# Kissing Madeline

*Lex Martin* **What's the worst thing about wanting a sexy NFL football player? Everyone else wants him, too. After catching my boyfriend getting deep-throated by a cage girl, I've learned my lesson – never date a professional athlete. Never. Besides, I have more important things to worry about, like not blowing my shot to make it as a broadcast reporter. I won't let anything get in my way, not even the new "it boy" of the NFL and my hot-as-hell neighbor. What's the worst thing about getting death glares from his new neighbor? It doesn't make him want her any less. I've worked my ass off to make it to the pros. The last thing I need is the complication of a relationship, especially since my last one was a total train wreck. But I can't stop thinking about the feisty girl next door with the smart mouth. And I'd love nothing more than to show her what to do with that mouth. Friends with benefits might be the best idea he's ever had. Or the worst. KISSING MADELINE, the third book in The Dearest Series, can be read a standalone novel. This new adult romance is recommended for readers 18+ due to mature content. ORDER OF BOOKS: Dearest Clementine (Clementine & Gavin) Finding Dandelion (Dani & Jax) Kissing Madeline (Maddie & Daren)**

# Finding Dandelion

*Lex Martin* **When soccer all-star Jax Avery collides with Dani Hart on his twenty-first birthday, their connection is instantaneous and explosive. For the first time in years, Jax isn't interested in his usual hit-it and quit-it approach. But Dani knows better. Allowing herself a night to be carefree and feel the intensity of their attraction won't change anything when it comes to dealing with a player. So when Jax doesn't recognize Dani the next time he sees her, it shouldn't be a total shock. The fact that he's her new roommate's brother? That's a shock. Dani doesn't regret that night with Jax, just the need to lie about it. Since her roommate has made it clear**

what she thinks about her brother's "type" of girl, the last thing Dani wants is to admit what happened. Jax knows he's walking a fine line on the soccer team. One more misstep and he's off the roster, his plans to go pro be damned. Except he can't seem to care. About anything… except for the one girl who keeps invading his dreams. Despite Jax's fuzzy memory of his hot hookup with his sister's friend, he can't stay away from her, even if that means breaking his own rules. But there are bigger forces at work–realities that can end Dani's college career and lies that can tear them apart. Jax realizes what he's losing if Dani walks away, but will he sacrifice his future to be with her? And will she let him if he does?
