A vast proportion of the thousands of such images derive from the visionary insights of the first shamans, who either left them as reminders for themselves or as spiritual signposts for those who came after them. Created by practising shaman John Matthews and beautifully illustrated with evocative images of cave paintings by Wil Kinghan, this highly original deck contains 52 cards, which are divided into five groupings - Spirits, Ancestors, Hunters, Dancers and Shamans - each representing a different aspect of human experience. Two further cards - the Journeyer and the Helper - represent the person who is conducting the reading: the Seeker. As the cards are drawn, they reveal insights that will help to guide the Seeker on his or her quest for the answers to life's most vital questions. The images are not only beautiful, atmospheric and mysterious, but they also touch on the deepest memories we all possess - the unconscious archetypes that influence our thoughts, feelings and actions at the deepest level of being.* **Sacred Sites Oracle Cards Harness Our Earth's Spiritual Energy to Heal Your Past, Transform Your Present and Shape Your Future** *Watkins Publishing Featuring 52 sacred sites from around the world, this unique oracle, beautifully illustrated by Yuri Leitch, allows you to work with the sacred earth energies and covers the three dimensions of your life: past, present and future. Each card features a beautiful illustration by Yuri Leitch and the sites range from Big Horn Medicine Wheel and Devils Mountain in the US to Giza in Egypt and Die Externsteine in Germany to Newgrange in Ireland and Stonehenge in England. A helpful guidebook accompanies the cards and includes an introduction explaining Barbara's personal experience of interacting with sacred sites and how the energy of these places will help you to heal your past, understand your present and shape your future. It also explains the relevance of the Four Directions (north, east, south and west) and the Three Worlds (Lower, Middle and Upper), as well as the process of interpretation (a one-card reading).
