Created for Purpose

Whitaker House You are no accident. Your presence on this earth is not a mistake. Neither is it insignificant. On the contrary, you are wanted here—and needed! You are a creation of God with a unique purpose. Many people “do” things to try to gain acceptance by others, so that they can “be” someone. They become slaves to public opinion and never really know who they were meant to be. When we know that we are God’s beloved children, chosen from the foundation of the world, and discover who He designed us to be, we will think and act from that perspective. Everything else will develop from our identity and existence in Him. That identity goes beyond even our personal purpose to God’s eternal plans for the world and our exciting role in them. God created all human beings to have dominion over the earth. And He has assigned each of us a portion of “territory” where we can exercise the measure of our dominion on earth. This dominion is based on the faith, anointing, and gifts He has given us. Our words and actions are most effective when we are in the territory God has assigned to us and are seeking first His kingdom. This “territorial” power is not merely symbolic. It is a reality in which we must live. The territory in which we are to be fruitful is not random or general but specific. In *Created for Purpose*, you will discover God’s plan for your life as a loved and valuable member of His creation, what it means to be called by God, and how to know and live in your purpose throughout your life. You are not an accident. You are present on this earth for a significant reason. Find out who you were meant to be!

How to Hear the Voice of God

El Rey Jesus

How to Walk in the Supernatural Power of God

Whitaker House Experience Signs, Wonders, and Miracles Today The supernatural power and authority of God are available for today’s believers—just as they were during ancient biblical times—for healings, miracles, and deliverances. To help you grasp the full revelation of God’s supernatural power, Apostle Maldonado shares biblically based insights and tremendous testimonies to show you how to: Experience God’s anointing to be more effective in ministry Understand and operate in the supernatural Minister healing to the sick Hear the voice of God Protect yourself from deception Develop a faith for the miraculous Begin to experience the miraculous in your life! "And these signs will follow those who believe..." (Mark 16:17).

The Kingdom of Power

How to Demonstrate It Here and Now

Whitaker House Experience Heaven on Earth in a Tangible Way The kingdom of God is... A supernatural kingdom A kingdom of power, not just words. A kingdom whose reality can be experienced here and now. Jesus said, "The kingdom of God is within you" (Luke 17:21). God’s kingdom is His will exercised on earth as it is in heaven. It expands its influence in this world through the supernatural work of the Holy Spirit in the lives of believers—like you and me. When Jesus returned to heaven, He activated the church to continue expanding His kingdom in each succeeding generation of believers. We are the vessels through which God extends His kingdom to our communities and nations! Wherever God’s kingdom rules on earth, it is visibly demonstrated. Jesus manifested the power of the kingdom with tangible miracles, signs, healings, and deliverances. Each time He announced the good news of the kingdom, sin, sickness, demons, poverty, and death could not remain. The kingdom is a reality today—not just in the future—and it may be applied to each circumstance we encounter in life. The kingdom has everything we need: righteousness, healing, wholeness, prosperity, and joy. In *The Kingdom of Power: How to Demonstrate It Here and Now*, you will discover how to enter God’s kingdom, receive its benefits, and expand its dominion throughout the earth. The kingdom of God is within you. The only thing you need to do is to demonstrate it here and now!

Glory of God

Experience a Supernatural Encounter with His Presence

Whitaker House Be a Carrier of God's Glory Jesus said, "And the glory which You gave Me I have given them, that they may be one just as We are one" (John 17:22 NKJV). God designed you to dwell in His presence, understand His heart, and experience His divine power—transforming your life and enabling you to do miracles and wonders that reveal His majesty on earth. Through the insights Guillermo Maldonado presents in *The Glory of God*, you can personally... Develop a passion and thirst for God Be ignited by God’s fire to do the “impossible” Become a dynamic witness and see lives transformed Confirm the gospel with supernatural signs Enter into spiritual rest—and watch God work Receive the miracle you need! The glory of God is a reality to be experienced. Enter into His manifest presence today and be changed forever.

Breakthrough Fast

Accessing the Power of God

Whitaker House If today’s believers only knew the spiritual power for breakthrough that comes through fasting, they would practice it more! A breakthrough is a sudden spiritual burst that pushes us beyond our limitations and into deliverance and freedom. Many Christians are struggling with a need for guidance, deliverance from long-term issues, and answers to perplexing circumstances—and they desperately need breakthroughs. Furthermore, as the second coming of the Lord draws near, we are dealing with demonic powers that have never before been seen on the earth. Our need to pray and fast has intensified, because this is the only way we can be prepared to confront these destructive powers. Now is the time to press through to breakthrough by developing a lifestyle of fasting and prayer! Learn what fasting is, the different types of fasts and their benefits, and how to fast effectively. Fasting is one of the keys to entering the presence of God. Allow God to deliver you, transform you, and use you as a vessel of His supernatural power in the world as you discover how to enter into a Breakthrough Fast. "Your Father who sees [your fasting] in secret will reward you openly." —Matthew 6:18

Jesus Is Coming Soon

Discern the End-Time Signs and Prepare for His Return

Whitaker House *Shakings, Signs, and the Return of Christ* You are mentioned in biblical prophecy. You may not be mentioned by name, but you are included there. End-times prophecies speak of faithful followers of Jesus—called the “remnant”—who are ready for the last days and His return, but they also speak of those who are unprepared or fall away before His appearing. Which prophecy will you fulfill? *Jesus Is Coming Soon: Discern the End-Time Signs and Prepare for His Return* will help you be certain you are part of God’s remnant. The signs of the end of the age and Jesus’s appearing are evident in the physical and spiritual worlds. But most people, including Christians, have not recognized them. What signs has God given to announce the culmination of His purposes for the world? How can we discern them? How can we prepare? This book will unfold: The reason for the unprecedented natural and spiritual shakings in our world What the signs tell us, including unusual signs such as blood moons How God works according to seasons, eras, and the fullness of time How Jewish feasts point to the ages of man, accurately showing us God’s time clock Which imminent biblical signs and promises have yet to be fulfilled The judgments God is bringing to the earth God has given prophecies concerning Israel, the church, and the world. And His Spirit is disclosing His last-days purposes right now. We need to know how to receive the vital revelation and prophetic knowledge He wants to share with His people. When we have this foreknowledge, we can understand the times and prepare for His final plans for the earth. God intends the church to be a community of hope, revival, and supernatural power in the midst of dark times. There is a spirit of confusion in the world today. People must turn to God for the answers only He can give, and the church needs to be ready to provide those answers. In these end times, you do not need to be fearful, discouraged, or distracted. Instead, you can know your true position in God before Christ’s appearing. You can be joyfully prepared, watching and waiting in expectation, with your spiritual eyes open. Live in God’s perfect will for your life and participate in His supernatural, last-days purposes!

Stress-Free Living

Whitaker House Nearly half of Americans are feeling stressed. One in three worldwide is feeling a lot of stress and worry. —Gallup poll Stress is eating away at Americans’ overall well-being. —American Psychological Association Our world is full of stress. Our lives are full of stress. These are the times we’re living in. Some stress is a natural part of life. We all experience it as we meet deadlines or reach for excellence. But stress develops into a serious problem when it becomes entrenched in our lives as a cycle that we can’t shake. High-pressure jobs, difficult relationships, ongoing financial problems, and fear about the future can lead to a stress cycle. This interferes with a happy, productive life, can lead to emotional issues and illness—and can even become life-threatening. Sustained stress may be the silent killer of the twenty-first century. What is the best way to manage normal stress and release the grip of an unhealthy stress cycle? How can we live joyful and effective lives? Best-selling author Guillermo Maldonado leads you in specific steps to stress-free living: First, learn what stress really is—the good and the bad. Second, address the cause of your stress cycle. Identify what provokes your feelings of fear, anxiety, or overwhelm. Third, discover the path to freedom from unhealthy stress and how to manage external and internal stress on a daily basis. This book will equip you with essential spiritual and natural tools for a stress-free life. Be empowered to break stress cycles and find true peace and healing!

Murder and Politics in Mexico

Political Killings in the Partido de la Revolucion Democratica and its Consequences

Springer Science & Business Media *Murder and Politics in Mexico* studies the causes of political killings in Mexico’s liberalization-democratization within the larger context of political repression. Mexico’s democratization process has entailed a little known but highly significant cost of human lives in pre- and post-election violence. The majority of these crimes remain in a state of impunity: in other words, no person had been charged with the crime and/or no investigation of it had occurred. This has several consequences for Mexican politics: when the level of violence is extreme and when political killings that are systematic and invasive are involved, this could indicate a real fracture in the democratic system. This book analyzes several dimensions regarding impunity and political crime, more specifically, the political killings of members of the PRD in the post-1988 period in Mexico. The main argument proposed in this book is that impunity for political killings is a structured system requiring one central precondition, namely the failure of the legal system to function as a system of restraint for killings. Dr Schatz’s research finds that political assassinations are indeed rational, targeted actions but they do not occur within an institutional vacuum. Political assassinations are calculated strategies of action aimed at eliminating political rivals. As a form of interpersonal violence, political assassination involves direct or implied authorization from political leaders, the availability of assassins for hire and the willingness of some political leaders to utilize them against political opponents, and violent interactions between political parties combined with judicial system ineffectiveness. A corrupt legal system facilitates the use of political assassination and explains the persistence of impunity for political murder over time. To reduce political violence in the transition to electoral democracy, specific institutional conditions, namely a structured system of impunity for murder, must be overcome.

Power and Politics in University Governance

Organization and Change at the Universidad Nacional Autónoma de México

Psychology Press Drawing from a case study of the “Universidad Nacional Autonoma de Mexico,” this work analyses the connection between political processes and change in higher education. The author explains that while there are increasing demands these have not produced rapid responses from the university and tries to understand why this lack of response has generated internal and external tensions and conflictive dynamics.

International Community Psychology

History and Theories

Springer Science & Business Media This is the first in-depth guide to global community psychology research and practice, history and development, theories and innovations, presented in one field-defining volume. This book will serve to promote international collaboration, enhance theory utilization and development, identify biases and barriers in the field, accrue critical mass for a discipline that is often marginalized, and to minimize the pervasive US-centric view of the field.

Multiple Injustices

Indigenous Women, Law, and Political Struggle in Latin America

University of Arizona Press Draws together over two decades of research by the author into activism and legal pluralism as practiced and understood by Indigenous women in Latin American countries, analyzing the struggles of indigenous women in Mexico, Guatemala, and Colombia to secure justice and equal rights. The ethnographic approach taken in the book analyzes activism and legal pluralism at the local, state, and international scales and synthesizes the author’s experiences interacting with activists at those different levels. The manuscript draws on critical discourse and feminist theories to address the tensions and struggles indigenous women activists face in Latin America.

Breakthrough Prayer

Where God Always Hears and Answers

Prayer is not a practice or a ritual. It is a place. A secret place in the Spirit. A place of divine encounters with our heavenly Father where we express our love for Him and enter the dimensions of His glory and power. Where we welcome His presence, receive His revelation and guidance for our life, and are empowered to serve His purposes on earth while experiencing the outpouring of His grace through miracles, healings, deliverances, and salvations. With a scriptural foundation, the conviction of personal experience, and the evidence of many testimonies, Guillermo Maldonado passionately reveals how to enter this place in the Spirit so we, as the body of Christ, can become “a house of prayer.” Discover the joy of two-way communication with the Father. Learn not only to hear His voice but to listen and

act on what He is saying to you. See how to build momentum in your prayer life, creating a spiritual atmosphere in which God moves powerfully on behalf of His people. Discover essential keys for breakthrough--and how to have all your prayers answered according to God's will and Word. There has never been a more vital time to find our place in prayer. We are in a period of increased opposition from the enemy as we draw closer to the day of Christ's return. This requires us to attain a higher level of spiritual power and authority, which can only come through prayer that ushers us into God's presence. Nothing else will prepare us to meet the challenges that are coming our way. Nothing else will prepare us for the second coming of Christ. Now is the time to be spiritually vigilant! Now is the time to watch and pray!

Supernatural Deliverance

Freedom for your Soul, Mind and Emotions

[Whitaker House](#) Receive Your Freedom Now! Most believers love Christ, but—for lack of knowledge—are still living under some form of bondage by the enemy. Demonic spirits are the main cause of many emotional, spiritual, and physical problems we struggle with. The remedy, as you will discover in this book, is the precious ministry of deliverance. Through biblical examples, his personal experiences in ministry, and powerful testimonies of people who have been delivered, Apostle Guillermo Maldonado clearly explains that deliverance is part of the finished work of the cross, on which Jesus won the war against sin, sickness, death—and all the power of the enemy. Whether you need deliverance or have a desire to help set others free, *Supernatural Deliverance* provides solutions for defeating the enemy, enabling you to enjoy peace, freedom, and a fruitful life.

The Last Colonial Massacre

Latin America in the Cold War, Updated Edition

[University of Chicago Press](#) After decades of bloodshed and political terror, many lament the rise of the left in Latin America. Since the triumph of Castro, politicians and historians have accused the left there of rejecting democracy, embracing communist totalitarianism, and prompting both revolutionary violence and a right-wing backlash. Through unprecedented archival research and gripping personal testimonies, Greg Grandin powerfully challenges these views in this classic work. In doing so, he uncovers the hidden history of the Latin American Cold War: of hidebound reactionaries holding on to their power and privilege; of Mayan Marxists blending indigenous notions of justice with universal ideas of equality; and of a United States supporting new styles of state terror throughout the region. With Guatemala as his case study, Grandin argues that the Latin American Cold War was a struggle not between political liberalism and Soviet communism but two visions of democracy—one vibrant and egalitarian, the other tepid and unequal—and that the conflict's main effect was to eliminate homegrown notions of social democracy. Updated with a new preface by the author and an interview with Naomi Klein, *The Last Colonial Massacre* is history of the highest order—a work that will dramatically recast our understanding of Latin American politics and the role of the United States in the Cold War and beyond. “This work admirably explains the process in which hopes of democracy were brutally repressed in Guatemala and its people experienced a civil war lasting for half a century.”—*International History Review* “A richly detailed, humane, and passionately subversive portrait of inspiring reformers tragically redefined by the Cold War as enemies of the state.”—*Journal of American History*

Why Believe in Jesus?

A Life Worth Investigating

[Whitaker House](#) Jesus Christ is the most famous person who ever lived. Most people know His name, but they don't really know who He was or what was He like. If He truly was a Savior, as some say, in what way does that reality affect us today? And why should we believe in Him? As Jesus lived and ministered on earth, He taught on topics such as: What is truth? What is the meaning of life? What is love? What is my purpose? What is my future? In this book, as you explore the unique life and teachings of Jesus Christ, you will also be introduced to contemporary people from various backgrounds who tell how and why they came to believe in Jesus—and the difference He is making in their lives today.

Divine Encounter with the Holy Spirit

[Whitaker House](#) When was the last time you had a supernatural encounter with the Holy Spirit? All believers can have powerful divine encounters with the Spirit—not as isolated events but as a lifestyle in which... The supernatural realm is your greatest reality. Jesus becomes real in you. You are commissioned to demonstrate God's miraculous power. You have a profound desire for more of God's presence. To experience divine encounters, you need to have a strong understanding of who the Holy Spirit is. Apostle Guillermo Maldonado clears up doubts and false concepts about the Spirit while providing striking testimonies of people transformed by their supernatural encounters. God desires to manifest Himself as our Father, Provider, Miracle Worker, Healer, Deliverer, and Defender. He also wants us to impact families, communities, and even nations for Christ. Entering into an intimate relationship with the Holy Spirit will fill you with God's love and give you a compassionate heart for a hurting world. You don't have to be a spiritual leader, and you don't have to be perfect, to experience the presence of God and continue the works of Jesus on earth. All you need is a powerful divine encounter with the Holy Spirit.

In the Land of Mirrors

Cuban Exile Politics in the United States

[University of Michigan Press](#) *In the Land of Mirrors* is a journey through the politics of Cuban exiles since the 1959 Cuban Revolution. It explores the development of Cuban exile politics and identity within a context of U.S. and Cuban realities, as well as within the broader inquiry of the changing nature of nation-states and its impact on the politics and identity of diaspora communities. Topics covered include: the origins of the post-revolution exile enclave of the 1960s; the evolution of the Cuban community over the 1960s; the pluralization of exile politics in the 1970s, particularly regarding the relationship with the island; the emergence of Cuban-American political action committees in the 1980s; post-Cold War developments; and the transition of Miami by the coming of age of a second generation of Cuban-Americans and the arrival of a new wave of exiles. Interspersed with vignettes from the author's own experiences and political activism, *In the Land of Mirrors* explores the meanings and ramifications of exile, of belonging, and of seeing the self in the other. It will appeal to political scientists, Latin Americanists, and those studying the politics of exile. Mara de los Angeles Torres was born in Cuba and came to the United States as a young child. She is Associate Professor of Political Science, DePaul University.

The Restoration of the Priesthood

Global Corruption Report 2006

Special Focus: Corruption and Health

[Pluto Press](#) TI has once again shown its ability to combine research and policy analysis not just to shine a light on the deeply embedded problems of corruption ... but to propose progressive solutions. Former World Bank President James Wolfensohn on the Global Corruption ReportIn the health sector, corruption is a matter of life or death. It can take many forms: from medical professionals who sell medicines or services that should be freely available, to high-level government officials who embezzle money from health budgets, to pharmaceutical companies that buy influence over research agendas. The impact of corruption is always felt by the end user -- the sick person who is forced to pay over the odds or who is given unsafe, counterfeit medicines. The 2006 edition of Transparency International's Global Corruption Report shows the impact that corruption has on health care in rich and poor countries. From high-level bribery in Costa Rica to informal payments in Hungary, case studies from around the world explore the characteristics of the health sector that make it so prone to corruption. In a special section dedicated to corruption in HIV/AIDS, the report warns that the large sums being poured into fighting the world's deadliest diseases need to be safeguarded against abuse. There is also a detailed analysis of the problems of the pharmaceutical system. The report also offers an annual round-up of worldwide developments and tracks major trends in more than 40 countries. The Global Corruption Report 2006 is the only report of its kind, and is an essential reference source for anyone who wants the latest research on how corruption affects everything from health to education and the oil and gas industries.

La Pocha Nostra

A Handbook for the Rebel Artist in a Post-Democratic Society

[Routledge](#) *La Pocha Nostra: A Handbook for the Rebel Artist in a Post-Democratic Society* marks a transformation from its sister book, *Exercises for Rebel Artists*, into a pedagogical matrix suited for use as a performance handbook and conceptual tool for artists, activists, theorists, pedagogues, and trans-disciplinary border crossers of all stripes. Featuring a newly reworked outline of *La Pocha Nostra's* overall pedagogy, and how it has evolved in the time of Trump, cartel violence, and the politics of social media, this new handbook presents deeper explanations of the interdisciplinary pedagogical practices developed by the group that has been labeled "the most influential Latino/a performance troupe of the past ten years." Co-written by Guillermo Gómez-Peña in collaboration with *La Pocha Nostra's* artistic co-director Saúl García-López and edited by Paloma Martínez-Cruz, this highly anticipated follow-up volume raises crucial questions in the new neo-nationalist era. Drawing on field experience from ten years of touring, the authors blend original methods with updated and revised exercises, providing new material for teachers, universities, radical artists, curators, producers, and students. This book features: Introductions by the authors and editor to *Pocha Nostra* practice in a post-democratic society. Theoretical, historical, poetic, and pedagogical contexts for the methodology. Suggestions for how to use the book in the classroom and many other scenarios. Detailed, hands-on exercises for using *Pocha Nostra*-inspired methods in workshops. A step-by-step guide to creating large-scale group performances. New, unpublished photos of the *Pocha Nostra* methods in practice. Additional texts by Reverend Billy and Savitri D., Dragonfly, Francesca Carol Rolla, VestAndPage, Micha Espinosa, Zulfikar Ali Bhutto, Praba Pilar, L. M. Bogad, Anuradha Vikram, and Annie Sprinkle and Beth Stephens, among many others. The book is complemented by the new book *Gómez-Peña Unplugged: Texts on Live Art, Social Practice and Imaginary Activism (2008-2019)*.

Designs for the Pluriverse

Radical Interdependence, Autonomy, and the Making of Worlds

[Duke University Press](#) *In Designs for the Pluriverse* Arturo Escobar presents a new vision of design theory and practice aimed at channeling design's world-making capacity toward ways of being and doing that are deeply attuned to justice and the Earth. Noting that most design—from consumer goods and digital technologies to built environments—currently serves capitalist ends, Escobar argues for the development of an "autonomous design" that eschews commercial and modernizing aims in favor of more collaborative and place-based approaches. Such design attends to questions of environment, experience, and politics while focusing on the production of human experience based on the radical interdependence of all beings. Mapping autonomous design's principles to the history of decolonial efforts of indigenous and Afro-descended people in Latin America, Escobar shows how refiguring current design practices could lead to the creation of more just and sustainable social orders.

Baptism with the Holy Spirit

Environmental Governance in Latin America

[Springer](#) This book is open access under a CC-BY license. The multiple purposes of nature - livelihood for communities, revenues for states, commodities for companies, and biodiversity for conservationists - have turned environmental governance in Latin America into a highly contested arena. In such a resource-rich region, unequal power relations, conflicting priorities, and trade-offs among multiple goals have led to a myriad of contrasting initiatives that are reshaping social relations and rural territories. This edited collection addresses these tensions by unpacking environmental governance as a complex process of formulating and contesting values, procedures and practices shaping the access, control and use of natural resources. Contributors from various fields address the challenges, limitations, and possibilities for a more sustainable, equal, and fair development. In this book, environmental governance is seen as an overarching concept defining the dynamic and multi-layered repertoire of society-nature interactions, where images of nature and discourses on the use of natural resources are mediated by contextual processes at multiple scales.

Pedagogics of Liberation

A Latin American Philosophy of Education

Enrique Dussel is considered one of the founding philosophers of liberation in the Latin American tradition, an influential arm of what is now called decoloniality. While he is astoundingly prolific, relatively few of his works can be found in English translation - and none of these focus specifically on education. Founding members of the Latin American Philosophy of Education Society David I. Backer and Cecilia Diego bring to us Dussel's *THE PEDAGOGICS OF LIBERATION: A Latin American Philosophy of Education*, the first English translation of Dussel's thinking on education, and also the first translation of any part of his landmark multi-volume work *Towards an Ethics of Latin American Liberation*. Dussel's oeuvre is an impressive intellectual mosaic that uses Europeans to disrupt European thinking. This mosaic

has at its center French philosopher Emmanuel Levinas, but also includes Ancient Greek philosophy, Thomist theology, modern Enlightenment philosophy, analytic philosophy of language, Marxism, psychoanalysis (Freud, Klein, evolutionary psychology, neuroscience), phenomenology (Sartre, Heidegger, Husserl, Hegel), critical theory (Frankfurt School, Habermas), and linguistics. Dussel joins these traditions to Latin American history, literature, and philosophy, specifically the work of Octavio Paz, Ivan Illich, and the philosophers of liberation whom Dussel studied with in Argentina before his exile to Mexico in the late 1970s. Drawing heavily from the ethical philosophy of Emmanuel Levinas, Dussel examines the dominating and liberating features of intimate, concrete, and observable interactions between different kinds of people who might sit down and have face-to-face encounters, specifically where there may be an inequality of knowledge and a responsibility to guide, teach, learn, care, or study: teacher-student, politician-citizen, doctor-patient, philosopher-nonphilosopher, and so on. Those occupying the superior position of these face-to-face encounters (teachers, politicians, doctors, philosophers) have a clear choice for Dussel when it comes to their pedagogics. They are either open to hearing the voice of the Other, disrupting their sense of what is and should be by a newness beyond what they know; or, following the dominant pedagogics, they can try to communicate and instruct their sense of what is and should be to the (supposed) *tabula rasas* in their charge. Dussel calls that sense of what is and should be "lo Mismo." This groundbreaking translation makes possible a face-to-face encounter between an Anglo Philosophy of Education and Latin American Pedagogics. "Pedagogics" should be considered as a type of philosophical inquiry alongside ethics, economics, and politics. Dussel's pedagogics is a decolonizing pedagogics, one rooted in the philosophy of liberation he has spent his epic career articulating. With an Introduction by renowned philosopher Linda Martin Alcoff, this book adds an essential voice to our conversations about teaching, learning, and studying, as well as critical theory in general. ENRIQUE DUSSEL was born in 1934 in the town of La Paz, in the region of Mendoza, Argentina. He first came to Mexico in 1975 as a political exile and is currently a Mexican citizen, Professor in the Department of Philosophy at the Iztapalapa campus of the Universidad Autónoma Metropolitana (Autonomous Metropolitan University, UAM), and also teaches courses at the Universidad Nacional Autónoma de México (National Autonomous University of Mexico, UNAM). He has an undergraduate degree in Philosophy (from the Universidad Nacional de Cuyo/National University of Cuyo in Mendoza, Argentina), a Doctorate from the Complutense University of Madrid, a Doctorate in History from the Sorbonne in Paris, and an undergraduate degree in Theology obtained through studies in Paris and Münster.
