**The Seven Mountain Prophecy Unveiling the Coming Elijah Revolution** *Charisma Media* God is preparing a spiritual tsunami to sweep the nations and reclaim our culture for Christ, says author Jonny Enlow. He describes seven culture-shaping areas of influence over each society—media, government, education, economy, family, religion, and celebration (arts and entertainment)—that are the keys to taking a nation for the kingdom of God. The purpose of this book is to draw the church's attention to these areas; help each individual determine his or her specific assignment in this mission; and then to offer insight into the nature of the battles involved in this “spiritual tsunami,” as the author calls it. Many Christians do not grasp that God's favor for us to succeed is already upon us and is part of His end-time strategy to establish Jesus as Ruler of the Nations before His return. Readers will come to understand that this favor is divinely strategic and corresponds to the place of each person's ministry assignment. Many have a spiritual poverty vision and poor eschatology, two factors that have robbed us of our blessing and caused us to fail to reclaim cultural influences for Christ. The book is laid out to address these two misunderstandings, with the first several chapters specifically aimed at correcting lack of vision and misguided understanding of the end times. Each chapter that follows provides intensive, detailed study of each “mountain” of influence, how it will be taken and by whom, and what resistance will be encountered by individuals assigned to claim this mountain. **Invading Babylon The 7 Mountain Mandate** *Destiny Image Publishers* You were transformed to transform your world! For too long, Christianity has been defined by a false concept of church. As a result, believers have built walls around their lives, keeping culture at a distance. As Christians have tried to keep culture out of the church, unfortunately, the church has kept itself out of the culture. This was never Jesus' design for the your life! Before church was established as a place that people “came to,” Jesus instituted it as an army that brought transformation to society, starting with salvation and continuing with seven spheres of influence: Church, family, education, government, media, arts, and commerce. Six revolutionary voices in the modern church deliver **Invading Babylon**. This essential guide will equip you to: Understand your vital role in shaping society. Release God's will in your sphere of influence. Become an unstoppable citizen in God's Kingdom. It's your time to arise and be a light in a dark world. **The Seven Mountain Mantle Receiving the Joseph Anointing to Reform Nations** *Charisma Media* In this follow-up to his first release, **The Seven Mountain Prophecy**, Enlow explains how God revealed His plan to raise up “Josephs”—sons and daughters who would bear His favor, dream His dreams, and reclaim the seven mountains, or sectors, of society for His glory. **Revelation** *Canongate Books* The final book of the Bible, **Revelation** prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the “Beast” will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self. **Invading the Seven Mountains with Intercession How to Reclaim Society Through Prayer** *Charisma Media* Although the kingdom of darkness may have a firm hold on the cultural landscapes of society, an army of godly intercessors is taking a stand. **The Seven Mountain Renaissance Vision and Strategy Through 2050 You Are Living in a New Era History's greatest Renaissance--a spiritual one--is now unfolding.** In his first two “Seven Mountain” books, **The Seven Mountain Prophecy** and **The Seven Mountain Mantle**, Johnny Enlow showed how Christians are called to manifest the kingdom of God in the seven primary spheres of society: religion, education, family, government, economy, media, and celebration/arts. Now, he reveals the sweeping changes he expects to take place over the next several decades in each of these spheres as he unveils his vision and strategy through 2050. We have entered an “Era of Renaissance” that will not be complete until the nature and character of the invisible God are made visible in the world through the influence of His ambassadorial children. The first Renaissance in history showcased the achievements of man, but this new Renaissance will display the brilliance and works of God for the whole world to see. By 2050, an on-fire, loving church with a hope-filled worldview will be globally advancing, walking in unprecedented signs and wonders and supernatural manifestations of power. Many nations on earth will walk in a high level of national transformation. What is your part in this new Renaissance? Which Mountain is your primary realm of influence? As this extraordinary Renaissance progresses, you will carry God's life-changing truth and light to transform the world. There will be such an increase in the knowledge of God and His ways that life on earth will be changed forever. **The Sibylline Oracles (Annotated Edition)** *Jazzybee Verlag* This is the extended and annotated edition including \* an extensive annotation of almost 10.000 words about the oracles in religion \* an interactive table-of-contents \* perfect formatting for electronic reading devices **THE Sibyls** occupy a conspicuous place in the traditions and history of ancient Greece and Rome. Their fame was spread abroad long before the beginning of the Christian era. Heraclitus of Ephesus, five centuries before Christ, compared himself to the Sibyl “who, speaking with inspired mouth, without a smile, without ornament, and without perfume, penetrates through centuries by the power of the gods.” The ancient traditions vary in reporting the number and the names of these weird prophetesses, and much of what has been handed down to us is legendary. But whatever opinion one may hold respecting the various legends, there can be little doubt that a collection of Sibylline Oracles was at one time preserved at Rome. There are, moreover, various

oracles, purporting to have been written by ancient Sibyls, found in the writings of Pausanias, Plutarch, Livy, and in other Greek and Latin authors. Whether any of these citations formed a portion of the Sibylline books once kept in Rome we cannot now determine; but the Roman capitol was destroyed by fire in the time of Sulla (B. C. 84), and again in the time of Vespasian (A. D. 69), and whatever books were at those dates kept therein doubtless perished in the flames. It is said by some of the ancients that a subsequent collection of oracles was made, but, if so, there is now no certainty that any fragments of them remain.

With details from his own experiences and profiles of modern-day change agents, Hillman shows how you too can have greater influence no matter what your age or status in life. Our culture is shaped by the seven mountains of cultural influence: business, government, media, arts and entertainment, education, the family, and the church. The Book of Prophecies** *Wipf and Stock Publishers* Christopher Columbus returned to Europe in the final days of 1500, ending his third voyage to the Indies not in triumph but in chains. Seeking to justify his actions and protect his rights, he began to compile biblical texts and excerpts from patristic writings and medieval theology in a manuscript known as the Book of Prophecies. This unprecedented collection was designed to support his vision of the discovery of the Indies as an important event in the process of human salvation - a first step toward the liberation of Jerusalem and the Holy Land from Muslim domination. This work is part of a twelve-volume series produced by U.C.L.A.'s Center for Medieval and Renaissance Studies which involved the collaboration of some forty scholars over the course of fourteen years. In this volume of the series, Roberto

Rusconi has written a complete historical introduction to the Book of Prophecies, describing the manuscript's history and analyzing its principal themes. His edition of the documents, the only modern one, includes a complete critical apparatus and detailed commentary, while the facing-page English translations allow Columbus's work to be appreciated by the general public and scholars alike. No Compromise* ¿O¿er the land of the free . . . and the home of the brave!¿ Brave indeed. Fleeing persecution in their homelands, they crossed the seas to a New World in search of freedom . . . freedom of conscience . . . freedom to worship as they chose. Puritans, Pilgrims, and men like Roger Williams created a safe haven for liberty. They built ¿One Nation, under God¿ ¿a nation founded on Bible principles. But to these sturdy pioneers, freedom of worship also included the freedom not to worship at all, if one so chose. Real freedom would mean that those who worshiped God, and those who didn¿t would live together in respectful tolerance and peace. Today, this dream of freedom is under siege. Why? Because many worship no god at all, and they increasingly oppose those who do. These unbelievers would strip away the religious freedoms that our founders sacrificed to create. They seem bent on creating a nation based on their own secular atheism, by force if necessary. They mock the very idea that we are a nation under God. Those who choose to worship God are also responsible. They¿we¿have taken tolerance to tragic extremes of compromise. Instead of standing up for God and the Bible, we give too much away in our eagerness not to offend anyone. And slowly, we are becoming One Nation, under Total Confusion. It¿s time to stand firm again¿to stop compromising away our hard-won freedoms. This book will help all of us remember our nation¿s original dream¿and inspire us to recapture it. *Money Won't Make You Rich God's Principles for True Wealth, Prosperity, and Success* *Charisma Media* *Achieve Financial Success...God's Way!* DIVPastor Sunday Adelaja helped 200 people become millionaires in just two years by teaching them how to apply God's principles to their personal finances.
