KEY=CP88 - WATTS INGRID

Invisible

Simon and Schuster You could say that my railroad, the Madham Line, is almost the most important thing in my life. Next to Andy Morrow, my best friend. Lots of people think Doug Hanson is a freak -- he gets beat up after school, and the girl of his dreams calls him a worm. Doug's only refuge is creating an elaborate bridge for the model railroad in his basement and hanging out with his best friend, Andy Morrow, a popular football star who could date any girl in school. Doug and Andy talk about everything -- except what happened at the Tuttle place a few years back. It does not matter to Andy that we live in completely different realities. I'm Andy's best friend. It does not matter to Andy that we hardly ever actually do anything together. As Doug retreats deeper and deeper into his own reality, long-buried secrets threaten to destroy both Doug and Andy -- and everything else in Doug's fragile world.

Honeyball & Bowers' Textbook on Employment Law

Oxford University Press **Honeyball and Bowers' Textbook on Employment Law** is an approach to employment law with strong critical analysis whilst placing it in its wider contexts, in a concise and user-friendly format. Fully updated to take into account the recent significant developments in this area, including the Equality Act 2010, the key topics on most employment law courses are addressed in detail. An extremely clear writing style allows this text to remain accessible and student-focussed, while providing detailed explanations and analysis of the law. The text also includes diagrams and chapter summaries throughout to aid student understanding, while further reading suggestions assist with essaypreparation and research. Setting employment law in context, this book considers both industrial and collective issues as well as examining the increasing role of the EU in UK employment law. A separate chapter on human rights also enables students to understand the role human rights legislation plays in the development of employment law. This book also contains cross referencing to Painter & Holmes' Cases & Materials on Employment Law, ensuring that these two texts continue to complement one another and provide the perfect combination of textbook analysis and the most up-to-date cases and materials. This text is accompanied by a free Online Resource Centre (www.oxfordtextbooks.co.uk/orc/honeyball12e/) which contains updates to the law and useful weblinks.

308 Circuits

Elektor International Media This is the ninth in the 300 series of circuit design books, again contains a wide range of circuits, tips and design ideas. The book has been divided into sections, making it easy to find related subjects in a single category. The book not only details DIY electronic circuits for home construction but also inspiring ideas for projects you may want to design from the ground up. Because software in general and microcontroller programming techniques in particular have become key aspects of modern electronics, a number of items in this book deal with these subjects only. Like its predecessors in the 300 series, "308 Circuits" covers the following disciplines and interest fields of modern electronics: test and measurement, radio and television, power supplies and battery chargers, general interest, computers and microprocessors, circuit ideas and audio and hi-fi.

Word Nerd

Andersen Press Limited Ambrose Bukowski is a twelve-year-old with a talent for mismatching his clothes, for saying the wrong thing at the worst possible time, and for words. In short, he's a self-described nerd. Making friends is especially hard because he and his overprotective mother, Irene, have had to move so often. And when bullies at his latest school almost kill him by deliberately slipping a peanut into his sandwich to set off his allergy, it's his mother who has the extreme reaction. From now on, Ambrose has to be home-schooled. Then Ambrose strikes up an unlikely friendship with the landlord's son, Cosmo, an ex-con who's been in prison. They have nothing in common except for Scrabble. But a small deception grows out of control when Ambrose convinces a reluctant Cosmo to take him to a Scrabble club. Could this spell disaster for Ambrose?

The Veiled Suite

The Collected Poems

Penguin UK Blended with the intricacies of European and Urdu traditional cultures, the poetic works of Agha Shahid Ali had the power to transform the ordinary into something extraordinary. The Veiled Suite: The Collected Poems is an anthology of his life works that spans to thirty years of his career as a poet and six successful volumes that he had the chance to publish during his lifetime. This book opens with his last poetic composition The Veiled Suite: The Collected Poems, a canzone, which was published posthumously. He had penned this poem a year prior to his death. This book contains some of his famous poems like Postcard from Kashmir, A Lost Memory of Delhi, Snowmen, Cracked Portraits, Story of a Silence, Poets on Bathroom Walls, Now No Longer Little, Medusa, The Blessed Word: A prologue, Some Visions of the World Cashmere, New Delhi Airport, I have Loved, and many more remarkable poems. From his early works to his mature translations of Ghazals, the readers can evidently see his progression from his directly descriptive poetic works to the dynamic and stratified compositions of his later collections in this book. This is the underlying factor that adds to make The Veiled Suite: The Collected Poems, the ultimate book for his fans.

Squirrels on Skis

Random House Books for Young Readers This new Beginner Book about manic skiing squirrels—by J. Hamilton Ray with illustrations by Pascal Lemaitre—has the feeling of an old classic read-aloud. "Nobody knew how the mania grew. First there was one, and then there were two. Three more came gliding from under the trees. LOOK! On the hill. Those are squirrels on skis! Below lay the town, snow-covered and still. Not a sound could be heard. All was silent, until . . . Swwwishhhh swooped the skiers, all dressed for play. Eighty-five squirrels and more on the way!" As you can imagine, the townsfolk are NOT amused. Can intrepid reporter Sally Sue Breeze find out where the squirrels are getting their skis-and make them stop skiing long enough to eat lunch-before pest-control guy Stanley Powers sucks them up in his vacuum device? (Don't worry—Sally triumphs in a most unexpected way.) With delightfully understated, funny illustrations by Pascal Lemaitre, this is the perfect book for beginning readers to curl up and chill out with on a snow day—or any day! Originally created by Dr. Seuss, Beginner Books encourage children to read all by themselves, with simple words and illustrations that give clues to their meaning.

Jack McAfghan

Reflections on Life with My Master

An expert communicator, Jack McAfghan writes the memoirs of his four-legged life as a mixed-breed Afghan Hound. From obedience and agility training to hospice work, Jack and his master learn their lessons side by side, inevitably applying what they have learned as their own lives unfold. It is a love story that can be used as an informal study guide for those who are in the process of training a dog, learning to love, or grieving over the loss of a friend. Jack presents with a wise, open and informed mind. He speaks firsthand about the psychological aspects of canine behavior as he opens the reader's mind to the possibilities that exist in life and after death. He reminds us that the way we think can change the course of our lives. This story will touch everyone who has ever loved. It matters not if they have four legs or two. Jack leads us to a higher love as he expands our tolerance and compassion for all of humanity. He extends himself to every creature of the earth, every human on the planet, every spirit in the universe and most of all, to the bona fide Master over all.

Slave Stealers

True Accounts of Slave Rescues: Then and Now

Follow two abolitionists who fought one of the most shockingly persistent evils of the world: human trafficking and sexual exploitation of slaves. Told in alternating chapters from perspectives spanning more than a century apart, read the riveting 19th century first-hand account of Harriet Jacobs and the modern-day eyewitness account of Timothy Ballard. Harriet Jacobs was an African-American, born into slavery in North Carolina in 1813. She thwarted the sexual advances of her master for years until she escaped and hid in the attic crawl space of her grandmother's house for seven years before escaping north to freedom. She published an autobiography of her life, *Incidents in the Life of a Slave Girl*, which was one of the first open discussions about sexual abuse endured by slave women. She was an active abolitionist, associated with Frederick Douglass, and, during the Civil War, used her celebrity to raise money for black refugees. After the war, she worked to improve the conditions of newly-freed slaves. As a former Special Agent for the Department of Homeland Security who has seen the horrors and carnage of war, Timothy Ballard founded a modern-day "underground railroad" which has rescued hundreds of children from being fully enslaved, abused, or trafficked in third-world countries. His story includes the rescue and his eventual adoption of two young siblings--Mia and Marky, who were born in Haiti. Section 2 features the lives of five abolitionists, a mix of heroes from past to present, who call us to action and teach us life lessons based on their own experiences: Harriet Tubman--The "Conductor"; Abraham Lincoln--the "Great Emancipator"; Little Mia--the sister who saved her little brother; Guesno Mardy--the Haitian father who lost his son to slave traders; and Harriet Jacobs--a teacher for us all.

The Writer's Guide to Weapons

A Practical Reference for Using Firearms and Knives in Fiction

Penguin When it comes to writing weapons, most authors shoot from the hip--and miss. The *Writer's Guide to Weapons* will help you hit your target every time. Firearms and knives have starring roles in a wide range of genres--crime, thriller, war, mystery, Western, and more. Unfortunately, many depictions of weapons in novels and film are pure fiction. Knowing the difference between a shotshell and a slug, a pistol and a revolver, or a switchblade and a butterfly knife is essential for imbuing your story with authenticity--and gaining popularity with discerning readers. Inside you'll find: • An in-depth look at the basics of firearms and knives: how they work, why they work, what they look like, and how to depict them accurately in your stories. • The biggest weapons myths in fiction, TV, and film. • A surefire guide for choosing the correct weapon for your characters, no matter their skill level, strength, or background. • A review of major gun and knife laws, weapons safety tips, and common police tactics. • "The Hit List," showcasing the most popular weapons for spies, detectives, gunslingers, gangsters, military characters, and more. • Examples highlighting inaccurate vs. accurate weapons depictions. • An insightful foreword by David Morrell, the award-winning creator of Rambo. Equal parts accessible, humorous, and practical, *The Writer's Guide to Weapons* is the one resource you need to incorporate firearms and knives into your fiction like a seasoned professional.

Mid Ocean

Akula Media Group **Mid Ocean** is a Novel of fiction by Author T. Rafael Cimino and is about the war on drugs as it occurs in South Florida in the year 1984. Joel Kenyon has lived in his father's shadow for most of his life. Even after his Dad's death, the man's powerful legacy still haunts him at every turn. As he graduates from the U. S. Custom's Academy, Joel is assigned strategic duty in the 'bad-lands' of U. S. drug enforcement, the Florida Keys. Set in 1984, Mid Ocean shows the lives of the sometimes violent drug smugglers and the men and women sworn to uphold the law in this Caribbean 'wild west'. In the end, Joel Kenyon will question everyone, including himself in a quest for what's right and true. It is here that he will find out the sea holds many secrets.

Why We Hate

McGraw Hill Professional "In the post-9/11 struggle for a sane global vision, this antihatred manifesto could not be more timely."--O: The Oprah Magazine In this acclaimed volume, Pulitzer-Prize nominated science writer Rush W. Dozier Jr. demystifies our deadliest emotion--hate. Based on the most recent scientific research in a range of fields, from anthropology to zoology, Why We Hate explains the origins and manifestations of this toxic emotion and offers realistic but hopeful suggestions for defusing it. The strategies offered here can be used in both everyday life to improve relationships with family and friends as well as globally in our efforts to heal the hatreds that fester within and among nations of the world.

Als

An Orientation

Createspace Independent Publishing Platform **Eliot H. Dunsy, MD**, is a retired physician who since his diagnosis in 2009 has been living with ALS, the complex, progressively debilitating disorder commonly known as Lou Gehrig's disease. Determined to maintain the best quality of life possible-for as long as possible-he extensively researched the condition and its management. As he immersed himself, talking to ALS patients and exploring emerging assistive technologies and aids, he realized that misunderstanding of this complicated disease was rife, preventing many from making the most of the precious years left. The result is this compilation of not only his personal experiences as his own condition advanced but also current research and links to additional specialized resources. Its aim is to help other patients learn to live with their diagnosis and navigate the day-to-day struggles associated with it. Appropriate symptom management can help fend off the devastating effects of the disease for a longer period of time. ALS: An Orientation offers a practical guide for patients and their families on maximizing quality of life through strategic care and, importantly, coping with the emotional toll the disease can take. A terminal diagnosis simply means savoring to the fullest the life that is still possible.
