STRENGTHENING FORENSIC SCIENCE IN THE UNITED STATES

A PATH FORWARD

National Academies Press Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. Strengthening Forensic Science in the United States: A Path Forward provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. Strengthening Forensic Science in the United States gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

CRIME SCENE INVESTIGATION

A GUIDE FOR LAW ENFORCEMENT

This is a guide to recommended practices for crime scene investigation. The guide is presented in five major sections, with sub-sections as noted: (1) Arriving at the Scene: Initial Response/Prioritization of Efforts (receipt of information, safety procedures, emergency care, secure and control persons at the scene, boundaries, turn over control of the scene and brief investigator/s in charge, document actions and observations); (2) Preliminary Documentation and Evaluation of the Scene (scene assessment, "walk-through" and initial documentation); (3) Processing the Scene (team composition, contamination control, documentation and prioritize, collect, preserve, inventory, package, transport, and submit evidence); (4) Completing and Recording the Crime Scene Investigation (establish debriefing team, perform final survey, document the scene); and (5) Crime Scene Equipment (initial responding officers, investigator/evidence technician, evidence collection kits).

SUPERVISION OF POLICE PERSONNEL

Pearson Higher Ed This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. The must-read text for criminal justice students, prospective police supervisors, and police promotional exams. Supervision of Police Personnel, Eighth Edition, offers complete coverage of the principles and practices of police supervision for leadership training of supervisors in law enforcement and allied fields. This newly updated text explores relationships involved in individual and group management methods and the practical techniques for carrying out the various responsibilities of the police supervisor. Discussions focus on real issues faced by police supervisors in interpersonal, operational, and administrative relationships. Written by experienced police officers, the text presents time-tested content that is an indispensable resource for promotional exams.

THE FUNCTIONS OF THE POLICE IN MODERN SOCIETY

A REVIEW OF BACKGROUND FACTORS, CURRENT PRACTICES, AND POSSIBLE ROLE MODELS

POLICE OFFICER EXAM

Simon and Schuster Rated "Best of the Best" in Police Exam Prep Books by BestReviews, September 2018 This updated manual presents information, practice tests, and strategies for the different question types used by police departments throughout the country. It includes: Four full-length practice exams with all questions answered and explained Two official exams given by a large metropolitan police department Streamlining of chapters to more closely reflect the latest question types currently in use General strategies for dealing with multiple-choice questions and specific strategies for taking computer-based multiple-choice tests, as well as for taking the traditional paper/pencil multiple-choice exam All important time management strategies New reading comprehension question types, plus strategies for answering these questions An additional diagnostic exam presents questions like those that have appeared on recent entry-level exams used by police departments across the country. Also included are test-taking tips for all question types, suggested rules for effective study, and a detailed description of a police officer's duties. Updated chapters take into account the recent trend by police departments to rely on oral interviews and computerized testing when selecting police officers.

EFFECTIVE POLICE SUPERVISION STUDY GUIDE

Routledge Good police officers are often promoted into supervisory positions with little or no training for what makes a good manager. Effective Police Supervision provides readers with an understanding of the group behaviors and organizational dynamics necessary to understand the fundamentals of police administration. The Effective Police Supervision Study Guide, which includes quizzes and other study tools, gives students, as well as professionals training for promotional exams, a way to review the material and be fully prepared for examinations and the world of police supervision. This new edition, like the new edition of the textbook it accompanies, includes information on the following topics: police accountability, police involvement with news media, dealing with social media, updates on legal considerations, and avoiding scandals. Updated to coincide precisely with the 7th edition of Effective Police Supervision Each chapter includes learning objectives, key terms, chapter summaries, and review questions Includes access to the instructor and companion sites for Effective Police Supervision

THE COURAGEOUS POLICE LEADER

A SURVIVAL GUIDE FOR COMBATING COWARDS, CHAOS, AND LIES

Stoic Enterprises LLC In this groundbreaking book, "The Courageous Police Leader: A Survival Guide for Combating Cowards, Chaos & Lies," Major Travis Yates tears down the walls separating law enforcement and the community and exposes the dirt that keeps law enforcement from excelling to greatness and that continues to give the criminal element the winning hand. With almost three decades of leadership experience in a major law enforcement agency and a current Commander, Yates dissects the ills within and outside the profession in a way you have never heard. Through his detailed research, impeccable story telling and personal experiences, Yates will expose the cowards, reveal the lies and show you how to navigate the chaos that often occurs when cowardly leaders refuse to stand up for the good and decent heroes that wear the badge. This book will not only show you what cowardly leadership can do to

law enforcement and their community but also the greatness of what Courageous Police Leadership can achieve. Drawing from the ancient wisdom of Sun Tzu's Art of War, Yates gives targeted and specific advice on how to combat the enemies of law enforcement in a format and style that has never been achieved before. Topics that must be met with courage and explained include training, community policing, race relations, policy, the delusion of demographic parity, social justice "warriors", and how to deal with politics within the profession. Sheriff Jesse Watts says that "every leader needs this book" and Lt. Jim McNeff recommends "The Courageous Police Leader" for it's "sage wisdom" that will "stand the test of time." Whether you are in law enforcement, in business or a citizen that craves to know how law enforcement can better serve you, this book is for you. Find out what others are saying about "The Courageous Police Leader" and how you can play your part in achieving greatness at: www.StopCowards.com.

SPECIALIZED GANG UNITS

FORM AND FUNCTION IN COMMUNITY POLICING

DIANE Publishing This is a print on demand edition of a hard to find publication. Between 1980 and the mid-1990s, the number of specialized gang units (SGU) in law enforcement agencies increased substantially. The rise in SGU coincided with the widespread adoption of community policing (CP). This report examined whether CP and SGU are complementary or conflicting approaches. The research approach consisted of field observation of gang personnel in two CP agencies with SGU: Indianapolis, IN, and San Diego, CA. This report describes the specific types of activities engaged in by SGU -- documenting the time expended by SGU personnel on each. The results suggest that SGU can have an important role in modern policing. There is little evidence that SGU conflict with CU in principle or practice.

MTA POLICE OFFICER EXAM GUIDE

Createspace Independent Publishing Platform NEW Book to help you ace the MTA Police Officer Exam! Seven reasons why you should study with this book: 1. This book was prepared by Angelo Tropea, bestselling author of exam preparation books. He has more than 30 years' experience in preparing candidates for exams. 2. Carefully crafted exercises (with answers explained) are provided for practice and to increase proficiency and confidence. 5. A comprehensive practice exam is provided, with the answers explained. 6. The large format of this book (8.5 X 11 inches) maximizes the clarity of informational tables, street maps,

and other images. 7. The price of this book is a small amount to invest for such a large return! Study with this valuable book - and prepare for success!

OCCUPATIONAL OUTLOOK HANDBOOK

MEDIATING CITIZEN COMPLAINTS AGAINST POLICE OFFICERS

A GUIDE FOR POLICE AND COMMUNITY LEADERS

This report provides guidance in helping police and community leaders develop successful mediation programs for addressing citizen complaints against police officers. The first chapter defines mediation as "the informal resolution of a complaint or dispute between two parties through a face-to-face meeting in which a professional mediator serves as a neutral facilitator and where both parties ultimately agree that an acceptable resolution has been reached." The goals of mediation are to achieve understanding of the issues involved in the complaint, solve any problems associated with the complaint, and achieve reconciliation between the parties. The second chapter outlines the potential benefits of mediation for police officers, citizen complainants, police accountability, community policing, the complaint process, and the criminal justice system. The third chapter discusses the key issues in developing a mediation program for citizen complaints against police. Among the issues addressed are voluntary participation, case eligibility, the mediation of racial and ethnic-related complaints, the mediation of complaints by women, potential language and cultural barriers, case screening, police discipline and accountability, and getting both sides to the table. Other issues addressed pertain to the mediation session itself and the enforcement of agreements. Chapter four presents results from a survey of existing citizen complaint mediation programs. The concluding chapter describes a model for a successful mediation program for citizen complaints against police. 100 references.

THE POLICE PROCEDURAL

Popular Press In the late 1940s and early 1950s a new kind of detective story appeared on the scene. This was a story in which the mystery is solved by regular police detectives, usually working in teams and using ordinary police routines. This kind of narrative is customarily called the "police procedural" story. And it is the subject of this book. Though there has been numberless writers of these stories, there has never been a book of criticism before.

POLICE LEADERSHIP AND ADMINISTRATION

A 21ST-CENTURY STRATEGIC APPROACH

Taylor & Francis William Walsh and Gennaro Vito have adapted the strategic management process to the police organizational world in this innovative new text, Police Leadership and Administration: A 21st-Century Approach. Focusing principally on the police executive, this book covers pioneering management techniques for leaders facing the challenges of today's complex environment, providing the police practitioner instruction in planning, setting direction, developing strategy, assessing internal and external environments, creating learning organizations, and managing and evaluating the change process. It also tackles how to handle the political, economic, social, and technical considerations that differ from one community to the next. Police Leadership and Administration trains individuals to search for solutions, rather than relying on old formulas and scientific management principles. It shows how to tailor responses to the unique problems and issues that professionals are likely to face in the field of law enforcement, providing a foundation with which to adapt to an ever-changing criminal justice climate. This book is essential for forward-thinking police leadership courses in colleges and professional training programs.

FORENSIC EVIDENCE AND THE POLICE

THE EFFECTS OF SCIENTIFIC EVIDENCE ON CRIMINAL INVESTIGATIONS

A RESOURCE GUIDE ON RACIAL PROFILING DATA COLLECTION SYSTEMS

PROMISING PRACTICES AND LESSONS LEARNED

CreateSpace This resource guide (November 2000) is organized into four main sections: Chapter 1: Introduction Chapter 2: An introduction to the nature of the problem of racial profiling. Chapter 3: A general description of data collection and its limitations. Chapter 4: Study-site descriptions and analysis. Chapter 5: Recommendations and future goals. Chapter 6: Conclusions and Recommendations The "selected site" approach of this resource guide is intended to encourage and guide police and communities as they begin to take action to evaluate allegations of racial profiling and to help police and communities learn from one another's experiences and successes. To facilitate this exchange of ideas, contact information is provided for each site described in this guide. To promote the continued exchange of facts, forms, and new data collection systems, one recommendation of this guide is to create a Web site for sharing information about racial profiling and data collection. (NCJ 184768)

U. S. ARMY BOARD STUDY GUIDE

INVESTIGATION OF THE FERGUSON POLICE DEPARTMENT

Createspace Independent Publishing Platform The Civil Rights Division of the United States Department of Justice opened its investigation of the Ferguson Police Department ("FPD") on September 4, 2014. This investigation has revealed a pattern or practice of unlawful conduct within the Ferguson Police Department that violates the First, Fourth, and Fourteenth Amendments to the United States Constitution, and federal statutory law. Over the course of the investigation, we interviewed City officials, including City Manager John Shaw, Mayor James Knowles, Chief of Police Thomas Jackson, Municipal Judge Ronald Brockmeyer, the Municipal Court Clerk, Ferguson's Finance Director, half of FPD's sworn officers, and others. We spent, collectively, approximately 100 person-days onsite in Ferguson. We participated in ride-alongs with on-duty officers, reviewed over 35,000 pages of police records as well as thousands of emails and other electronic materials provided by the police department. Enlisting the assistance of statistical experts, we analyzed FPD's data on stops, searches, citations, and arrests, as well as data collected by the municipal court. We observed four separate sessions of Ferguson Municipal Court, interviewing dozens of people charged with local offenses, and we reviewed third-party studies regarding municipal court practices in Ferguson and St. Louis County more broadly. As in all of our investigations, we sought to engage the local community, conducting hundreds of in-person and telephone interviews of individuals who reside in Ferguson or who have had interactions with the police department. We contacted ten neighborhood associations and met with each group that responded to us, as well as several other community groups and advocacy organizations. Throughout the investigation, we relied on two police chiefs who accompanied us to Ferguson and who themselves interviewed City and police officials, spoke with community members, and reviewed FPD policies and incident reports.

POLICE DISCIPLINE

A CASE FOR CHANGE

THE MACHINE GUNNERS

Nelson Thornes It's 1940, and Britain is at war. Young Chas McGill has the second-best collection of war souvenirs in town, but desperately wants it to be the best. Amidst the bombs and air raids, Chas and his friends plan their own war effort in their newly built bunker. Friendships are forged and loyalties tested, in the adventure of a lifetime. Robert Westall's "The Machine Gunners" has been

read, studied - and loved - by successive generations of younger readers. It won the Carnegie Medal and was voted one of the most important children's novels of the past seventy years. This thrilling stage adaptation comes from the award-winning playwright Ali Taylor, and premiered at the Polka Theatre, London. It provides rich opportunities for discussion in the classroom, and for staging by schools, youth theatres and amateur companies.

POLICE OFFICER, NEW YORK POLICE DEPT. (NYPD)

TEST PREPARATION STUDY GUIDE, QUESTIONS AND ANSWERS

Career Examination Passbooks The Police Officer, New York Police Department (NYPD) Passbook(R) prepares you for your test by allowing you to take practice exams in the subjects you need to study. It provides hundreds of questions and answers in the areas that will likely be covered on your upcoming exam, including but not limited to: written comprehension; written expression; memorization; problem sensitivity; inductive and deductive reasoning; and more.

BASIC ISSUES IN POLICE PERFORMANCE

Since the complexity of police services does not lend itself to standardized performance measures, measurement techniques should be designed to inform more about what police do and how they affect their communities. This report reviews conventional police measurement practices and offers ways to improve the management value of performance information. Traditional performance measurement has emphasized the measurement of individual departments' effectiveness in preventing crime. This approach fails to consider the broad range of other police duties, citizens' expectations of police, and how police activities produce social change. Police can be evaluated in terms of efficiency, effectiveness, equity, and accountability, but citizens disagree about which of these performance criteria are the most important because community/police problems are too diverse. Instead of developing uniform, inflexible performance standards to apply globally to entire departments, evaluators should ask more detailed questions about common police processes and their results. Sketchy knowledge of how policing works now produces many hypotheses, but rarely standards worthy of emulation. Evaluators should develop better theories about police functions, obtain more reliable data, and control data collection costs with the aid of police managers so that measures inform departmental policymakers. Tables, diagrams, and 197 references are given. Appendixes include police services study data and a list of problem codes.

THE GRAVEYARD BOOK

Harper Collins It takes a graveyard to raise a child. Nobody Owens, known as Bod, is a normal boy. He would be completely normal if he didn't live in a graveyard, being raised by ghosts, with a guardian who belongs to neither the world of the living nor the dead. There are adventures in the graveyard for a boy—an ancient Indigo Man, a gateway to the abandoned city of ghouls, the strange and terrible Sleer. But if Bod leaves the graveyard, he will be in danger from the man Jack—who has already killed Bod's family.

SCHOOL, FAMILY, AND COMMUNITY PARTNERSHIPS

YOUR HANDBOOK FOR ACTION

Corwin Press Strengthen family and community engagement to promote equity and increase student success! When schools, families, and communities collaborate and share responsibility for students' education, more students succeed in school. Readers will find: Many examples and vignettes Rubrics and checklists for implementation of plans CD-ROM complete with slides and notes for workshop presentations

SPECIAL WARFARE

THE PROFESSIONAL BULLETIN OF THE JOHN F. KENNEDY SPECIAL WARFARE CENTER AND SCHOOL

POLICE BEHAVIOR, HIRING, AND CRIME FIGHTING

AN INTERNATIONAL VIEW

Routledge This edited collection by internationally recognized authors provides essays on police behavior in the categories of police administration, police operations, and combating specific crimes. Individual chapters strike at critical issues for police today, such as maintaining the well-being of officers, handling stress, hiring practices, child sexual exploitation, gunrunning, crime prevention strategies, police legitimacy, and much more. Understanding how police are hired and behave is a way of understanding different governments around the world. The book will cover the practices of countries as diverse as China, Germany, India, Japan, Turkey, South Africa, the United States, and others. Readers will be exposed to aspects of police that are rarely, if ever, explored. The book is

intended for a wide range of audiences, including law enforcement and community leaders and students of criminal justice.
