EVERY LAST WORD

Hachette UK The New York Times bestseller everyone is talking about. If you could read my mind, you wouldn't be smiling. Samantha McAllister looks just like the rest of the popular girls in her junior class. But hidden beneath the straightened hair and expertly applied makeup is a secret that her friends would never understand: Sam has Purely-Obsessional OCD and is consumed by a stream of dark thoughts and worries that she can't turn off. Second-guessing every move, thought, and word makes daily life a struggle, and it doesn't help that her lifelong friends will turn toxic at the first sign of a wrong outfit, wrong lunch, or wrong crush. Yet Sam knows she'd be truly crazy to leave the protection of the most popular girls in school. So when Sam meets Caroline, she has to keep her new friend with a refreshing sense of humor and no style a secret, right up there with Sam's weekly visits to her psychiatrist. Caroline introduces Sam to Poet's Corner, a hidden room and a tight-knit group of misfits who have been ignored by the school at large. Sam is drawn to them immediately, especially a guitar-playing guy with a talent for verse, and starts to discover a whole new side of herself. Slowly, she begins to feel more "normal" than she ever has as part of the popular crowd . . . until she finds a new reason to question her sanity and all she holds dear.

LEGENDS OF THE LAND OF THE GODS...

THE AUDACIOUS RACONTEUR

SOVEREIGNTY AND STORYTELLING IN COLONIAL INDIA

Cornell University Press Can a subject be sovereign in a hegemony? Can creativity be reined in by forces of empire? Studying closely the oral narrations and writings of four Indian authors in colonial India, *The Audacious Raconteur* argues that even the most hegemonic circumstances cannot suppress "audacious raconteurs": skilled storytellers who fashion narrative spaces that allow themselves to remain sovereign and beyond subjugation. By drawing attention to the vigorous orality, maverick use of photography, literary ventriloquism, and bilingualism in the narratives of these raconteurs, Leela Prasad shows how the ideological bulwark of colonialism—formed by concepts of colonial modernity, history, science, and native knowledge—is dismantled. Audacious raconteurs wrest back meanings of religion, culture, and history that are closer to their lived understandings. The figure of the audacious raconteur does not only hover in an archive but suffuses everyday life. Underlying these ideas, Prasad's personal interactions with the narrators' descendants give weight to her innovative argument that the audacious raconteur is a necessary ethical and artistic figure in human experience.

THE DIASPORA WRITES HOME

SUBCONTINENTAL NARRATIVES

Springer This book by eminent author Jasbir Jain explores the many ways the diaspora remembers and reflects upon the lost homeland, and their relationship with their own ancestry, history of the homeland, culture and the current political conflicts. Amongst the questions this book asks is, 'how does the diaspora relate to their home, and what is the homeland's relationship to the diaspora as representatives of the contemporary homeland in another country?'. The last is an interesting point of discussion since the 'present' of the homeland and of the diaspora cannot be equated. The transformations that new locations have brought about as migrants have travelled through time and interacted with the politics of their settled lands---Africa, Fiji, the Caribbean Islands, the UK, the US, Canada, as well as the countries created out of British India, such as Pakistan and Bangladesh---have altered their affiliations and perspectives. This book gathers multiple dispersions of emigrant writers and artistes from South Asia across time and space to the various homelands they relate to now. The word 'write' is used in its multiplicity to refer to creative expression, as an inscription, as connectivity, and remembrance. Writing is also a representation and carries its own baggage of poetics and aesthetics, categories which need to be problematised vis-à-vis the writer and his/her emotional location.

TWELFTH KNIGHT

A MOTHER'S STORY

Createspace Independent Publishing Platform On Christmas Eve, Jeff Hayes returned home from high school hockey practice, approached his mother, and uttered these life-changing words: "Mom, I think I have a tumor in my leg." Jeff was diagnosed with Ewing's sarcoma, a rare and deadly form of bone cancer. Eventually, the disease would end his life, but to focus on his death is to miss the beauty of his life; it is to miss the countless lives he touched; his community rallying around him; his love of hockey and the kindness of the Boston Bruins. Twelfth Knight is a wonderful story, beautifully told through a mother's eyes. Susan recounts clinical settings amid memories of Jeff's youth with flashbacks of her own childhood growing up in a large Boston family. The story is told in the same manner in which Jeff lived his life—with courage, compassion, humor, and gratitude. Discover through Jeff's story, the high-incidence of this rare disease that strikes children, adolescents, and young adults. PRAISE FOR TWELFTH KNIGHT "Living on Cape Cod, I too, was diagnosed with Ewing's sarcoma a year prior to Jeff. A four-time survivor; my battle continues. HOW TO MAKE MONEY IN STOCK MARKET

Prabhat Prakashan I have been frequently stuck in the whirlpools of the financial markets as well as of life, but with God's grace I have survived all vicissitudes and am living a happy and calm life. I have tried to elaborate them in this book.

THE DIARY OF A SNAKE CHARMER

"Utthisht Bharat, ' he said, and in that magical moment I felt that the river, the trees, and the sky...were saying, 'Utthisht Bharat.' I got up, never to look back or have doubts again." Just as the Bharata of yore responded to the Lord's call to rise up from dejection, to fulfill his glorious destiny, this modern day Bharat too rises up from the pits of despair and defeat, to set out steadily on his appointed path of duty. Bharat, an IITian, with a management degree from IIM, had a 'successful' innings in the corporate world, with overseas postings too. Having acquired a substantial bank balance, he has the urge to set up a business in rural India, which will bring greater profits to the farmers. Predictably, he is ruthlessly pushed out, and systematically ruined by the vested interests that feel threatened. Deep in despair, he gets help from a most unexpected quarter, a poor tribal snake charmer, known as Nagbaba... A gripping tale of how he comes out from the mires of debt and ruin, to rise up again, wiser but undeterred from his chosen path... A story of modern India, the two Indias of the cities and the villages... the urban, educated, elite youth with modern knowledge from science and technology, and the illiterate people of the forests, who have the wealth of wisdom passed down from centuries... the development of cities, which takes place at the cost of the proliferation of slums... the two different cultures that coexist in mutual wariness and mistrust...

NAZI WIVES

THE WOMEN AT THE TOP OF HITLER'S GERMANY

The History Press Goering, Goebbels, Himmler, Heydrich, Bormann, Hess – names synonymous with power and influence in the Third Reich. Perhaps less familiar are Carin, Emmy, Magda, Margaret, Lina, Gerda and Ilse ... These are the women behind the infamous men – complex individuals with distinctive personalities who were captivated by Hitler and whose everyday lives were governed by Nazi ideology. Throughout the rise and fall of Nazism these women loved and lost, raised families and quarrelled with their husbands and each other, all the while jostling for position with the mighty Führer himself. And yet they have been treated as minor characters, their significance ignored, as if they were unaware of their husband's murderous acts, despite the evidence that was all around them: the stolen art on their walls, the slave labour in their homes, and the produce grown in concentration camps on their tables. *Nazi Wives* explores these women in detail for the first time, skilfully interweaving their stories through years of struggle, power, decline and destruction into the post-war twilight of denial and delusion.

PORN ARCHIVES

Duke University Press While sexually explicit writing and art have been around for millennia, pornography—as an aesthetic, moral, and juridical category—is a modern invention. The contributors to *Porn Archives* explore how the production and proliferation of pornography has been intertwined with the emergence of the archive as a conceptual and physical site for preserving, cataloguing, and transmitting documents and artifacts. By segregating and regulating access to sexually explicit material, archives have helped constitute pornography as a distinct genre. As a result, porn has become a site for the production of knowledge, as well as the production of pleasure. The essays in this collection address the historically and culturally varied interactions between porn and the archive. Topics range from library policies governing access to sexually explicit material to the growing digital archive of "war porn," or eroticized combat imagery; and from same-sex amputee porn to gay black comic book superhero porn. Together the pieces trace pornography as it crosses borders, transforms technologies, consolidates sexual identities, and challenges notions of what counts as legitimate forms of knowledge. The collection concludes with a valuable resource for scholars: a list of pornography archives held by institutions around the world. Contributors: Jennifer Burns Bright, Eugenie Brinkema, Joseph Bristow, Robert Caserio, Ronan Crowley, Tim Dean, Robert Dewhurst, Lisa Downing, Frances Ferguson, Loren Glass, Harri Kahla, Marcia Klotz, Prabha Manuratne, Mireille Miller-Young, Nguyen Tan Hoang, John Paul Ricco, Steven Rusczycky, Melissa Schindler, Darieck Scott, Caitlin Shanley, Ramon Soto-Crespo, David Squires, Linda Williams

TO OBAMA

Bloomsbury Publishing Every day, President Obama received ten thousand letters from ordinary American citizens. Every night, he read ten of them before going to bed. In "To Obama", Jeanne Marie Laskas interviews President Obama, the letter-writers themselves and the White House staff in the Office of Presidential Correspondence who were witness to the millions of pleas, rants, thank-yous and apologies that landed in the mailroom during the Obama years. There is Peggy, a patriotic grandmother who thinks the President is trying to lead the country into socialism and recommends that he read the Constitution; Bill, a lifelong Republican whose attitude towards immigration reform was transformed when he met a boy who escaped MS-13 gang leaders in El Salvador; Jordan, a seven-year-old about to be adopted, who wants to thank the President for keeping him safe; James, who on the morning after the 2016 election tells the President to start packing; and Dawn, who writes to say that he made it possible for a very jaded generation to begin to hope and believe in the good. They wrote to Obama out of gratitude and desperation, in their darkest times of need, with anger, fear and respect. "To Obama" is an intimate look at one man's relationship with the American people, and at how this extraordinary dialogue shaped an era-defining presidency
