them, using the only weapon he has: an incredible talent for breaking things. *The Scrivener's Bones* — In his second skirmish against the Evil Librarians who rule the world, Alcatraz and his ragtag crew of freedom fighters track Grandpa Smedry to the ancient and mysterious Library of Alexandria. Can Alcatraz and his friends rescue Grandpa Smedry and make it out of there alive? *The Knights of Crystallia* — Alcatraz Smedry has made it to the Free Kingdoms at last. Unfortunately, so have the Evil Librarians—including his mother! Now Alcatraz has to find a traitor among the Knights of Crystallia, make up with his estranged father, and save one of the last bastions of the Free Kingdoms from the Evil Librarians. *The Shattered Lens* — Alcatraz Smedry is up against a whole army of Evil Librarians with only his friend Bastille, a few pairs of glasses, and an unlimited supply of exploding teddy bears to help him. This time, even Alcatraz's extraordinary talent for breaking things may not be enough to defeat the army of Evil Librarians and their giant librarian robots. *The Dark Talent* — Alcatraz Smedry has successfully defeated the army of Evil Librarians and saved the kingdom of Mokia. Too bad he managed to break the Smedry Talents in the process. Even worse, his father is trying to enact a scheme that could ruin the world, and his friend, Bastille, is in a coma. Without his Talent to draw upon, can Alcatraz figure out a way to save Bastille and defeat the Evil Librarians once and for all? At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

### The Dark Talent

### Alcatraz vs. the Evil Librarians

Jabberwocky Literary Agency, Inc. #1 New York Times bestselling author Brandon Sanderson's *Alcatraz vs. the Evil Librarians* series comes to an electrifying conclusion... ..and it's about time if you ask me. By "me" I of course mean me, Alcatraz Smedry. This is the last chapter of my autobiography, and was the hardest one for me to write. Because, in it—I'm not a hero. In fact, I'm the one who screwed everything up for everyone else. First off, my Talent for breaking things got a little out of hand, and I ended up destroying everyone else's Talents. As in "anyone who was born with a Talent no longer has a Talent and might never get their Talent back"—and all because of a Talent of mine which I no longer have. Got it? Even worse, my best friend Bastille (she's a girl, and a friend, but not really my girlfriend...I think?) was put in a coma by those Librarian slugs. So I owed them one for that. And worse than worse, I needed to enter the heart of Librarian power—the dreaded Highbrary—if I was ever going to bring Bastille back to life and stop my know-it-all hotshot renegade father from unleashing chaos all over the world just because he thinks it's the right thing to do. I wasn't sure I would make it out in one piece. Or two pieces. Or even ten pieces, considering how ticked off the Librarians were with me. So if you're willing to read about a world full of deadly dangers and fearsome foes unlike anything you've read before, turn the page. After all, I made it out alive... Though someone very close to me didn't. Praise for the Alcatraz series: "Like Lemony Snicket and superhero comics rolled into one (and then revved up on steroids)." —Publishers Weekly (Starred Review) "An excellent choice to read aloud to the whole family." —NPR "Those who enjoy their fantasy with a healthy dose of slapstick humor will

be delighted.” —School Library Journal “Genuinely funny...plenty here to enjoy.” —Locus “In this original, hysterical homage to fantasy literature, Sanderson’s first novel for youth recalls the best in Artemis Fowl and A Series of Unfortunate Events.” —VOYA

## House of Earth and Blood

### The epic new fantasy series from multi-million and #1 New York Times bestselling author Sarah J. Maas

Bloomsbury Publishing *Think Game of Thrones meets Buffy the Vampire Slayer with a drizzle of E.L. James - Telegraph* Perfect for fans of Jessica Jones and True Blood, this is a blockbuster modern fantasy set in a divided world where one woman must uncover the truth to seek her revenge. Half-Fae, half-human Bryce Quinlan loves her life. Every night is a party and Bryce is going to savour all the pleasures Lunathion - also known as Crescent City - has to offer. But then a brutal murder shakes the very foundations of the city, and brings Bryce's world crashing down. Two years later, Bryce still haunts the city's most notorious nightclubs - but seeking only oblivion now. Then the murderer attacks again. And when an infamous Fallen angel, Hunt Athalar, is assigned to watch her every footstep, Bryce knows she can't forget any longer. As Bryce and Hunt fight to unravel the mystery, and their own dark pasts, the threads they tug ripple through the underbelly of the city, across warring continents, and down to the deepest levels of Hel, where things that have been sleeping for millennia are beginning to stir ... With unforgettable characters and page-turning suspense, this richly inventive new fantasy series by #1 New York Times bestselling author Sarah J. Maas delves into the heartache of loss, the price of freedom - and the power of love.

## Dragonsbane

Open Road Media An idealistic young prince convinces an aging warrior and a struggling witch to help him kill the dragon that is terrorizing his kingdom As a vicious dragon stalks the Southlands, Crown Prince Gareth ventures to the forbidding North in search of the only man who can kill it. He is Lord Aversin, the Dragonsbane, whose dragon-slaying days have won him renown across the land. But when Gareth finds Lord Aversin, he discovers the mighty hero is squat and bespectacled, the ruler of a mud-village who admits that he killed the dragon not with a lance, but with ignoble poison. Still, he'll have to do. Gareth and Aversin set off in company with Jenny Waynest, a witch with great ambitions but disappointingly puny powers—a ragtag crew destined to become legendary, or die in the attempt. This ebook features an illustrated biography of Barbara Hambly, including rare photos and never-before-seen documents from the author's personal collection.

## Starsight

### The Second Skyward Novel

Hachette UK All her life, Spensa has dreamed of becoming a pilot. Of proving she's a hero like her father. She made it to the sky, but the truths she learned about her father were crushing. The rumours of his cowardice are true - he deserted his flight during battle against the Krell. Worse, though, he turned against his team and attacked them. Spensa is sure there's more to the story. And she's sure that whatever happened to her father in his starship could happen to her. When she made it outside the protective shell of her planet, she heard the stars - and it was terrifying. What she learned turned her world upside down. Everything Spensa's been taught is a lie. But Spensa also learned a few things about herself - and she'll travel to the end of the galaxy to save humankind if she needs to. ## Words of Radiance

### Book Two of the Stormlight Archive

Tor Fantasy From #1 New York Times bestselling author Brandon Sanderson, Words of Radiance, Book Two of the Stormlight Archive, continues the immersive fantasy epic that The Way of Kings began. Expected by his enemies to die the miserable death of a military slave, Kaladin survived to be given command of the royal bodyguards, a controversial first for a low-status "darkeyes." Now he must protect the king and Dalinar from every common peril as well as the distinctly uncommon threat of the Assassin, all while secretly struggling to master remarkable new powers that are somehow linked to his honorspren, Syl. The Assassin, Szeth, is active again, murdering rulers all over the world of Roshar, using his baffling powers to thwart every bodyguard and elude all pursuers. Among his prime targets is Highprince Dalinar, widely considered the power behind the Alethi throne. His leading role in the war would seem reason enough, but the Assassin's master has much deeper motives. Brilliant but troubled Shallan strives along a parallel path. Despite being broken in ways she refuses to acknowledge, she bears a terrible burden: to somehow prevent the return of the legendary Voidbringers and the civilization-ending Desolation that will follow. The secrets she needs can be found at the Shattered Plains, but just arriving there proves more difficult than she could have imagined. Meanwhile, at the heart of the Shattered Plains, the Parshendi are making an epochal decision. Hard pressed by years of Alethi attacks, their numbers ever shrinking, they are convinced by their war leader, Eshonai, to risk everything on a desperate gamble with the very supernatural forces they once fled. The possible consequences for Parshendi and humans alike, indeed, for Roshar itself, are as dangerous as they are incalculable. Vowing to bring down the crime boss running the city, a group of Gentlemen Bastards, led by Locke Lamora, sets out to beat the Capa at his own game, taking on other thieves, murderers, beggars, prostitutes, and thugs in the process.

## Skyward

### The First Skyward Novel

Hachette UK Spensa's world has been under attack for hundreds of years. An alien race called the Krell leads onslaught after onslaught from the sky in a never-ending campaign to destroy humankind. Humanity's only defense is to take to their ships and fight the enemy in the skies. Pilots have become the heroes of what's left of the human race. Spensa has always dreamed of being one of them; of soaring above Earth and proving her bravery. But her fate is intertwined with her father's - a pilot who was killed years ago when he abruptly deserted his team, placing Spensa's chances of attending flight school somewhere between slim and none. No one will let Spensa forget what her father did, but she is still determined to fly. And the Krell just made that a possibility. They've doubled their fleet, making Spensa's world twice as dangerous . . . but their desperation to survive might just take her skyward . . . ## Sixth of the Dusk

Dragonsteel Entertainment A fascinating new novella in Brandon Sanderson's Cosmere, the universe shared by his Mistborn series and the #1 New York Times bestselling Stormlight Archive. Sixth of the Dusk, set in a never-before-seen world, showcases a society on the brink of technological change. On the deadly island of Patji, where birds grant people magical talents and predators can sense the thoughts of their prey, a solitary trapper discovers that the island is not the only thing out to kill him. When he begins to see his own corpse at every turn, does this spell danger for his entire culture? ----- A note from the publisher: For a detailed behind-the-scenes look at the creation of this novella, including brainstorming and workshopping session transcripts, the first draft, line-by-line edits, and an essay by Brandon, please see Shadows Beneath: The Writing Excuses Anthology.

## Hoods

### The Gangs of Nottingham, A Study in Organised Crime

Milo Books Ltd In 2004, the murder of a middle-aged couple in their village bungalow lifted the lid on the great untold story of British organised crime. The slaughter of Joan and John Stirland revealed an evil empire of powerful ganglords, contract killings and police corruption. At its dark heart was the East Midlands city of Nottingham. A prosperous centre of business, education and leisure, Nottingham had fallen under the shadow of vicious gangsters. Eventually its police were investigating so many murders that their boss had to appeal to other forces for help, and the influx of drugs and weapons saw the city labelled "Gun Capital UK". HOODS traces the roots of the gangs, revealing how economic dislocation and the clash of cultures between working-class white residents and black immigrants from the 1950s onwards created an alienated underclass. In the 1990s, a more malignant breed of organised criminal emerged. Crime families who had been involved in armed robbery, protection rackets and extortion now sought to control the recreational drugs trade and forged links across Europe to import wholesale quantities of cocaine, ecstasy and amphetamines. By 2002, shootings were running at one a

week. HOODS uncovers how outlaw Yardies pioneered the sale of crack cocaine and imported the ruthless violence of the Jamaican ghettos; how young black gangs from the so-called NG Triangle of the Meadows, St Ann's and Radford areas clashed in a series of turf wars; how the shadowy Dawes Cartel built a lucrative international drugs empire; and how the Bestwood Cartel and its terrifying leader, Colin Gunn, corrupted police officers and left dead and maimed in its wake. As local police struggled to cope with the mayhem, MI5 and the National Crime Squad launched a massive undercover investigation into the Nottingham 'untouchables'. It led ultimately to the dismantling of some of the UK's most powerful crime networks. HOODS is a stark account of what happens when the rule of the gun supplants the rule of law and fear stalks the streets.

## The Lady of the Lake

## Witcher 5 – Now a major Netflix show

Hachette UK The fifth novel in the New York Times bestselling Witcher series that inspired the hit Netflix show finds Ciri trapped in a distant world and separated from Geralt and her destiny. After walking through a portal in the Tower of the Swallow, thus narrowly escaping death, the Witcher girl, Ciri, finds herself in a completely different world... a world of the Elves. She is trapped with no way out. Time does not seem to exist and there are no obvious borders or portals to cross back into her home world. But this is Ciri, the child of prophecy, and she will not be defeated. She knows she must escape to finally rejoin the Witcher, Geralt, and his companions - and also to try to conquer her worst nightmare. Leo Bonhart, the man who chased, wounded and tortured Ciri, is still on her trail. And the world is still at war. Translated by David French.

## Alcatraz versus the Evil Librarians

Hachette UK Who knew that libraries were centres for all evil? Alcatraz Smedry, practically the world champion of breaking things, never thought his most boring birthday present - a bag of sand - would get him into this much trouble. Yet now he's fleeing from evil Librarians, releasing dinosaurs to create a diversion in the Fiction section, and learning that clumsiness can be a powerful talent!
